# The Cooperative Extension System

## Smith-Lever Act

Established in 1914, Cooperative Extension was designed as a partnership to the U.S. Department of Agriculture and the land-grant Universities, which were authorized by the Federal Morrill Acts of 1862 and 1890. Legislation in the various States has enabled local government or organized groups in the Nation's counties to become a third legal partner in this educational endeavor. The congressional charge to Cooperative Extension through the Smith-Lever Act of 1914 is far ranging. Today, this educational system includes professionals in each of America's 1862 land-grant Universities. Indiana's Land Grant College is Purdue University. The Harrison County Extension Service, which houses 4-H and other programs, is an extension of Purdue University, which also has an extension office in every county in Indiana. This is the reason that most publications and directive come from Purdue University State 4-H department, which makes these publications research based.

## **The Indiana 4-H Program Philosophy and Expectations** **Harrison County 4-H Expectations and Guidance**

<https://extension.purdue.edu/4-H/about/policies-and-procedures/1-about-4-h.html>

Beginning in the 2022-2023 4-H program year, state policies and procedures are available to everyone at the website above. Please refer to this website with state policy-related questions. Please contact the 4-H educator with specific questions, as these details will no longer be published in our county handbook.

### **Harrison County Club Information**

**4-H Club Definition:** A 4-H Club is an organized group of at least five youth from three different families who meet regularly with adult volunteers or staff for a long-term, progressive series of educational experiences.

**4-H Club Purpose:** The purpose of a 4-H club is to provide positive youth development opportunities to meet the needs of young people to experience belonging, mastery, independence, and generosity—the Essential Elements—and to foster educational opportunities tied to the Land Grant University knowledge base.

**Other Club questions:** Please see the state website for policies regarding: Structure of a 4-H Club, Starting a 4-H Club, Program Management and Implementation for a 4-H Club, Chartering 4-H Clubs, Club Documentation, and Guidelines for 4-H Club Finances

<https://extension.purdue.edu/4-H/about/policies-and-procedures/7-4-h-club-standards.html>

### **Severe Weather During 4-H Activities**

1. In the event of inclement weather that closes any school corporation in the county, all extension meetings and programs will be canceled that evening. Web-based meetings can still occur. If a volunteer needs assistance, they should request accommodations in advance through the extension office. If the event takes place over the weekend, please contact the club leader or event host. The office will do its best to post on Facebook or send emails with updates.
2. In the event of severe weather impacting the Fairgrounds, be it a severe thunderstorm or tornado, you may receive instructions over the barn or building public address system. If the barn or building is not equipped with a public address system, superintendents will notify people in person.
3. During a severe weather situation, you will be asked to remain inside, away from windows and doors whenever possible. Staff may be instructed to close all doors and windows, including overhead doors
4. Larger barns and buildings will be used for shelter-in-place (points of refuge) to allow Fairgoers to seek shelter. This may cause an influx of people into livestock areas and result in the postponement of a show or exhibition. Exhibitors should be mindful of this, keep aisles and walkways clear, and tend to their animals accordingly.

# General 4-H Information

## THE 4-H'S

The emblem is a four-leaf clover with an H in each leaf

- **HEAD**- Learning to think, making decisions, understanding the “whys”, and gaining new and valuable knowledge.
- **HEART**- Being concerned with the welfare of others, accepting the responsibilities of citizenship, determining values and attitudes by which to live, and learning how to work with others.
- **HANDS**- Learning new skills, perfecting skills already known and developing pride in work and respect for it.
- **HEALTH** Practicing healthful living, protecting the well-being of self and others, and making constructive use of leisure time.

These together are a fourfold development. Each leaf, each H is vital to every individual. You need to make sure all four H's become equally important to you.

## 4-H SYMBOLS AND TRADITIONS

You will hear and see the basic purposes of 4-H stated in many different ways. The 4-H clover, pledge, motto, and other symbols and traditions have helped identify 4-H for many years.

**4-H COLORS:** It is most appropriate that green and white are the colors of 4-H. The green in the 4-H clover represents life, springtime, and youth. The white represents purity.

**4-H SLOGAN:** The slogan to “**Learn by Doing**” is constant incentive to motivate 4-H'ers to strive toward acquiring new skills and knowledge. The results can mean a very productive and interesting life.

**4-H MOTTO:** “**To Make the Best Better**” is the goal of each member. The motto gives a special motivation not to be content with the present but always strive to make things better.

## 4-H PLEDGE:

I pledge **MY HEAD** to clearer thinking  
**MY HEART** to greater loyalty,  
**MY HANDS** to larger service,  
**MY HEALTH** to better living, for my Club,  
my Community, my Country and my World.

## 4-H SONG:

Over hill, over dale, we will find the 4-H trail,  
As we club folk keep swinging along.  
Let it rain, let it shine, we will keep a steady line,  
As we club folk keeping swinging along.  
With a HI, HI, He, it's the 4-H Trail for me,  
Shout out your numbers loud and strong, 4-H!  
Where ever we go, you will always know  
That we club folks keep swinging along,  
As we club folks keep swinging along

# 2023/2024 Harrison County Clubs and Leaders

## **Blue River All Stars-** Depauw

Leaders: Victor & Janice Sauerheber: 812-738-2985 | Marcia Gliottone-Karen Schwartz-Dana Leffler

This club usually meets on the second Sunday of each month at 4:00pm at Thompson's Chapel Church. Blue River All Stars is community service-oriented and organizes an annual Carnival for Cancer. They enjoy participating in Performing Arts skits and take 4-H trips to Purdue and to Holiday World. They participate in annual Halloween Party and Christmas caroling. This club is a well-rounded traditional 4-H club and is open to new members.

## **Cat Project Group-** Corydon

Superintendent/Leader: Elizabeth Hearnin: 812-968-4311

The Cat Project Group has regularly occurring workshops targeting educational and hands-on learning about various aspects of feline anatomy, care, and showmanship. Learn about cat senses and grooming, and participate in fun activities such as cat toy making and game night. The 4-H Cat Show is a summertime favorite.

## **Corydon Central Clovers-**Corydon

Leader: Miranda Edge: 812-343-9947

The Corydon Central Clovers meets on the 2nd Wednesday of each month at 4:00pm in the Corydon Central High School in room 100. This club focuses on Career Development Events and providing opportunities to students who might not have the means to participate in a livestock project at home.

## **Dog Project Group-** Corydon

Superintendent/Leader: Teresa Stilger: 812-972-0984

This club normally meets weekly on Thursday evenings at 6:30pm at the fairgrounds. Meetings do not occur regularly during the winter months. The Dog Club participates in a dog show and has learning activities such as confirmation, obedience, agility, and trick dog training as well!

## **Fowl Play Poultry Club-** Corydon

Leaders: Jimmy Bliss: 812-734-6704 | Stefanie Bliss-Melissa Greenwell-Courtney Greenwell

This club usually meets the fourth Thursday of each month at 6:30pm at Purdue Extension Office starting in January. February meeting only will be at 6:00pm. This is a well-rounded traditional 4-H club that focuses on poultry. Most activities are poultry-based. They are community service oriented; they do an annual Poultry Barn Pizza Party and Prep Day and Fall Fun Day/Hayride at the Bliss Farm. This club does a lot of demonstrations and social activities and is open to new members.

## **Golden Clovers-** Palmyra

Leaders: Len and Betty Jo Funk: 812-256-4585 | Stacy Spencer: 812-736-3340

This club usually meets the first Monday of each month in the basement of Palmyra Church of Christ. Golden Clovers 4-H Club does a lot of demonstrations, project nights, and workshops throughout the year. This club does have members who exhibit livestock but is a more exhibit hall project-oriented club. They do a lot of community service activities. They welcome new Mini and traditional 4-H members.

## **Harrison County Junior Leaders**

Leader: Lisa Uhl: 812-347-2479 | Carla Clunie: 812-968-4485

The Junior Leader project allows 4-H members in grades 7-12 the opportunity to provide their Adult 4-H Volunteers with additional assistance in their 4-H Clubs and related activities. Jr. Leaders also serve as mentors and role models to the younger 4-H members by sharing their experiences with them.

## **Harrison County REX (Robotics)**

Leader: Angela Durbin: 812-968-9373

The REX Robotics Club usually meets at the Purdue Extension Office from 6:00-7:30 pm on the first and third Tuesday of each month. This club is actively looking for new members at all skill levels from beginner to expert.

They are open to Mini 4-H as well as traditional. They use the latest technology to create working robots and compete in area robotics competitions. Check them out to learn more!

#### **Harrison Hoosiers-Corydon**

Leaders: Amanda Uhl: 812-736-9652 | Kay & Gerald Jacobs: 812-732-4989/812-736-9089

This club usually meets at the Extension Office at 7:00pm on the second Tuesday of each month. Harrison Hoosiers is a well-rounded club that does a monthly community service project and are very active in 4-H. This club does a lot of fun activities such as camping, swim party, canoeing, etc. Open and encouraging new members and Mini 4-H members.

#### **Hoosier Stockman- New Salisbury/Depauw/Corydon**

Leaders: Katy Casper: 502-592-1221 | Lisa Mercer: 812-946-9287

This club usually meets the first Thursday of each month at 6:00 or 6:30pm at Purdue Extension Office. This is a Horse and Pony Club, but horse ownership and riding is not required. This club does a lot of projects and crafting activities such as scrapbooking and paper quilling, tie-dye t-shirts, and making ornaments. This club likes to do social activities such as ice skating. This club also participates in ride nights during the spring and summer.

#### **Horse & Pony Color Guard-Corydon**

Leader: Penny Zeller: 502-905-8776

Color Guard will host meetings as needed starting in November. If you are interested, even if you don't own a horse, come try them out! This club is specific to horses riding in formation, teamwork, and carrying flags. They practice regularly in the spring and summer. They participate in several parades including Harrison County Fair Parade and the Corydon Halloween Parade. They also do opening events and ceremonies. Color Guard does an annual bake sale in December. They are open to and encourage new members.

#### **Lucky Horseshoes-New Salisbury/ Corydon**

Leaders: Dennis Flock: 812-972-2126 | Annette Stansbury: 812-705-4645 | Lora Schmelz: 812-736-9530

# Harrison County Fair Information

## Liability:

The Harrison County 4-H Council and Harrison County Purdue Extension Educators and staff will not assume any liability for loss or damage of projects.

## Project Record Sheet for Harrison County

1. All 4-H Fair participants, including livestock and companion animals, must complete the general record sheet packet provided by the Extension Office to complete the project.
2. The general record sheet packet must be **completed** and turned in at project check-in or to the Extension Office to receive the 4-H Completion Fair Pass and T-shirt. If not participating in fair, the packet is due to the Extension Office no later than September 1<sup>st</sup>.
3. The 4-H Completion Fair Pass must be shown to species superintendents to be able to check-in, show, and/or sell at the auction.
4. 4-H youth who have not completed the above steps will not be allowed to show or sell their animal(s).

## Deadlines in Harrison County

1. The proper compliance with established, stated, and published final dates and deadlines is considered an appropriate expectation of 4-H membership.
2. Submitting things on time and following the rules is part of the 4-H learning experience and is considered a reasonable thing to do. Individuals not complying with these expectations may lose awards and privileges. This is especially true in animal projects where animal ownership, raising, and identification have a specific time period as part of the project requirements.
3. Members not complying with established and published dates and deadlines for exhibition are likely to be denied premiums or awards for that project.
4. Some deadlines are statewide and some are set locally. Deadlines may or may not have consequences.
5. Exhibition classes will be offered for those who enrolled in the project, but did not enter their Fair Entry class. These exhibitors will not be judged.

**All projects must be added or dropped in 4-honline.com by May 15. Exhibitors may not add any new projects after that date.**

**NOTE: Livestock ID deadlines are species specific.**

**Please see livestock section on page 129.**

**Some deadlines are statewide and some are set locally. Deadlines may or may not have consequences.**

## General Principles for Exhibiting in Harrison County

1. Any condition pertaining to a 4-H Show that is not covered in these rules will follow the Indiana State Fair rules.
2. All 4-H families and entrants will follow all general rules and requirements in this handbook. Any violation of a rule and/or regulation will be cause for immediate disqualification from exhibiting and auctioning their animal. An additional penalty of disqualification including all awards associated with the exhibit will be forfeited and returned.
3. To exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry (including eggs), and/or rabbits, 4-H members must take part in the Indiana 4-H Quality Livestock Care (QLC) Program. Watch for details through email and CloverPrint.
4. No smoking or vaping in/around barns or show arena.
5. Members will only be allowed to exhibit at the 4-H County Fair if ALL deadlines pertaining to the project have been met. Their general record sheet packet is complete and turned in on one of the two project

check-in days OR to the Extension Office and the general requirements and health requirements are followed.

6. Anything not covered by the written rules will be subject to the discretion of the 4-H Council. Decisions must be made by a majority vote of the 4-H Council members present. These decisions will be made with the 4-H Member and parent present.
7. If you are a high school senior, turn in your senior information packet to the Extension Office. This includes a biography and a photo. Please adhere to the deadline given on the packet to ensure inclusion.

### **Fair Entry Instructions:**

1. You must be an approved member in 4HOnline.com.
2. To enter projects into a class for exhibition at the county fair, go to [www.fairentry.com](http://www.fairentry.com).
  - a) Select "Find Your Fair" and find **2024 Harrison County 4-H Fair**.
  - b) Select the GREEN box to sign in with your 4-H Online credentials.
  - c) Use your 4-H Online email and password to access Fair Entry.
  - d) Answer the required questions as completely as possible.
  - e) Use the "Add an Entry" Box to add a new class.
  - f) Follow the hierarchy for Department, Division, and Class to enter.
  - g) Full instructions will be shared through timely newsletters, and email blasts, and you may call the office.

### **Check-In process**

1. Collect entry tags (for static projects) and back numbers (for livestock) from the extension office or during Exhibit Hall Check-In at the fairgrounds.
2. During Exhibit Hall Project Check-in at the fairgrounds, turn in your general record sheet for all projects in the Exhibit Hall and Livestock Projects.
3. Horse & Pony members will have separate exhibitor numbers to collect at the Completion Show.
4. T-shirts can be collected once record sheets are turned in.
  - a. Shirts must have been pre-ordered by deadline.
5. Livestock Exhibitors: have your animal identification worksheet or printed entry from Fair Entry with you BEFORE approaching the check-in table.
  - a. Highlight or check off the animals that were actually brought to be exhibited at the fair.
  - b. If the animal is to be weighed, be prepared to weigh in your animal during the designated times for your species.
  - c. Check your class entries against birth dates and/or weights to be sure you are in the correct classes.
  - d. Check your auction entry.
  - e. You must turn in your general record sheet and receive your Completion Card (Fair Pass) to be eligible to show at the 4-H Fair.
6. **Exhibit Hall Hosts:** Adults and youth can sign up to help watch the exhibit hall and projects during the fair. These volunteers may also answer questions about 4-H and the projects displayed in the building. *Time commitment: Sign up times are in 1-hour increments.*

### **Late Entry Policy**

- If exhibit hall projects are entered after the designated time period, a youth will receive a participation ribbon. If the judge is still present, comments may be given about the project.
- If a judge is not present, only a participation ribbon can be awarded.
- Those livestock and companion animals who are entered on 4-H Online by the deadline, but miss the Fair Entry deadline will be placed in a separate exhibition group during their specie's show.

- The 4-H members in the exhibition class must show their own animal to have the opportunity to sell their animal in the livestock auction.
- Youth in the exhibition class may only show one animal in one animal species at the county fair. (Individual Poultry are entered only on faireentry.com, though the 4-H member must be enrolled in the Poultry Project on 4honline by the deadline date.)

### Send a Thank You Note

Many people and companies work hard or sponsor awards and events to ensure we have a great fair experience. A thank you note will show how much you care as well as ensure they continue to support our 4-H program.

There is no wrong way to express thanks. A Mini 4-H member may draw a picture. A high-school student should be specific about what they are thankful for.

### Here are a few guidelines:

- Notes should be hand-written.
- Always find out the person's or business' name and address.
- Tell them why you are thanking them.
- Explain how their time or sponsorship helped you or made you feel.
- If possible, deliver the note personally so you can also express your gratitude in person.
- Thank-you's are not just important during the fair season. Remember to thank your club leaders, parents, volunteers, coaches, superintendents, and others throughout the year. They work hard to ensure you have a wonderful 4-H experience! **SAY THANK YOU! SIGN YOUR NOTE!**
- If you properly address your note to your sponsor, the Extension Office will mail it.

### Harrison County Awards

#### 4-H Points System FOR HARRISON COUNTY

- 4-H traditional members earn points each year from September 1 through August 31, by completing all their projects, holding club office, participating in various activities, and by promoting 4-H.
- The Points Sheet allows members to track their participation. Use a new form each year and keep a copy for your records.
- Additional Points Sheet forms are available at the Extension Office.
- Only 4-H activities are submitted on this form. FFA and school activities do not apply. Completed forms are filed at the Extension office.
- Points sheets are due each year to the Extension Office by September 1st. Late Point Sheets points are not accepted after the deadline.

### Awards earned with HARRISON COUNTY 4-H points:

- **PLATINUM CLOVER:** Awarded to 4-H members who are in their last year in Harrison County 4-H and have accumulated a minimum of 2000 points.
- **GOLDEN CLOVER:** Awarded to 4-H members who have participated in Harrison County 4-H for six consecutive years and have accumulated a minimum of 1000 points.
- **ABOVE AND BEYOND:** Awarded to 4-H members who have earned a minimum of 500 points in a single year.
- **4-H MEMBER HIGH POINTS AWARD:** Awarded to the division individual who accumulates the most points during a 4-H year. The Junior Division is for grades 3-5. The Intermediate Division is for grades 6-8. The Senior Division is for grades 9-12. An individual can only win once in each division.
- **4-H MEMBER OF THE YEAR AWARD:** This award is a onetime award which is open to anyone in Harrison County 4-H grades 3-12. It will consist of an interview with a non-4-H panel, a cover letter, a life skills resume highlighting 3-5 life skills and your 4-H record of achievement.

- **PROJECT MILESTONES:** The number of projects a 4-H member completes is also tabulated using the Points Sheet. Members receive an award for completing 50, 75, 100, 125, 150, 175, and 200 projects and at each additional 25 project increment.

### **Other HARRISON COUNTY 4-H Awards:**

- **MEMBER YEAR PINS:** Awarded to each traditional member who successfully completes a 4-H membership year.
- **ACHIEVEMENT PINS:** Awarded to traditional 4-H member who completes a specific project for 5 consecutive years.
- **PROJECT TENURE AWARD:** Honors traditional 4-H member who completes 10 consecutive years in a specific project.
- **TEN-YEAR AWARD:** In recognition of members who have participated in Harrison County 4-H for ten years.
- **FIRST HARRISON CITIZENSHIP WASHINGTON FOCUS AWARD:** For high school-aged members, based on Citizenship application. The award is a trip to Washington D.C. with Indiana 4-H. Funding is provided by First Harrison Bank and the Harrison County 4-H Council.
- **ROY JONES MEMORIAL CITIZENSHIP AWARD:** For Jr. High members: \$125 for families to invest in higher education. The award is based on a Citizenship application.
- **SHOWMANSHIP AWARDS:** Awarded to Showmanship winners in each division of each animal species.
- **HERDSMAN AWARDS:** Honors members who show exceptional service and leadership in livestock projects. Herdsmen are chosen by the livestock superintendents.

### **4-H Scholarships: For more information, please speak to your 4-H educator and visit:**

<https://extension.purdue.edu/4-H/get-involved/scholarships.html>

- In partnership with the Indiana 4-H Foundation, the Indiana 4-H Youth Development Program annually awards more than \$125,000 in scholarships to 4-H members to pursue post-secondary education.
- State Deadline: January 25th All APPLICATIONS SHOULD BE UPLOADED AND SUBMITTED USING v2.4honline. All applications must be uploaded in the PDF format.

### **4-H Record of Achievement (ROA)**

The Record of Achievement (ROA) form tracks your accomplishments throughout your 4-H Career. It is important to keep your Record of Achievement forms updated.

Many state scholarships and trips are based on your achievements. This form is the responsibility of the 4-H member and is kept by the 4-H member. It is **NOT** turned into the Extension Office.

### **Harrison County 4-H Council Policy for Financial Assistance/Funding**

#### **Camps, Educational Trips, and Events**

The policy's purpose is the documentation of requests for funding and to monitor distribution of funds for 4-H youth and approved adult volunteers. The objective is to further promote, expand, and utilize educational opportunities sponsored by the 4-H program at local, county, area, state, and national events.

**The Policy:** All requests must be made to the Harrison County 4-H Council a minimum of 30 days prior to the event, by submitting the completed "Funding Request Form". ALL REIMBURSEMENTS AND SUBSIDIES ARE CONTINGENT ON THE 4-H COUNCIL'S OPERATING BUDGET.

The following guidelines will be used when sufficient funds are available:

- Funding request forms are available at the Harrison County Extension Office and in the appendix of this manual. The Funding Request Form must be completed in its entirety to be considered for reimbursement.

- At no time shall the funding from the Harrison County 4-H Council cause the reimbursement from any source to exceed 100% of the total expense.
- In the event that more than one eligible person is traveling to the same event, such persons are encouraged to carpool to reduce travel expenses. It is common courtesy for those traveling together in the same vehicle to share the driver's transportation expenses of fuel.
- When a sponsor has provided funding, the participating member(s) should write a thank you letter to the sponsor.

### **Submitting Funding Request Form**

- The person submitting the request completes the form indicating which trip is being taken and the amount requested.
- Transportation fees will be a flat rate, not based on county mileage rates. Groups are encouraged to carpool.
- The request form must be given to the 4-H Council, who will provide funding if available in the year's budget.

### **Chaperones for 4-H trips and events**

- Chaperones MUST be approved 4-H volunteers who are currently enrolled and up to date on their background checks and Working with Minors training through [v2.4honline.com](http://v2.4honline.com).
- Chaperons must complete a funding request form and submit it to the 4-H Council.

### **Expectations of those attending 4-H trips and events**

- Youth members and adults representing Harrison County 4-H must follow the organizations' Behavioral Expectations which they signed when enrolling.
- When trip/event orientation/training is provided, the 4-H member and parent or guardian and chaperon(s) must be present at the trip orientation session. Exceptions must be approved by the 4-H youth educator.

Failure to comply with expectations may result in being sent home at their expense and the member may not be eligible for future trips.

**Area 4-H Camp:** A funding request is not required for area 4-H Camp. Harrison County 4-H Council pays in full for the educator and the chosen camp counselors. A portion of the cost of camp is paid by the Council with the remaining amount paid by the member's parent/guardian. Camp information will be sent through email blast and newsletter.

# 4-H Fair Important Dates/Information

Harrison County 4-H Fair: June 21<sup>st</sup> -28<sup>th</sup>, 2024

Harrison County Agricultural Fair: June 23<sup>rd</sup> -29<sup>th</sup>, 2024

Indiana State Fair: August 2<sup>nd</sup>-18<sup>th</sup>, 2024

## Dress Code

Every 4-H member must bear in mind the following while showing and selling his/her livestock project through the 4-H auction at the Harrison County Fair: Therefore, you should be as neat and clean as possible.

1. Your attire is portraying an image of yourself;
2. You are representing your club;
3. You are representing the Harrison County 4-H program; and
4. Do not alter your current year 4-H t-shirt

Often judges consider show ring attire while evaluating showmanship skills. It is not acceptable to wear tank-tops, midriffs, halter tops, excessively short shorts, cut-offs, or sandals. If your attire is deemed inappropriate while showing or selling livestock, you may be excused from the ring and disqualified from the auction.

# Indiana 4-H Volunteer Information

## 4-H Creed for Leaders

I believe:

The 4-H member is more important than the 4-H project.

4-H members should be their own best exhibit.

No award is worth sacrificing the reputation of a member or leader.

Competition should be given no more emphasis than other fundamentals of 4-H work.

Enthusiasm, is caught, not taught.

To learn by doing is fundamental in any sound educational program and is characteristic of the 4-H program.

Generally speaking, there is more than one good way to do most things.

Every 4-H member needs to be noticed, feel important, to win and be praised. (Volunteers too!)

Our job as a 4-H volunteer leader is to teach 4-H members how to think, not what to think.

- Source unknown.

## Calling all Volunteers!

Adult volunteers are needed all year around for many activities. We are here to help you find a volunteer activity that most suits your interests and time commitment. Please reach out to the Extension Office at (812) 738-4236 to start the process of becoming an approved volunteer..

## Steps to become an Approved Volunteer:

1. The volunteer application form can be found at the Extension Office. Please fill out completely before bringing it to the Extension Office.
2. We will need evidence of a government-issued photo ID shown at the time of submission.
3. After background checks are completed and approved by the 4-H Youth Educator, reference forms are sent to the persons written down for personal references. It is important all information is complete so forms are returned as quickly as possible.
4. Once your verifications have been reviewed and approved, you will schedule an interview with the youth educator and assigned a volunteer role. This will correlate with your interests and time commitment needs.
5. At this time, you can create a volunteer account on [v2.4honline.com](http://v2.4honline.com) and complete the required volunteer training.
6. Volunteers will re-enroll online as a volunteer and complete the required training each year.
7. The 4-H Youth educator can request an interview to reassess volunteer roles at any time.
8. Job descriptions for most common volunteer positions can be found at the state website.

## Volunteer Leadership Positions Needed (not exhaustive):

- **SPARK Club Leader:** Adult responsible for providing a minimum of 6 hours of education in a topic approved by the 4-H Youth Educator.
- **Club Leader:** Adult responsible for the organization, development, and maintenance of a 4-H club. *Time commitment: year-round.*
- **Assistant Club/ Activity Leader:** Adult willing to assist the club leader in a capacity necessary for a successful club or organize and develop participation in a specific 4-H activity. *Time commitment: year-round*
- **Project Leader:** Adult who provides 4-H club members with continued educational experiences in a specific project area. *Time commitment: year-round*

## County Level Leadership positions:

- **4-H Council**– an elected board with top leadership roles within the 4-H Program.
- **Committee Member:** Volunteers who serve on a County 4-H Committee involved in a specific phase of the 4-H Program, such as the Programs & Promotions, Awards, Auction, Budget & Finance, Livestock, etc.
- **Department Superintendent at the Fair:** Volunteers who are responsible for setting up a project department, recruiting project superintendents, coordinating project check-in and judging, etc. at the Harrison County Fair.
- **Project Superintendent at the Fair:** Volunteers who are responsible for project check-in and judging assistance, organization and display of a specific project category at the Harrison County Fair.
- **School Enrichment Program Volunteer:** Volunteers who work with the Extension Educator to deliver educational programs such as Captain Cash, Chick Embryology, and Junior Master Gardener to area schools.

## Other Harrison County Volunteer Roles:

Parents, other adults, and youth interested in supporting 4-H programs as approved volunteers have options that allow you to support 4-H in a non-leadership capacity. These roles will not be in direct contact with youth but are still essential for a well-run program.

