4-H SUMMER SUCCESS

Fair Season is a Wrap!

Whether you were chasing down a runaway chicken in the barns, rushing to finish that last-minute project, or courageously sampling a deep-fried "something" from the concessions stand, you've officially earned your badge of 4-H summer glory! As we close out the fair season and head into the heart of summer, I want to take a moment to recognize the incredible creativity, dedication, and hard work shown by our 4-H members, volunteers, and families. From spring workshops to educational programs and all the fair fun in between, the past few months have been full of hands-on learning and unforgettable memories.

2025 Harrison County Ag Day

September 9 & 10

Ag Days is an annual fall event designed for all Harrison County 3rd graders, including those in public, private, and homeschool settings. The program offers hands-on learning experiences that highlight the importance of agriculture in our everyday lives. Information about Ag Days is typically shared with schools as part of field trip planning.

Homeschool groups are encouraged to contact the Purdue Extension Office for more information or to make arrangements to participate.

WELCOME Sarah Gilmer!

Hello! My name is Sarah Gilmer. I am the new part-time administrative program assistant. I grew up in Harrison County, and went to North Harrison High School. Currently, I live in Depauw with my husband Bill. In my free time, I enjoy gardening, running and reading. I am looking forward to assisting the community.

WELCOME Gracelyn Burks!

Hi everyone, my name is Gracelyn Burks, and I am excited to be the Summer Intern. I am currently Miss Harrison County 2024 Fair Queen! I recently finished my first year of college at Western Kentucky University and will be starting the WKU Dental Hygiene Program in August. I am thrilled to be back home this summer and continue my love for Harrison County. I have been involved in 4-H for over 10 years showing livestock, entering projects, and serving my community. I am excited to use the knowledge I have learned to further serve my community.

National 4-H Week

October 5 - 11

120+ Years to Celebrate

A week dedicated to rally, inspire and connect 6 million 4-H'ers, 3,500 educators, 500,000 volunteers and 35 million alumni. Events in every county and state celebrating and amplifying the 4-H mission: preparing youth to be Beyond Ready for life and career.

Eighty years strong, 4-H Week began as an outgrowth of WWII, when a 4-H leader from Ohio rallied state-wide 4-H'ers to help support national defense efforts.

With the support of other state leaders and the Extension Service, Mobilization Week became what we now know as 4-H Week. Along with celebrating the people who make 4-H an exceptional youth organization, this week is also an opportunity to celebrate what 4-H does in communities across the country.

How it Started.

How it's Going.

It may have been a while since you were last in 4-H, or you may still be a 4-H'er doing amazing things. We want to know how your 4-H experience started and how it's going. Share a photo of yourself from early on and one of you today and a short description of how 4-H has made you Beyond Ready in your life and career by going to <https://4-h.org/events/4-h-week/> or scan the QR code.

Important Info

Thank You Cards

Many generous sponsors made this year's 4-H Fair possible by donating awards, meals, and more. Let's show them how much we appreciate their support.

Stop by the Extension Office to pick up free thank you cards and envelopes. Once you've filled them out, bring them back to the office and we'll take care of mailing them.

Bonus: For every completed card you return, you'll get an entry into a drawing at the October 4-H Banquet!

Karma for Cara Foundation Grant Opportunity

\$250-\$1000

Deadlines: July 1 and Oct 1

The Karma for Cara Foundation seeks to support young people throughout the United States in their efforts to contribute to society and help repair the world through volunteerism and community service. Students 18 years of age and under may apply for funds between \$250 and \$1,000 to complete service projects in their communities. The microgrants support a wide variety of projects and events, such as turning a vacant lot into a community garden, rebuilding a school playground, or helping senior citizens ready their homes for the winter.

For more info or to apply, go to karmaforcara.org/microgrant-application

Pick Up Your T-Shirts and Buckets!

Did you pre-order a 4-H T-shirt and forget to pick it up during project check-in? No worries—you can stop by the Extension Office to get it!

