The Fountain County 4-H Council, 4-H Fundraising Committee, and 4-H Fairgrounds Foundation would like to thank all of the businesses and individuals who have so very generously donated to and invested in the Fountain County 4-H Program. These donations are applied to our annual budget expenditures (utilities, insurance, awards, postage, printing, etc.), as well as towards Fountain County youth activities, such as Round-Up, 4-H Camp, 4-H Academy, State 4-H Band & various leadership workshops. We were also able to add to our "seed fund" towards long term maintenance and improvement of our fairgrounds. With the help of adult volunteers and through generous donations, these 4-H members will continue to use all the knowledge and skills they learn through the Fountain County 4-H Program. Thank you!