- **Food Prep for programs:** Many programs offer food as a snack, full meal, or even part of the education in the program. Support can be during the day or scheduled in the evening. *Time commitment: 1-3 hours per event.*
- **Food Prep for Auction Buyer Meal “Chuck Wagon”:** Auction buyers for the livestock auction held during the county fair are treated to a full meal prior to the auction. Volunteers are needed to help cook food, cut and prepare foods and drinks, and serve. *Time commitment: 3-4 hours.*
- **Exhibit Hall Check-In/Check-Out:** Volunteers are needed to help organize projects as they come in and help during judging to make sure awards are placed correctly. Check-out includes making sure each youth receives all projects entered. *Time commitment: 8-12 hours.*
- **Livestock Check-In:** Volunteers needed to enter weights and check in animals on FairEntry using a computer, print show bills, and set up extra fans as needed: *Time commitment: 8-12 hours.*
- **Livestock Auction Preparation:** Make sure all youth have entered a livestock animal if desired, create an auction program, enter base bid values, add pictures to buyer posters. *Time commitment: 3-8 hours.*
- **Greeters/Hosts at Programs/Events:** Help organizers greet attendees and get them to sign in. Collect fees as needed. *Time Commitment: 1-2 hours.*
- **Assisting with mailings or show programs in the office:** 4-H newsletters are sent out every 2 months plus several other mailings in preparation for the fair. Volunteers at any time can help with these tasks. *Time commitment 1-3 hours per mailing.*

**Club support:** A group of parents willing to support the club leader as needed, such as calling members, assisting with transportation, providing a meeting place, etc. *Time commitment: year-round.*

# Indiana 4-H Policies

## MEMBERSHIP

### 4-H Membership Policy-State Policy

Purdue Extension is part of the College of Agriculture at Purdue University, cooperating with Indiana's 92 Counties and the United States Department of Agriculture. The 4-H Youth Development program abides by the nondiscrimination policies of Purdue University and the United States Department of Agriculture.

Youth may become 4-H members when they enter the third grade and may continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years

**NOTE:** 10 years of membership in the 4-H Youth Development Program is an opportunity - not an entitlement. Those youth who do not enroll as 3rd-grade students or meet the exceptions above, conclude their involvement with the program during the summer immediately following the completion of their senior year in high school.

- An individual's 4-H grade is determined by the school grade in which he or she is classified at the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he or she enrolls in 4-H for the subsequent year. Each member should enroll in the division of a project/subject that would best suit his/her interest and potential for personal growth and would enhance their family involvement.
- Opportunities in the 4-H program are available to all Indiana youth as defined regardless of race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation or disability. Married young men and women of 4-H age may participate in any of the 4-H projects and activities. However, married persons must participate by the same terms and conditions and/or guidelines as unmarried participants. Membership in 4-H is gained by annually enrolling through a Purdue University Cooperative Extension Service Office located in each of Indiana's 92 counties.
- The Indiana 4-H Youth Development program year is October 1 to September 30 annually. Enrollment is an annual process attained by completing individual 4-H enrollment via the 4HOnline enrollment process. Statewide 4HOnline enrollment occurs annually October 1 through January 15.

Other enrollment questions: Please see the state website for policies regarding Exceptions to 4-H Membership Tenure, Youth Needing Special Accommodations, Marriage and Parental Status, and Residence

<https://extension.purdue.edu/4-H/about/policies-and-procedures/3-4-h-participation-procedures.html>

### Annual State Program Fee

#### **Annual 4-H Program State Fee - Covered by Harrison County 4-H Council in 2023/2024.**

There is an annual \$15.00 4-H Program Fee. This fee will go directly to the State 4-H Youth Development. This fee will need to be paid in full either with a credit card on V2.4honline at the time the 4-H enrollment is submitted or to the Purdue Extension Office within 10 days of submitting online enrollment. These monies are used to pay insurance, develop and revise new curricula, develop leadership training for members/leaders, and enhance web presence and marketing efforts. Locally, the fee will help offset escalating 4-H project manual costs.

**PLEASE NOTE:** Mini 4-H'ers are **NOT** charged this fee. Mini 4-H is **free** to kindergarten- 2nd grade participants.

## **Residence**

### Residence– State Policy

1. Indiana youth typically enroll in 4-H Youth Development programs in the county or state in which they reside. However, individuals living in one county may join 4-H in another county. There may be educational or social reasons for an individual joining 4-H in a different county than that of their primary residence. During a single program year, a 4-H member enrolled in a given project is expected to enroll and exhibit that project only in one county of enrollment.
  2. In the event that a project is not offered in the county of primary 4-H enrollment, a 4-H member may enroll in that specific project in a different county. Approval of this special exception rests with the 4-H Extension Educator in consultation with the State 4-H Office. Participation in 4-H-related activities and events (i.e. Judging, Performing Arts, Livestock Auction) must be in the county of primary 4-H enrollment.
  3. The above policy is not intended to provide an escape mechanism for 4-H members and families who are unwilling to follow the terms and/or conditions in their current county of 4-H membership. Decisions regarding 4-H membership in a non-resident county (a county you do not live in), rest with the 4-H Extension Educator in the receiving county in consultation with the State 4-H Office.

## **4-H Youth Behavioral Expectations**

State Policy available at: <https://extension.purdue.edu/4-H/about/policies-and-procedures/11-volunteer-management.html#subsection5>

### **Purdue University 4-H Youth Development Risk Management:**

For more information on risk management, liability release policy, safety policy for Mini 4-H members, accident/incident reporting, certificate of insurance, accident/medical insurance, health forms, policy regarding overnight stay at the fairgrounds (4-H Volunteer liability insurance coverage), food safety rules, shooting sport, sportfishing, equipment use agreements, 4-H ATV certification, movie license agreements, horse and pony, aggressive dog policy, transportation policy, camp chaperone and counselor guidelines, alcohol policy, operating procedures for program involving minors, please see your 4-H educator or visit:

## **Accident/Medical Insurance**

- 4-H members and approved 4-H Volunteers are included in the annual accident/medical insurance policy purchased by the Indiana 4-H program. Should a 4-H member or approved 4-H Volunteer be involved in an accident or have some type of medical emergency, the 4-H Educator can provide information on how to submit a claim for the coverage. The coverage provided is limited and is considered secondary to an individual's/family's personal coverage. Often the accident/medical coverage is used to help pay a family's deductible if it has not yet been met.
  - An additional accident/medical insurance special activities policy should be purchased for overnight or out-of-county events. Contact your County 4-H Youth Development Extension Educator for more information about these policies.
-

## **State Policy Regarding Overnight Stay at Fairgrounds:**

<https://extension.purdue.edu/4-H/about/policies-and-procedures/9-risk-management.html>

Effective January 1, 1998, there will be no liability coverage provided to 4-H volunteers and staff during overnight stays at fairs unless each 4-H Youth participant is accompanied by his/her parent or legal guardian at all times. The time normally associated with overnight is that time when the fair shuts down for the evening or by midnight and until early morning feeding of animals (early morning is normally construed as morning light in our summer season). Adults/volunteers officially assigned to watch 4-H projects overnight at county/state fairs are still covered by Purdue University liability insurance. However, this is not to be confused with the aforementioned policy regarding 4-H youth.

County 4-H councils and Extension boards and /or fair boards not abiding by this policy do so at their own risk and should seek their own liability insurance.

The safety and well-being of 4-H youth is our primary concern. The mission of 4-H is education. Overnight stays at fairgrounds do nothing to further that mission.

## **4-H Participation Procedure- State Policy:**

4-H Online is the method we use to address our risk management policies. Purdue University has approved the use of 4-H Online to fulfill the university's requirements for youth safety. [v2.4honline.com](http://v2.4honline.com)

Completion of the annual [4-H Online registration process](#) allows youth to participate fully in competitive events, activities, and programming offered by the Indiana 4-H Youth Development Program.

These statements will appear on EVERY county's online and paper 4-H enrollment forms: Liability Release, Behavioral Expectations Agreement, and Photo Policy.

Questions regarding the 4-H Online process can be directed to the Purdue Extension Office in your county: 812-738-4236- Harrison County Office

Enrollment begins October 1<sup>st</sup> each year.

Returning 4-H members do not have to create a new account every year. You will be able to use the same email and password to re-enroll for the current year.

## **Completion: State Policy**

- The completion of a 4-H experience may include a variety of options and must not be misinterpreted solely as an exhibition of a project at a local, county, or state fair. There are a number of ways that a young person may participate in the 4-H Youth Development Program in addition to the club-based option. Participating in these 4-H opportunities enables the youth to build skills that will serve them well throughout their adult lives.
- Some of these participation options do not include the preparation of a specific exhibit by an individual that would be on display at a fair or similar event. In some cases, the youths' actual participation may be the final product that results in their completion of a year of 4-H. Some examples of this participation include working as a team to develop a robot for a workshop or challenge; completing a Spark Club experience; participating in State 4-H Band or Chorus; taking part in a science training or experiment; participating in an after-school 4-H experience; etc.
- 4-H members are considered complete in their 4-H educational experience for the year when they have:
  - Completed the 4-H member enrollment process prior to the established and published date for enrolling; and

- had an officially recognized 4-H volunteer/Extension Educator verify the existence of the completed project/subject or the member's participation in a 4-H educational experience. Or, a member may choose to submit a completed record sheet in lieu of an exhibit to complete the club or fair-based 4-H project/subject. The 4-H record sheet will be based on printed or web-based educational materials (used by Indiana 4-H Youth Development) and submitted prior to the established and published date.
- Though exhibiting in local, county, and state exhibits/fairs is not required for project completion, as it does not necessarily relate directly to content and skills learned in the development of the 4-H project, project exhibition is encouraged as a continuation of the educational experience.
- Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program.
- Volunteers and Extension Educators may not require youth to attend 4-H club meetings, workshops, or activities in order to complete 4-H or exhibit their work.

### **Exhibition: State Policy**

Exhibition of 4-H projects/subjects in local, county, or state exhibits/fairs, in person or virtually, is voluntary on the part of the exhibitor. The exhibition of 4-H projects/subjects provides 4-H members an opportunity to display their 4-H projects/subjects, enter into competition, and participate in an educational/social environment with peers. With exhibition also comes the responsibility for abiding by all the terms and conditions pertaining to the respective 4-H project.

### **Danish Judging System**

The Danish Judging System is used to judge projects in the Exhibit Hall and livestock projects. The individual's exhibit is scored based on the quality of the project **AND** if the member followed the project's guidelines/requirements accurately.

- Individuals may receive a blue ribbon for exemplary work, a red ribbon for average work, or a white ribbon for below average work.
- An honor group will be selected from those projects receiving blue ribbons. Those items receiving honor group ribbons are those with outstanding workmanship and/or attention to detail. If no exhibit item in the project meets this level, honors ribbons may not be awarded.
- The Grand Champion and Reserve Grand Champion are selected from the Honors group. If no exhibit item in the project meets this level, no Grand Champion/Reserve Grand Champion ribbon will be awarded.
- An exhibit item selected as Grand Champion may not necessarily be selected for State Fair competition and vice versa.

### **General Project Ribbons**

- Champion and Reserve Champion ribbons will be presented in all divisions provided that projects are of that level of quality.
- Mini 4-H'ers will receive a participation ribbon.
- All ribbons on exhibit in the Project Exhibit Building must be left on the projects until projects are released

### **Modified Danish Judging System**

Dog and Cat projects exhibited at the county level will be judged using a modified Danish judging system or 1-6 ribbon placing depending on the species. Some shows select first and second place (champion or reserve

champion) or perhaps as many as six places using the standard ranking system after exhibitors are placed into a ribbon category using the Danish system.

### **Horse and Pony Judging System:**

The Horse and Pony Project uses 1-6 ribbon placing.

### **Other State Activities Available**

Other Activities Available at County and State Levels:

- **Spark Club:** A SPARK club is an opportunity for those who want an experience outside of the 4-H project curriculum. SPARK Clubs require a minimum of 6 hours of education. These clubs are led by 4-H-approved volunteers who have a desire to share their interests with 4-H members in grades 3-12.
- **Career Development Event:** A Career Development Event (CDE) is an opportunity for traditional 4-H members to begin developing skills that may lead to a career. CDEs include the following: Horticulture, Livestock Skill-A-Thon & Livestock Judging, Soil Judging, Entomology, Forestry, Crops, Wildlife, Dairy Foods, Meat Evaluation, Junior Pork Day, Hippology & Horse Bowl, Horse and Pony Judging, Dairy Judging, Poultry Judging. Events are scored individually and/or as a team and are based on junior and senior divisions. Some events do not have a county or area contest and compete only at the state level. <https://extension.purdue.edu/4-H/get-involved/state-programs/career-development-events/index.html>

## **Grievance/ Appeal Guidelines**

### **Grievance/Appeal Guidelines for County 4-H Program Issues (Activities, Programs, Projects)**

The grievance procedures outlined in this document are utilized as part of an internal process of the Indiana 4-H Youth Development program when grievances of 4-H members, their parents/guardians, or 4-H volunteers cannot be resolved via reasonable conversation. This policy affords the opportunity in those unique situations to allow voice or opinion to be heard when there is a dispute regarding 4-H participation, activities or programs. **This is not a mechanism for complaints against individual 4-H members (or their families), 4-H volunteers, judging officials for competitive events, or Purdue Extension staff.** All resulting decisions will be made in accordance with the Indiana 4-H Program's stated mission to be an inclusive organization designed to encourage and maximize youth participation. The rights of the individual filing the grievance are limited to those provided by Indiana 4-H Program policy.

Purdue University, as the Land Grant University in Indiana, is charged (by the United States Department of Agriculture) with implementing the 4-H Program in communities across the State of Indiana.

Purdue Extension Educators in each Indiana county represent the university in local communities and have the responsibility of assuring all 4-H volunteers meet basic university criteria as they serve as representatives of the university. Purdue Extension Educators additionally provide oversight to 4-H volunteers including the assurance that Indiana 4-H Policies and Procedures are appropriately implemented in 4-H Program delivery.

Individual county 4-H policies and procedures should be created and reviewed to assure they do not contradict established statewide 4-H policies and procedures. If a contradiction is discovered during the grievance process, Indiana 4-H Program policy shall be followed in determining the grievance outcome.

1. Grievances are made by completing the Indiana 4-H Grievance/Appeal form with the burden of proof being the responsibility of the individual filing the The completed grievance/appeal form and supporting documentation shall be presented to the president of the 4-H policy-making body (e.g., 4-H Council) or the Purdue Extension Educator who works with the 4-H Program. (NOTE: concerns regarding staff, volunteers, members, or other individuals are not issues for which a grievance may be filed. 4-H volunteers are assigned by the 4-H Extension Educator. Concerns regarding 4-H volunteers, members, or other individuals should be addressed directly with the Purdue 4-H Extension Educator.)
2. Grievances pertaining to 4-H activities, programs or projects shall be filed within 14 days of an incident or Grievances pertaining to county fair related issues are often time-sensitive and must be filed within 24 hours of the incident.
3. The grievance process occurs in the county where the issue or concern arises and offers two opportunities for a concern to be heard and reviewed.
  - A. The grievance is initially heard by an unbiased, representative grievance sub-committee of approved 4-H Volunteers. It is the Purdue Extension Educator assigned to 4-H Programming who shall annually work with the chair of the county 4-H Council to determine this committee's membership to include a combination of 3-6 of the following individuals: one representative of the 4-H Council; two 4-H volunteers serving as a 4-H club organizational leader; one member of the County Extension Board; one 4-H volunteer knowledgeable in the subject matter (project) of concern (this individual will vary dependent on the issue raised with the grievance); one youth representative; and up to three community leaders. The Purdue Extension Educator assigned to 4-H shall convene the group.
  - B. The person filing a grievance may appeal a decision of the 4-H Grievance Committee to the State 4-H Program Leader or The Program Leader or designee will review the facts in evidence and render a decision. This is the second and **final level** in the appeal process.

\*\* The intent of a two-level process is to assure different individuals have the opportunity to hear and act on the grievance. ALL individuals involved at any level of the grievance procedure are reminded of the importance of keeping discussions regarding grievances confidential.

To maintain the confidentiality of the parties involved, the grievance hearings at each level will be closed to the public. Only the individuals who have filed the grievance, the members of the grievance committee, and the Purdue Extension Educators will be present during each level of the grievance process, \*\*\*The grievance process is internal to the Indiana 4-H Youth Development Program and meetings of the grievance committees are not subject to Indiana's Open-Door Policy.

The Purdue Extension Educator assigned to work with the 4-H Program has the obligation to inform all parties that there is a grievance procedure if there are disagreements with policies.

The practice of charging fees from those filing grievances shall be eliminated and all counties will utilize the Indiana 4-H Grievance/Appeal Form as part of the grievance process.

## 4-H Online Projects v.s. FairEntry Entries

In 4-H Online, your 4-H'er chooses project categories they may want to participate in for the 4-H Fair. When entering projects into FairEntry, you use the project categories your 4-H'er chose in 4-H Online but then you get more specific about your project.

Below is a chart that will help you easily navigate which category each project falls under.

Use this chart when choosing project categories in 4-H Online and specific projects in FairEntry.

# Mini 4-H Project Information

Mini 4-H is a program designed to encourage the positive development of children in kindergarten through second grade. The goal of Mini 4-H is to help young children create friendships outside the family; explore the way in which things work; practice both small and large muscle control; and think about the ways people work together on projects.

## Superintendent Information:

Teresa Eschbacher	812-267-2727 tkeschbacher@gmail.com
Jo Harshey	812-629-5129 joharshey@gmail.com

The State 4-H Youth Program at Purdue University has agreed to allow Mini 4-H members in grades K-2 to participate in some animal projects subject to certain conditions. These conditions are specified below. Each county may determine its own NON-COMPETITIVE programs, classes, and participation requirements subject to the following safety guidelines:

## Safety Policy– State Policy:

- The safety and well-being of our 4-H youth is of the utmost importance. Although kindergarten is specified as the time when a child may begin participation in some 4-H events and activities, parents are encouraged to take into consideration their child’s physical and mental development before agreeing to let the child begin to show, work with, or care for animals. Each child matures at a different rate, and children in grades K-2 may still be too young to begin showing, working with, or caring for animals.
- Purdue Extension does not offer events featuring live livestock (excluding horses) for Mini 4-H members. Harrison County Ag Society works with Extension to offer Novice classes during the county fair.
- Mini 4-H members, in grades K through 2, will be allowed to show, work with, or care for animal projects after their parent or legal guardian has signed a liability release. Mini 4-H members may independently show, work with, or care for animals that weigh 300 pounds or less. Mini 4-H members may only show, work with, or care for animals over 300 pounds when they are assisted by a parent, legal guardian, or another adult designated in writing by the parent or legal guardian.” (The word assisted means the adult has control of the animal at all times.)
- Mini 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted.

***NOTE:** Purdue University and the Indiana 4-H Youth development program do not support, endorse, or encourage 4-H programming for children prior to kindergarten. 4-H Development Extension staff members and 4-H volunteers may not offer, or encourage others to offer, programming for children prior to kindergarten.*

If the guidelines stated in this policy are not followed for a particular event or activity, then such event or activity shall not be considered to be a 4-H event or activity and shall not be under the auspices of Extension 4-H Educators or covered by Purdue University.

Mini 4-H members may participate in the Mini Horse and Pony Show only if they have participated in the workshops. Parents/legal guardians must sign a liability release and a 4-H Youth Development Projects, Events, and activities Release form. Members must be assisted by a parent/legal guardian, or other adult designated in writing by parent/legal guardian. Assisted means the horse is led by the adult and the adult is with the child at all times.

### **Non-Competitive Learning Environment:**

1. Planned learning activities in which children are invited to be active and explore materials and ideas without the pressure of completing a specific product or exhibit.
2. Low adult / leader to child ratio that allows time for the adults / leaders to provide individual positive encouragement and assistance.
3. Simple and interesting activities that are fun.
4. Encourage children to participate in a group activity by sharing and/or displaying their activity projects.
5. Fair projects/exhibits are not judged. Harrison County utilizes written positive feedback.
6. Rewards are identical ribbons of the same color for everyone.

### **Enrollment:**

1. Mini 4-H is open to all youth in grades kindergarten through second as of January 1 of the program year.
2. Members should complete [v2.4honline.com](http://v2.4honline.com) enrollment and choose "Mini 4-H Club" as their primary club to get information about special 4-H mini events. If the child attends meetings with a regular 4-H club, please list that club as a secondary choice.
3. Project manuals can be picked up from the Extension Office. An email is sent to all 4-H members when manuals are ready for pick-up.
4. Project guidelines are in each manual, which contains fun activities/projects to help guide learning.
5. Read your Mini 4-H project manuals for poster instructions, fun activities, and great ideas for what to make for the Fair. Be **CREATIVE**, make new FRIENDS, and above all, have **FUN!**
6. Attendance at 4-H club meetings is not expected or required for the member, though can be a learning experience for the Mini 4-H'er.
7. Read the 4-H Clover Print newsletter and watch for invitations to special Mini 4-H workshops and events throughout the year.
8. Mini 4-H'ers follow the same deadlines as traditional 4-H members. **Mini 4-H'ers may use FairEntry.com to enter exhibits for the County Fair.** (No mini 4-H member will be excluded from participation. The purpose of using Fair Entry is to prepare the families for traditional 4-H enrollment).

### **Arrival at fairgrounds:**

1. Exhibit Hall Projects are turned in at the 4-H Exhibit Hall at the Fairgrounds during check-in hours Tuesday evening and Wednesday morning prior to traditional 4-H Project judging (See 4-H Fair Events/Shows Quick Guide).
2. Please bring completed projects to the Exhibit Hall.
3. All Mini projects will be turned in to the Mini superintendent.

### **Check-In process:**

1. Bring your project to the Mini superintendent.
2. Make sure your name is on your project.
3. If you ordered a t-shirt, be sure to pick it up.

### **Project Guidelines:**

The following pages offer guidelines for 4-H Fair mini project entry information.

Follow Purdue Extension– Harrison County on Facebook and YouTube for new programs and fun activities you can do at home!

### **Mini Poster Requirements:**

- Poster Board - Any color is acceptable. Experiment with color. All posters must be displayed horizontally.
- Overall size of the poster should be 22"x14". This includes any frame, displayed horizontally.
- All posters must have a stiff backing, (foam-core board, plywood or heavy cardboard).

- Please Note: Foam Board and plastic sleeves are available for purchase from the Extension Office.
- All posters must be covered with a clear plastic or other transparent material to protect the exhibit.
- Mounting Adhesives - The best is rubber cement (leaves no marks-won't wrinkle paper).
- Double stick tape is best for leaves.
- Rubber cement may discolor photos.
- Exhibitor Labels: Labels are available in the mini manuals and at the Extension Office. Labels will also be provided at check-in at the Harrison County 4-H Fair.

### **Mini 4-H Project Exhibit Suggestions:**

The exhibits listed below are only suggestions. Mini members can be creative and exhibit items that pertain to any of the Mini 4-H projects. They can also bring crafts they made at home, Mini Workshops, or school.

#### **Bicycle:**

- Make a poster based on one of the activities in your manual. Each year, choose a different topic. (See manual for a list of poster ideas.)
- Attend 4-H Bike Club meetings to learn about your bicycle and bike safety.
- Participate in Bicycle Rodeo

#### **Crafts:**

Exhibit craft items you have made.

- Look at the 4-H Mini Crafts manual for ideas or make up something yourself. Display any of the craft items you made during a Mini 4-H program.

#### **Creative Writing:**

Exhibit one of the following or create your own exhibit idea:

- Make a story on a poster or tell a story to an adult and have them write it down. Include a drawing/picture.
- Write a one-page story or write a letter to a friend about an adventure you had.
- Write about a trip you took or write a made-up story. Add a picture or drawing.
- A writing exhibit of your choice.

#### **Collections:**

Exhibit one of the following or create your own collection exhibit idea:

- Collect and exhibit 5 items or 5 pairs of items. In the second year, add 5 more articles to your collection.
- Go to a museum and look around at the collection of things. Write a short report on your visit.
- Talk to family and friends. Ask them what they like to collect and why they like to collect it. Then make a poster to show your information.
- Make a scrapbook about your collection and your working with your collection.

#### **Cupcakes:**

- Exhibit 3 frosted & decorated cupcakes with your choice of sprinkles, candies, and/or frosting.

#### **Dinosaurs:**

Exhibit one of the following or create your own dinosaur exhibit idea:

- Make a fossil cast.
- Find four pictures of dinosaurs and answer the following questions for each picture. Put the pictures and information in a self-made notebook or on a poster.
  - Name of Dinosaur
  - Weight of Dinosaur
  - Size of Dinosaur

- Type of Dinosaur
- Make a poster that shows how big dinosaurs were compared to current-size animals / humans.
- Make a model of your favorite dinosaur.
- Make a dino-time Dinorama.
- Collect five types of plants that plant-eating dinosaurs would be able to eat if they lived today.
- Make a model of your favorite dinosaur. Put it on a flat surface and add other items to make it look like it is standing in a swamp.
- Look through the 4-H mini Dinosaur manual for more ideas.

### **Entomology:**

Exhibit one of the following or create your own entomology exhibit idea:

- Make a poster showing an insect or spider and label their body parts.
- Draw a picture of a butterfly.
- Make a poster on some ways bugs protect themselves.
- Make a poster using half to show several kinds of bugs on one half, and spiders on the other half.
- Make several types of bugs to construct a creepy mobile.
- Make a realistic diorama of your favorite insect.

### **Farm Animals:**

Exhibit one of the following or create your own farm animal exhibit idea:

- Write a story about your favorite farm animal.
- Make a poster showing the different things that farm animals make for us.
- Make a poster showing different kinds of farm animals.
- Write a story about a farmer.
- Write or rewrite your favorite fairytale using farm animals.
- Make a model of your favorite farm animal. If you want, add it to a farm scene made in a shoebox.

### **Foods:**

Exhibit one of the following or create your own foods exhibit idea:

- Make your own Trail Mix snack displayed in a small plastic sandwich bag.
- Make No-bake cookies using a recipe in your Mini 4-H Foods manual or other source/cookbook.
- Display a poster you made that shows at least three kitchen safety rules.
- Display a poster you made that shows My Plate.

### **Forestry:**

Exhibit one of the following or create your own forestry exhibit idea:

- Collect, prepare, and label five seeds from the forest on a poster.
- Collect, press, and label five leaves to display on a poster.
- Look in the 4-H Mini Forestry Manual for more ideas.

### **Gardening:**

Exhibit one of the following or create your own gardening exhibit idea:

- Choose from one of the activities in the 4-H mini gardening manual.
- A plate with a maximum of three vegetables.
- A scrapbook or poster with pictures of different vegetables. Label each vegetable.

### **Genealogy:**

Exhibit one of the following or create your own genealogy exhibit idea:

- Junior Genealogy Toolkit.
- "Who Are Your Ancestors?" poster.
- Past & Present History poster.

- Family tree poster.

### **Horse and Pony:**

Exhibit one of the following or create your own Horse & Pony exhibit idea:

- A poster about helmet safety, horse care, or tack/equipment.
- Write a story about or draw a picture of a horse or pony.
- Riding classes will be available during the Horse and Pony Fair Show. **See Horse & Pony Section for classes**

### **Horseless Horse and Pony:**

Exhibit one of the following or create your own Horseless Horse & Pony exhibit idea:

- Paper bag Horse puppet.
- A poster showing the parts of a horse or different breeds of horses.
- A poster showing how to measure a horse.

### **Models:**

Exhibit one of the following:

- Make one snap together plastic model.
- Display a Lego or Tyco type model you constructed.
- Make a model out of clay or Popsicle sticks.
- Make a model using two to four different items of your choice.
- Make a model using as many different items of your choice. Make a background to display the model.

### **My Pet and Me:**

Exhibit one of the following or create your own My Pet and Me exhibit idea:

- Make a poster about your special pet.
- Write a funny story about your pet.
- Look through the Mini 4-H My Pet and Me manual for more ideas.

### **Photography:**

- Exhibit six photographs on a poster – number each photo. Photos can be printed on regular paper /printer.
- Pictures are to be no smaller than 3 1/2" X 5" and no larger than 4" X 6".
- Place a title at the top of your poster.

### **Plants and Flowers:**

Exhibit one of the following or create your own Plants & Flowers exhibit idea:

- Three cut flowers in a vase. The flowers can be the same kind or different kinds.
- A flowering plant in a pot.
- A houseplant.
- Make a poster that shows the different parts of a plant.
- Make a plant maze. Bring the shoebox maze with the plant inside.

