1. Animals entered in this project must be (a) owned by the club member, (b) owned jointly by the club member and parents, or (c) in possession of the club member under some lease by the date of the May ear tagging. All animals need to be identified and entered into 4honline by **May 15** to exhibit at the Elkhart County 4-H Fair and Indiana State Fair. Additionally, DNA samples need to be submitted to the Elkhart County Extension Office for state fair bound animals by May 15. **ANY ANIMAL NOT ENTERED WILL BE UNABLE TO SHOW AT THE ELKHART COUNTY FAIR. In addition, all animals must be entered in Fair Entry before June 25, 2026**
2. All exhibitors need to complete a Quality Assurance program designated by the Elkhart County Extension office by **June 15** to qualify to show.
3. All market lambs and commercial breeding animals to be shown in the fair must be ear-tagged during the designated days in May. Registered breeding animals to be shown in the fair must also be brought to tagging for paperwork purposes in order to be eligible to show. All fees for Elkhart County and Indiana State Fair tagging are to be determined.
4. Members of the 4-H Lamb Club should attend at least 4 activities, pay \$5.00 dues, and pen rental of \$2.00 per head. To be eligible for any lamb club achievement awards each member must work at least two shifts and ONE PARENT SHIFT PER CHILD in the Lamb Booth during the fair week. We strongly encourage all members and their parents to work at least their shifts in the lamb booth. This is the largest fundraiser provided by the club for the club. We consider your participation in working in the booth as your commitment to being an active member in our club.
5. Judging of the 4-H sheep will start promptly at 9 am, Tuesday of fair week. The meeting prior to the show will begin at 8:30 am, with the show starting at 9 am.
6. All market lambs must be under one (1) year of age on show day and still have their lamb's teeth intact at the time of check-in. All market lambs will be shown by breed. Classes will be available for all recognized breeds with no minimum number to make a class.
7. All sheep exhibited will be unloaded and presented without blankets for close inspections by an Advisory Board Representative or chosen delegate. Elkhart County 4-H Fair reserves the right to dismiss any animals not meeting health requirements.
8. The natural color of the market lambs is not to be changed, this includes painting while preparing the animal for the 4-H show.
9. There will be no wet lambs weighed in.
10. When market lambs are weighed in, the 4-H member must designate which lambs will be shown as singles and those to be shown as a pen of two. A pen of two consists of 2 lambs of any breed owned by a single 4-H member. For single market lambs members may choose to move the heaviest lamb up to the next class if the two lambs are in the same weight class. In the event that the two lambs weigh the same, the highest-numbered ear tag will be moved up to the next class.

11. Members must do their own showing with such help as needed. In case of illness or absenteeism, another Elkhart County 4-H Lamb Club member may show the animals for them. Any lamb not shown during the 4-H show will not be allowed to sell in the 4-H auction.
12. For the Showmanship contest, each 4-H'er must show their own lamb. Alumni contestants may continue to show any borrowed 4-H'ers lamb.

14. Each species will continue to follow the 1995 rules regarding the number of transactions per species. Two market lambs may be sold in the 4-H Auction on Friday. There is a limit of 3 transactions per 4-Her. The 4-Her will decide which three (3) transactions he or she will sell. NOTE: A transaction is defined as the sale of 1 beef steer, 1 gallon of milk, 1 dairy feeder calf, 1 dairy or meat goat, 1 hog, 1 lamb, or 1 meat pen (3 rabbits), 1 pen of broilers, 1 roaster or 1 waterfowl. \*\*\*Animals to be sold must be shown in the judging on Tuesday. The weight at weigh-in will be the selling weight for the auction. Lambs must be of food quality as set forth by the auction committee. Any lamb under 75 lbs. Will not be allowed to show in the 4-H show and therefore not sold through the auction, this lamb will be excused from the barn and not allowed to stay.
15. Ewe lambs shown as market lambs can be shown again in the appropriate breeding classes. Animals shown in the breeding classes cannot be sold in the 4-H Auction. Any animals not selling in the 4-H auction may be released after checking with Lamb Club Leaders after the completion of the 4-H show on Tuesday. This is to include animals going to State Fair as well as breeding animals. These animals must be released by the Lamb Club Leaders or Assistant leaders and the animal ID noted. As animals leave the fairgrounds the member is asked to clean the pens that the lambs were in immediately upon removal of the animal(s).
16. Exhibitors must furnish certificates of registry in the exhibitors name for all the purebred sheep and furnish certificates of transfer if not bred by the exhibitor. The identification number that is on the registration paper must be a tag or tattoos that is in the ear of all sheep . Registered papers will be checked on Friday, the exact time will be announced at check in. You must be at your pen with your registration papers at that time to be considered checked in for the 4-H show. If you plan to show a ewe lamb in the purebred market lamb class, you must have registration papers to show as a purebred ewe in the breeding class. The ewe cannot show as a purebred market lamb and a commercial ewe lamb. If you double enter a ewe lamb as a market and a breeding with no registration papers the animal must show in both divisions as a commercial lamb.
17. The families of the Grand Champions and the Reserve Champions of both singles and pen of two, as well as the families of the Supreme and Reserve Supreme Ewe and Rams will be asked to help with the decorations and setting up and cleaning up for the Achievement dinner.
18. All club members eligible for awards should attend the Achievement dinner or have representatives to accept for them.

19. The Elkhart County 4-H Lamb Club Advisory Board will rule on problems that arise at the 4-H Show and their decision will be final.
20. All medication that needs to be given to an animal while on the fairgrounds must have a veterinarian script or given under the supervision of a veterinarian. This must be on file with the 4-H Club leader prior to this happening.
21. **To be eligible to exhibit you must have your animals entered in 4-H online by May 15, 2026. Lambs must be then entered in Fair Entry between May 23, 2026 and June 25, 2026 to be eligible for class awards. ## Entry Procedure

The following procedure will be used to pen all 4-H market lambs. This will facilitate locating animals quickly and efficiently if the need arises and following the auction on Friday.

1. All animals will have pens assigned to them.
2. Lambs will be checked in prior to penning. Lamb check-in and penning times will be Thursday, July 23, 5:00-10:00 pm with all 4-H animals being penned by Thursday, July 23 at 10:00 pm. Tack may be brought in starting 24 hours prior to penning times. Each lamb is entitled to only one trip across the scale during official weigh-in times. Once the lamb steps onto the scales that weight will be used in the 4-H Auction.
3. All overall Grand, Reserve Grand and Top 5s will only come from the Champion and Reserve Champions of each representative breed.
4. Lamb Club members will choose their pens at the June or July 4-H meetings. This will be done by years in the Lamb Club starting with the 10 year members in alphabetical order then 9 year, 8 year, etc. Pens may not be reserved by other club members. Only members within a family that need to share pens for tack or animals can have a designated member to pick the pens for the total need. There will be no more groups of friends coming to get pens together.
  - a. Club members will be assigned one pen or area for their equipment. However, the equipment area may have to be shared between two club members. This decision will be made by the Advisory Board.
5. All lambs are to be returned to their original pens after they are auctioned. The barn will be closed during the auction. **NO LAMBS ARE TO BE REMOVED FROM THE BARN AFTER THE AUCTION UNTIL EAR TAG NUMBERS ARE CHECKED OFF WITH TIM, BETSY, AMANDA, JANE or ANDREA.**

### Market Lamb Classes:
