

Project Title: Scarecrow

Description:

This project teaches collaboration and team-building skills, encouraging youth to be creative.

This project may be completed as a family or a team of 4-H members. All 4-H team members are responsible for signing up in 4HOnline/FairEntry for this project.

Limit one scarecrow per family/team

Scarecrows may be made from any type of building materials: such as wood, metal, or plastic. Any type of clothing material may be used.

Participants should be conscious of space.

Exhibit must be constructed so that it can be self-supported. Please design your own stand to support or hold your scarecrow.

A **new** scarecrow must be made each year. The stand can be reused.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

All (grades 3-12)

- All projects will be judged together in a “one division for all” theme.