We also have a few leftover livestock buckets generously donated by First Savings Bank. If you're in any of the following 4-H animal projects and haven't picked up your bucket yet, come grab yours: Beef, Dairy Beef, Dairy Female, Goats, Poultry, Rabbit, Sheep, Swine, or Horse & Pony.

Andrew Family Foundation: Junior Board Grants

Applications Deadline: NONE for letters of inquiry

The Andrew Family Foundation's Junior Board Grants support nonprofit organizations in the United States that positively impact the lives of youth. The focus is on efforts that help people enrich their lives by providing opportunities for education in traditional academics and the arts. Support is also provided for programs that raise awareness about the importance of living sustainably and in harmony with the environment. The Foundation prefers to support well-established organizations with five or more years of operating experience and organizations with budgets of less than \$5 million. Grants are made for specific purposes or projects that will have a direct impact on the target population. For more info or to apply, go to online.foundationsource.com/andrew/juniorboard3.htm

Blue River All Stars 4-H Club Awarded \$1,000 YES Grant to Brighten Lives of Local Nursing Home Residents

The Blue River All Stars 4-H Club has been awarded a \$1,000 Youth Engaged Service (YES) Grant from the [Indiana 4-H Foundation](#) to fund their community service project, "Seasonal Sensations for Seniors." Through this project, 4-H members are creating and delivering handcrafted seasonal decorations to residents at Harrison Health & Rehab and Indian Creek Nursing Home. The goal is to bring color, joy, and personal connection to seniors throughout the year, while giving youth meaningful leadership and service experiences.

The project is already off to a strong start. For Easter, 4-H members filled and delivered dozens of plastic eggs for a lively egg hunt that brought smiles and laughter to the residents. In early May, 4-H'ers made festive flower pens to be used as table decorations at the Blue River Hills Extension Homemakers Spring Event, before being gifted to residents in time for Mother's Day.

Future plans include a patriotic "Flags for All" project for June and July, followed by themed crafts for fall, Halloween, Thanksgiving, and Christmas. More than 50 4-H youth are participating in the project. The effort will wrap up in December with a Christmas caroling visit and final round of festive deliveries. The YES Grant program empowers 4-H youth across Indiana to identify community needs and lead service projects that make a lasting impact.

Harrison County 4-H Youth Awarded YES Grant for "Birthday Bundle Project"

Harrison County 4-H is proud to announce that local youth have been awarded a Youth Engaged in Service (YES) Grant from the Indiana 4-H Foundation to bring their Birthday Bundle Project to life. This youth-led initiative aims to spread joy by providing birthday celebration kits to children in food-insecure households across the community.

The Birthday Bundle Project was developed by the Abner Family, and is being carried out by 4-H members who recognized the importance of ensuring every child can celebrate their special day with dignity, regardless of financial circumstances. Each festive birthday kit includes cake mix, frosting, candles, tableware, and a small toy—all thoughtfully packed by youth

volunteers and distributed through local food pantries and community organizations.

The project, supported by local 4-H clubs including Junior Leaders, will benefit at least 75 children this year. Alongside this, the effort will promote youth leadership, community service, and collaboration with local businesses and nonprofits. A \$250 donation from the Abner Red Cart, a farm stand owned by 4-H members, is also helping jumpstart the project.

"We're so excited to see our youth identifying a need, stepping up, and leading this meaningful service initiative," said the Harrison County 4-H Youth Development Educator, Anna Denny. "It's a shining example of what 4-H is all about—hands-on learning, leadership, and giving back."

The project will conclude with a joyful Birthday Bash Celebration to honor volunteers, partners, and the lives impacted. The youth will also present the project's outcomes to the county council, highlighting the power of youth-driven service.

For more information on how you can be a part of this initiative through Harrison County 4-H, please contact the Extension Office at 812-738-4236 or denny4@purdue.edu.

Success Stories

Southern Indiana 4-H Camp

4-H Camp was a success again this summer. Our campers spent a few days away from home connecting with other youth, enjoying the outdoors, and trying new activities. From canoeing and crafts to team challenges and evening campfires, they stayed busy and had a lot of fun. Camp is always a great chance for kids to build independence and grow

more confidence, and this year was no different. We're proud of the way they represented our county and worked together throughout the week.

