Family Fit Lifestyle Month: Start the Year With Family Fun

Like millions of people around the world, your resolutions probably included exercise more, eat better, and spend more quality time with family and friends. Maybe that’s why January is Family Fit Lifestyle Month. What better way to start the year? Here are some fun and simple ways to check those boxes!

**Week 1: Play Ball**

Have a snowball fight. No snow/ too cold? No problem. Make balls out of scrap paper! Warm up afterwards with our Cheesy Potato Soup. Find the recipe at eatgathergo.org/recipe/cheesy-potato-soup/

**Week 2: Cook Together**

Pizza Week begins on Jan. 14, so gather ingredients and the family to make personal pizzas. Find the recipe at eatgathergo.org/recipe/my-personal-pizza/. Add a fun pizza dessert too! Get it at eatgathergo.org/recipe/fruit-pizza/.

**Week 3: Shake It!**

Start a dance party tradition. Pick 1 to 3 fast-paced songs to play daily at a time that works best for your family and dance together. Add to the party atmosphere with our trail mix: eatgathergo.org/recipe/do-it-yourself-trail-mix/

**Week 4: Be a lean, mean, cleaning machine**

Ask everyone to help with the chores. Shovel snow together. Race to clean a room. Have a cleaning party while you vacuum, dust, and pick up toys. Pop these potatoes in the microwave for dinner later! eatgathergo.org/recipe/southwestern-stuffed-potatoes/
