

Native Planting Rain Garden Workshop

Catch Rainwater. Fix Erosion. Create Habitat. Add Landscaping.

If you are in need of accommodations to attend this program, please contact Gina Anderson prior to the meeting at (812)-948-5470 or gmanders@purdue.edu by August 19th.

For special dietary needs, please contact Gina Anderson prior to the meeting at (812)-948-5470 or gmanders@purdue.edu by August 19th.

If you need an interpreter or translator, please contact Gina Anderson prior to the meeting at (812)-948-5470 or gmanders@purdue.edu by August 19th.

For the planting, please bring your own tools and dress accordingly.

Join Purdue Extension Floyd County and Floyd County Soil and Water Conservation District for this workshop designed around raingardens! Learn about the impact raingardens have, how to select the ideal spot, which plants work best, and its benefits! The workshop will also give you a chance to get hands-on experience with installing one! We invite you to bring garden gloves and your questions! A light lunch will be provided.

August 23rd
9AM - 2 PM

Sam Shine Foundation
Greenville, IN