Thank you to our counselors and adults who gave their time to help lead and support our youth at camp. We appreciate you!

Peace, Love, and Tie Dye!

4-H members brought t-shirts, hats, bananas, and even beach towels to the Peace, Love, and Tie Dye Workshop at Lanesville and Corydon in May. They learned different techniques and experimented with color. Thank you to Lanesville Heritage Weekend for allowing us to use their lovely park!

This year, our judge was truly impressed by the 4-H'ers outstanding tie-dyeing skills! Keep up the great work and continue developing your talent by joining our workshops and showcasing your creations at future exhibits.

Harrison County 4-H REX Robotics Club wins Grand Champion at Area Robotics Competition

The REX Robotics 4-H Club had a strong showing at the Area 2 4-H Robotics Encounter! The junior team impressed with their skills and teamwork, earning great feedback. The senior team went above and beyond, bringing home the Grand Champion title. Congratulations to all our talented 4-H robotics members, and thank you to our 4-H volunteers and parents for helping our young innovators grow!

Do you have a Success Story you'd like to share?

If you or your 4-H club have a success story, shout out, or thank you that you would like to share in the next 4-H Clover Print Newsletter, please email Anna Denny at denny4@purdue.edu AND Sallie Carter at carte626@purdue.edu.

Success Stories

Sheep and Goat Showmanship Clinic at the Fair

Thank you to 4-H members and showmen Brody Whittaker, Cooper Clunie, Mattie Kintner, and Lily Kintner for stepping up to help fellow 4-H'ers prepare for their sheep and goat showmanship classes at the fair! Your leadership and willingness to share your knowledge gave others the chance to learn and gain hands-on experience with their animals.

4-H and FFA Partner as Grand Marshals for the Popcorn Parade Festival!

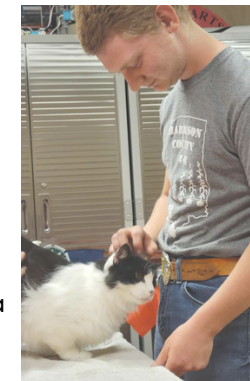

Thank you to the Harrison County Popcorn Festival for giving Harrison County 4-H and FFA the honor of being Grand Marshals for the Popcorn Festival Parade today! Our youth had so much fun representing their chapter and club, and celebrating with the community in such a fun way.

4-H Cat Show

The 2025 Harrison County 4-H Cat Show was a "purrfect" display of dedication, care, and creativity from our 4-H youth exhibitors and their feline companions. Fletcher Abner with Apollo claimed the top honors as Grand Champion Cat and Champion Short Hair Cat, while Fayette Crone with Mazie earned the titles of Reserve Grand Champion Cat and Champion Long Hair Cat. Adrienne Vessels with Tally was named Reserve Champion Long Hair Cat, and Henry Schotter with Smokey took home Reserve Champion Short Hair Cat. We were grateful to have Dr. Levi Coyle, a former 10-year 4-H

the Georgetown Veterinary Clinic, serve as our judge, alongside veterinary technician Samantha, both of whom brought knowledge and professionalism to the show. A heartfelt thank you goes out to our generous sponsors for their continued support of the 4-H Cat Project. And a very special thank you to Cat Superintendent Amanda Uhl for her dedication in organizing 4-H Cat Project workshops and to this year's show. Your commitment makes opportunities like this possible for our youth. Congratulations to all exhibitors on a job well done! We're already looking forward to next year's show!

Fashion Review

Harrison County 4-H members hit the runway at the 2025 4-H Fashion Review where they showcase their skills in the Sewing Wearable and Consumer Clothing projects. Youth modeled handmade garments and carefully selected outfits, demonstrating confidence, creativity, and knowledge of clothing construction and smart shopping.

Thank you to our volunteers, judge, and families for supporting this exciting event and cheering on our 4-H youth.