### **Sewing:**

Exhibit one of the following or create your own sewing project exhibit idea:

- Fringe scarf.
- A practice stitching page.
- One of the sewing projects in the Mini 4-H Sewing Manual.

### **Space:**

Exhibit one of the following or create your own space exhibit idea:

- Make a rocket using materials from around your house.
- Make a poster about astronauts.
- Find more project ideas in the Mini 4-H Space Manual.

### **Trees:**

Exhibit one of the following or create your own trees exhibit idea:

- Make one of the projects in your manual.
- Draw a picture of how your favorite tree looks during each of the 4 seasons.
- Make a tree collage.

### **Whales and Dolphins:**

Exhibit one of the following or create your own Whales & Dolphins exhibit idea:

- Make a poster that shows how big whales are.
- Make a model or mobile of your favorite whales or dolphins.
- Make an Ocean Diorama.

### **Wildlife:**

Exhibit one of the following or create your own wildlife exhibit idea:

- Birds Poster.
- Bird Feeder.
- Or any of the projects found in the Mini 4-H Wildlife Manual.

### **Woodworking:**

Exhibit one of the following or create a woodworking project of your own to exhibit:

- A popsicle stick picture frame, box, or plaque.
- Display one or two bookends.
- Build a toolbox.

# Exhibit Hall Guidelines

Exhibit Hall Projects Fall into two categories: State projects and County-Only projects. State Fair projects are eligible to be chosen for exhibition at the Indiana State Fair. County-only projects are not eligible to be exhibited at the State Fair.

## General Static Project Guidelines

- 1) All posters, notebooks, and display boards must include a reference card citing where the information was obtained, giving credit to the original author to complete the 4-H member's exhibit. This reference list should/might include:
  - a) website links, people and/or professionals interviewed, books, magazines, etc.
  - b) It is recommended that this reference list be attached to the back of the poster, or display board, be the last page in a notebook, or be included as part of the display that is visible to the public.
- 2) A judge is not to discredit the manner in which references are listed.
- 3) It is suggested that exhibits be displayed in clear plastic bags or boxes for protection, however the project must be accessible to the judge.
- 4) For those projects with levels separated by grade, members should enroll by grade as of January 1 of the exhibit year.
- 5) For those projects with levels separated by division, members should enroll in a division for their first year in the project, then follow project division guidelines.
- 6) Divisions should be taken in succession, regardless of grade or age. Members may move forward to a higher division; however, they cannot move back to a lower division than one previously completed.
- 7) Some Projects require activities. See *Project Requirements*; three (3) activities should be completed each year in all standard 4-H manuals. These activities should be checked and initialed by the member's club leader before Fair check-in. (*Not Required for Mini 4-H'ers*).
- 8) Project manuals are available for most projects either printed or online. Refer to the specific project for available manuals.
- 9) Judge's scorecards are available upon request. State project scoresheets can be found on <https://extension.purdue.edu>.
- 10) Entry number labels, provided by the Extension Office, should be firmly attached to the project. If the exhibit has multiple pieces, use a blank label or copy the official label to identify each item.
- 11) Superintendents may move a member's exhibit into the correct classification of the project if the exhibit item brought to check-in was entered in the wrong category.
- 12) If a project is too large, it may need to be stored outside the Exhibit Hall. The size is to be at the project superintendent's discretion. This large project can be taken home after being judged if the exhibitor does not want it to be stored outside.
- 13) Exhibit items that do not meet entry time deadlines for check-in will not be eligible for awards/placement ribbons and will be judged as exhibition only.
- 14) The Harrison County 4-H Council, Extension personnel, 4-H adult volunteers, and/or the Harrison County Agricultural Society is/are not responsible for any damage or loss of a 4-H exhibit item while at the County or State Fairs.

## Poster Information

Please read and carefully follow the poster hints and requirements. Mini Poster Guidelines can be found in the Mini Project Section.

## Poster Construction

- Must be 22" x 28" in size with stiff backing, displayed horizontally, and covered with a transparent material. Any poster failing to meet these criteria will be dropped one ribbon placing.
- Any color is acceptable.
- Properly sized foam core board and poster sleeves may be purchased at the Extension Office. Foam core boards purchased at discount stores may not be the correct size. Be sure to measure your poster board before you start.
- Frames are not encouraged, and if used must not exceed the size requirements (22" x 28").
- Allow approximately 3" x 4" for a standard label which will be provided by the Extension Office. It should be firmly attached in the lower right-hand corner on the front side of the poster.
- Posters must include the reference list as outlined above. It may include website links, magazines, books, people, professional interviews, etc. For example, if a recipe was handed down from Great Grandma Irma, please list Great Grandma Irma as a reference. Attach reference list to the back of the poster.

## Mounting Adhesive

- Usually, rubber cement is the best. It leaves no marks and won't wrinkle paper.
- Rubber cement may discolor photos.
- Double stick tape is best for leaves.
- White glue should be used only in cases where wrinkling or damage will not occur.

## Stiff Backing

- Any material that will keep posters from bending will work. Examples: paneling, insulation board, plywood (this may get heavy), Masonite (1/8" thick - found to work well and could be used for several years.)
- If you choose to use foam core board, additional stiff backing is not required.

## Transparent Covering

- This is required to keep posters clean.
- Thickness varies (3, 5, 7.5, and 10 mil.) and it comes in rolls or sheets.
- Poster sleeves may be purchased at the Extension Office.

## Plastic Tape

- This is not necessary, but using colored tape to create a border around your poster may make it more attractive.
- It helps when attaching the poster to the foam core board.
- It is available in many colors and may be purchased at discount stores.

## Lettering

- Any lettering is acceptable. You may use stencils, self-adhesive, press-type, etc.
- You may wish to color coordinate lettering with poster board.

## Educational Display Information

- Educational table-top displays including the display board should occupy a space no larger than **36" wide by 28" tall by 14" deep** and should be self-supporting. Some projects specify different sizes, therefore, be sure to check project-specific requirements before starting.
- This does not include toy tractors or Lego displays.
- If purchasing a pre-made display tri-fold display board, be sure to measure it before purchasing.

- Any color is acceptable.
- Displays may have stiff backing and be covered with a transparent material.
- All items must be securely fastened.
- There are two acceptable types of educational displays. Box-Type display 2. Tri-fold display.
- Educational displays allow for more detail and creativity than a poster. Educational displays allow for actual objects to be part of the exhibit. However, one should exercise caution in displaying valuable or irreplaceable items.
- Allow 3" x 4" for the entry label provided by the Extension Office. It should be firmly attached in the lower right-hand corner of the display.
- Educational displays must include a reference list indicating where the information was obtained, giving credit to the original author. This reference list may include web site links, people and professional interviews, books, magazines, etc. It is recommended that the information be placed on the back of the display board or included as part of the display, visible to the public.

### **Construction Hints**

- You can make your own tri-fold display board by taking two 22"x 28" foam core boards, cutting one board in half (each half will be 22"x 14"), and put one half on each side of the full board. You may also start with two regular poster boards and add a stiff backing once assembled as a tri-fold display.
- You may also take a cardboard box, paneling, or similar material, and cut it down to size. Then drape plastic over the top for a box-type display.
- **NOTE:** The foam core board available at most discount stores is not the correct size. A properly sized foam core board (22"x 28") may be purchased at the Extension Office. The Extension Office does not carry the box-type or tri-fold displays.
- Cover with a transparent material.

### **Box-type display Tri-fold Display-Security of objects displayed**

- Items may be exhibited in plastic zip-lock bags and affixed for security.
- If items are to be laid on the tabletop, you might want to find a box of appropriate size and cover it with plastic for security. Be sure that the objects can be easily viewed.
- You may take pictures of valuable items rather than displaying them. Picture quality will not be judged.

### **Notebook Information**

- Notebooks should include a title page naming which activity is being depicted. Pages of the activity and explanation/ description should follow.
- Photographs are helpful to show activity or items being used or assembled.
- Plastic sheet protectors, page decorations, etc. are optional but may enhance the project.
- Exhibit label is required and will be provided by the Extension Office.
- Sources should be cited through a reference list, indicating where the information was obtained, and giving credit to the original author. This reference list may include website links, people and/or professional interviews, books, magazines, etc. It is recommended that the source information be placed on the last page of the notebook.
- Some projects will have specific additional requirements. Check individual project requirements.

### **Project Manuals:**

Please complete the manual for the following projects:

- |                   |                         |                          |

| • Dairy Education | • Horse Education       | • Soil and Water Science |

- Soybeans
- Swine Education
- Wood Science

### **State Fair Exhibit Items**

- State Fair exhibits should be taken home to make any changes suggested by the county judges.
- Extension personnel **MAY** transport exhibit items to/from the State Fair **AS A COURTESY**. Transporting items to the State Fair that are too heavy, large, or bulky to fit in a car is the responsibility of the 4-H member or their family. Extension personnel or volunteers transporting items are NOT responsible for potential damage.
- State Fair Projects (except Garden, Herbs, Foods Baked/Preserved) need to be dropped off to the Extension Office By **12 Noon on July 26th**.
- State Fair Garden, Herbs, Foods Baked/Preserved projects need to be dropped off to the Extension Office by **8:15 AM on August 5th**. Office will be open at 7:00 AM for your convenience.
- If you brought your own projects to the State Fair, they need to be picked up on **August 19<sup>th</sup> between 8:00 AM and 4:00 PM**.
- If Extension Staff brought your project to the State Fair, items will be available for pick-up at the Extension Office on **August 20th**. Please pick up as soon as possible.
- 

\*Extension personnel or volunteers are not responsible for transporting State Fair-eligible items left in the County Fair Exhibit Hall. Items must be brought to the Extension Office securely packaged for transport to the State Fair.

# State Projects

## Aerospace (Model Rocketry)

[State Exhibit Guidelines](#)-State Updated 10/1/2021

Manual available at the office

**Project Description:** The 4-H aerospace program provides youth with educational information and experiences about aerodynamics, flight and rocketry.

**Forms:** <https://extension.purdue.edu/4-H/projects/4-h-project-aerospace.html>

**State Fair Entries:** 3 rockets, drones, remote control aircraft, posters, notebooks or display boards per county; one per level.

### Exhibit Guidelines

- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
- “Ready to Fly” and E2X rockets are not permitted. Rockets may be exhibited with a base, but launch pads are not permitted. All rockets must weigh less than 3.3 pounds and are considered an amateur rocket according to FAA regulations. Remote control aircraft or drones may be constructed from a kit or purchased ready-to-fly. The power source (rocket engine, battery pack, etc.) is to be removed before being placed in public exhibition.
- Rockets will not be launched and remote-controlled aircraft or drones will not be flown at the state fair. Launching rockets and flying aircraft or drones at the county level is optional based on adult supervision experience.
- **See poster requirements on page 41**

### Exhibit Class Guidelines

#### Beginner (Grades 3-5 suggested)

- Construct a rocket of your choice designed for a new model rocket enthusiast with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine D or above are not permitted in this level.
- Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.
- Other topics could include how a quadcopter operates, controls used to fly a quadcopter, UAV regulations administered by the Federal Aviation Administration, commercial and emergency uses of UAVs, and more

#### Intermediate (Grades 6-8 suggested)

- Construct a rocket of your choice designed for a model rocket enthusiast with some experience and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine E or above are not permitted at this level.

- Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.
- Other topics could include interviewing a certified UAV pilot who works in law enforcement, EMS, fire, Purdue Extension, commercial, or other applications. Other options could include creating a flight plan or interfacing with another computer software.

#### Advanced (Grades 9-12 suggested)

- Construct a rocket of your choice designed for an experienced model rocket enthusiast and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine G or above are not permitted at this level.
- Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.
- Other topics could include using “stitching” software to produce an orthomosaic map for research purposes, identifying the Department of Transportation Aeronautical Chart features and explaining how these are important to a drone pilot, how to obtain a drone pilot license, or more. If 16 years of age or older the member could obtain a license by completing and passing the official FAA Part 107 UAV licensing test.

## **Animal Education Posters (Cat, Dog, Llama, Poultry, Rabbit)**

[State Exhibit Guidelines](#)-State Updated 10/1/2021

Manual available at the office

### **State Fair Entries:**

- 3 Cat entries per county; one per level
- 3 Dog entries per county; one per level
- 3 Llama entries per county; one per level
- 3 Poultry entries per county; one per level
- 3 Rabbit entries per county; one per level

### **Project Description:**

Youth can learn about livestock and companion animals through a variety of experiences. Youth may exhibit up to one poster project in each of the following animal species: Cat, Dog, Llama, Poultry, and Rabbit. A Grand Champion and Reserve Grand Champion will be chosen in each category as long as the poster meets/exceeds poster requirements. You will indicate which category you are choosing in Fair Entry.

### **Exhibit Guidelines**

- Owning or showing an animal is not required. Members enrolled in any 4-H animal or livestock project can exhibit in this project and are to contact their county 4-H educator to learn if they are to also be enrolled in animal education.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
- **See poster requirements on page 41**

## **Exhibit Class Guidelines**

### **Beginner (Grades 3-5 suggested):**

- Create an educational poster, notebook, or display about any manual activity or on any species related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

### **Intermediate (Grades 6-8 suggested):**

- Create an educational poster, notebook, or display about any manual activity or on any species related topic of choice that is age/grade appropriate. Check with the Purdue Extension Office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

### **Advanced (Grades 9-12 suggested):**

- Create an educational poster, notebook, or display about any manual activity or on any species related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

## **Arts and Crafts:**

[State Exhibit Guidelines](#)-State Updated 10/1/2021

Manuals available at the office

**Project Description:** Allows youth to learn life skills and grow in project knowledge while expressing creativity in a variety of mediums.

**State Fair Entries:** determined by the county 4-H educator and fair officials.

- 2 fine arts
- 2 needle crafts
- 2 model crafts
- 1 construction & architecture replica exhibit
- 5 general crafts

### **Exhibit Guidelines:**

- Youth may exhibit any art or craft that does not meet exhibit requirements in Fine Arts, Needle Craft, Model Craft or Construction and Architectural Replica.
- Exhibitors should be considerate of space. Exhibits too large to safely move or require lots of space should be exhibited using photographs and a description of work in a notebook.
- Those Arts and Crafts exhibits chosen for State Fair, must include a 4-H Craft Information Card, 4-H 618A. This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.
- Youth are encouraged to attend club activities and project work nights to learn more about these projects and to create a successful exhibit. Ask your club leaders for more information.
- If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
- Individual projects will receive 1 manual for the entirety of the youth's 4-H career. No manual for subsequent years.
- **NOTE: Enter all crafts projects listed in this section on the Arts & Crafts section on Fair Entry. *Do not enter as a state project.***

---

## **Construction and Architecture Replica Exhibits**

State Updated 10/1/2021

Exhibit must be a small-scale replica and meet the following criteria:

- Exhibits can include farm scenes, town models, building replicas, or similar items and can be constructed from building blocks (LEGO), erector sets, or other materials according to class.
- The product should be constructed to scale as much as possible.
- Consider adding a clear cover to protect the exhibit while being displayed to the public.
- This exhibit will most likely be displayed on an 8' long table top with two or three exhibits per table.

### **Projects:**

#### **Lego**

- All LEGO projects must be on a solid foundation. Exhibit at your own risk.
- ONLY LEGO pieces can be used. This includes landscaping and decorations. Projects using any non-LEGO parts must be exhibited as an "Other Craft" project. It is the responsibility of the EXHIBITOR to submit the exhibit in the proper project.
- Display no larger than 36"x 36".

#### **Toy Tractor Display**

- Members may choose to use a flat scene or a contoured scene in their design.
- Examples include: farm scene that exhibits fieldwork, farm scene in detail by using crops and livestock, or additional farm related scenes on a display board no larger than 36"x 36".

#### **Building Construction (NOT STATE FAIR ELIGIBLE)**

- Examples Include: detailed drawings of simple pole or frame building; playhouse or tree-house, a scale model building with blueprint type drawing, exhibit detailing techniques used by stone or brick masons; or a floorplan you designed for a home, actual portable building you built or a poster and drawings of an actual building you built or poster of pictures of common tools and fasteners with identification; a poster detailing tools used in drafting.

---

## **Fine Arts Exhibits:**

State Updated 10/1/2021

- Oil, charcoal, pastels, pencil, ink, acrylic, or watercolor-on canvas, canvas board, or paper, framed as a picture and prepared for hanging.
- Stretched canvas on a wooden frame does not need framing, but must still be prepared for hanging with appropriate hangers.
- Pictures should be under glass, except for those painted with oils, textural paints or another similar medium.
- Pictures may be on art paper, canvas board, or stretched canvas on a frame.

- It is encouraged that paintings be matted, using a minimum of 1/2" mat. The 1/2" is the approximate distance from the edge of the mat to its inner open area. This is a border around the picture and under the glass of the frame. The mat is usually cut from mat boards found in framing departments of art supply and department stores. Multiple mats may be used.

### **Projects:**

- **Drawing**
  - Examples include: Charcoal, pencil, dry crayon, pen and ink, pastel, marker, or a combination.
- **Painting**
  - Examples include: Watercolors, poster paint, tempera or pastels, opaque, texture paint, oils, acrylic, or similar. Thicker, more textured paints do not need glass or mats in the frame.

### **General Craft Exhibits:**

May NOT include any crafts included in the Fine Arts, Needle Craft, Models, or Construction & Architectural Replica exhibits listed on previous pages.

### **Projects:**

#### **Basket Weaving**

-

## **Model Craft Exhibits**

State Updated 10/1/2021

Exhibit must be a small-scale replica and meet the following criteria:

- If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.
- Exhibits must be a small-scale replica made of injected styrene plastics with approximately 25% of the surface painted. Wood, paper, clay die-cast, or snap together models are not permitted. Screws and pre-painted or pre-decaled factory models are not permitted. Exhibits made from building blocks (Lego) are not permitted.
- If the model is being built from a kit, include a copy of the instructions with the information card. Original instructions should be kept by the exhibitor in a safe location at home.

## **Models**

It is suggested that models have a protective covering, however the model must be accessible to the judge.

Examples Include: Made from either pre-colored plastic or to-paint parts (with or without decals); glued: car, truck, van, boat, airplane, an airfield, motorcycles, military tanks, horse & wagon, house, original or combined model using parts from other kits, or other model.

## **Needle Craft (Hand Work) Exhibits**

State Updated 10/1/2021

- Knitting, embroidery, crocheting, needlepoint, crewel, candle wicking, chicken scratch, hand quilting, tatting, huck embroidery, hemstitching, pulled, drawn, and counted thread work and punch needle work.
- **DOES NOT** include latch hook, plastic canvas, machine knitting, or arm knitting/crocheting. These projects fall under the 'Any Other Craft' category.
- If the article is to be hung, it must come prepared for hanging.

**NOTE:** Though machine quilting is accepted at the county level, if the quilted item is machine quilted and chosen as a State Fair project, it will be considered an "Other Craft" project.

## **Needle Craft Projects:**

### **Crochet**

- Examples Include: Using chain, single, double stitches, or more complicated stitches out of yarn, crochet thread, or other materials to create a household, personal, or other article.
- Free Manual Download: <https://shop4-h.org/collections/hobbies-curriculum/products/the-4-h-crocheting-handbook>

### **Embroidery**

- Examples Include: using Swedish Darning/huck weaving, needlepoint, cutwork, embroidery, counted cross stitch, candle wicking or quimper, or other on your choice of appropriate material.

### **Knitting**

- Examples Include: Using knit and/or purl stitches and your choice of other knitting techniques to create a household, personal, or other article.

## **Quilting**

- Examples Include: Quilted potholders, placemat, pillow, table runner, wall hanging, baby or lap quilt, table topper, tree skirt, purse, tote, bed quilt, or other item.
- Exhibit a different quilted item each year. A quilted item consists of three layers-top, batting, bottom.
- No pre-quilted material may be used. All piecing, sewing, and finishing must be the work of the 4-H member.
- Include one unquilted block.

## **Beekeeping**

State Eligible

[State Exhibit Guidelines](#)-State Updated 10/1/2021

**Manuals: Available online at [mdc.itap.purdue.edu](http://mdc.itap.purdue.edu) (free download)**

- I: 4-H-1057-W
- II: 4-H-1058-W
- Adv: 4-H-1059-W

### **Project Description:**

This project will help youth learn beekeeping, the types of bees, the honey and wax they produce, the plants that attract bees, and the equipment a beekeeper needs

### **State Fair Entries:**

- 1 educational exhibit per county.

- 1 honey exhibit per member, unlimited number of county entries.

### **State Exhibit Guidelines**

- There are no age/grade specifications for beekeeping exhibits. No bee hives may be brought to the State Fair.
- Honey water content will be measured.
- Fill level: the honey should be filled to the jar shoulder, not over, nor under
- Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs).
- Be careful to distinguish "chunk honey"(comb in jar) from "cut comb" (comb only in box). Honey (including chunk, cut comb and comb) must be collected since the previous county fair.

### **Educational Poster or Display (grades 3-12)**

- Create an educational poster, notebook or display about any manual activity or on any beekeeping topic of choice that is age/grade appropriate.
- Youth can also design and complete an independent study activity.
- **See poster requirements on page 41**

### **Single Honey Product (grades 3-12)**

Exhibit one of the following:

- Extracted honey: 2 one-pound jars, shown in glass or clear plastic, screw-top jars holding 1 pound of honey each.
- Chunk honey (comb in jar): 2 one-pound jars(wide-mouth glass or clear plastic).
- Cut-comb honey: 2 one- pound boxes (These are usually 4 1/2" x 4 1/2" in size).

### **Two Honey Products (grades 3-12)**

Exhibit two of the four kinds of honey listed below.

- Extracted Honey: 2 one-pound jars (glass or clear plastic).
- Chunk Honey (comb in jar): 2 one-pound jars (wide-mouth - glass or clear plastic).
- Cut-comb Honey: 2 one-pound boxes. Boxes are usually 4 1/2" x 4 1/2"
- Comb Honey: 2 sections (honey built by bees in frames of wood commonly called "sections." Boxes are usually 4 1/2" x 4 1/2" in size).

## **Cake Decorating**

State Eligible

**State Exhibit Guidelines**-State Updated 10/1/2021

Manual Online Download: <https://shop4-h.org/products/4-h-cake-decorating>

Skills chart in Office

### **Project Description:**

The cake decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills. Anyone wanting to learn baking skills should refer to the 4-H foods project.

**State Fair Entries:** 3 entries per county; one per level.

### **Exhibit Guidelines:**

This subject area is divided into three levels:

- Beginner (Grades 3-5)

- Intermediate (Grades 6-8)
- Advanced (Grades 9-12)
- While the defined grades are intended to be a guide, older youth enrolled in this subject for the first time may start in a lower grade skill level with permission by the county extension educator, followed by an appropriate level the following year.

Skills and techniques demonstrated should be age/grade appropriate.

- While it is not to say a beginner level member cannot master an advanced level skill, it would be rare and unique.
- Therefore, exhibited cakes must demonstrate the minimum five techniques from their given level outlined in Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A, but may also include higher/lower-level techniques that have been mastered.
- Any higher/lower-level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality.
- All exhibited cakes must be created using a Styrofoam, foam, or other solid dummy. Unless otherwise stated, cake forms are to be iced using royal icing or buttercream. Fondant is allowed at advanced levels.
- Buttercream icing will not withstand environmental conditions and may become soft, melt, not withhold its shape, and colors may bleed when being displayed for an extended period of time.
- The cake board must be neatly covered and well taped or otherwise attached underneath.
- When displaying a cut-up cake or tiered cake, the exhibitor must include a diagram and description indicating how the cake was assembled.
- Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 8" in diameter, then the cake board must be 10-12" in diameter.
- This diagram and description can be attached to or written on the skills sheet. All exhibits must include a completed Cake Decorating Skills Sheet (4-H 710) and must accompany the cake for the judge's reference during judging. Skills sheets are for judging purposes only and will not be returned to the exhibitor.
  - Skills sheets are available at the Extension Office.

### **Class Guidelines:**

#### **Beginner (grades 3-5 suggested)**

- A minimum of five beginner-level skills are to be demonstrated.
- Cakes exhibited in the beginner level are to be a single tier/layer, no more than 5" tall, and may be round, square, or rectangular and the cake board is to be no more than 12"x12".
- A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet.
- Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 8" in diameter, then the cake board must be 10-12" in diameter. The cake board must be neatly covered and well-taped or otherwise attached underneath.

#### **Possible Techniques:**

- |             |              |                             |

- Border: Bead
- Border: Star
- Leaves
- Grass
- Star Drop Flower
- Swirl Drop Flower
- Daisy
- Sunflower
- Zinnia
- Printed Message
- Ribbon Rose
- Color Striping

#### Intermediate (grades 6-8 suggested)

- A minimum of five intermediate-level skills are to be demonstrated and the cake may include additional skills from the beginner level.
- A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet.
- Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2- 4" larger than the cake. For example, if the cake is 9"x13" rectangular, then the cake board must be 11"x15" to 13"x17" rectangular. The cake board must be neatly covered and well taped or otherwise attached underneath.
- Cakes exhibited in the intermediate level are to be a single or double tier/layer, no more than 12" tall and may be any shape.
- Youth may choose to decorate an inverted (upside down) character pan or create a 3-dimensional cake. It is also permissible to cut-up pieces of Styrofoam, foam, or other solid material to create a new shape, like a butterfly or castle for example.
- The cake board is to be no more than 24" x 24".

#### Possible Techniques:

- Cornelli Lace
- Brush Embroidery
- Petal
- Blossom
- Rosebuds
- Half Rose
- The Wilson Rose
- Stem
- Poinsettia
- Leaves
- Violet Leaf
- Pansy
- Violet
- Lily
- Basketweave
- Reverse Shell
- Rope
- Classic Ruffle

#### Advanced (grades 9-12 suggested)

- A minimum of five advanced-level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels.
- A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet.
- Cakes must be on a cake board strong enough to support the cake (approximately 1/2" thick) and 4" larger than the base cake. For example, if the cake is 26" in diameter, then the cake board must be 30" in diameter. The cake board must be neatly covered and well-taped or otherwise attached underneath.
- Cakes exhibited in the advanced level may be multiple layers and/or tiered and may include multiple cakes, like a wedding cake. Youth may choose to create a character or 3-dimensional cake by cutting up pieces of Styrofoam, foam, or other solid material to create a new shape.
- Dowel rods, plates, etc. should be used to support multiple layers and tiers. Fondant icing, gum, and sugar paste are permissible.

- Cakes may be any shape, no more than 36" tall and the cake board is to be no more than 36" x 36".
- All cakes moving on to the State Fair must be Styrofoam.

**NOTE:** Cakes exhibited on stands or special tiered apparatus, where there is no base cake, the boards must be thick enough to hold the cake and your borders.

Possible Techniques:

- |                      |                 |                                  |

| • Carnations         | • Ball Border   |                                  |

## **Child Development**

State Eligible

[State Exhibit Guidelines](#)-State Updated 10/1/2021

Manuals available at office

### **Project Description:**

- Youth will learn about developmental stages of infants, toddlers and young children.
- Complete 3 activities from the manual each year. Bring the manual to your club leader to verify completion of activities.
- **See poster requirements on page 41**

### **State Fair Entries:**

4 entries per county; one per level.

### **Exhibit Guidelines:**

Activities may be designed to be displayed on the floor, but please be considerate of space availability. Each item is to be labeled with the 4-H member's name, county and club so fair staff can keep all components together if it needs to be moved after judging is complete.

