Exhibit Topics: The following suggestions are ideas for development of educational dog posters. 4-H'ers need not be limited by or to just these mentioned topics.

All posters, notebooks, and display boards must include a reference list including where the information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster, display board, be the last page of a notebook, or include as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which reference are listed.

*First aid kit for a dog. What is involved, why and how each item is used.

*The diet and nutrition of raising a healthy dog from puppyhood to adult.

*Dogs belong to groups. What are the groups, breed members of the groups, and the different uses of the groups?

*General history of the dog family, canis lupis. How it began to the present day animal.

*A disease of dogs: its discovery, effects, treatments, etc.

*A vocation involving dogs. Type of work and preparation for the vocation.

*Some phase of dog training: novice, open, utility, tracking, guard, narcotic, blind people's guide dogs, herding. Whatever you choose, give a little history, theory, value, pertinence today.

*A parasite of dogs: its discovery, treatment, effects, etc.

- *Draw a diagram of a dog and label parts of the body and explain function of each.
- *Kennel clubs, obedience clubs, breed clubs, local, national, etc. Explain difference and function of different types.
- *Explain breed "standards", their purpose and how set up.
- *Junior handling - What it is and what purpose it serves.
- *Write an essay of between 200-300 words on your chosen topic. Exhibit your essay with the poster using the poster to decorate and explain your topic.
- *With a little extra planning and work, a 4-H'er could develop both a county demonstration or action display and a dog poster all at the same time.

State Fair Exhibit: There will be three (3) entries, one from each level.

NOTE: Certain required vaccinations have not been proven effective in wolf-hybrids, therefore, because wolf-hybrids cannot meet the vaccination requirements of the Indiana Board of Animal Health, wolf-hybrids dogs cannot be shown in the 4-H Dog program.

Showmanship

Demonstrates ability of handler to present dog to a judge in conformation style as in AKC. Handler's skills are evaluated in dog set up, gait, grooming, knowledge of dog anatomy and smoothness in handler's pattern execution.

Junior Showmanship: For any 4-H member who is in 3rd, 4th, or 5th grade during the current school year (September- August).

Intermediate Showmanship: For any 4-H member who is in 6th, 7th, or 8th grade during the current school year (September- August).

Senior Showmanship: For any 4-H member who is in 9th, 10th, 11th, or 12th grade during the current school year (September-August).

Showmanship Philosophy:

Showmanship is concerned with how well the dog is shown by the handler. The dog's confirmation or its being purebred is of no importance. The emphasis is on the handler's presentation of the dog standing still and in motion. The handler must convey knowledge and understanding of the dog's breed, or the breed chosen as that which the dog most resembles. The handler should present the dog according to the chosen single breed standard. The handler and dog appear to be part of a team. They work well together, move fluidly, and give an overall picture of being one unit. If a dog moves out of place or makes an error, a good handler is aware of this. The handler quickly and efficiently adjusts for the fault and resumes his/her presentation of the dog.

Agility

The 4-H Dog Agility Program is based on guidelines from the United Kennel Club. Some modifications to the UKC rules have been made to provide a program suitable for 4-H handlers of all ages.

Puppy Agility Rules

#1 – Puppy Agility is an alternative option to 4-Her's whose dog is under one (1) year of age come day of show. If your dog is over one (1) year of age (or just turned one) come day of show the 4-Her will have to complete the Agility Beginning A class and is **INELIGIBLE** for Puppy Agility.

#2 – The 4-Her's dog is only eligible to complete in Puppy Agility for one (1) year if requirements are met for Rule #1. (4-Her will be eligible for Puppy Agility again if child is showing a new puppy in 4-H during a different year.)

#3 – Puppy Agility will be run/walked **ON LEASH ONLY.**

#4 – The agility course will consists of NO JUMPS. Due to the crucial development of hip bones/muscles this may cause injury to the dog. The Puppy Agility Classes may involve any or all of the following:

- A-Frame
- Dog Walk
- Pause Box
- Pause Square
- Open Tunnel(s)
- Barrel
- Hula Hoop Tunnel
- Teeter Totter(s)
- Sway Bridge
- Weave Poles
- Jump Stands (no bars)

#5 – Due to rule #4 – 4-Her's who take Puppy Agility, along with Obedience and Showmanship, will be **INELIGIBLE** to be in the running for Champion Top Dog and Reserve Champion Top Dog. This is due to the disadvantage of not having actual jumps (hurdles) in the course. (4-Her will be eligible for Top Dog Awards the following year.)

#6 – Champion, Reserve Champion, and 1st – 8th placings will be given out in this class.

#7 – Puppy Agility is only available in Grant County. If your dog is one (1) year old and you are planning to compete at the Indiana State Fair you will have to compete in Agility Beginning A at the state level.
