

Mini 4-H Projects

Mini 4-H'ers in grades K-2 choose a project to complete each year. Read the choices together with your family to choose a project to complete.

Arts and Crafts

Experiment with crafts to make an art project of your choice.

Beef

Complete a poster project and participate in a non-competitive show with an older 4-H'er's animal.

Bicycle

Learn how to care for your bicycle and ride it safely. Display a bicycle poster.

Bugs

Explore different kinds of bugs and insects. Make a poster about your favorite bug.

Cake Decorating

Learn the basics of cake decorating. Display a frosted cake or styrofoam form.

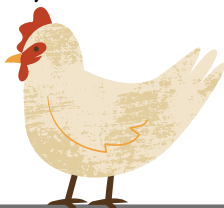

Dinosaurs

Learn about how dinosaurs lived long ago. Make a poster about your favorite dino or a dino diorama.

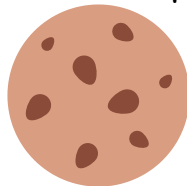

Farm Animals

Select a farm animal and make a poster about it. Choose a dairy cow, beef cattle, goat, sheep, rabbit, poultry, horse, or swine.

Foods

Learn about food groups and how to mix and measure ingredients. Make two no-bake cookies to display.

Flowers & Garden

Learn how to care for your garden. Exhibit a vegetable from your garden, a poster with photos of your garden, or flowers cut in your garden.

Note: You do not need to own an animal to participate in any project.

Extension - Elkhart County

Mini 4-H Projects

Mini 4-H'ers in grades K-2 choose a project to complete each year. Read the choices together with your family to choose a project to complete.

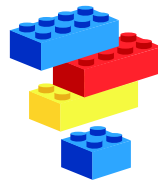

Forestry

Learn about different trees and how trees help people and animals. Make an art collage or poster about trees.

Models

Learn how to build and follow directions. Complete a snap together model smaller than 12 inches.

Pets

Learn how to have fun and care for a pet. Use pictures to make a poster about your pet or a pet you would like to have.

Sewing

Begin to collect the tools to start sewing. Exhibit a sewing box with a pin cushion, a simple placemat, or a completed stitching guide.

Tractor

Learn about tractors, how they are used, and safety. Make a poster with pictures and a story about your favorite tractor.

Wildlife

Learn what animals need to survive. Make a poster or diorama about a wild animal in Indiana.

Notes: You do not need to own an animal to participate in any project.

Mini 4-H'ers will not drive a tractor in the tractor project.

Instructions for completing Mini 4-H projects are found in the project manual available on the Purdue Extension Elkhart County 4-H website or at Mini 4-H events. Posters and covers are available for purchase at the Extension office while supplies last.

Please call the Extension office at 574-533-0554 with questions about completing Mini 4-H projects.