#### Level A (grades 3-4 suggested)

- Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

#### Level B (grades 5-6 suggested)

- Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

#### Level C (grades 7-9 suggested)

- Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

#### Level D (grades 10-12 suggested)

- Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

## **Communications**

State Eligible

[State Exhibit Guidelines](#)-State Updated 10/1/2021

Manuals available in office

### **Project Description**

The communications project teaches verbal and non-verbal communication and presentation skills.

### **State Fair Entries:**

- Demonstration – 3 junior individuals, 3 senior individuals, 3 junior teams and 3 senior teams per county.
- Informative 4-H Presentation – 3 junior individuals, 3 senior individuals
- Professional Persuasive Presentation – 3 junior, 3 senior, 3 junior teams and 3 senior teams per county per county.
- Public Speaking – 3 junior and 3 senior per county.
- Creative Writing – 3 exhibits per county, one per level.

### **Exhibit Guidelines:**

Effective communication drives all aspects of day-to-day life. Youth are to learn about the process of communication, to learn about different modes of communication and to strengthen their own communication skills. As you explore the world of communication and the manuals, you will enjoy learning more about yourself and others. Youth completing this project are expected to participate in a variety of experiences allowing them to develop communication skills rather than create an exhibit to be displayed at the county or state fair.

A series of 4-H manuals is available with activities designed to develop communication skills at a specific grade level. Module 1 is for Beginner Level youth in grades 3-5. Module 2 is for Intermediate Level youth in grades 6-8. Module 3 is for Advanced Level youth in grades 9-12. Suggested activities to develop communication skills include:

- Complete an activity from the grade appropriate manual.
- Give a demonstration or presentation at a club meeting.
- Participate in a verbal communication event. See the verbal communication section below.
- Submit a news release to local news media about a 4-H event or topic.
- Participate in a radio interview.
- Present information about 4-H to a civic organization or similar group.
- Participate in the Indiana 4-H Spread the News workshop (Grades 9-12).
- Participate as an actor in a community theater.
- Other activities that demonstrate communication skill development.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

## **Verbal Communication Events**

The following verbal communication events and activities are offered to 4-H members as a way to teach presentation and public speaking skill development. They are often used in 4-H meetings, and a county 4-H youth development program may choose to offer these as competitive events. The demonstration, informative presentation, professional persuasive presentation and public speaking are competitive events at Indiana State Fair.

The following apply to all state fair communication events:

- Members may use a PowerPoint, Prezi, or other digital presentation, signs, and other props that will enhance their presentation when giving their how-to demonstration to the audience from a stage or stage-like setting.
- If digital media will be used to enhance the presentation, contestants are encouraged to provide their own laptop computer. If the laptop is not equipped with a standard HDMI external video connection, the contestant will need to supply an appropriate adapter. While a standard PC laptop will be available, the quality and compatibility of the digital media cannot be guaranteed as PowerPoint will be the only digital media available at the state fair.
- Live animals are not permitted at the state fair.
- There is no interaction with the audience.
- Questions may be asked of the contestants by the judges following the presentation.
- Events that have a team category, it is for two (2) people and will be determined by the highest grade level of any member of that team.
- The top three senior individuals, top junior individual, top senior team, and top junior team will be recognized in the Indiana State Fair Celebration of Champions.

Refer to the Indiana State Fair 4-H handbook for the date, time, and location of each event. Check with your county extension educator for information about entering these events.

### **1. Demonstration**

- All 4-H members are encouraged to present a demonstration at their club or county level.
- This contest allows the 4-H member to show the audience step-by-step procedures how-to-do something related to any 4-H project.
- Examples of a demonstration include how to take a prize-winning photograph, how to give an intramuscular antibiotic injection or shot, how to design a mini-barn blueprint, how to construct a garment, how to develop a wildlife rehabilitation plan, how to treat a cat for fleas, etc.
- Junior members (grades 3-8) have 5-7 minutes to present their demonstration, while senior members (grades 9-12) will present their demonstration in 5-10 minutes.
- Categories will be Junior Individual, Senior Individual, Junior Team, and Senior Team.

### **2. Informative 4-H Presentation**

- This contest allows the 4-H member to present a topic of their choice related to a 4-H event, project, or activity to the audience.
- Examples of an informative 4-H presentation include the benefits of attending 4-H Round-Up, State 4-H Junior Leader Conference, 4-H Academy, or Citizenship Washington Focus; the impact of a community service project on the 4-H members involved and their community; why a family should enroll their children in 4-H; how 4-H prepares a young person for the workforce or college, etc.
- Junior members (grades 3-8) have 5-7 minutes to present their informative presentation, while senior members (grades 9-12) will present their informative presentation in 5-10 minutes.
- Categories will be Junior Individual and Senior Individual.

### **3. Professional Persuasive Presentation**

- Contestants will be required to research a public issue in their community, collect data showing how this issue is or could affect their community, formulate a plan to address this issue, and present it in a professional manner using electronic digital media such as PowerPoint, Prezi, etc.
- Contestants are to submit two (2) sets of accompanying handouts at registration. These handouts will be provided to the judges.

- It is suggested that youth practice by presenting their professional presentation to service clubs, 4-H Council or fair board, government officials, or other boards.
- Examples of public issues could be the lack of accessibility to trails or public parks, congested traffic locations, public health issues, impoverished neighborhoods, school dropout rates, the size of farm machinery outgrowing the size of roads, etc.
- Junior members (grades 3-8) will present in 5-7 minutes and senior members (grades 9-12) will present their professional presentation in 5-10 minutes.
- Categories will be Junior Individual, Senior Individual, Junior Team and Senior Team.

#### **4. Public Speaking**

- This contest allows the 4-H member to give their prepared speech to an audience from a stage or stage-like setting.
- Props, signs, and PowerPoint presentations are not permitted.
- The topic can be of the 4-H member's choice.
- Junior members (grades 3-8) have 3-5 minutes to give their speech while senior members (grades 9-12) will give their speech in 5-7 minutes

#### **5. Creative Writing**

- This exhibit allows youth to express creativity while developing writing skills.
- Examples include a story, autobiography, biography, journal entry, poetry, children's story, skit or play, fiction in verse, alternative history, song lyrics, movie script, creative nonfiction and more. Writing must be authored by the 4-H member and can be fiction or non-fiction.
- Exhibits are to be displayed in a notebook or binder appropriately labeled on the front with the title, 4-H member's name, grade in school, club and county. The notebook or binder is to include a title page and authored work. While most creative writing exhibits will not require research, a bibliography giving credit to sources is to be included with any research article.
- Work can be handwritten or typewritten.
- Illustrations or photos may be included to enhance the writing.
- Writing should not include excessive blood, gore, violence or sexual themes and must be appropriate for all ages to read.

#### **Creative Writing Exhibit Class Guidelines:**

##### **Beginner (grades 3-5 suggested)**

- Create and exhibit one age/grade appropriate item. While length or word count is not required, one-page or 250 words is appropriate for most beginners.

##### **Intermediate (grades 6-8 suggested)**

- Create and exhibit one age/grade appropriate item. While length or word count is not required, two-page or 500 words is appropriate for most intermediate members.

##### **Advanced (grades 9-12 suggested)**

- Create and exhibit one age/grade appropriate item. While length or word count is not required, more than three pages or more than 750 words is appropriate for most advanced members.

## **Computer Science**

State Eligible

[State Exhibit Guidelines](#)-State Updated 10/1/2022

Manuals available in office

### **Project Description**

- The Harrison County 4-H Council, Purdue Extension-Harrison County, and Harrison County Agricultural Society will not be responsible in the case of theft or breakage, so discretion should be used when considering your exhibit display.
- The 4-H computer science project is designed for youth to engage in an interactive project to learn all levels of familiarity with computers.

### **State Fair Entries:**

3 per county; one per level.

### **Exhibit Guidelines:**

- There are three exhibit grade level divisions; Grades 3-5, Beginner; Grades 6-8, Intermediate; and Grades 9-12, Advanced. Exhibits are to be skill appropriate for the member's grade level.
  - Youth enrolled in the computer project will select one of the below subject categories to study, regardless of grade. Youth may choose to create an exhibit demonstrating skills learned during the year. Check with your county Purdue Extension Office to determine if a computer will be available during judging and if there will be an opportunity to explain your exhibit to the judge. Exhibits qualifying for state fair are to be submitted on a thumb drive securely attached to a notebook/portfolio describing accomplishments, skills learned, design ideas, budget, a summary of what was done, screenshots showing the development and final project, etc. as the exhibitor will not be able to discuss their work with a judge. Poster and display board exhibits are permissible. Youth may continue in the same subject category in subsequent years, expand on the previous year's topic, or choose a new topic.
  - **Subject categories are:**
    - Block Based Programming
    - Text Based Programming
    - Web Design and Computer Entrepreneurship
    - Computer Forensics
    - Hardware and Networking Design/Install/Repair
    - Graphic Design and Computer Art
    - Robotics
  - Software submitted to be reviewed by a judge must be compatible on both PC and Mac platforms. If additional software other than Microsoft Office Suite is required to view the member's work, that software must be provided by the member and comply with all manufacturer copyright laws. Apps can be Android or IOS compatible.
  - Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
-

## **1. Programming, Block, and Text based Programming:**

Youth can submit programming projects in a language of their choosing. Some popular choices include, but are not limited to:

- Block based: Scratch, Code Studio, Alice, etc.
- Text based: Python, Java Script, C/C++, C#, ASP.net, R, Go, Java, Perl, Ruby, etc.

### **Exhibit Class Guidelines:**

#### **Beginner**

Create a program using the language of your choice. You should comment on your work and it must include at least ten different commands. Skills this program could use are:

- Sequence
- Iteration
- Conditionals
- Variables
- Loops
- User input
- Any other similar skill

#### **Intermediate**

Create a program using the language of your choice. You should comment on your work and it must include at least ten different commands. Skills this program could use are:

- More robust demonstration of beginner skills
- Commenting
- Correct syntax
- Lists
- Functions
- Algorithms
- Modularization
- Lists
- Any other similar skill

#### **Advanced**

Create a program using the language of your choice. You should comment on your work and it must include at least ten different commands. Skills this program could use are:

- More robust demonstration of Intermediate Skills
- Parameters
- Recursion
- Interact with databases
- Classes
- Objects
- Methods
- Inheritance
- Integrate multiple languages into one program
- Demonstrate utilization of a version control system.
- Any other similar skill

---

## **2. Web Design and Computer Entrepreneurship**

### **Exhibit Class Guidelines:**

#### **Beginner**

Build a website demonstrating a knowledge of:

- Use a website builder to create your website
- Insert non-stock image into your site
- Use a template to achieve a unified look
- Explain CSS in your documentation, what CSS is and why it's important
- Must have at least two pages and include all items listed above

### Intermediate

Build a website demonstrating a knowledge of:

- Create your own site or use a website builder
- Modify existing HTML
- Use HTML5
- Modify existing CSS
- Have a unified theme throughout
- Use a photo editing software to create custom images
- Must have at least five pages and include all items listed above

### Advanced

Build a website demonstrating a knowledge of:

- Create a custom site using appropriate industry tools
- Have a responsive website
- Add useful and appropriate plugins
- Test for and eliminate bugs
- Include links for social media
- Include custom audio/video
- Must have at least ten pages and include all items listed above

---

## **3. Computer Forensics**

**(ID theft, online bullying, ethical use of technology, responsible social media use)**

### **Exhibit Class Guidelines:**

#### Beginner

Research and create a 3-5 minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Media Balance and Well Being
- Privacy and Security
- Digital Footprint and Identity
- Relationships and Communication
- Cyberbullying, Digital Drama and Hate Speech
- News and Media Literacy
- Any other similar topic

#### Intermediate

Research and create a 6–8-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship
- Media Balance and Well Being
- Privacy and Security
- Digital Footprint and Identity
- Relationships and Communication
- Cyberbullying, Digital Drama and Hate Speech
- News and Media Literacy
- Cyber Security
- Ethics and Society
- Security Principles

- Classic Cryptography
- Malicious Software
- Physical Security
- Web Security
- Any other similar topic

#### Advanced

Research and create a 10-12 minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship
- Media Balance and Well Being
- Privacy and Security
- Digital Footprint and Identity
- Relationships and Communication
- Cyberbullying, Digital Drama and Hate Speech
- News and Media Literacy
- Cyber Security
- Ethics and Society
- Security Principles
- Classic Cryptography
- Malicious Software
- Physical Security
- Web Security
- Any other similar topic

## **4. Hardware and Networking Design/Install/Repair**

### **Exhibit Class Guidelines:**

#### Beginner

Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

- Deconstruct and reconstruct a compute
- Learn and report how binary works and how computers use numbers
- Troubleshoot hardware problems
- Explore operating systems
- Investigate open source resources
- Install/upgrade operating systems
- Design a dream machine (give reasons)
- Any other similar design/install/repair

#### Intermediate

Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

- Identify network hardware
- Design a computer network
- Explain Internet Protocol
- Explain different types of servers
- Use different protocols to communicate
- Add peripherals to a network
- Secure a networked computer
- Share applications simultaneously
- Setup a Raspberry Pi or other microcontroller
- Any other similar design/install/repair

#### Advanced

Choose one or two items from the list ad create a report/presentation (including images) of what you did.

- Design and implement a computer network
- Secure your network
- Understand technology needs in your community.
- Help to solve these needs by organizing a committee or team to work on identified issues.
- Teach a computer science class to younger 4-Hers.
- Build your dream computer
- Network multiple microcontrollers
- Research careers in technology
- Any other similar design/install/repair

---

## **5. Graphic Design and Computer Art**

There are three divisions; Beginner (Grades 3-5), Intermediate (Grades 6-8) and Advanced (Grades 9-12). Youth are to use a software program to create or design an item that requires graphic design or artistry. The name of the software and version is to be included with the exhibit. Exhibits are to be age/grade appropriate. Ideas include, but are not limited to, the following:

- Logo design
- T-shirt or apparel screen printing design
- Promotional brochure
- Marketing materials
- Computer generated art
- Computer altered photographs/images – Photographs taken by the 4-H member and altered by the 4-H member using a computer are to be entered in the Photography project as a creative/experimental exhibit. Youth must obtain permission from the owner before altering someone else's photograph/image and include a copy of that permission with the exhibit to insure there is no copyright violation.

---

## **6. Robotics**

Suggested exhibits include, but are not limited to, a notebook including a printout of code with requirements marked, a flowchart showing how the robot works, images of the robot being built and the final robot in action, a video, a live demonstration, or other applicable exhibits.

### **Beginner – Grades 3-5**

- Create a flowchart
- Build a robot
- Use block- or text-based program to operate
- Sequential programs
- Events at beginning
- Use at least one basic sensor
- Model and demonstrate robot behaviors using a simulation environment
  - (e.g. VEXcode VR [<https://vr.vex.com>])

### **Intermediate – Grades 6-8**

- Create a flowchart with sub-routines
- Include at least two sensors in robot
- Use at least three events in code
- Create at least 2 loops in code
- Operation of robot should be smooth

### **Advanced – Grades 9-12 - Above guidelines plus:**

- Use text-based language
- Use advanced logic including
- Multiple (three or more) events
- Multiple (three or more) loops
- At least three sub routines
- Special consideration if robot is not a kit

---

## **Consumer Clothing**

State Eligible

[State Fair Guidelines](#)- State Updated 02/01/2023

Online Manuals- free download in the Purdue Education Store:

- [Consumer Clothing: Beginner- 4-H-730-W](#)
- [Consumer Clothing: Intermediate- 4-H-731-W](#)
- [Consumer Clothing: Advanced- 4-H-732-W](#)

### **Project Description**

- All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.
- **See poster requirements on pages 41**
- The front of the notebook is to include the 4-H member's name, county, club, and level. Personal information such as phone number, mailing address, etc. should not be included in any notebook documentation.
- Youth are encouraged to model their purchased outfit and accessories at the county level Fashion Revue. Modeling at the state fair is limited to only the advanced level and will be judged separately from the notebook.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **State Fair Entries:**

- 3 Notebooks per county, no clothing; one per level.
- 1 advanced level per county to model in state fair fashion revue.

### **Class Guidelines:**

#### **Beginner (grades 3-5 suggested)**

- Complete one activity from each group in the manual and share your results or answers in a notebook, labeling each activity. With help from a parent or mentor, purchase an item of clothing that you'll wear with other clothes in your wardrobe. Examples might be slacks, blouse, jeans, shirt, sweater, or sweatshirt. Choose an accessory to go with your purchase. Accessories could be shoes, sweatbands, belts, jewelry, socks or similar items.

#### **Intermediate (grades 6-8 suggested)**

- Complete one activity from each group in the manual and share your results or answers in a notebook, labeling each activity. Purchase and accessorize a casual or school outfit. Accessories may be purchased or selected from what you currently have.

#### **Advanced (grades 9-12 suggested)**

- Complete one activity from each group in the manual, or similar activity of choice and share your results or answers in a notebook, labeling each activity. If completing an activity not included in the manual, be sure to include in your notebook an explanation describing how the activity was developed and

intended objectives. Purchase and accessorize an outfit of your choice. Accessories may be purchased or selected from what you currently have.

- **Special note regarding Indiana State Fair** – In addition to the advanced consumer clothing state fair entry submitting their notebook for evaluation, the exhibitor will also be invited to model their purchased outfit in fashion revue. The notebook and modeling will be judged independently and one will not have any consideration for the other at the state fair.

**Fashion Revue:** All those participating in Consumer Clothing and Sewing-Wearable are encouraged to model their outfit by participating in the Annual 4-H Fashion Revue held during the County Fair. Participants are encouraged to know the cost of the clothing, types of materials in the outfit, fabric care instructions, etc.

Sign-up for Fashion Revue on [v2.4honline.com](http://v2.4honline.com). Fashion Revue Booklet and outfit description forms are available at the Extension Office.

## **Electric**

State Eligible

**State Fair Guidelines:** State Updated 10/01/2023

Manuals available at the office

### **Project Description:**

The 4-H electricity and electronics program provides youth with educational information about electricity and how it can be used to benefit the human race.

### **State Fair Entries:**

- 5 electric exhibits per county, one per level
- 1 electronic exhibit per county, level 5

### **Exhibit Guidelines:**

- All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.
- **See poster requirements on pages 41**
- Youth are encouraged to complete the activities as instructed in the manual or found on the 4-H electric web page.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using the information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### **Electric Level 1 (1st year in Electric)**

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

### Exhibit Suggestions:

- Circuit board – 6" by 6" of Series/Parallel Circuit
- Electromagnet
- Galvanometer
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)

Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 1 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine the expected items to be included.

---

### **Electric Level 2 (2nd year in Electric)**

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

### Exhibit Suggestions:

- Magnetic Powered Shake Flashlight – with optional display
- Circuit board – 6" by 6" of Series/Parallel Circuit (with modifications if exhibited in Level 1)
- Electromagnet
- Galvanometer
- Electric Motor
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity

Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 2 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine the expected items to be included.

---

### **Electric Level 3 (3rd year in Electric)**

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

### Exhibit Suggestions:

- Wiring Project – (ie. extension cord, trouble light, wire sizes and uses, plug configurations, test equipment, replace cord/cord end on a tool or piece of equipment, etc.)
- Electrical tool and supply kit
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)

- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 3 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

---

#### **Electric Level 4 (4th year in Electric)**

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

##### **Exhibit Suggestions:**

- Wiring – Wire a lamp. The lamp can be a re-wired lamp or one that is built new.
- Electrical tool and supply kit
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 4 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

---

#### **Electric Level 5 (5th year or more in Electric)**

Exhibit one article of choice, displaying proper wiring techniques, made during the current 4-H program year that demonstrates a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

##### **Exhibit Suggestions:**

- Equipment Wiring – including but not limited to: parts identification, appliance repair, lamps and other lighting, equipment wiring, control system, security system, topic that covers safety, motors/generators, electric heating, heat pumps, AC, water heaters, and other electric equipment.
- Home Wiring – included by not limited to any circuits found in the wiring of a house or “barn”, service entrance, switching, receptacles, generator transfer circuit, safety, electrical math, and others.
- Electronic Equipment – Any project or kit containing transistors or integrated circuits or vacuum tubes such as radio, TV, computer, robot, cell phone, and others.
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Entering Electronics, Purdue Extension website Level 5 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.
- Video Presentation Create a video showing the work accomplished and skills learned. This video should include the same type of information as required in written notebook listed above. This video is to be no more than ten minutes in length and formatted as MP4 and submitted on a thumb drive. This video can also be uploaded to a YouTube account with the video being made public and the link submitted for evaluation.

## **Entomology**

State Eligible

**State Fair Guidelines**- State Updated 10/01/2021

Manuals available in office

**Labels available here:** [https://extension.purdue.edu/4-H/\\_docs/projects/entomology/specimen-labels.pdf](https://extension.purdue.edu/4-H/_docs/projects/entomology/specimen-labels.pdf)

### **Project Description:**

This project will help you study insects and their relationship with people. You can also learn how to collect, preserve, and identify insects.

### **State Fair Entries:**

- 3 collection exhibits per county, one per level
- 3 educational exhibits per county, one per level

### **State exhibit guidelines**

Collections are to include the following:

- Title as Insect Collection year in Entomology
- Order – refer to ID-401.
- Display – mounted insects are to have been legally and personally collected in the United States and displayed in an 18"x24" collection box displayed horizontally. Collections including multiple boxes are to be numbered 1 of 3, etc. ID 401 A-F cards (for grades 3-8) and 401-I cards (for grades 9 - 12) are to be placed inside the display box in an attractive manner.
- Identification – Collection display boxes are expected to contain the specified number of insects, families, and orders specified (see chart below). All insects must be in the adult stage and be properly mounted on insect pins or be contained in vials as directed.
- Pin Labels - Each pin or vial must contain two labels:
  - Top label is to include collection date, location, and collector name.
  - Bottom label is to include common name and other optional identification data.
- Box Labels – Box labels (computer generated or neatly printed) are used for orders and families as required (see chart below) and are to be placed flat against the bottom of the box. Insects must be properly grouped directly under the correct order and family label. For example, all insects belonging to a particular order must be placed under that order label. Orders to be used are listed in the reference book ID- 401. If family level identification is required, the insects should be further grouped together under the correct family label.
- Educational Box – One additional box (educational), based on the specific theme (see chart below), is required for grades 9-12, in addition to the insect collection boxes. This box can be created in any manner chosen (without the mounting, pinning or identifying restrictions specified above).

Judges evaluating collection exhibits should judge based on educational content, scientific accuracy, eye appeal and creativity.

### **Monarch Butterfly Statement:**

**Q:** Many have noticed the decrease in number of Monarch butterflies both in Indiana and throughout the country and wonder if and how Entomology at Purdue is responding. Are 4-H and youth still required to catch these endangered insects for their collection boxes?

**A:** Monarch butterflies are now officially on the threatened species list. While we know that collecting Monarch butterflies for 4-H collections or displays does not constitute a significant risk to their population when compared to the effects of climate change, pesticide contamination and habitat loss, capitalizing on this opportunity to discuss their decline is an excellent way to bring public focus to this important issue. We want our youth (and all IN citizens) to recognize the Monarch butterfly, understand its biology and be empathetic to its conservation.

Therefore, we have instituted the following update to our youth and 4-H Entomology programs. Effective immediately, we no longer encourage students to 'collect' Monarch butterflies for exhibits, displays or 4-H insect collections. But, rather than simply removing the Monarch butterfly from the list of 150 insects that 4-H students are to recognize, we want to highlight it so that students really do learn to recognize them and understand their peril. After all, the more we are familiar with this species, the more apt we will be to assist and support the conservation of this iconic species. Link to a recent article from our department pertaining to Monarch butterflies (<https://www.purduelandscapereport.org/article/where-have-all-the-monarch-butterflies-gone/>)

### **Spotted Lanternfly Statement**

**Q:** Are there any new changes to rules or directions for the 4H or FFA youth projects or competitions that students and coaches should look for?

**A:** To keep the youth Career Development (CDE judging) and 4-H collection projects current, it is important to occasionally add new insects to the list. Due to the invasion of a serious new insect pest throughout the Midwest called the Spotted Lanternfly, we have added it to the list of insects found in the "How to Make an Awesome insect Collection and (ID-401) and Who Let the Bugs Out (ID-402) extension resources. Please be aware that students are now expected to identify and understand its biology and behavior as well as its potential impact in Agriculture. Indiana 4-H Youth Development partners with Purdue University academic departments to develop 4-H project guidelines. The Monarch butterfly and Spotted Lanternfly statements are provided by Dr. Timothy J. Gibb, Department of Entomology.

### **Beginner (1st-3rd Year in Entomology)**

Create a collection based on the year in Entomology or an educational exhibit.

- 1st year
  - 10 insects, identified and pinned on cards (ID 401A)
  - 1 Box
- 2nd year
  - 20 insects, mounted (pins or vials). Identify all insects by common name and identify five (5) to order. Include Card ID 401B.
  - 1 Box
- 3rd year
  - 30 insects, mounted (pins or vials). Identify all insects by common name and identify 15 to order. Include Card ID 401C.
  - 1 Box

---

### **Intermediate (4th-6th Year in Entomology)**

Create a collection based on the year in Entomology or an educational exhibit.

- 4th year
  - 40 insects; exhibit a minimum of 6 orders, mounted (pins or vials). Identify all insects by common name and order. Include ID 401D.
  - 2 Boxes
- 5th year
  - 50 insects; exhibit a minimum of 8 orders, mounted (pins or vials). Identify all insects by common name and order. Identify ten (10) to family. Include card ID 401E.
  - 2 Boxes
- 6th year
  - 60 insects; exhibit a minimum of 10 orders, mounted (pins or vials). Identify all insects by common name and order. Identify 30 to the family. Include card ID 401F.
  - 2 Boxes

---

### **Advanced (7th-10th Year in Entomology)**

Create a collection based on the year in Entomology or an educational exhibit. Advanced level insect collections are to also include an education box, for a total of four boxes. Advanced level youth may instead create an independent study topic of choice.

- 7th year
  - 70 insects; exhibit a minimum of 12 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect behavior. Include Card ID 401 (1-3 collection boxes plus 1 educational box\*). Place ID 401I in the first collection box only.
  - 3 Boxes
- 8th year
  - 80 insects; exhibit a minimum of 14 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect pest management. Include card ID 401I. (1-3 collection boxes plus 1 educational box\*). Place ID 401I in the first collection box only.
  - 3 Boxes
- 9th year
  - 90 insects; exhibit a minimum of 16 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insects in the environment. Include card ID 401I.(1-3 collection boxes plus 1 educational box\*). Place ID 401I in the first collection box only.
  - 3 Boxes
- 10th year
  - 100 insects; exhibit a minimum of 18 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: benefits of insects. Include card ID 401I. (1-3 collection boxes plus 1 educational box\*). Place ID 401I in the first collection box only.
  - 3 Boxes

## **Floriculture**

State Eligible

[State Fair Guidelines](#)- State Updated 10/01/2021

Manuals available in office

### **Project Description:**

Youth will learn basic information and skills needed to grow healthy plants and flowers as well as floral design techniques.

### **State Fair Entries:**

- 8 floral exhibits per county, 2 per level
- 4 educational exhibits per county, 1 per level
- Floral arrangements can be constructed using fresh flowers and greenery grown yourself or purchased, flowers and greenery dried yourself or purchased, or artificial flowers or greenery.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
- Complete the record sheet for your level.
  - Level A: <https://extension.purdue.edu/4-H/docs/projects/floriculture/4-H-966A-W.pdf>
  - Level B: <https://extension.purdue.edu/4-H/docs/projects/floriculture/4-H-967A-W.pdf>
  - Level C: <https://extension.purdue.edu/4-H/docs/projects/floriculture/4-H-968A-W.pdf>
  - Level D: <https://extension.purdue.edu/4-H/docs/projects/floriculture/4-H-969A-W.pdf>

### **Exhibit Guidelines:**

#### **Level A (grades 3-4 suggested)**

##### Floral Option -

Create a simple bud vase (1-3 stems of main flower plus appropriate filler and/or greenery) or a simple round arrangement (small, compact round cluster of flowers plus appropriate filler and/or greenery).

