

ABOUT 4-H

4-H began over 100 years ago and has since grown into the largest youth development program in the nation. 4-H prepares young people to be leaders in their community and around the world through hands-on experiences alongside their peers and caring adults. Backed by a network of more than 6 million youth, 540,000 adult volunteers, 3,500 professionals, and more than 60 million alumni; 4-H delivers research-based programming around positive youth development.

4-H is delivered through America's 109 land-grant universities and the Cooperative Extension Service — reaching every corner of our nation. In Indiana, 4-H can be found in all 92 counties as delivered through Purdue Extension. Community clubs, afterschool programs, school enrichment, camps/workshops, and special programs are all ways youth across Indiana can be involved with the 4-H program.

PURDUE EXTENSION

OUR MISSION

We deliver practical, research-based information that enhances lives and livelihoods.

OUR VISION

We will be a leader in providing relevant, high-impact educational programs that transform the lives and livelihoods of individuals and communities in Indiana and the world.

VOLUNTEERS

The 4-H program relies on volunteers to fulfill responsibilities as club leaders, project committees, and fair leadership. All 4-H volunteers are required to go through an application and screening process, recommit annually by signing the Adult Behavioral Expectations form, and complete the Operating Procedures for Programs Involving Minors training every two years. If interested in becoming a 4-H volunteer, please contact the Extension Office for more information.
