Record book for 2026

Everyone needs to do a record book. Again, same as past years, do a 5+ minute demonstration, hand in your paperwork for it, this will count as your record book for this year. If you do not do a demo, then you will need to write a 1-page essay on the following:

*****What do you feed your show calf on a normal day during the summer (include the amounts that you feed), and what/how do you feed your show calf on a show day (include the name of feeds).

Clover cash 2026:

\$5 for your first demo.

\$5 for your second demo

\$5 for your third demo

\$5 clover cash handed out to 4-Hers that attend at least 4 meetings.