##### Educational Display Option –

- **See poster requirements on page 41**
- Create a poster, notebook, or display about one of the following:
  - Chronicle your work in your flower garden (planning, planting, care, harvest, arrangement made with your flowers).
  - Describe how you planned or designed your garden, including how you chose the kinds of flowers.
  - Explain how you harvested your flowers, cared for them, and used them in an arrangement.
  - Explore and explain: pollination - what it is, why important, different ways it occurs or transplanting - what, how, things to watch out for; or role of insects with flowers (good, bad or both).
  - Explore and explain seed germination.
  - Explore and explain how to care for a 'sick' plant.
  - Report on interview with a floriculture professional (what do they do, types of jobs, type of training, hours worked, etc.).
  - Describe an experiment you did and the results.
  - Describe a community service project you did related to your flowers project.
  - Another similar activity.

---

**Level B (grades 5-6 suggested)****Floral Option –**

Create a mixed planter that includes 3 or more kinds of plants, make an item from dried plants, or display a house plant (flowering or non-flowering) you've grown.

**Educational Display Option –**

- Create a poster, notebook, or display about one of the following:
- Report how you harvested your flowers and/or herbs, cared for them, dried them, and used them.
- Explore and explain: insects and your flowers and/or herbs.
- Explore and explain: starting seeds indoors - the process and pros and cons.
- Explore and explain: perennials - what are they, how are they used, benefits or drawbacks.
- Investigate and describe a butterfly garden - what types of plants, benefits to insects and butterflies, etc.
- Describe how you planned or designed your garden, including how you chose the kinds of plants, any problems, successes.
- Describe your houseplant - how you cared for, transplanted to larger pot, any problems, or successes.
- Explore and explain: plant biology - form and function, growth, photosynthesis, etc.
- Explore and explain: how to grow plants indoors - things to consider, common problems and solutions.
- Explore and explain: environmental effects related to plants (such as light, water, soil, or temperature).
- Describe an experiment you did and the results.
- Explore and explain topics from "Imagine That" - plants around the world, information about different cultural uses of plants, different ways you used your plants/herbs/flowers.
- Another similar activity.

---

**Level C (grades 7-9 suggested)****Floral Option –**

Create a terrarium, combination or European planter (3 or more kinds of plants), corsage, boutonniere, or specialty arrangement in a container (using dried flowers, roses, or lilies as the primary content).

**Educational Display Option –**

- Create a poster, notebook or display about one of the following:
- Explore and explain: vegetative propagation - how to, different types, problems and solutions, different uses of.
- Explore and explain: plant nutrients - what are they, why does the plant need them, what happens if the plant has too much or too little, planters or containers vs. garden.
- Investigate the design of multiple plant containers - how to, things to consider, selecting plant materials, uses of.
- Describe how you created your corsage or boutonnieres; or dried arrangement. Be sure to include appropriate information on design principles and how they are used to create your arrangement.
- Explore and explain: floral tools and materials (how to use, what they are, care of tools, different uses of a tool or material).
- Explore and explain: preserving cut flowers - how, problems, uses of and/or diseases related to cut flowers.

- Illustrate, explore and explain how you dry flowers or other plant materials and/or describe different methods and/or how, why use them.
- Explore and explain: medicinal uses and toxicity of fresh and dried flowers and plants.
- Describe an experiment you did and the results.
- Describe a career exploration activity you did, such as job shadow, interview with a professional.
- Describe a community service activity you did related to your flowers project -- what you did, why, results, etc.
- Another similar activity.

---

### **Level D (grades 10-12 suggested)**

#### Floral Option –

Create a seasonal arrangement, modern or contemporary arrangement, bridal bouquet, special occasion centerpiece, or plant you have propagated and grown yourself.

#### Educational Display Option –

- Create a poster, notebook, or display about one of the following:
  - Describe how you created your arrangement, include information on the design principles utilized.
  - Explore and explain how you utilize different flowers to make a similar style arrangement for different seasons (tulips in spring, mums in fall, etc.) or how to utilize similar flowers to make different styles of arrangements.
  - Explore and explain: the cost of arrangement and/or a cost comparison with flowers (different types flowers, different time year, etc.).
  - Explore and explain: forcing flowers (bulbs, branches, etc.).
  - Explore and explain: marketing in the floral industry (large or small business) and/ or a market survey and results, and how they can benefit the floral industry.

## **Foods-Baked and Preserved**

State Eligible

[State Fair Guidelines](#)- State Updated 10/01/2021

Manuals available at the office

### **Project Description**

The foods project teaches basic baking, preservation and nutrition education skills.

### **Purdue Extension Food Safety Policy (revised 10/2022):**

- For Food Competitions: Fillings, frostings, glazes, and meringues are not permitted to contain cream cheese, sour cream, heavy cream, or whipped cream if they are not fully cooked/baked. These items are allowed as ingredients in food products IF the final product is cooked/baked. Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted. Eggs/egg whites that have been cooked to 160°F (i.e. pasteurized or included as part of a batter and baked) are acceptable. No home- canned fruits, vegetables, or meats are permitted as ingredients in food products.
- Foods should be transported to the competition in a way that minimizes contamination and maintains the quality of the food (i.e. foods that are judged as frozen should remain frozen at all times).
- Recipes must be provided that identifies all ingredients that were used in each part of the product. Any ingredient that could be a potential allergen must be clearly identified. Potential food allergens include, but are not limited to, milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, soy and sesame. Each food product must be labeled with the following information:
  - Name
  - Address (4-H member information can be taken from enrollment if needed)
  - Contact information (phone and/or email address; 4-H member information can be taken from enrollment if needed)
  - Date the food product was made.
- Contestants should carefully wash their hands and make sure that their hands do not have any open cuts before preparing foods. If cuts are present, the wound should be bandaged and a single-use food service glove worn on the hand during all stages of food production. Contestants should not be preparing food exhibits for competition within 48 hours of recovering from any illness. People experiencing symptoms of vomiting, diarrhea, fever, and/or jaundice should not be allowed to prepare food.
- Judges and individuals who will consume products from county and/or state competitions should be informed that they are at risk for foodborne illness since the established policy cannot guarantee that an entry has been properly prepared or handled before, during or following the competition. The food products for competitions are home produced and processed and the production area is not inspected by the Indiana Department of Health. Tasting of a food product is solely at the discretion of the judge and consumers. Judges are NOT to taste any home-preserved foods such as low-acid or acidified foods like green beans, tomatoes or tomato products, jams/jellies/fruit preserves or fermented products produced in the home.

Baked food products may be from a boxed mix following the instructions, a boxed mix with added ingredients, or ingredients combined from scratch. Youth need to place their name, county and club on the bottom side of their plate, pan or other container and the official entry tag provided will be placed with the exhibit.

A completed recipe card is to be submitted with each exhibit. Recipe cards are for judging purposes only and will not be returned to the exhibitor. Laminating, wrapping the recipe card in plastic, or placing it in a clear plastic bag is optional. Since it is illegal in the State of Indiana for youth under the age of 21 to purchase or consume

alcoholic beverages, 4-H members are to use recipes that do not include an alcoholic beverage as an ingredient. A suitable non-alcoholic or imitation product may be substituted.

Baked food products should be covered during transport and displayed on a paper or foam plate, or another type of disposable container. Pies, casseroles and other similar items are to be baked in a disposable pan. Cakes and sticky items may be displayed on cardboard strong enough to support the item and covered in foil, plastic, wax paper, or similar substance.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Frozen exhibits entered for state fair competition will not be displayed and instead will be donated to a central Indiana homeless shelter. Home-canned exhibits will be displayed but will be disposed at the state fair's conclusion.

#### **State Fair Entries: (Baked and Preserved each)**

- 2 Level A entries per county.
- 2 Level B entries per county.
- 3 Level C entries per county.
- 3 Level D entries per county.

#### **Exhibit Guidelines:**

- Baked food products may be from a boxed mix following the instructions, a boxed mix with added ingredients, or ingredients combined from scratch. Youth are to place their name, county and club on the bottom side of their plate, pan or other container and the official entry tag provided will be placed with the exhibit.
- A completed recipe card is to be submitted with each exhibit. Recipe cards are for judging purposes only and will not be returned to the exhibitor. - Preserved food products should be displayed in an appropriate container, preferably disposable. Containers will not be returned to the exhibitor.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
- It is suggested a participant choose a different option each year, but this is not a requirement.
- Exhibits entered at the state fair will be donated to local homeless shelters after being judged and not displayed.

- Three standard sized unlined muffins.
- Three standard sized unlined muffins containing an ingredient that is a source of Vitamin A or C.

- Three snack sized granola bars.
- Three snack sized brownies or blondies.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

### **Level B (grades 5-6 suggested)**

Choose one or more of the baked products below, or a similar baked product of choice.

- A single layer cake without frosting.
- A single layer reduced-fat cake without frosting. Reduce the amount of fat in the recipe by using a fruit puree or baby food fruit product that does not contain yogurt.
- A standard loaf-sized quick bread.
- A standard loaf-sized quick bread containing an ingredient that is a source of Vitamin A or C.
- A coffee-cake.
- A coffee-cake containing an ingredient that is a source of Vitamin A or C.
- Three biscuits or scones that are plain, sweet or savory.
- Three biscuits or scones that are plain, sweet or savory using a whole grain flour mixture.
- Three biscuits or scones that are plain, sweet or savory containing an ingredient that is a source of Vitamin A or C.
- Three no-yeast, any shape pretzels (shaped, stick or nugget).
- Three no-yeast, any shape pretzel with a whole grain flour mixture (shaped, stick or nugget).
- Three no-yeast bread sticks.
- Three no-yeast cinnamon rolls or other flavored roll without icing or glaze.
- A no-yeast sweet bread without icing or glaze.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

### **Level C (grades 7-9 suggested)**

Choose one or more of the baked products below, or a similar baked product of choice.

- Three yeast bread sticks or yeast rolls (any shape, medium size – not a sweet roll)
- Three (3) yeast bread sticks or yeast rolls (any shape, medium size - not a sweet roll), using a whole grain flour mixture. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home bread maker.
- A yeast bread loaf or braid. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home bread maker.
- A yeast bread (can be loaf, braid) using a whole grain flour mixture such as whole wheat, rye, oat bran, etc. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home bread maker.
- Homemade pizza using a yeast dough. Judges are not expecting this item to be presented hot out of the oven.
- One package of an invented healthy snack (such as a granola bar, popcorn snack, trail mix, etc.). Your snack must include at least 2 food groups from MyPlate. Exhibits must include your snack product and a separate folder containing a marketing plan with product name, recipe, how it will be packaged, a

package design, where it will be sold and suggested selling price. Style your snack for a photo shoot and include the picture in your marketing plan. The label should include product name, date, quantity, and serving size.

- Prepare an entrée casserole that meets three MyPlate requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any similar baked item.

#### **Level D (grades 10-12 suggested)**

Choose one or more of the baked products below, or a similar baked product of choice.

- A single or double crust baked fruit pie (no graham cracker crust). (Note: Custards, cream, cream cheese frosting and fillings, and raw egg white frosting are not acceptable in an exhibit because they are highly perishable when left at room temperatures.)
- A baked food product for a catered meal or special event in which organizers have requested low fat and/or reduced sugar items. Exhibit will include your food product and a notebook outlining how this product is to be used at the event, menu, supplies to buy, preparation schedule, equipment, table layout, etc. A table display is optional.
- Select a condition in which people have to specifically modify their eating habits (diabetes, heart disease, Celiac disease, food allergies, etc.) Prepare a baked food product appropriate for someone with this condition. Exhibits will include your food product and a notebook summarizing the condition or allergy, nutrition considerations involved with the condition, a description of your baked item, and an explanation of how it fits within the nutrition considerations. Make sure to note any ingredients that could cause an allergic reaction.
- Prepare an entrée casserole that meets four MyPlate requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An international or ethnic food of choice. This may be a cold or hot product. Use care when transporting to prevent spoilage. Judges are not expecting this product to be presented hot out of the oven.
- A specialty pastry.
- Create a baking mix and provide a sample of the baked product. Include an index card with instructions, wet ingredients needed, and baking instructions.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

---

#### **Preserved Exhibits**

##### **Level A (grades 3-4 suggested)**

Choose one or more of the preserved products below, or a similar preserved product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters and not displayed.

- A package of 3 baked or unbaked, snack-sized (approximately 2"-3" individual size) frozen cookies. Display in freezer bag or freezer container. (NOTE: Freezer containers will not be returned.) ### **Project Description:**

- This project teaches youth natural resources and forestry related skills.
- **See poster requirements on page 41**

### **State Fair Entries:**

3 exhibits per county; one per level.

### **Exhibit Class Guidelines:**

Beginner (Grades 3-5 suggested):

- Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Intermediate (Grades 6-8 suggested):

- Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Advanced (Grades 9-12 suggested):

- Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate, prepare a herbarium collection that contains at least 25 native Indiana forest leaves, or prepare a herbarium collection that contains at least 25 native Indiana forest shrubs. Youth can also design and complete an independent study activity.
- Herbarium Collections - Collect 25 terminal twigs and at least two leaves, if space allows (only one compound leaf is required), from native forest trees. Mount the specimens on 11 ½" x 16 ½" paper.
- One leaf on the twig must be mounted to show the back side of the leaf. Label each sheet with the following: common name, scientific name, where collected, county where collected, date collected, name of collector, and specimen number. Cover each specimen. There are no specific references given for these exhibits. Youth are encouraged to use Extension publications, the Internet, books, and forest specialists when collecting and identifying specimens. The herbarium collection must be accessible to the judges. Do not cover it under the plastic that covers your poster. Youth may want to attach a folder or other holder over your poster to hold the mounted, covered specimens.

## Genealogy

State Eligible

Manual available in office

[State Fair Guidelines](#): State Updated 10/01/2023

### Project Description:

This project helps young people know where their ancestors resided, traveled, and developed some family tradition.

### State Fair Entries:

- 5 entries per county; one per division.
- The exhibit will consist of no more than four (4) notebooks for Division 1-4 and first year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.)

### Exhibit Guidelines:

Forms for this project are found on the Indiana 4-H Web site [www.extension.purdue.edu/4-H](http://www.extension.purdue.edu/4-H) click on "projects" and then on Genealogy to reach downloadable forms. This project is organized into divisions and not grades. A youth cannot start in Division 3 without first completing Division 1 and Division 2. This is a project that builds on the previous division information in order to be successful in building your family tree. If you are using a genealogical commercial software program, you may need to type in or hand write in information required by the Indiana 4-H genealogy project. See 4-H forms on the 4-H website linked above.

The exhibit will consist of no more than four (4) notebooks for Division 1-4 and first-year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.) Those notebooks are:

- Book #1 – Appropriate size notebook or binder, contains introduction sheet, pedigree charts and family group sheets
- Book #2 – Appropriate size notebook or binder, contains additional information worksheets and diary of work
- Book #3 – Appropriate size notebook or binder, contains supporting documents, pictures, etc.
- Book #4 – Appropriate size notebook or binder, contains Advanced Division options only (Begin using this notebook in first year of the advanced division or the fifth year of project enrollment.)
- Another notebook should be maintained and kept in a secure place at home to keep original personal and legal documents as well as previously exhibited work.

**Note** – Youth may consolidate information in order to have fewer notebooks. In this case indicate on the cover the notebook numbers included and use dividers to separate information by notebook number as well as contents as indicated below.

### Notebooks should be tabbed and in the following order (tabs are to be easily visible to the reviewer):

- Book #1 - Introductory Page; Pedigree Charts; Family Group Sheets
- Book #2 - Additional Information Worksheets; Diary of Your Work

- Book #3 - Any Other Documents (label with ancestor numbers on tab)
- Book #4 – Advanced Division Options (label each tab separately with the specific option); Diary of Your Work (this will be a second diary describing work done for each advanced division option)

Pedigree Charts, Family Group Sheets, Additional Information Worksheets, and Diary Sheets are to be placed in the notebook back-to-back in sheet protectors to save space, reduce the information being damaged, and reduce the number of sheet protectors required.

So, the notebook exhibit can be displayed to the public and to minimize the potential of identity theft, original legal documents are **NOT** to be included in the exhibit notebook. Instead, a photocopy of any legal document is to be included in the notebook and all identifiable information (like social security numbers) except for names is to be completely marked out. Original legal documents are to be kept in a secure location by the 4-H member and his/her family.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc.

Reference notations are to be made in the "source" column of the Family Group Sheet and on each document.

If information on a family member is unknown, an additional information worksheet for each required ancestor is still required. Write "unknown" or "NIA" (no information available) in PENCIL for each sheet of unknown ancestors or list several ancestors on a page and insert page in proper numerical order.

After exhibiting the 1<sup>st</sup> year of the ADVANCED Division, only the Advanced Division notebook (Book #4) with ALL OPTIONS (no pedigree charts, no family group sheets, no additional information sheets, no documents from Divisions 1-5) needs to be exhibited each year the genealogy project continues.

### **Suggested Genealogy Supply List:**

- Four 3" ring (D-ring type suggested) notebooks (Book #1, #3, #4 will be exhibited and the fourth 3" D-ring notebook to maintain documents at home and NOT exhibited.)
- One 2" ring (D-ring type suggested) notebook (Book #2)
- Computer or legible printing/handwriting (be consistent with method used)
- #2 lead pencil with soft eraser
- Black ink pen
- Yellow highlighter
- Notebook tabs AND acid free dividers (several tabs will be needed, be consistent with style used, should not appear past edge of notebook)
- Fine point permanent Black marker
- Acid free and non-glare sheet protectors
- Acid free paper
- Acid free glue stick
- Acid free satin Scotch tape
- Scissors
- Correction tape
- Lots of creativity to make the exhibit your own while still following the exhibit guidelines.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

## **Division 1 (1st year in project suggested)**

### **Book #1 -**

- An Introduction page with a recent photograph of yourself.
- Completed three-generation pedigree chart. This includes you, your parents, and your grandparents, ancestors #1 through #7. Put all surnames in capital letters and all dates in military form (12 July 1974). Give each person a number, as described in the "Recording the Information" section of the Indiana 4-H Genealogy Resource Guide 4-H 748.
- A Family Group Sheet for your parents and each pair of grandparents. Sources of information MUST be filled in on family group sheets (see section "Recording the Information").

### **Book #2 (Ancestors 1-7 information) -**

Four (4) "Additional Information Worksheets":

- one(1) for you, the 4-H member
- one (1) for your parents
- one (1) for each set of grandparents (2 total worksheets)
- A diary of your work

### **Book #3 (Ancestors 1-7 information)**

- Any documents or pictures pertaining to these three generations.
- Documents must be labeled with ancestor name and ancestor number.
- Pictures need to be labeled with ancestor name, plus names of all known people, place and date the picture was taken, as well as ancestor numbers.

---

## **Division 2 (2nd year in project suggested)**

### **Book #1**

- An Introduction page with a recent photograph of yourself.
- Completed three-generation pedigree chart. This includes you, your parents, and your grandparents, ancestors #1 through #7. Put all surnames in capital letters and all dates in military form (12 July 1974). Give each person a number, as described in the "Recording the Information" section of the Indiana 4-H Genealogy Resource Guide 4-H 748.
- A Family Group Sheet for your parents and each pair of grandparents. Sources of information MUST be filled in on family group sheets (see section "Recording the Information").

### **Book #2 (Ancestors 8-15 information) -**

- An additional information worksheet for each set of great grandparents.
- A diary of your work.

### **Book #3 (Ancestors 8-15 information) -**

- Any photographs taken of tombstones of your ancestors and their children. Please document location of tombstone(s) and label with ancestor name, ancestor number, and date photo was taken. Rubbings are acceptable in lieu of photographs.
- Any other documents or pictures pertaining to these generations, correctly labeled.
- Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 2 ancestors 8-15 and related information.

### **Division 3 (3rd year in project suggested)**

#### **Book #1**

- Five-generation pedigree chart, ancestors #1 through #31. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. If an ancestor is UNKNOWN, please indicate as UNKNOWN. sheets (see section "Recording the Information").
- Additional Family Group Sheets for generation five (5). Sources of information must be filled in on family group sheets.

#### **Book #2 (Ancestors 16-31 information) -**

- Additional information worksheets.
- A diary of your work.

#### **Book #3 (Ancestors 16-31 information) -**

- Write an autobiography, the story of your life. Include pictures, relevant dates, and important events. OR, write an essay about what your hopes and dreams are for the future, or about life goals you hope to attain.
- Any documents or pictures pertaining to these generations, correctly labeled.
- Exhibit Book #1, Book #2, and Book #3. Books #2 and #3 should only include Division 3 ancestors 16-31 and related information.

---

### **Division 4 (4th year in project suggested)**

#### **Book #1 -**

- Six-generation pedigree charts, ancestors #1 through #63. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. If an ancestor is UNKNOWN, please indicate as UNKNOWN. sheets (see section "Recording the Information").
- Additional Family Group Sheets for generation six (6). Sources of information must be filled in on family group sheets.

#### **Book #2 (Ancestors 32-63 information) -**

- Additional information worksheets.
- A diary of your work.

#### **Book #3 (Ancestors 32-63 information) -**

- A copy of a photograph or a story of a sixth-generation ancestor. Include information about the date when the photograph was taken, how or where you found it and what's happening in it or why it was taken. If this is unavailable, write a story about the historical period during which your sixth generation ancestor was living.
  - Any documents or pictures pertaining to these generations, correctly labeled.
  - Exhibit Book #1, Book #2, and Book #3. Books #2 and #3 should only include Division 4 ancestors 32-63 and related information.
-

## **Advanced (5th year and above in project suggested)**

### **Book #1 -**

- Seventh and eighth-generation pedigree charts, ancestors #64 through #255. If ancestry is unknown, please indicate as Unknown. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors.
- Sources of information filled in on family group sheets (see section "Recording the Information").

### **Book #2 (Ancestors 64-255 information) -**

- Additional information worksheets.
- A diary of your work.

### **Book #3 (Ancestors 64-225 information) -**

- Any documents or pictures pertaining to these generations; correctly labeled.

### **Book #4**

- One new advanced level option (see below). Advanced division exhibitors must include ALL options submitted in prior years, with each option labeled with the year completed.
- If additional ancestry information was found in the seventh and eighth generation, exhibit Book 1 noting ancestors completed this year along with Books #2 & #3 demonstrating this year's work.
- Explain the information received as to how it relates to you and your ancestors. Copies of documents obtained in previous divisions are acceptable and should be utilized in the option chosen, if needed.

### **Book #4 Options:**

- A migration map of your eight-generation ancestors. You should have at least one map per family line with charts or explanations of the migrations.
- A timeline historical report of a family line. Show how this family fits into history. Document your report as well as possible with dates, records, places or maps, pictures, etc. Be sure to include proper labels and sources.
- A census history of a family line. Census abstract forms can be found on several websites. Download forms to abstract the census. Your notebook should contain copies of the census and the completed abstract form for each census.
- A history of your family's religious background for any family line or lines. Include a brief history of the denomination. Include baptism, confirmation or profession of faith and membership records. Also include information or history of the congregations involved. Be sure to include proper labels and sources.
- A history of your family's military service for a family line. Include supporting documents when possible. These documents could include military records, (muster rolls, discharge papers, etc.), pension records, and bounty land records, as well as maps and pictures. Be sure to include proper labels and sources.
- A research paper on a famous ancestor. Prove your relationship to this person with documentation. Try to include pictures and anecdotes to enhance your paper.
- Complete a family line or lines back as many generations as possible beyond eight generations (ancestors 256 and beyond). Include pictures, maps and documents. Be sure to include proper labels and sources.
- A timeline historical report of another family line not previously completed. Document as well as possible as in Option B. You need to state at the beginning that this is a second family historical report on such ancestor.

- A history of your family's military service for a family line not previously completed. Include supporting documents as in Option E. You need to state at the beginning that this is a second family military history report on such ancestor.
- Family DNA history. (This can be a very expensive option) Please include charts and explanations. (i.e. use pie charts, ethnicity estimates, approximate percentage regionally, number of countries searched, genetic percentage, family tree, graphs, etc.)
- Any other genealogy related activity of choice.

After exhibiting the 1st year of the ADVANCED Division, only the Advanced Division notebook (Book #4) with ALL OPTIONS (no pedigree charts, no family group sheets, no additional information sheets, no documents from Divisions 1-5) needs to be exhibited each year the genealogy project continues.

## **Geology**

State Eligible

[State Fair Guidelines](#): State Updated 10/01/2021

Manuals available at the Extension Office

### **Project Description:**

Geology involves studying the earth's crust, its layers and their history. Youth learn to identify Indiana rocks, minerals, and fossils.

### **State Fair Entries:**

3 exhibits per county; one per level.

### **Exhibit Guidelines**

- You may purchase your specimens and may display rocks, fossils and minerals. If you purchase a specimen, indicate when and where you purchased it and the location where you would expect to find the specimen. If you collect a specimen, indicate the county and township where you found it.
- Posters and display boxes will be exhibited "standing up" at the Indiana State Fair. Therefore, you need to mount your specimens securely. Subject matter experts suggest the following methods: soaking ½ cotton ball in Elmer's glue, hot glue, or clear tub sealant. Place the cotton ball in your box and put your rock (or fossil or mineral) on the cotton ball and let sit. It will take 1-2 weeks for Elmer's glue to fully harden. Specimens mounted with Elmer's glue can be removed by soaking the cotton ball in water. Glue remaining on the rock may be brushed off with an old, damp toothbrush.
- When exhibiting rocks show a fresh surface (recently cracked or broken surface) to help judges identify the rock.
- Labels - Include the specific geographical location where you would expect to find any specimens as well as where you actually acquired it (found, purchased, etc.).
- Do not identify your specimens any further than phylum and class. There is one exception to this for fossils that are identified to phylum OR class. Class should only be used for fossils of mollusks, backboned animals, and arthropods.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
- **See poster requirements on page 41**

## **Exhibit Class Guidelines**

### **Beginner (Grades 3-5 suggested):**

- Create an educational poster, notebook, or display about any manual activity or on any geology topic of choice that is age/grade appropriate.

### **Intermediate (Grades 6-8 suggested):**

- Create an educational poster, notebook, or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or a collection of 8-16 minerals and/or fossils.

### **Advanced (Grades 9-12 suggested):**

- Create an educational poster, notebook, or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or a collection of 15-25 minerals and/or fossils and/or jewel stones. Youth can also design and complete an independent study activity.
- 

## **Health**

State Eligible

**State Fair Guidelines:** State Updated 10/01/2021

Manual available at office

### **Project Description:**

- The 4-H Health project is designed for youth interested in basic first aid and healthy well-being, as well as those interested in pursuing a medical profession career.
- **See poster requirements on page 41**

### **State Fair Entries:**

3 exhibits per county; one per level.

### **Exhibit Class Guidelines:**

#### **Beginner (grades 3-5 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a family first aid kit, emergency kit, an emergency kit to take on a hiking, biking, skiing or similar trip, or another similar kit.

#### **Intermediate (grades 6-8 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a personal nutrition kit to use when doing physical activity like chores, working out at the gym, hiking, biking, skiing, or another similar kit.

#### **Advanced (grades 9-12 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create an activity or guide to help yourself or others become more aware of financial wellness, mental health, disease prevention, or other similar topic that promotes healthy habits. Youth can also design and complete an independent study activity.
-

## **Home Environment**

State Eligible

Manuals available in office

[State Fair Guidelines](#)- State Updated 10/01/2021

### **Project Description:**

- Youth will apply the principles of design to home design and decoration as well as learn about care of home furnishings.
- **See poster requirements on page 41**

### **State Fair Entries:**

6 per county; two per level.

