

# FARM TOY SCENE

Farm Toy Scene will be divided by the member's grade during the current school year. For judging, a 4-H'ers grade is determined by the grade during the current school year (September– August).

All three levels of Farm Toy Scene will use the Grant County 4-H Farm Toy Scene manual.

## General Rules:

1. Projects will be judged by Beginner, Intermediate, or Advanced divisions.
2. Exhibit your display according to the guidelines listed below.
3. Exhibits will be judged according to the following criteria: artistic arrangement of exhibit; detail of exhibit; and realistic setting around toys and decorations.
4. Toys used in your display can be scale desired; the preferred size is 1/64 or 1/16.
5. Farm toys can be obtained at farm equipment dealers, department stores, farm stores and farm toy shows. Farm toy shows probably offer the widest selection of toys.
6. Landscape supplies can be obtained at hobby shops, craft supply stores, and even in your own back yard.
7. Every effort will be made to keep your exhibit safe. We will not be responsible for lost or damaged items from your exhibit.
8. Fencing, land and roadways are not included in the maximum number of items that may be included in each division.
9. It is suggested that projects be secured by enclosing your exhibit with Plexiglas or other material.
10. The same farm toys, layout may be used in more than one year but exhibits need to be changed, altered or modified so as not to repeat the same exact exhibit.

## State Fair Entries:

1 entry per county as determined by the county 4-H educator and fair officials.
