ELECTRICITY

Each commercial display area will have access to one 110 volt electrical outlet with 500 watts (4.5 amps). Any other voltage and/or higher amps needed above this basic service will require extra wiring by the 4-H Fairgrounds Electrician. The vendor requesting the additional service must pay a charge of \$30.00 for each additional circuit installed. The Commercial Tent Committee will need to know of these extra service requests **by July 1, 2022** in order to forward requests to the electrician. **Any requests received after this date will be assessed a \$15.00 late fee** in addition to the regular charge. Exhibitors will need to furnish their own extension cords (unless it is over 50 ft. to the outlet source.) All receptacles are ground fault protected to comply with national and local electrical codes. All appliances/equipment must have 3-wire grounded cord and may be inspected by the 4-H Fairgrounds Electrician. If any appliance/equipment causes the circuit to be interrupted repeatedly, the vendor will be asked to repair, replace or remove that piece of equipment.

TERMS OF AGREEMENT

- **NO ALCOHOLIC BEVERAGES PERMITTED ON THE HAMILTON COUNTY 4-H FAIRGROUNDS. NO SMOKING PERMITTED IN ANY BUILDINGS.**
- All vendors are responsible for their own set-up, tear-down, and clean-up of all areas used.
