

HARRISON COUNTY 4-H HORSE AND PONY COLOR GUARD *Bake Sale!*

Harrison County 4-H Horse and Pony Color Guard had their Annual Bake Sale at Tractor Supply on Saturday, December 16th. Youth and horses alike were in the holiday spirit, Santa and the Grinch were on site. Very special horse, Mr. Rey was dressed head to hoof in his Grinch costume and a local 4-H youth, was also dressed as Cindy Lou Who. This was a very successful 4-H fundraising event, as well as a community service-oriented collaboration to help raise funds for Terri's Critter Care.

Patrons could have their pictures made with Rey the Grinch and Cindy Lou... even the guys from the local Harrison Township Fire Department couldn't resist the photo op with Rey the Grinch!

Have you ever considered having a bake sale to raise funds for your 4-H Club or wondered if it would even work? This club was able to raise almost \$1000 on ONE Saturday morning with their baked goods AND participated in community service by collaborating with a local animal rescue organization at the same event.