### **Exhibit Guidelines:**

- All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit.
- This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public.
- A judge is not to discredit an exhibit for the way references are listed.

### **Class Guidelines:**

#### **Beginner (grades 3-5 suggested)**

Choose one of the following options:

- Furniture Item and Notebook – create a wall hanging, storage organizer, a set of 3-5 accessory items, or something similar for the home or similar activity.
- Design Board and Notebook – color a line drawing from your manual and create three color schemes, color a line drawing from your manual and demonstrate dominant and supportive color, or display a line drawing showing where furniture would be placed in the room or similar activity.
- Portfolio – Collect different color schemes, magazines showing different furniture designs, or magazines/photographs of formal vs informal balance, dominant and supportive colors, etc., or similar activity.

#### **Intermediate (grades 6-8 suggested)**

Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – create a line drawing for a room in your home showing furniture layout, accessory items and fixtures or similar activity.
- Portfolio – display a sample of three different types of wall treatment with explanation of each, three different floor treatments with explanation of each, an energy plan for your home, or similar activity.

#### **Advanced (grades 9-12 suggested)**

Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – display a floor plan for any room of your house or the whole house or apartment, or similar activity.

- Portfolio –display a sample of three different lighting or window treatments with an explanation of each, interview an interior designer and prepare a report, a home energy saving proposal plan, or similar activity.

**Exhibit Categories:**

**Furniture Item and Notebook**

An actual piece of furniture accompanied by a standard notebook (3-ring binder) explaining the who, what, when, where, why, and how of the chosen project. We suggest including pictures showing where the item will be used. Also, we encourage 4-H members to include pictures of themselves doing the project, but this is not required. Always place your identification information in the notebook and on the furniture.

**Design Board and Notebook**

Standard 22" x 28" poster, displayed horizontally with a firm backing. Design boards must be covered with plastic to protect and help hold items in place. An identification name tag must be attached in the lower right corner. The notebook is to help explain the who, what, when, where, why, and how of the chosen design. This can be a "before and after project" or "plan in the future" project.

**Portfolio**

Standard notebook (3-ring binder). If 4-H members choose to do this option for more than one year, we suggest that they keep the previous year's materials in the notebook. Place materials for the current year in the front, with the previous year's materials clearly marked or labeled at the back. Always place your identification information in the notebook.

**Lawn and Garden Tractor Safety and Operator Skills**

State Eligible

[State Fair Guidelines](#): State Updated 10/01/2022

No manual available

**Project Description:**

- The 4-H lawn and garden tractor and equipment program develops principles of engine operation, hydraulic systems, electrical systems, and safe operation skills.
- **See poster requirements on page 41**

**State Fair Entries:**

- 4 educational exhibits per county; one per level: 3 junior and 3 senior driving contestants will qualify at the county level to compete at the area level contest. 3 junior and 3 senior driving contestants will qualify at the area level to compete at the state contest.
- Youth may exhibit in the operator skills option, educational exhibit option or both. Youth choosing to exhibit in the lawn and garden tractor, tractor, or zero-turn mower operator skills driving option must select one, but may be enrolled in all three projects.

\*The 2024 tractor/lawn and garden tractor/zero-turn mower operator skills area and state contests will include the parts identification and obstacle course practicums only. The quiz/exam practicum will not be part of the 2024 contests. Some area tractor contests may be asked to pilot a pre-trip inspection component, but it will not be scored as part of the contest.

## **Educational Exhibit Option**

### **Level A (grades 3-4 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system, or operation topic of choice that is age/grade appropriate.

### **Level B (grades 5-6 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system, or operation topic of choice that is age/grade appropriate.

### **Level C (grades 7-9 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system, or operation topic of choice that is age/grade appropriate.

### **Level D (grades 10-12 suggested)**

- Create an educational poster, notebook, or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system, or operation topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

---

## **Operator Skills Option**

The operator skills component is an educational and training activity conducted by adult 4-H volunteers. A parent or guardian is encouraged to be present when their child is operating a lawn and garden tractor. The adult 4-H volunteer has the authority to deny a child the opportunity to participate in the operator skills option when it is deemed a child is unable to safely operate a lawn and garden tractor due to size, weight, or any other reason that could place the child and/or others in harm.

### **Junior (grades 3-7 suggested)**

- Youth will demonstrate their operation skills by driving a lawn and garden tractor through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

### **Senior (grades 8-12 suggested)**

- Youth will demonstrate their operation skills by driving a lawn and garden tractor through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

## **Performing Arts Contest**

County and Area Eligible

### **Project Description:**

- 4-H Performing Arts Event is a non-competitive event designed to allow 4-H members to exhibit their talent in a fun way. Categories include musical, non-musical, and group. Examples of a 4-H Performing Arts act include singing, dancing, playing a musical instrument, and performing a funny skit to name a few. A limited number of performances at an area event will be invited to perform at 4-H Round-Up. Participation is open to any 4-H member. Mini 4-H members may be part of a group act.
- Area 4-H Performing Arts winners.
  - Each area may send two acts to perform at 4-H Round-Up.

### **Exhibit Guidelines:**

#### Group Acts

- 5 or more performers.
- Perform skits or sketches, choral numbers, dance routines, lip sync, etc.
- Time limit: 5-8 minutes

#### Curtain Acts: Non-Musical

- 1-4 performers
- Perform skits or sketches, magic, clowning, rhythmic gymnastics, reading, 4-H cheerleading routines, choral speaking, reading, dance (ballet, tap modern, etc.), lip sync, juggling, acrobatic feats, ballads, puppetry.
- Time limit: 3-5 minutes.

#### Curtain Acts: Musical

- 1-4 performers
- Instrumental (piano, guitar, flute, drums, etc.), vocal, bands (rock, country, jazz).
- Time limit: 3-5 minutes.

## **Photography**

State Eligible

[State Fair Guidelines](#)- State Updated 10/01/2023

No manual for Division 1

### **Project Description:**

This project teaches youth how to take quality photographs with a camera or digital device.

### **State Fair Entries:**

- 2 beginners per county
- 3 intermediate per county
- 3 advanced per county

### **Exhibit Guidelines:**

- Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.
- All images are to be original images taken by the 4-H member during the current program year. Captions are not recommended.
- **Print board exhibits** are to include 10 photos mounted on a poster as described above, each no larger than 5"x7". Number each print 1-10. Prints may be a mix of digital and/or standard development. Create a title of choice for the print board exhibit. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.
- **Salon prints** are to be no larger than 11"x14", mounted on a standard 16"x20" salon mount, and displayed vertically. Salon prints are to be placed in a clear plastic sleeve and captions are not recommended. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.
- Images may be taken with a film camera, digital camera, cell phone, or other electronic device. Altering of images by any other means besides the device it was taken with is to be entered in the **creative/experimental** category. Creative/experimental exhibits must include the original photo on the back side of the board, a description of how the image was altered, and equipment/software used to alter the image.
- Editing photos such as cropping, color adjustment, and other enhancements are considered to be part of the normal photography educational learning process and are permissible. So judges can better evaluate a photography exhibit, the 4-H member is asked to attach to the back of their salon or print board exhibit the make and model of camera used and a description of any editing.
- A photo that has been modified to change the original intent, meaning or story captured should be entered in the creative or experimental class. Photos exhibited as creative or experimental are to attach to the back of their exhibit the make and model of camera used, software or other tools used to change the photo, a description of how the photo was changed, and copy of the original photo before editing.
- Sepia tone photographs (mono chromatic) are to be entered as black and white photos.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### **Beginner (grades 3-5 suggested)**

Choose one of the following:

- Black and White Print Board

- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

Intermediate (grades 6-8 suggested)

Choose one of the following:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

Advanced (grades 9-12 suggested)

Choose one of the following:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

## **Sewing and Fashion Revue**

### **Fashion Revue:**

**State Eligible for grades 8-12**

**County Eligible grades 3-12**

#### **Project Description**

This project teaches youth skills to present themselves in a professional manner by providing an opportunity for youth to model the outfit constructed in the 4-H sewing project. Harrison County provides Consumer Clothing participants the opportunity to model purchased ensembles as a county only experience.

[State Fair Guidelines:](#) State Updated 10/01/2021

#### **State Fair Entries:**

- 6 senior exhibits per county with no more than two exhibits per category. An exhibitor may participate in only one senior fashion revue category at the state fair.
- Note – State fair fashion revue grand champion will be selected from the six senior sewing category champions modeling their sewn garment or outfit plus the advanced consumer clothing champion modeling their purchased outfit.

#### **State Exhibit Guidelines**

- All garments and outfits modeled in Fashion Revue, except consumer clothing entries, must have been constructed by the 4-H member modeling that same garment or outfit.

- Youth qualifying to exhibit the same garment or outfit in Indiana State Fair Sewing and Fashion Revue must choose which project they wish to participate in as one cannot exhibit the same garment or outfit in both projects at the state fair.

#### **Definition Of An Outfit:**

- An outfit is a garment or garments that when put together make a complete look - such as a one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

#### **County Guidelines**

##### Junior (grades 3-7 suggested)

- Model the consumer clothing or sewing wearable project. Accessories may be purchased or selected from what you currently have.

##### Senior Categories (grades 8-12 suggested)

- Model the consumer clothing or sewing wearable project. Accessories may be purchased or selected from what you currently have.

#### **State Guidelines**

##### Informal or Casual Wear:

- A complete outfit of 1 or 2 pieces suitable for school, weekend, or casual, informal activities. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a combination, such as pants, vest, blouse or shirt.

##### Dress Up:

- This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend, or casual, informal activities.

##### Separates:

- Consists of three garments that must be worn as a coordinated complete outfit. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look - a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

##### Suit or Coat:

- The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with a jacket as in "dress up wear". The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

##### Formal Wear:

- This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

##### Free Choice:

- A complete outfit comprising garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look, such as a one- or two-piece dress, or one or two piece pant suit, or a three piece combination, such as pants, vest, and blouse

or shirt. Individual garment examples include: tennis wear, swimwear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

## **Sewing- Non-Wearable**

State Eligible

**State Fair Guidelines:** State Updated 10/01/2021

Manuals available in office

### **Project Description**

The sewing project teaches fabric selection, pattern selection and sewing machine use to construct items used around the home or for other purposes.

### **State Fair Entries:**

10 exhibits per county; one per grade level

### **Exhibit Guidelines:**

- Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower level grade level to develop fundamental skills.
- Provide a completed sewing skills card with the exhibit. Skills cards are for judging purposes only and may not be returned to the exhibitor. Skills cards are available at the Extension Office or at <https://extension.purdue.edu/4-H/projects/4-h-project-sewing-and-fashion-revue.html>.
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

## **Sewing- Wearable**

State Eligible

**State Fair Guidelines:** State Updated 10/01/2022

Manuals available in office

### **Project Description:**

The sewing project teaches fabric selection, pattern selection and sewing machine use to construct garments and outfits to be worn by the 4-H member or another person.

### **State Fair Entries:**

- 5 junior exhibits per county; one per grade level
- 6 senior exhibits per county; one per category

### **Exhibit Guidelines:**

- Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower grade level to develop fundamental skills.
- Provide a completed sewing skills card, 4-H 925c-W, with the exhibit. Skills sheets are for judging purposes only and will not be returned to the exhibitor. Skills cards and record sheets are found at <https://extension.purdue.edu/4-H/projects/4-h-project-sewing-and-fashion-revue.html>
- Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### Grade 3

- Create one wearable sewn item demonstrating at least 2 skills from Sewing Skills and Techniques, 4-H-925-SC-W. Complete and attach project exhibit card 4-H 925C-W.

#### Grade 4

- Create one wearable sewn item, or set of items, demonstrating at least 2 skills from Sewing Skills and Techniques, 4-H-925-SC-W, in addition to those learned in the prior grade. Complete and attach project exhibit card 4-H 925C-W.

#### Grade 5

#### Grade 6

- Create one wearable sewn item, or set of items, demonstrating at least 4 skills from Sewing Skills and Techniques, 4-H-925-SC-W, in addition to those learned in prior grades. Complete and attach project exhibit card 4-H 926D-W.

#### Grade 7

- Create one wearable sewn item, or set of items, demonstrating at least 5 skills from Sewing Skills and Techniques, 4-H-925-SC-W, in addition to those learned in prior grades. Complete and attach project exhibit card 4-H 927C-W.

#### Grades 8, 9, 10, 11 and 12:

- Create one wearable sewn item, or set of items, demonstrating at least 6 skills from Sewing Skills and Techniques, 4-H-925-SC-W, in addition to those learned in prior grades. Complete and attach project exhibit card 4-H 928C-W.

#### Senior Exhibit Category Class Guidelines (grades 8-12 suggested):

- Youth may enter an exhibit in one or more categories. Create an outfit from one of the categories defined below that can be worn by the exhibitor or another person demonstrating at least 6 skills from Sewing Skills and Techniques, in addition to those learned in prior grades. 4-H-928. Complete and attach project exhibit card 4-H 928C-W.
- All senior sewing outfits exhibited in Fashion Revue must be made and worn by the exhibitor.

#### **Definition of an Outfit:**

- An outfit is a garment or garments that when put together make a complete look - such as a one- or two-piece dress, or one or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

#### Informal or Casual Wear:

- A complete outfit of 1 or 2 pieces suitable for school, weekend, or casual, informal activities. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look - such as a one or two-piece dress, or one or two-piece pantsuit, such as pants, vest, blouse, or shirt.

#### Dress Up:

- This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekends, or casual, informal activities.

#### Separates:

- Consists of three garments that must be worn as a coordinated complete outfit. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look - a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

#### Suit or Coat:

- The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket as in "dress up wear". The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

#### Formal Wear:

- This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions

### Free Choice:

- A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one or two piece dress, or one or two piece pant suit, or a three piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

## Aquatic Science

County Only

Manual available at the office

#### Project Description:

- The activities in this project allow young people to choose the depth of their involvement and the amount of money they will spend. The Aquatic Science 4-H Project requires a small investment if a youth raises goldfish, or a much larger investment if they choose to raise tropical fish. Tropical fish can be very expensive, especially if a large aquarium is desired.
- Fish are fun and relaxing to watch. With a little planning, they can be inexpensive, easy, interesting, soothing, and educational. Of course, they can be expensive, troublesome, and messy to care for. It's all up to you!
- An Aquatic Science Notebook (8½" x 11") MUST accompany the model exhibit.

- NO live fish will be displayed as an exhibit.
- **See poster requirements on page 41**

**Exhibit Guidelines:**

**Division 1: Grades 3-5**

Exhibit an educational poster or model exhibit about any of the following:

- Unique features and abilities of fish including how fish breathe, float, drink, and swim.
- How to properly set up and care for an aquarium along with a report on expenses incurred while caring for the aquarium.
- Another topic pertaining to aquatic science that is age-appropriate.

**Division 2: Grades 6-8**

Exhibit an educational poster or model exhibit about any of the following:

- Types of fish
- Appropriate tank sizes for a specific type of fish
- Illnesses and diseases in fish
- How to choose your fish and aquarium and how to prepare the aquarium (setting it up, cleaning it, choosing proper equipment).
- Another topic pertaining to aquatic science that is age appropriate.

**Division 3: Grades 9-12**

Exhibit an educational poster or model exhibit about any of the following:

- Adding other aquatic life and/or live plants in an aquarium and the difficulties and rewards it can present
- How to grow your fish collection while maintaining a healthy environment for your fish
- Fish food and nutrition topics
- An occupation in marine biology/ aquatic science.
- Another topic pertaining to aquatic science that is age appropriate.

- This project will be exhibited in the 4-H Exhibit Hall. The Cat Care project is a COUNTY ONLY project. There is no competition at the State Fair. Place standard entry label on the bottom right-hand corner of your poster. See poster requirements. Or if the exhibit is not a poster, place the entry label where easily found. If more than one item is exhibited, be sure to label each article. Follow Cat Care and Poster requirements found in the 4-H Handbook.
- This project allows young people to choose the depth of their involvement and the amount of money they will spend. The Cat Care 4-H Project requires a range of investment if a youth raises a cat.
- Cats are fun and entertaining to watch. With a little planning, they can be inexpensive, easy, interesting, and educational. Of course, they can be expensive, troublesome, and messy to care for. It's all up to you!
- Exhibits that are not posters MUST have a Notebook (8½" x 11") to accompany the exhibit. The notebook should contain the "Information About Your Cat" page found in the back of the manual. Use dividers labeled for each year project is taken.
- **See poster requirements on page 41**

### **Exhibit Guidelines:**

#### Division 1: Grades 3-5

Exhibit one of the following:

- A bed for your cat using items found around your house
- 3 simple cat toys using inexpensive household items
- A portable care kit for your cat that could be taken to the 4-H Cat Show. Grooming as well as health care items should be included.
- A story about your cat that is between 100-200 words
- A poster or exhibit about any other topic pertaining to cats and/or cat care.

#### Division 2: Grades 6-8

Exhibit one of the following:

- A scratching post for your cat
- A scrapbook showing your cat playing, eating, sleeping, etc. (include short captions with educational information about what your cat is doing)
- A small hammock for your cat to lay in
- A poster about how to prepare your home for a new cat
- A poster or exhibit about any other topic pertaining to cats and/or cat care.

#### Division 3: Grades 9-12

Exhibit one of the following:

- A written study on a cat breed(s) or a topic concerning health care.
- Any item you made for your cat such as a kitty tower or cat habitat
- A poster about illnesses, diseases, and veterinary care for your cat
- A poster or exhibit about any other topic pertaining to cats and/or cat care.

## **Collections**

County only

Manual available at office

### **Project Description**

- Collections of guns, knives, hazardous items, or live items are NOT eligible for 4-H judging and exhibition.
- Harrison County 4-H Council, Extension Service, and Agricultural Society are not responsible in case of theft or breakage. Use discretion with valuables or breakables.
- If the items in your collection are irreplaceable or of great monetary value, DO NOT bring them in for exhibit. Instead bring pictures of the collection displayed either on a poster or in a notebook with all items labeled. Photo quality will not be judged, but photos should be clear and sharp.
- Indiana law prohibits possession of birds or bird products (nests, feathers, eggs, etc.) without a permit, with the exception of pigeon, starling, and sparrow. If these are collected, the permit must also be exhibited. Contact Patoka Lake Visitors Center for more information before considering exhibiting such a collection.

### **Exhibit Requirements-For All participants**

- Collection notebook MUST accompany the exhibit. The notebook MUST contain the following forms which are found in the Collections manual:
    - Collection Inventory Log
    - Liability Waiver form
    - Story about your collection
  - Choose a suitable collection for your age.
  - Exhibit your collection carefully and neatly.
  - Keep an accurate inventory record.
  - <https://extension.purdue.edu/4-H/projects/4-h-project-communications.html>
  - Exhibit one of the following ALONG WITH your Collections notebook:
    - Notebook, scrapbook, or album with appropriate title on the cover.
    - A poster showing your collection with a title.
    - A self-contained table display with appropriate title, no larger than 2 ft x 3 ft with base and back (may be a box with bottom and 4 sides), covered with plastic, glass, or similar material. If display is larger, special arrangements must be made one week prior to the County Fair.
-

## **Consumer Meat**

County Only

No manual available

### **Project Description:**

- All levels exhibit a poster, notebook, or report on their level appropriate topic. Reports are exhibited on 8" x 11" paper, at least one page in length and placed in a folder with a topic on the title page.
- **See poster requirements on page 41**

### **Exhibit Guidelines:**

#### Level I Topics: Grades 3-5

- Nutritional aspects of beef, pork, lamb, goat, poultry, or seafood and its use in the family diet.
- Tell when, where, and for whom you prepared at least 4 meat recipes.
- Include recipes and color photos (no larger than 4" x 6") of the finished meat products.

Show what you learned from your visit to a farm or production facility.

#### Level II Topics: Grades 6-8

- Data on at least 10 retail beef, lamb, pork, goat, poultry, or seafood products sold in a local grocery store. Information should include:
  - Name of the retail product
  - Its wholesale cut
  - Price per pound
  - Number of servings per pound
  - Price per serving
- Show how meat prices vary from three cuts of beef, lamb, pork, goat, poultry, or seafood and the possible reason why, by using weekly records, kept for six weeks from at least three retailers in the area,
- Using diagrams, show where various retail cuts are located on a live animal and in the carcass.
- Explain why the USDA grades meat.

Explain the various USDA grades for beef, lamb, pork, and their purposes.

#### Level III Topics: Grades 7-9

- Selection of proper cut of meat, include size, quality, tenderness, bone, type of meal planned, etc.
- Correct methods of storing fresh, frozen, and canned meat. Include suggested periods to maintain high quality meat, wrapping, thawing, and other techniques to maintain quality.
- Using approximate dressing percentages, determine pounds and percent of each wholesale and retail cut of a 1200-pound market steer, 260-pound market hog, 130-pound market lamb, or a 5-pound broiler.
- Show how various cuts can be cooked outdoors. This may be done using color photos (no larger than 4" x 6"), pictures, illustrations, and/or drawings.
- Show how various cuts can be cooked indoors. This may be done by using color photos (no larger than 4" x 6"), pictures, illustrations, and/or drawings.

#### Level IV topics: Grades 10-12

- Prepare one original recipe using meat and indicate the purpose of each ingredient used. Also include a color photo (no larger than 4" x 6") of the finished product.

- Interview retailers. Discuss merchandising of meat through displays, advertising, etc.
- Visit a processor. Discuss issues related to the processing industry such as food safety, animal welfare as it relates to harvest, packaging, use of by-products, etc.
- Attend educational activities such as field days, clinics, tours, etc.
- Set up an educational display for consumers, in conjunction with a processor or retailer, on some phase of meat consumer education.
- Organize a tour of a processing plant or retail store for the purpose of educating other meat consumers.
- Detail of a meat judging contest. Indicate how, when, where, and what was judged; how many judged; and any other pertinent information.

Any other topic relevant to consumer meat education that had not previously been used as a topic.

## **Cookie Decorating**

County Only

No manual available

### **Project Description:**

- The cookie decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills. Anyone wanting to learn baking skills should refer to the 4-H foods project.
- Enroll by division/level.
- The cookie decorating project provides skill based educational experiences that provide an opportunity for mastery before building on that experience to develop advanced skills. The subject area is divided into three levels:
  - Beginner (grades 3-5)
  - Intermediate (grades 6-8)
  - Advanced (grades 9-12)
- While the defined grades are intended to be a guide, older youth enrolled in this project for the first time may start at the lower grade skill level with permission by the county extension educator, followed by an appropriate level the following year.
- Skills and techniques should be age/ grade appropriate.
  - Cookies are to be made by the 4-H'er. Store bought cookies are not permitted.
  - Cookies may be of any variety or flavor and of any size, however cookies of the same decorative design should be uniform.
  - Decorations should all be edible however cookies will not be judged on taste. Decorations attached to homemade cookies may be store bought however frosting is to be homemade.
  - Cookies should be displayed in appropriately sized container with clear covering that is easily opened and closed for judging.

### **Exhibit Requirements:**

#### **Level 1: Grades 3-5 suggested**

- Bake, frost, and decorate 3 cookies of the same size, shape, and decoration. Cookies should be uniform and symmetric in their design.
- Or prepare a portfolio demonstrating your skill at baking and decorating your batch of cookies. Photos should be included on the steps taken and description given for all steps. Photos of all cookies prepared should be included.

## Level 2: Grades 6-8 suggested

Exhibit one of the following:

- Bake, frost, and decorate 6 cookies. Up to 2 different designs may be used, however should follow the same theme. Cookies of different designs may be of different shapes but should be uniform and symmetric in their respective designs.
- Or prepare a portfolio demonstrating your skill at baking and decorating your batch of cookies. Photos should be included on the steps taken and description given for all steps. Photos of all cookies prepared should be included.

## Level 3: Grades 9-12 suggested

- Bake, frost, and decorate 12 cookies. Up to 4 designs may be used. Designs should be even in number and follow the same theme. Cookies of different designs may be of different shapes but should be uniform and symmetric in their respective designs.
- Or prepare a portfolio demonstrating your skill at baking and decorating your batch of cookies. Photos should be included on the steps taken and description given for all steps. Photos of all cookies prepared should be included.

## **Corn**

County Only

Manuals available at office

### **Project Description**

- Complete corn specific record sheet.
- Do not repeat the same project year to year.

### **Exhibit Requirements**

#### Beginner: Grades 3-4

Complete 4 activities each year.

Exhibit one of the following:

- “The Parts of a Corn Plant”-Display a full-grown corn plant, including the roots, with the plant parts correctly identified and labeled, using shipping tags or 3 x 5 index cards.
- “Identifying Some Pests of Corn”-On each of two shipping labels of 3 x 5 index cards, put a picture of a corn insect (or the actual insect itself), its name, and the plant part it attacks. Do the same for two corn diseases. Then on a full-grown plant that you’ve prepared for exhibiting, attach the four tags/cards to the specific plant parts affected by those insects and diseases.
- “Effects of Planting Depth on Corn Growth”-Exhibit four containers of growing corn that were seeded at the same time but at 1 inch, 2 inch, 3 inch and 4 inch depths, with a record of your observations displayed on an 8 1/2 “x 11” card/paper.
- One quart of corn or popcorn

#### Intermediate: Grades 5-7

Complete 5 activities each year. Activity #12 must be completed all three years and Activity #13 one year.

Exhibit one of the following:

- “My Own Corn Germination Test”-Illustrate the germination percentage that was listed on the seed corn tag; the germination percentage resulting from your test; and how you figured it and display your germination seed trial.

- “Effects of Weed Competition on Corn Growth”-Illustrate the results of your trial including average plant height, number of leaves, leaf color, and any other observations of the corn in each container of the trial and display the three containers.
- “Know How to Read Pesticide Labels”-Display a pesticide container (empty and thoroughly cleaned) with the labels attached. Underline with a red marker everything on the label that has to do with safety. Illustrate the information you recorded for the 12 label parts and picture, drawings, or actual specimens of at least two of the weeds, insects, or diseases that the chemical helps control.
- “Making the Farmstead Safer”-Using pictures, illustrate four problems you found on the farm you inspected before they were corrected and again after they were corrected. Include a brief explanation of the specific hazard under the “Before” pictures and when they were corrected under the “After” pictures.
- “The Role of Corn in Other Foods-” Display four food items (or photos) that contain a different type of corn or corn product as an ingredient. Name each product and briefly explain the role it plays as an ingredient.
- One quart of corn or popcorn.

#### Advanced: Grades 8-12

Complete seven activities in the manual. See pages 3 & 4 of the manual for which activities to do each year.

Exhibit a poster or educational display for one of the activities listed below:

- Plant Nutrient Deficiencies
- Fertilizer Nutrient Calculations
- Fertilizer Cost Comparison
- My 4-H Corn Projects Field Erosion Rate
- Best Tillage-Planting System for my 4-H Corn Project Field
- Cross, Self, or Open Pollination Experiment
- My Corn Performance Trial Results
- Last Save Planting Date for Corn Hybrids
- One Quart of corn or popcorn

## **Food Preparation Demonstration**

County Only

Manuals available at office

### **Project Description:**

- Enroll by division/level.
- Members may move forward to a higher grade, however, cannot move to a grade lower than previously completed or a grade lower than which they are in.
- A different product must be demonstrated each year, though categories within grade levels may be repeated.
- Recipes and menu that includes the product(s) are required. It is recommended these be typed.
- A completed product must be brought for judging.
- Demonstration should be between 8-10 minutes and not to exceed 10 minutes.
- Members will be assigned their order of presenting their demonstration to the judge(s).

- Participation in Food Preparation Demonstration is open to all traditional 4-H members.

