

June 2021**Subject: Auto Mechanics 4-H project requirements**

Project Requirements for 2021.

1 22x28 poster mounted horizontally. On one of the topics of your levels Saturday workshop. The poster must include the required title (below) and photos. Your poster should be able to teach someone how to do the topic you chose. Example: change a tire.

Beginner (grades 3-5)

Poster title: Experiences in Auto Mechanics

Workshop topics (pick one): Basic tools, how to change a headlight/taillight

Intermediate (grade 6-8)

Poster title: Auto Mechanics 101

Workshop topics (pick one): How to do a roadside tire change, Pre-trip inspection

Advanced (grades 9-12)

Poster Title: Advanced Auto Mechanics

Workshop Topics (pick one): Oil changes, check light diagnostics

Please make sure to have a space at the bottom right corner for your exhibit tag. In this space please have your name, division, grade and club. Please make sure your poster is exhibited in a poster sleeve.

Thank you,

Dustin and Samantha Mast
