

2024 4-H FASHION REVUE

On behalf of the Fashion Revue Committee, we would like to invite all 4-H members, especially those enrolled in Sewing to be part of Elkhart County 's 4-H Fashion Revue.

Fashion Revue is a stand-alone project, participants should sign up when they register for 4-H. You NO LONGER have to enter your project for construction judging. Sewing and Fashion Revue are separate projects.

Fashion Revue gives you an opportunity to show off an outfit you have sewn. The garment(s) you model does not need to be the same one that you are entering in sewing judging if you've sewn. The garment must have been completed since the 2023 Elkhart County 4-H Fair. **You are not required to enter sewing construction to enter 4-H Fashion Revue.**

Fashion Review judging is not based on construction but rather on their fit and your choice of accessories to complete your total look.

- Fashion Review guidelines follow the sewing project guidelines for grades 3-7 (Junior Revue).
- Fashion Review guidelines follow the category guidelines for Advance Sewing (Senior Revue – Grades 8-12).

Fashion Revue committee members will be available to answer questions at project Judging on **July 9th, 2024.**

The link to complete the Fashion Revue entry form is on our website at <https://extension.purdue.edu/elkhart> click on Projects, Fashion Revue or [here](#)

- **Registration is due on Friday, July 1st, 2024.** Commentaries should be a maximum of 250 words and may be edited.

Project requirements for Fashion Revue will follow the guidelines set for Sewing projects. In grades 3-7 members need to only make the garment that is judged.

An outfit is defined as clothing that could be worn without additional garments and be considered acceptable to be worn in public. In senior categories no half garments may be modeled i.e. not just blouses or skirts.

Accessories are defined as accents that add to the total look and do not need to be sewn by the 4-H'er.

Read project requirements: A suit is two pieces. If you purchase a blouse, the blouse is an accessory. A jumper could be paired with a purchased blouse as an accessory for Fashion Revue.

ENTERING PROJECTS: Members entering in senior revue--grades 8-12--will need to identify the category where their project will be entered. Categories are the same as sewing categories. In Fashion Revue, senior members may exhibit one outfit in each category.

One State Fair entry will be chosen for each category.

DEFINITION OF AN OUTFIT: An outfit is a garment or garments that when put together make a complete look--such as one- or two-piece dress, or one- or two-piece pants suit, or a three piece combination, such as pants, vest and blouse or shirt.

CATEGORIES

Informal or Casual Wear--A complete outfit of one or two pieces suitable for school, weekend, or casual, informal activities.

Dress Up--This is suitable for special, church, or social occasions that are to be considered formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend or casual occasion.

Suit or Coat--The suit consists of two pieces including a skirt or pants and its own lined jacket.

The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

Separates--Consists of three garments that must be worn as a coordinated complete outfit.

Each piece should be versatile enough to be worn with other garments.

Formal Wear--This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening wear.

Free Choice--A complete outfit comprised of garments that do not fit in the other classifications. Examples include tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits historic, dance, theatrical, or international costumes, capes and unlined coats.

STATE FASHION REVUE

4-H State Fashion Revue judging takes place in August at the Indiana State Fair. The top 15 from each category will model their garments in the Farm Bureau Building at the Indiana State Fair, when top award winners will be announced. **The exact dates for these events will be announced at a later time.**

If you participate in Fashion Revue and Sewing and win a category in both, you will be asked to choose to participate in only one (Fashion Revue or Sewing construction).

COMMENTARY

You may want to have your parent, 4-H Leader or friend help with the description of your outfit. This is what will be read as you model your outfit.

--The description on the pattern envelope can be helpful. You want your commentary to be long enough for modeling but not so long that you are waiting for it to be done.

Commentaries should be a maximum of 250 words and are subject to editing.

FASHION REVUE TIPS FROM THE JUDGES

1. **Smile**--it's the best accessory!
2. **Accessories**--Accessories should be age appropriate. Less is more; don't over or under accessorize. Make certain they are the right size for the overall look of the outfit.
3. **Pressing**--Press, press, and press some more. Use starch (sparingly) to make stubborn cottons behave. Watch for seam puckering. take wool garments to the dry cleaners and have it pressed. NEVER sit in your garment prior to judging!
4. **Hemlines**--Wear skirts and pants straight on the waistline. This will greatly impact the hem. Watch hemline length and keep hemlines straight and even.
5. **Length**--In skirts and shorts, please check that the length is appropriate. Adjust your pattern if necessary.
6. **Footwear**--Watch color and style. Must match outfit. Be sure shoe style and heel height are age appropriate. For PJ's socks/footies are good choices if slippers can't be found that match. For open toe shoes, polish your toenails. No flip flops.
7. **Zippers**--Invisible zippers are a great choice for formal wear.
8. **Undergarments**--Watch fit of bodices. Wear undergarments that don't show from the outside.
9. **Modeling**--Switch up your stance when modeling lined garments will flow better. Let your personality show and add your own style. Relax and model with ease.