### **Exhibit Requirements:**

In this project members show how to prepare recipes/food items and also bring the finished product to the event. Members may choose to bring some of their ingredients partially prepared, such as chopped onions, but should be prepared to describe how the onions were prepared. Members are not judged on the taste/quality of the product but rather on ability to demonstrate the process of preparing.

#### **Beginner: Grades 3-5**

Show how to prepare an item from one of the following categories:

- No-bake snack or dessert
- Simple salad-no cooking or baking
- Simple appetizer-no cooking or baking
- Item of your choice that is neither cooked, nor baked

#### **Intermediate: Grades 6-8**

Show how to prepare an item from one of the following categories:

- Snack or dessert that requires cooking or baking
- Salad that requires at least one ingredient to be cooked or baked
- Soup
- Vegetable side dish
- Other item of your choice (cooked or baked) considered a single course or side dish in a meal.

#### **Advanced: Grades 9-12**

Show how to prepare an item from one of the following categories:

- Meat entrée with potato or other vegetable
- Soup/Stew as a main entrée with bread or salad
- Casserole entrée with side dish
- Appetizer plate-must contain at least three different items, two of which require cooking/baking
- Other ensemble of a least two products that require cooking or baking. Additional items may be included.

## **Hay and Forages**

County Only

### **Project Description**

- There is no specific grade or division requirement.
- Complete a hay record sheet.
- Attach a 3" x 5" card to exhibit identifying what kind of forage it is i.e. alfalfa, timothy, etc.
- Exhibit your hay in a large, clear, unsealed plastic bag
- [Online manual:](#)
  - 4-H-39-W ( [https://mdc.itap.purdue.edu/item.asp?Item\\_Number=4-H-39-W](https://mdc.itap.purdue.edu/item.asp?Item_Number=4-H-39-W) )
- Hay Record Sheet Available @ Ext. Office

### **Exhibit Requirements:**

For all years in project, exhibit one of the following:

- One flake or slice from a square bale.
  - Hay from a large round bale, tied in a bundle that equals the amount of hay in one square bale slice.
- 

## **Junior Leaders**

County Only

### **Project Description:**

- This is an experience-based project. There is no competition, but ample leadership opportunities.
- Members must enroll by grade as of January 1 of the program year.
- Attend a minimum of three Jr Leader meetings per year.
- Participate in one Community Service project per year.
- Junior Leader record sheet must be submitted to the 4-H Youth Educator.

The Junior Leader project allows 4-H members in grades 7-12 the opportunity to provide the adult 4-H volunteers with assistance in their 4-H clubs and related activities. Junior Leaders also serve as mentors and role models to younger 4-H members by sharing their knowledge and experience.

### **Suggestions for project completion:**

- Select a project mentor to assist you with your project.
- Set goals for what you wish to accomplish in the Junior Leader project.
- Complete your project and review with your project mentor.

### **Harrison County specific:**

- Meetings are the second Monday of each month unless there is a special activity taking place. If this Monday or the first Monday of the month falls on a holiday, the schedule will be changed.
- Attendance at every meeting is suggested, though not required. Though meetings are where the planning and important club information is shared, camaraderie is one of the best parts of Junior Leaders. Requirements are set in the by-laws.
- Junior Leader events, activities, fundraisers, and projects are not judged, rather a record sheet must be submitted to the educator to officially complete this project.

### **Junior Leaders are involved in:**

- Salvation Army bell ringing & Angel Tree
  - Blue River canoe trip and river clean-up
  - Assist Extension Staff & 4-H Council prior to and during the 4-H Fair: Fairgrounds clean-up, project check-in and check-out, judging and building watching
  - Serve as 4-H Camp counselors and help with 4-H Mini Day Camp.
  - Plan and implement fundraisers throughout the year to help finance community service projects and the Junior Leader Completion trip.
-

## **Outdoor Adventures**

County Only

### **Project Description:**

- Enroll by division/level.
- This is a poster only project-No manual for this project.
- Create a different poster each year.
- **See poster requirements on page 41**

### **Exhibit Requirements:**

#### **Beginner Level: Grades 3-5**

Create a poster with one of the following themes:

- Planning a Day Hike- Research when to go, where to go, what to do when you get there.
- Get in Gear- How do you decide what to pack? What is essential gear versus what would just be helpful to have?
- Get Packing- What size and color backpack will you use? How did you pack your backpack? Adjust your backpack to best fit your body and hiking needs.
- Weathering the Weather- Show what you would wear on a day hike during each of the four seasons or during different weather conditions. Talk about layering, different fabrics, heat loss/overheating. Or where to find shelter during a bad spell of weather-lightning, snow, rainstorm.
- Leave No Trace- Why is it important to “Take Only Pictures, Leave Only Footprints”? What can happen when this rule is not followed?
- Any other age/grade appropriate theme pertaining to outdoor adventures.

#### **Intermediate Level: Grades 6-8**

Create a poster with one of the following themes:

- These Boots are Made for Walking- Research hiking footwear and how best to get properly fitted hiking boots as well as the best footwear for your hiking location. How does the shape of your foot affect your footwear choice? How to break in your new boots.
- Sock Systems for Comfy Feet– How the choice of socks can help prevent moisture build-up and blisters and still keep your feet cushioned and comfy.
- Food is Fuel- Select the food you will take on a day hike. Are your meals balanced? How will you carry your food? Think food safety-what foods will stay safe on the trail?
- Be Water Wise- Research dehydration-discuss symptoms. What amount of water does a person need to drink daily? How will you stay hydrated during your day hike?
- First Aid is a Must– Assemble a First Aid kit for the trail. Why is it important to have a first aid kit? Describe how to treat these common hiking first aid situations-blisters, bug bites, poison ivy, scrapes/cuts, injury/sprain due to a trip/fall.
- Any other age/grade appropriate theme pertaining to outdoor adventures.

#### **Advanced Level: Grades 9-12**

- Planning an extended or group hiking trip– Research places to go as a group. How will your group get there? What costs are involved?
- Get Group Gear- How does the number of hiking days or people affect the amount of gear you bring? Backpack gear versus setting up a base camp?

- Tenting It- Research tent selections. Compare at least two different types of tents. Create a poster with directions for pitching, striking, and caring for a tent.
- Food is Fuel– Plan meals and snacks for 4 people on a two-day camping trip. Ensure food is easy to prepare, non-perishable, cost effective, yet still nourishing and delicious. Consider how food will be stored and prepared.
- Independent Study- Explore a topic not listed above. Share what you have learned.
- Any other age/grade appropriate theme pertaining to outdoor adventures.

## **People in My World**

County Only

No manual available

### **Project Description**

Enroll by division/level.

### **Exhibit Requirements**

- This is a poster only project.
- No manual for this project.
- Create a different poster each year.
- **See poster requirements on page 41**

#### **Beginner Level: Grades 3-5**

- Create a poster with one of the following themes:
- What a Wonderful World - Research a country other than the United States of America. Consider its government, people, culture, foods, art forms, currency, and other differences.
- It's a Small World - Find a pen pal in another country and share what you've learned from this new friend.
- Hello Friend - Learn a foreign language and share what you've learned.
- Art Smart - Learn an art form from another culture and teach about it.
- Your Backyard - Explore Indiana culture and its government. Share what you learn.

#### **Intermediate Level: Grades 6-8**

- Create a poster with one of the following themes:
- It's a Small World - Find a pen pal in another country or continue writing to an existing pen pal. Share what you've learned from this new friend.
- Exploration Endeavors - Compare and contrast 2 countries that are on different continents (ex. Canada & South America). Consider their governments, foods, art forms, currency, and other differences.
- Heritage Exploration - Explore your family's roots. Share what country your ancestor(s) came from.
- Ambassador Exploration - Explore and explain the role of a foreign diplomat.
- My World - Design your own country. Consider its government, economic system, language, etc.

#### **Advanced Level: Gr 9-12**

- Create a poster with one of the following themes:
- It's a Small World - Find a pen pal in another country or continue writing to an existing pen pal. Share what you've learned from this new friend.
- In the News - Learn about a world event or topic. Share what you've learned.

- Citizenship Science Workshop - Attend the Citizenship Science Workshop and share the experience.
  - Heritage Exploration - Explore your family's roots. Share what country your ancestor(s) came from. Use a different line of ancestor than if you completed this topic in the Intermediate Level.
  - Ambassador Exploration - Explore and explain the role of a foreign diplomat. Do not repeat if you completed the Intermediate Level.
  - 4-H Around the World - Compare 4-H in America to 4-H in other countries.
  - Independent Study - Explore a topic not listed above. Share what you've learned. Consider types of world governments, world leaders, and other cultural differences as possible topics.
- 

## **Plant Science**

County Only

Manual available at the office

### **Project Description**

- Enroll by division/level
- There are only two manuals for this project. Members will receive the first manual when enrolling for the first year. The second manual will only be given in the second year of enrolling for the project. Keep the second manual as reference for all subsequent years in the Plant Science project.

### **Exhibit Requirements-for all participants**

- Exhibit a poster, educational display, scrapbook, or other similar item to explain the nature of the experiment you completed. The experiments may be selected from the manuals or other appropriate experiments relating to plant science that you designed yourself.
  - **See poster requirements on page 41**
- 

## **Self-Determined**

County Only

No manual available

### **Project Description**

- No specific divisions/levels or grades for this project.
- All divisions must complete a general record sheet packet.
- **See poster requirements on page 41**
- 4-H member MUST submit a project outline to the Extension Youth Educator for approval by May 15 of program year

### **Exhibit Requirements-for all participants in Self-Determined**

- The exhibit will be determined by the 4-H member and approved by the Extension Educator. Self-determined exhibits should not fit in any other 4-H project category listed in this handbook. Attach an additional sheet listing the objective of the project and a description of the process used to complete the project. This will allow the judge to have more information and will specifically illustrate what the member has accomplished.
  - Should not be a craft, but a project that does not fall into any other category.
  - Show some substantial evidence of your project development.
-

## **Soybeans**

County Only

Manual is available for free download at <https://mdc.itap.purdue.edu>

### **Project Description**

- Enroll by division/level.
- Members are required to complete specific activities each year in the Soybean manual (See Level Exhibit Requirements). Bring your manual with specified completed activities with you to the contest, as it will be checked for completion. Incomplete activities and record sheet may result in a lower placing.

### **Exhibit Requirements**

#### 1<sup>st</sup> year

Complete three of the following activities:

- 1,2,3 or 13 in the Soybean manual.
- Keep accurate records using the 4-H Crops Record.

Exhibit one:

- “Germination of the Soybean”
- Exhibit on “Using the Soybean”

One peck of soybeans

---

#### 2<sup>nd</sup> year

Complete two of the following activities:

- 4, 7, 14 in the Soybean manual.
- Keep accurate records using the 4-H Crops Record.

Exhibit one:

- “The Effects of Light and Darkness on Flowering”
- “Soybean Plant Nutrient Deficiencies”
- “Preparing Soybeans for Home Use”

One peck of soybean

---

#### 3<sup>rd</sup> year

Complete two of the following activities:

- 5, 6, 14 in the Soybean manual.
- Keep accurate records using the 4-H Crops Record.

Exhibit one:

- “Differences in Flowering Among Soybean Varieties”
- “How Planting Dates Affect Soybean Yields”
- “Preparing Soybeans for Home Use”

One peck of soybeans.

---

#### 4<sup>th</sup> year

Complete two of the following activities:

- 9, 10, 11, 12 in the Soybean manual.
- Keep accurate records using the 4-H Crops Record.

Exhibit one:

- “Herbicide Survey”
- “Soybean Insect Study”
- “Soybean Disease Study”
- “Measuring Soybean Harvest Losses”

One peck of soybeans.

---

#### Advance Division: 5<sup>th</sup> year and beyond in project

Grow at least 5 acres of soybeans each year and exhibit a poster or educational display depicting the results of activities of the following section of the manual. Do not repeat exhibits from previous years.

- Selecting a Soybean Variety
- Planting the Soybean
- Food for the Soybean
- Protecting the Soybean
- Harvesting the Soybean
- Using the Soybean
- **See poster requirements on page 41**

---

## **Weeds**

County Only

**Manual:** 4-H Weed Identification and Control (4-H-247-W) is a free download at <https://mdc.itap.purdue.edu>

### **Project Description:**

Enroll by division/level.

Divisions should be taken in succession. Members may move forward to a higher division, but cannot move to a lower division than one previously completed.

- Division I– Take the first 1-2 years of the project
- Division II– May take for 1-2 years
- Division III: May take for multiple/remaining years in the project

Press weeds. (See page 4, 4-H 247-W).

Mount each individual weed on an 8 1/2” x 11” poster board (NOT foam core board) by either taping or gluing the plant to the poster board.

Cover the poster board with clear plastic or put into a plastic sheet protector. Place pages in a 3-ring binder.

Ensure holes are large enough to easily turn the pages.

Use a 1 1/2”x 2” label to identify each weed.

- Name of weed with both common and scientific names. Remember to italicize or underline scientific names.

- Where found (lawn, garden, pasture, etc.)
- How it reproduces (seed, root, etc.)

### **Exhibit Requirements:**

#### **Division I:**

- Collect and identify 5 different weeds of Indiana. Your weeds MUST be from the list of common weeds in publication 4-H 247W. Each specimen should show flower and/or fruit, leaf, stem, and root characteristics.
- Answer questions on record sheet 4-H 247A-W from the manual. Put a copy of the record sheet in your notebook.
- For the second year in this division, exhibit a different set of 15 weeds, not repeating ones from year one OR continue to Division II.

#### **Division II:**

- Collect and identify 10 weeds of Indiana. Your weeds MUST be from the list of weeds in publication 4-H 247W. Each specimen should show flower and/or fruit, leaf, stem, and root characteristics. With each of these weeds, determine a method to effectively remove these weeds and prevent them from returning and spreading in the future.
- Determine a method to effectively remove these weeds and prevent them from returning and spreading in the future. Describe the determined method for each weed as different plants may need different treatment.
- Answer questions on record sheet 4-H 247B-W from the manual. Put a copy of the record sheet in your notebook.
- For the second year in this Division, exhibit a different set of weeds, not repeating ones from the first year in Division II OR continue to Division III.

#### **Division III:**

- Collect and identify 15 different weed seeds from mature plants from common weeds of Indiana. Five of your weed seeds MUST be from the list of weeds in publication 4-H 247W. Be aware that some seeds may be more prevalent at different times of the year.
  - Separate the seeds from any fruit. Clean and dry the seeds.
  - Place one tablespoon of the dried weed seeds in a plastic zippered bag.
  - Determine a method to effectively remove these weeds and prevent them from returning and spreading in the future. Describe the determined method for each weed as different plants may need different treatment.
  - Answer questions on record sheet 4-H 247C-W from the manual. Put a copy of the record sheet in your notebook.
  - For each consecutive year, exhibit different seeds, not repeating ones from the previous year(s).
-

## **Welding**

County Only

Manual available in office

### **Project Description:**

Enroll by division/level.

### **Exhibit Requirements:**

#### **Level 1: Grades 3-6**

Exhibit one of the following:

- A poster illustrating and labeling a butt weld, lap weld, and a T-weld in the flat position.
- Exhibit an article(s) of your creation that includes a butt weld, lap weld, AND T-weld in the flat position. Each weld must be labeled correctly. Exhibit a new article(s) each year.

#### **Level 2: Grades 7-12**

Exhibit one of the following:

- Exhibit a poster illustrating and labeling the four welding positions-flat, horizontal, overhead, and vertical.
  - Exhibit an article(s) of your own creation which includes three of the four welding positions, horizontal, overhead, and vertical-and label each. Exhibit a different article(s) each year
-

# General Livestock & Companion Animal Project

## Guidelines

FairEntry classes must be entered in FairEntry by May 22<sup>nd</sup>, 2024

### Animal Wellness and Care

- **Health Requirements:** All animals must meet Indiana Board of Animal Health (BOAH) requirements.

### Biosecurity

- The only animals permitted on the Fairgrounds during the Harrison County 4-H Fair are: animals registered, boarded, or entered for exhibition, show or other competition; animals that will be used in a scheduled performance or to perform work at the Fair; law enforcement animals and service animals.

- Household and family pets, whether domestic or wild, and service animals not recognized by the Americans with Disabilities Act (ADA) Section 36.104 are not permitted on the Fairgrounds during the county fair.
- No person in possession of or having control over an unauthorized animal shall be permitted onto or be permitted to remain on the fairgrounds.
- Animals entered for exhibition, show, or competition and animals scheduled to perform must remain in approved areas at all times. Violation may be disqualifiable offenses. See individual department terms and conditions for more specific information.
- Animals traveling to Indiana from another state must comply with Indiana’s biosecurity requirements for importation into the state.
  - Most livestock require a health certificate and veterinary inspection within 30 days of that animal entering the state.
  - Check with BOAH at <https://www.in.gov/boah/indiana-entry-health-requirements/> for more information about your specific livestock requirements.
- Many diseases and pathogens can be prevented through maintaining the cleanliness of facilities and encouraging good hygiene.
- Minimize poultry contact with wild birds and waterfowl.
- Clean equipment, especially after traveling to a show or barn outside of your own.
- Be familiar with the signs of distress/sickness with your animal.
- The Biosecurity Plan will be enforced during the Harrison County 4-H Fair and all exhibitors are expected to carry out and perform basic biosecurity and hygienic tasks including:
  - Hand washing/sanitizing following exposure to animals and always before consuming food or drinks
  - Excluding human food and food preparation from animal areas
  - Maintaining general cleanliness of animals and animal areas
  - Properly disposing of animal waste/soiled bedding in properly identified/designated areas
  - Cleaning-up after your animal if it soils/has a biological event in a building/Fair common space
  - Reporting the appearance or evidence of animal/human sickness or distress to Fair officials
  - Failure or refusal to comply with the above can result in penalties up to and including but not limited to removal and a ban from the Fairgrounds for the duration of the event.

### **Premise ID**

- A premise ID number is required for all beef, dairy, goat, poultry, sheep, and swine entries.
- A member’s parents can apply for a premise ID number from the Indiana Board of Animal Health (BOAH) at [www.boah.in.gov](http://www.boah.in.gov) or by calling 317-544-2400.
- This ID number must be written on the animal’s ID form and entered into 4-H Online.
- Please keep this number safe, as it is a permanent traceability identification linked to your farm location.

### **Care and Ownership of Animal Exhibits**

- Animal Ownership/Possession/Lease: Harrison County 4-H Fair follows Indiana State Fair 4-H guidelines on [Ownership/Leases](#).

#### **IMPORTANT NOTE!**

- The only livestock allowed to be leased are:
  - Dairy cows (as long as the animal is being shown by the same 4-Her from 2020 and forward) and heifers
  - Horses & Ponies
  - Alpacas and Llamas
- All other animals must be **OWNED** by the 4-H’er exhibiting that animal.

- 4-H members are expected to house animals at their own residence and provide daily care when feasible.
- 4-H members should provide daily care for the animal a minimum of four times per week, recognizing seven times is more acceptable.
- Know which animal(s) belong to you and the birth date of the animals.
- All 4-H members enrolling in beef, dairy, goat, poultry, rabbit, sheep, and swine must list on the ID form where their animal(s) are housed/Premise ID number.
- As part of completion of your project a 4-H member should be able to answer questions about their animal like breed, characteristics, sex, weight goal, daily feed ration, basic ingredients fed, basic grooming skills, vaccination protocols, etc.
- It is expected every youth completing a livestock project makes every effort possible to attend the appropriate livestock workshop(s) scheduled.
- 4-H Exhibitors may receive clipping and grooming assistance from members of their immediate family (father, mother and siblings), from a current Indiana 4-H member, and from individuals enrolled in the Indiana 4-H Approved Animal Grooming Assistance Program.
  - *Application Form available at: [Animal Grooming Assistance Program](https://www.indianastatefair.com/p/state-fair/livestock/livestock-information) (<https://www.indianastatefair.com/p/state-fair/livestock/livestock-information>).*
- Temporary guardianships established for the intent of animal exhibition or grooming purposes are not permitted and shall result in immediate disqualification.
- Ownership of the animal exhibits passes from the 4-H Exhibitors or their families to the buyer when the buyer takes possession of the animal exhibits after the auction.
- All livestock must be properly fed and watered by the 4-H member and/or their family.
- All pens, stalls, and aisles must be kept clean by the 4-H member.
- All cattle manure must go to the WEST end of the barn into the designated container.
- Any animal that poses a safety hazard will be eliminated from the show and MUST be removed from the fairgrounds.
- Use of excessive abuse to animals will result in the animal and exhibitor being eliminated from the show.
- Tampering, altering, and/or misrepresentation relative to any 4-H exhibit is prohibited. Unethical fitting of 4-H animal exhibits that renders the tissues unfit for human consumption is prohibited.
- All livestock may be shown in the breed class entered on the enrollment form or in the crossbred class. The 4-H Species Superintendent reserves the right to move an animal from purebred class if breed requirements are not met.
- An exhibitor may not take exception to the decisions of an official in an unprofessional, nor public manner. Nor may they interfere with or show disrespect to any judge or official.
- 4-H members must show their own animal unless circumstances warrant additional assistance. When additional assistance is required, arrangements must be made ahead of time with the approval of the 4-H Council. As the public is not allowed in the show ring while the show is in progress, the ringmaster will assist 4-H members, if necessary.
  - If a livestock exhibitor cannot be present to show their animal(s) in the livestock show, the exhibitor must present the 4-H Council President or the 4-H Extension Educator written notice prior to the show.
  - Requests will ONLY be granted for medical emergencies, academic school activities, conflicts with showing other animals, or other desperate circumstances deemed unavoidable by the 4-H Council.
  - Failure to be released from a job and/or participation in a sporting event may not be accepted.
  - The substitute showman MUST be another 4-H member.
- The use of false switches/artificial hair is prohibited. Only natural hair growing in original location will be permitted or the 4-H member will be disqualified.

- The use of graphite, charcoal, or any powdered substance is prohibited. Anyone entering the ring with these or excessive rub-off of any substance on their animal will be disqualified.
  - **FOR ALL SPECIES:** The use of any equipment that would not be allowed in the show ring is NOT allowed in the make-up ring, (e.g. clippers, blow dryer, aerosol cans, etc.) Having any of this equipment in the make-up ring will result in disqualification.
- 

### **Animal Affidavit**

- An affidavit form may be required by the base bidder for the following species to be sold in the auction:
    - Beef, Dairy, Swine, Sheep, Meat Goat, Dairy Goat
  - An affidavit form for all livestock to be sold at the Livestock Auction can be found here: <https://extension.purdue.edu/4-H/projects/animal-identification.html>.
  - ALL INFORMATION IS REQUIRED TO BE COMPLETED.
  - This form should be submitted for all livestock that COULD BE collected by the Base Bidder at the end of the auction. That means if you intend to sell any livestock in the auction, you must complete the form, in the event your buyer chooses not to take the animal themselves.
  - Please turn in the form at Fair Check-In to your superintendent.
- 

### **Veterinary Treatment of Animal Exhibits**

- Upon check-in at the Fairgrounds, all 4-H Exhibitors irrevocably consent to emergency medical care that may be needed to preserve an animal's life or prevent extreme suffering.
  - 4-H Exhibitors and any person affiliated with them hereby waive any claim related to emergency medical care and, to the fullest extent permitted by law, 4-H Exhibitors and any person affiliated with them hereby agree to indemnify, defend, and hold harmless the 4-H Council, Purdue University, Indiana 4-H Program, Cooperative Extension, the State of Indiana, and respective agencies, affiliates, agents, officers, and employees from all claims and suits including court costs, attorney's fees, and other expenses related to emergency medical care.
  - If the following conditions have been met, the Harrison County 4-H Council is expressly authorized to perform any medical treatment, including but not limited to medical practices/ procedures, administering of medications, surgery, and euthanasia, for an animal in the absence of the 4-H Exhibitor if:
    - The 4-H Exhibitor is unreachable after due diligence has been made to contact the 4-H Exhibitor, and
    - A Veterinarian along with the Department Superintendent and Extension Educator determines that the animal's health is in danger and delaying treatment would be detrimental to the animal's life, or that the animal is in extreme pain.
- 

### **Non-Ambulatory Deceased Animal Policy**

The Harrison County 4-H Council will not allow the unloading of animals that are non-ambulatory (i.e. downers) or unable to walk off the vehicle under their own power. The exception to this policy will be unloading the animal for euthanizing and disposing of the animal. If an animal becomes non ambulatory after arrival at the Harrison County Fairgrounds, then the following policy will be strictly enforced:

- The owner shall immediately notify the Superintendent in charge of that department.
- The Department Superintendent shall immediately notify the Extension Educator about the animal in question and circumstances evolving around how this condition happened.
- The Superintendent, Extension Educator, Veterinarian and the owner (or representative) will consult each other to come to the best decision for the animal with the emphasis being for the well-being of the animal. If the animal in question is a 4-H entry, the Director of Extension or their representative will also

be advised. Only the persons that are available need to be involved in the decision. If euthanasia is determined to be the best option, this will be at the owner's expense.

- Livestock that become non ambulatory after arriving at the Harrison County Fairgrounds must be disposed of or removed for treatment within 12 hours of discovering or receiving notice of the animal's condition. If the animal is treatable and the above committee agrees, the owner must remove that animal from the Fairgrounds (at the owner's expense) within the 12-hour period.

In the event of an animal dying while at the Harrison County Fairgrounds, the animal's owner(s) is/are responsible for removing it from the Fairgrounds. The timetable is as follows, remove from the building or display area within 30 minutes to either their vehicle or a designated location. The owner then has up to three (3) hours to remove the carcass from the grounds to a proper disposal site at the owner's expense. If necessary, fairgrounds staff will assist moving the carcass to a designated area/into the owner's vehicle.

---

### **Judges & Judging**

- Every 4-H member must bear in mind the following while showing in Livestock Shows and selling his/her livestock project through the 4-H auction at the Harrison County Fair:
  - You should be as neat and clean as possible.
  - Often judges consider show ring attire while evaluating showmanship skills. It is not acceptable to wear tank tops, midriffs, halter-tops, excessively short shorts, cut-offs, sandals.
- If your attire is deemed inappropriate while showing or selling livestock, you may be excused from the ring and/or disqualified from the auction. See each species for species specific show attire and equipment.
- Judges will be selected by the 4-H Youth Extension Educator.
- Judges reserve the right to ask questions.
- The judge's ruling is final.

---

### **Assignment of Stalls**

- The species superintendent will assign stalls and/or pens for all animals prior to Fair.
- If a member chooses to stall animals prior to check-in, the 4-H Council, superintendents, assistant superintendents, Extension Office and other staff will not be held responsible.
- Stall/pen clean-up is the responsibility of the 4-H member. If the stall/pen is not cleaned, the member will not be eligible to participate in the project the following year.
- The 4-H member is responsible for cleaning out stalls no later than 8:00 am on the Friday after the auction. This is to make way for open classes.
- Poultry pens must be cleaned or moved to open class pens by 9:00 pm on 4-H Auction night.

---

### **Showmanship Eligibility**

- 4-H members must show their own animals in showmanship classes.
- If the member's ONLY enrolled animal is injured, incapacitated, or deceased, the 4-H member may show another member's enrolled animal only upon approval by the 4-H Council.
- An animal shown in showmanship must have been shown in its breed, age, or weight class that year.
- Showmanship divisions may be divided into classes if the number in the division impairs the judge's ability to evaluate showmanship skills.
- Initial division will be made by grade:
  - Beginner – 3<sup>rd</sup> and 4<sup>th</sup> grade exhibitors
  - Junior – 5<sup>th</sup> and 6<sup>th</sup> grade exhibitors
  - Intermediate – 7<sup>th</sup> and 8<sup>th</sup> grade exhibitors
  - Senior – 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade exhibitors

- Professional exhibitors winning the Senior division in previous years.
- Senior members who have won in previous years at the Senior level must sign up in the Professional Division.
- Once an exhibitor has won at their age level in showmanship, they must move up to the next age group in future years, whether they are that age yet or not.
- The number of showmanship classes cannot exceed ten (10).
- Premier showmanship division is for division champions of the current year. DO NOT ENTER on Fair Entry.
  - Contest is immediately after showmanship of all divisions.
  - If a youth wins in their division, they must stay present to compete for Premier Showman.
  - For species (except dog, cat, horse and pony), the judge will place contestants #1- #5.
  - The winner of Premier Showmanship will be eligible to compete in the Master Showmanship Contest, not including companion animal exhibitors.
  - If the premier showmanship winner declines to compete in the Master Showmanship contest, the opportunity will be offered to the next alternate in line until one has accepted.
  - If none of the five contestants accepts, then that species will not be represented.

### **Master Showmanship Competition**

The objective of the Master Showmanship contest is to expand and improve all livestock showmanship skills, to increase an appreciation for all livestock species, and to develop a cooperative spirit among 4-H members.

- There will be a large and small animal master showmanship competition.
- Small Animal Master Showmanship competition is eligible for the following species premier winners:
  - Dairy Goat, Poultry, Pygmy Goat, and Rabbit
- Large Animal Master Showmanship competition is eligible for the following species premier winners:
  - Beef, Dairy Female, Dairy Steers, Meat Goat, Sheep and Swine
- If a species Premier Showman declines to compete, the alternate may compete in Master Showmanship.
- If a showman wins Premier Showmanship in more than one species, they must decide which species they will represent.
- Youth are eligible to participate in both Large and Small Animal Master Showmanship in the same year.
- 4-H members will be lettered A through F for large animals and A through D for small animals.
- Show cards will be provided and the 4-H member will draw their letter on the day of the show.
- After the contest starts, the 4-H member is not allowed to leave the ring.
- No talking to parents/ guardians after the contest begins.
- Exhibitors are to wear their 4-H T-shirt, jeans, and boots.
  - NO hats or tennis shoes.
- Water will be provided during the show if needed.
- A 4-H member is allowed to win Master Showmanship one time in large animal and one time in small animal in their 4-H career.
- Once a member has won Master Showmanship that member may still compete in their species under the professional division, but is not eligible to enter the Master Showmanship Contest again.

### **Master Showman Animal Selection:**

- Each superintendent will be responsible for selecting the animals for the Master Showmanship Contest: Six for the large animals, four for the small.
- The superintendent will also provide all supplies needed for showmanship.
- If possible, the animals should not belong to any of those competing in the Master Showmanship Contest.

- If this cannot be avoided, the showman will not enter the ring with their own animal, but if the judge switches animals and they receive their own, this is allowed.
- The animals will be lettered. This will determine the 4-H member/animal pairing.
- Animals should be of equal size and disposition.
- Each species show will be no more than 30 minutes. Times may vary depending on the species. We do not want to stress the animals.
  - NOTE-This contest is strictly showmanship, not grooming.
- Judges will not know which species a 4-H member represents.
- Judges reserve the right to ask questions.
- The judge will place the participants first, second, third and so on.
- If placed first, the member will receive one point, second place gets two points, etc. The showman with the lowest number of points is the winner.
- The judge will give the scorecards to the superintendent to tally.
- The superintendent chooses an announcer and together they tally the points. All scores are kept secret until the end.
- The judge will review the scores and announce the Master Showman winner.

### **Herdsmanship Award**

- The Livestock Superintendent chooses the recipients of the Herdsman Award.
- Herdsman Awards are distributed at the 4-H Awards Banquet.
- A 4-H member may win Herdsman Award multiple times.
- All those exhibiting animals are eligible to win.
- Criteria may include, but are not limited to:
  - Animals are clean at all times with proper grooming, bedding, and care apparent.
  - Animals are fed and watered as needed.
  - Feed pans and buckets, equipment are clean, and are stored properly and kept out of the way so as not to present a safety hazard.
  - Stall, pens, cages are clean and neat, free of manure and excess bedding and feed.
  - Bedding is clean and fresh. Manure is cleaned out regularly and deposited in the designated receptacle.
  - Aisle ways are kept clean at all time and are free of equipment.
  - Trash is picked up around the barn and show ring, following the shows.
  - Helpfulness to other 4-H members and fair staff.
  - Courteous conduct toward the public and fellow exhibitors.
  - Promptness: Animals are in and out at designated times, fed and watered promptly.
  - Interaction with public: sharing knowledge and answering questions.
  - Stall cards: Identification of animal/exhibitor/ and/or auction buyer appreciation sign hung above the animals pen.

### **Livestock Auction**

The auction species selling order for **2024** is:

1.	Dairy: Feeders and Steers
2.	Beef: Feeders, Market Steers, Market Heifers
3.	Poultry
4.	Swine
5.	Rabbit
6.	Sheep
7.	Goats

**NOTE:**  
The last species this year goes first in the following year.

- 4-H exhibitors MUST designate their animal for auction at **Check-in via FairEntry.com**.
- The 4-H member should double check their entry before their animal's show.
  - Any problems must be reported to your species superintendent IMMEDIATELY when noticed.
- All 4-H members MUST show their animal in order to sell in the 4-H Livestock auction.
- All animals offered for sale in the County 4-H Livestock auction are not eligible to be exhibited in 4-H at the Indiana State Fair.
  - After the County Fair, the 4-H Extension Educator will denote any animals that participated in the auction on Indiana 4-H Online prior to the Indiana State Fair.
- **AUCTION PHOTOS ARE MANDATORY.**
  - Photos will be uploaded on FairEntry.com with class entries.
  - It is suggested to take pictures of any animal that could be sold by the 4-H Member and attach to that animal's entry.
  - Take pictures of the 4-H Member with their animal in appropriate show attire.
- It is the 4-H member's responsibility to deliver their auction photo to their buyer after they go through the auction ring.
  - Return your animal to its stall/pen, then pick up your photo, which should be marked with the buyer's name.
  - Deliver the photo to the buyer. Introduce yourself and say "Thank you for purchasing/buying my \_\_\_\_\_." Shake their hand.
- Members are limited to selling only one (1) animal unit.
  - All animals or pens of animals will be sold by the head/ unit.
- Members **MUST** take their own animal through the auction unless prior arrangements are made with the 4-H Council.
- Animals may only be sold once through the 4-H auction without prior approval from the 4-H Council.
- The sale order within species is: Grand Champion overall; Reserve Grand Champion overall; Grand Champion Bred & Born; Reserve Grand Champion Bred & Born; Grand Champion Rate of Gain, if applicable. Remaining sale order is chosen electronically and is totally random. Exhibit only animals will sell last.
- Auction animals may be substituted if the animal registered becomes lame or unfit for sale, or if the member receives a Grand Champion, Reserve Grand Champion, or Breed Champion with another market animal.
- No changes will be made one hour past the last livestock show of the fair, except to scratch animals from sale.
- All substitutions must be given in writing with the member's and parent's signature to the superintendent.
- 4-H members are fully responsible for animals sold. Responsibilities include feed, water, care, and death loss up to the base bid value amount of the animal sold until the animal is transported by the buyer or delivered by the 4-H member to the buyer's choice destination (within a 50 miles radius).
- It is the 4-H member's responsibility to deliver the animal to the buyer's choice destination within a 50-mile radius of Corydon
- All rabbits are to be delivered to the buyer dressed, if the buyer chooses.
- Any animal going back to the 4-H member should be checked-out by the superintendent. Superintendents will follow instructions designated by load out sheets **ONLY** when releasing animals.
- **THE 4-H COUNCIL WILL SETTLE ALL DISPUTES AND THEIR DECISION IS FINAL.**
- The 4-H Council will make every effort to ensure that the exhibitors receive their check within 45 days of the auction.
- Load out sheets can only be signed by a superintendent of that species to be released to the buyer or back to the exhibitor

## County Bred and Born

- For an animal to be shown as County Bred and Born (CBB), its dam must have been in Harrison County when she was inseminated and when she gave birth to the animal.
  - Both beef cow and calf must meet county bred and born guidelines to be considered CBB for the Beef Cow/Calf Project.
  - Members must also properly mark the animal identification form, 4-H Online, and FairEntry.
  - All animals must have been naturally bred or artificially inseminated in Harrison County. Verification may be requested.
  - Please have records available at check-in. If there is a question about an animal, this should be done before the show starts.
  - CBB must be checked on the paperwork (due at Weigh-In or ID Day **AND** in 4-H Online. The county bred and born status will not be added to animals after the enrollment deadline has passed. This pertains to all species.
  - **FOR POULTRY:** County Bred and Born (CBB) Poultry are only eligible to win CBB awards and classes. Poultry that are not CBB are only able to win non-CBB awards and classes. A single Poultry Exhibit cannot win both CBB and non-CBB awards and classes. The hatchery stock is not considered CBB.
- 

## Carcass Project

- Separate carcass project entry forms are **required** and are due by May 15<sup>th</sup>. Form can be found at the Extension Office or in the handbook.
  - Only beef market steer, beef market heifer, dairy market steer, sheep wether, sheep market ewe, swine market barrow, swine market gilt, meat goat market wethers, meat goat market doe, pygmy goats, and dairy goat wethers as a 4-H entry on 4-H online are eligible.
  - The animals to be entered in the project must be designated on 4-H online by May 15<sup>th</sup>. Youth may register up to 3 animals per species.
  - The youth may elect to pay a non-refundable fee of \$15 (per animal) for one or more animals registered. Fees must be paid by the 4-H member when entries are submitted to the Extension Office by May 15<sup>th</sup>.
  - The youth must choose which animal to scan the day of carcass scanning for competition. The youth may scan other animals, but will not be eligible for competition except the animal that is designated.
  - Members can attend a livestock carcass workshop (call the Extension Office for info). If the 4-H member does not attend the workshop they must complete an educational poster and show the poster at the carcass scanning before any animal is scanned.
    - **Example Scenario:**
      - Example 1: If you have 2 carcass entries for beef and 1 carcass entry for swine and you attend the carcass workshop, no posters will need to be completed for the carcass project for either species.
      - Example 2: If you have 2 carcass entries for beef and 1 carcass entry for swine and you **do not** attend the carcass workshop, you will have to do 1 poster that covers both species. If a poster is not completed by the time of carcass scanning, then no scan will be performed.
  - Carcass scanning will be placed accordingly to back fat, ribeye area, and quality grading using ultrasound.
  - 4-H members who do not attend the educational workshop or complete a poster for each species are not eligible for carcass scanning completion award or for exhibition. The animal must be shown in the 4-H show to be eligible for carcass scanning.
  - Exhibition animals will be put in the order in which they score, but will not be given a placement number and are not eligible for awards.
-

## **Rate of Gain Project**

The Rate of Gain contest is open for those in beef and dairy beef projects.

- It is conducted to recognize members for their management skills. No animals under 1,000 pounds can participate in the Rate of Gain.
- Average daily gain will be calculated for all beef market steers and market heifers and for dairy beef market steers by using weights recorded at the March weigh-in and at Fair weigh-in.
- Awards will be given for the Grand Champion and Reserve Grand Champion in Beef and Dairy Beef.
- No entry is necessary.

---

## **State Fair Entry: Ownership/Possession and Exhibition**

- If you wish to show at the State Fair, please be sure to read the requirements and entry deadlines in the state fair entry section on the Purdue 4-H state website.
  - <https://extension.purdue.edu/4-H/about/policies-and-procedures/6-state-fair-terms-and-conditions.html>
- All livestock are required to be identified correctly with USDA approved identification to exhibit at the State Fair.
- Only animals who are properly identified through Indiana [4-H Online](#) by May 15<sup>th</sup> are eligible for entry in the State Fair 4-H Beef Cattle Show.
- DNA hair samples are required to be turned into the County Extension Office by May 15.
- State Fair class entries can be found at [indianastatefair.com/p/state-fair/competitions—contests/](http://indianastatefair.com/p/state-fair/competitions—contests/)

## **Release:**

**The first opportunity for release will be at the end of the Swine Show on Tuesday, June 25<sup>th</sup> for non-auction animals until 8AM Wednesday, June 26<sup>th</sup>.**

**No animals can leave during the day on Wednesday until after the Large Animal Master Showman competition is complete.**

## **Harrison County Fair Exhibition Terms and Conditions**

1. Members cannot enroll the same animal as a Market Heifer and a Breeding Heifer. Selection must be made at Check-In.
2. ALL Market Beef Steers and Market Beef Heifers must attend the ID Day.
3. Members are encouraged to fit their own cattle for show. See General Livestock Guidelines for more on Fitting/Grooming Policy.
4. If a fitter is used, it is the responsibility of the 4-H member to notify them of all rules. If rules are not followed, the 4-H member and their family risk being penalized accordingly.
5. All cattle must be tied. No animal will be turned loose in a pen. Neck ropes are suggested in addition to a halter.
6. All cattle must be dehorned. Re-growth, no sharp ends, up to three inches is acceptable. Due to breed standards, Scottish Highlanders are excluded from this rule.
7. Cattle enrolled in the market division must show in the market beef show, regardless of weight.
8. Breed classes will be offered for those breeds that have official registries in the United States. Animals must meet the standards set forth by the official registry to be shown in a breed class.
9. The superintendent may move an animal from a breed class to the crossbred division if it doesn't meet the characteristics.
10. Animals must be castrated within 2 weeks after ID Day. It is recommended all male animals enrolled as feeder and market beef steers be properly banded or surgically castrated by ID Day. Please check with the beef superintendent or assistant.
11. Those animals determined to be stags or bulls at the fair will be disqualified from the feeder and market beef steer shows and from the livestock auction.
12. Tie outs will be made available in the tie out area. All animals are to be tied in that area. No pens allowed. No animal will be removed from the barn prior to 8:30 pm and must be back in the barn by 8:00 am the next morning.
13. On show day, animals are not permitted to leave the fenced-in area surrounding the cattle barns until the conclusion of the show.
14. Once livestock has been permitted to leave, either to return to the 4-H member's possession or to the auction buyer's possession, the 4-H member is responsible for cleaning their pen area. Penalties for not cleaning up include disqualification from showing in the next fair's completion show. See Animal Wellness and Care.

4. Description of Birds
  - a. Pullet – female bird less than one year, day of show
  - b. Hen – female bird one year and older, day of show
  - c. Cockerel – male bird less than one year, day of show
  - d. Cock – male bird one year and older, day of show
  - e. Jake – male turkey, less than one year, day of show
  - f. Tom – male turkey, older than one year, day of show
5. Meat Pen
  - a. It is recommended the meat pen birds be of the same gender.
  - b. The targeted weight for broilers is 4-4.5 lb per bird, 8-9 lb per pair, at 6-8 weeks of age.
  - c. The targeted weight for roasters is 7-9 lb per bird, 14-18 lb per pair, at 8-12 weeks of age.
  - d. No more than two (2) birds can be entered at the fair, extra meat pen birds are not permitted to be penned during the county fair in the poultry barn.
6. Eggs
  - a. Check in the same day as poultry.
  - b. One entry per egg shell color class is permitted for each exhibitor.
  - c. Six eggs should be entered for each class. Cartons are provided at check in.
  - d. Eggs will be judged on uniformity, cleanliness, and freshness. Your eggs should be as close to the same size as possible, free of cracks, blemishes, and other defects. The judge may open an egg to check its freshness. This is based on the size of the yoke, which may be the deciding factor in determining the champion.
  - e. Washing the eggs is NOT recommended, as it will affect the color uniformity. If your eggs are consistently dirty, try adding more bedding to the nest box.
7. Showmanship
  - a. The judge will ask you to remove your bird from its cage. They will watch how you handle your bird.
  - b. Be prepared to answer questions about the breed(s) you are exhibiting.
  - c. In the event of a tie, the judge may ask questions about different breeds of birds other than your own. It is a good idea to have a broad knowledge of all breeds and characteristics

## **Showmanship/ Rabbit Ambassadors**

1. Showmanship is an important skill that can be used to teach youth about their animals and the judging process.
2. The ARBA method for judging rabbits and cavies is "judge based" not "handler based", as it is for most other animal species.
3. The ARBA judge poses and handles the exhibition animals. The judge is charged with giving the animal a n opportunity to be its best.
4. The ARBA Showmanship Standard and contests are designed to teach and demonstrate the
5. participant's ability to properly handle, pose and exhibit their animal. In today's climate, all animal organizations must be mindful of public perception and proper handling and care are an important consideration.

6. It also benefits the youth and other breeders since youth who run through showmanship with their animals before a show, should find most DQ's before they reach the show table.
7. The Rabbit Ambassador Contest consist of four sections: written test, breed ID, class judging and showmanship
  - a. One member per division is eligible for the State Rabbit Ambassador Contest
  - b. Members should compete in the appropriate age division regardless of previous performance.

**Class divisions:**

### **\*\*\* ATTENTION SWINE EXHIBITORS \*\*\***

For those wishing to exhibit at the State Fair, animals born 12/1/23 and **AFTER** will be able to enter and exhibit in the 2024 Indiana State Fair 4-H Swine Shows.

## **Fair Exhibition Terms and Conditions**

1. 4-H Youth may show up to 3 market animals swine in any combination (barrow and gilts) and 2 breeding gilts per class.
2. Gilts can be shown as either market or breeding, NOT both. Designation must be made at check in.
3. Animals do not have to be registered purebreds to show at the Harrison County 4-H Fair.
4. Breed classes will be offered for those breeds that have official registries in the United States.
5. All purebred animals must follow breed association on breed eligibility.
6. RFID tags are available at the Extension Office. Youth are allowed up to 5 tags at no charge. You MUST have a completed ID Worksheet with birth dates, gender and ear-notches submitted to receive tags. Tags will be assigned to the pig by ear notch AT the Extension Office and must match when the animal arrives at the fairgrounds.
7. Lost ear tags. Should your swine lose an ear tag before the fair, attempt to retrieve the tag and take pictures of it AND the pig to receive a new tag.
8. If you need assistance reading ear notches, follow this link:
9. Slick clipping or body shaving of swine is discouraged. A minimum of ½" length of hair on the body is preferred. Animals having less than ½" hair may be condemned and not accepted by the processor.
10. Members are encouraged to fit their own swine for show. See General Livestock Guidelines for more on Fitting/Grooming Policy.
11. If a fitter is used, it is the responsibility of the 4-H member to notify them of all rules. If rules are not followed, the 4-H member and their family risk being penalized accordingly.
12. A breed sift will be conducted by the swine barn staff and superintendent. An animal will be placed from a breed class to the crossbred division if it doesn't meet the characteristics.
13. On show day, animals are not permitted to leave the fenced in area surrounding the swine barns until the conclusion of the show.
14. Once livestock has been permitted to leave, either to return to the 4-H member's possession or to the auction buyer's possession, the 4-H member is responsible for cleaning their pen area. Penalties for not cleaning up include disqualification from showing in the next fair's completion show.
15. Update in 2020: JBS USA (Swift and Swift Premium) and Tyson Foods have prohibited the use of ractopamine (Paylean) in market animals. Producers should be complying with this rule as of February 4th of 2020. Counties marketing to these processors will have to comply with these new requirements.
16. Indiana 4-H is not banning the use of ractopamine in 4-H swine, but is bringing awareness that the use of this feed additive will limit hog processing to more local markets and/or other similar processors.

<b>Cat ID Form Deadline</b>	May 15 <sup>th</sup>
<b>Certificate of Vaccine Form Deadline</b>	May 15 <sup>th</sup>
<b>Cat Show Date</b>	July 19 <sup>th</sup> at 1:00 PM

### Exhibition Terms and Conditions

1. Cats must be at least 3 months of age to be exhibited.
2. Cats over 3 months of age must be vaccinated by a veterinarian at least 2 weeks prior to the Cat Show date. Vaccinations must include Rabies.
3. Each cat presented for exhibition **MUST** be accompanied by Certificate of Vaccination or other statement indicating the vaccinations each animal was given. This document **MUST** be signed by a licensed and accredited veterinarian. See Cat Vaccine Form ([4H 777](#)).

4. The Certification of Vaccination for the Cat Project will be checked at the show before cats are unloaded from carriers.
5. At check in, the Superintendent will check to see at least one activity in the manual has been completed and signed by a club leader.
6. Cats do not have to be purebred to be shown at the 4-H Cat Show. Grade animals are allowed.
7. A standard pet carrier is required to transport your animal to and from the show. Cardboard boxes, laundry baskets, etc. will not be allowed.
8. Exhibitors must accompany their animals at all times before, during, and after the show while on the show premises.
9. Youth exhibitors are responsible for bringing both their number and animal to the table for their assigned class. Only youth exhibitors are allowed at or near the judging table.
10. Cats are not allowed to leave the show premises until the completion of the show and officially released by the Superintendent.
11. Exhibitors are required to bring a litter box, litter, food and water bowls along with their own grooming aids.
12. All 4-H cats must have their claws clipped or be de-clawed.
13. Cats pregnant or lactating at the time of show are not allowed. A judge can disqualify the cat for this.
14. Cats must be free of communicable diseases such as fleas, ear mites, or fungus. If a cat shows symptoms of a communicable disease, it will not be allowed to show.
15. If grade (Household pet), cats are recommended to be spayed or neutered.
16. Exhibitors should bring a carpet square or mat for cat table, wipes and grooming brush to clean the cat. Show drapes, towel, curtains, etc. are acceptable but not required.

2. Jeans without any rips or tears
3. Boots or another closed-toe shoe style
4. Show number on the front or back, clearly visible
5. No hats of any kind
6. Harness and leash for each cat
7. Grooming brush and wipes

### **Identification Guidelines – State Policy**

1. All cats must have a collar and name tag when on the show premises. The name tag will have a phone number included.
2. Harnesses are required for the county fair. The judge may request the harness be removed.

### **Classes and Class Descriptions**

1. Cats are judged on:
  - a) Health
  - b) Cleanliness
  - c) Grooming
  - d) Personality
  - e) Tie-Breaker - The judge will choose based on “star quality”
2. Exhibitors will remove their cat from their carrier during judging. The exhibitor will stay and watch as the cat is being judged, then return the cat to its cage.
3. Classes are divided by hair coat length and age of exhibitor.

# Dog

## Superintendent Contact Information

<b>Theresa Stilger</b>	<b>812-972-0984</b>	
Assistants: Yvette Manley		

## Entry Descriptions

1. Please see general descriptions for all entry details.
2. All youth wishing to complete a project with their dog must be enrolled in 4-H Online at v2.4HOnline.com under the Dog Project.
3. Deadlines are firm and different from county fair deadlines. Please be sure to enter with plenty of time to work with the Extension Office and your Superintendent should you need assistance.

## Important Dates

<b>Dog 4-H Online Deadline</b>	May 15 <sup>th</sup>
<b>Dog ID Form Deadline</b>	May 15 <sup>th</sup>
<b>Certificate of Vaccine Form Deadline</b>	May 15 <sup>th</sup>
<b>Dog Show Date</b>	September 29 <sup>th</sup> at 2:00 PM in the Windell Ag Building

## Exhibition Terms and Conditions

1. Dogs must be at least 3 months of age to be exhibited.
2. Dogs over 3 months of age must be vaccinated by a veterinarian prior to attending any club meetings or workshops. Vaccinations must include rabies, distemper, hepatitis, parvovirus, leptospirosis, and Bordetella. DHPP is accepted in a 3 year vaccination. All other vaccinations are required annually.
3. If vaccinations are administered by the owner, an original receipt and label from vaccine package must accompany the Certificate of Vaccination form.
4. There will be no vaccines administered at a club meeting or workshop. All information must be complete and verified prior to any project activity. If the dog is not vaccinated fully, it will be sent home.
5. Each dog presented for exhibition MUST be accompanied by Certificate of Vaccination or other statement indicating the vaccinations each animal was given. This document MUST be signed by a licensed and accredited veterinarian. See [Certificate of Vaccination Form \(4H 671\)](#).
6. Certain required vaccinations have not been proven effective in wolf-hybrids. Because wolf-hybrids cannot meet the vaccination requirements of the Indiana Board of Animal Health, wolf-hybrid dogs cannot be allowed into the Dog Project
7. At check in, the Superintendent will check to see at least one activity in the manual has been completed and signed by a club leader. Youth may choose to attend a pre-approved dog educational workshop or submit a completed 390 Dog Record in the place of a manual activity.

8. Dogs do not have to be purebred to be shown at the 4-H Dog Show. Grade animals are allowed.
9. Each dog may only be shown by one youth exhibitor. However, dogs may be enrolled by more than one child in the family on 4-H Online.
10. A dog shown in obedience must belong to the exhibitor or to a member of the immediate family of the household. The dog may be shown by the 4-H member, siblings, or a parent from April 1st through the dog show. Exhibition by any other individual makes the dog ineligible for the 4-H Dog Show at the county and state level. Ownership is waived on 4-H dogs raised for the Leader dog program.
11. Members may enroll more than one dog in the project. However, only two dogs can be brought at one time to classes, workshops, or shows. Exhibitors who have shown in the 4-H Dog Show at least 2 years may train and show up to 2 dogs in the county obedience classes. Only 1 dog is allowed to be shown in showmanship.
12. Exhibitors must accompany their animals at all times before, during, and after the show while on the show premises. The dog must be on leash or in their crate while outside of the show ring at all times. If not in control, the exhibitor and dog will be asked to leave.
13. Dogs are not allowed to leave the show premises until the completion of the show and officially released by the Superintendent.
14. Exhibitors are required to bring food and water bowls along with their own grooming aids.
15. Dogs must have clipped claws Any dogs with unclipped nails may be disqualified.
16. Dogs pregnant or lactating at the time of show are not allowed. A judge can disqualify the dog for this.
17. Dogs must be free of communicable diseases such as fleas, ear mites, or fungus. If a dog shows symptoms of a communicable disease, it will not be allowed to participate.
18. Members must notify the Superintendent when their female dog is "in season" or showing signs of estrus. The day of notification will be considered "Day #1." The "in season" female will not be allowed to participate in dog events for 21 days from Day #1 as documented by the Superintendent. These dogs should be left at home so as not to distract other dogs and prevent exhibitors from being able to demonstrate their true abilities.
19. Excessive and/or inhumane treatment of a 4-H dog by a handler and/or family member will be grounds for disqualification of the 4-H exhibitor.
20. Only dogs enrolled in the current 4-H program year and verified by the Superintendent as up-to-date on vaccinations are allowed at Dog project events and shows.
21. Aisle ways and exits shall be kept clear and open for emergency needs. The exterior sliding doors should be kept closed.
22. All 4-H members are required to clean up after their dog and MUST provide their own clean-up bags. Waste should be disposed of in trash containers. Failure to clean up after your dog may result in disqualification from the dog program/show.
23. No bait allowed in the ring or staging area except for showmanship. Having bait in those areas will be a rule violation and will be scored accordingly.
24. Dogs trained through the 4-H Leader dog program are NOT by design allowed to be shown in showmanship, agility, or drill team competition.
25. Sections OB and AG have Veteran designations for older dogs. Refer to the terms and conditions for each class to see qualifications for Veteran designation. This designation is separate for agility and obedience, and is for the remainder of the dog's show career.
26. All participants with disabilities will be afforded reasonable access and opportunity to participate on an equal basis with any other 4-H dog exhibitor. For disability needs, please contact the Harrison County Extension Educator at the Harrison County Purdue Extension Office at 812-738-4236.
27. [Indiana 4-H Aggressive Dog Policy](#): The safety and well-being of 4-H members and volunteers is a primary concern with all Indiana 4-H Program opportunities. Families should err on the side of caution in selecting a dog for the 4-H member to exhibit. A dog that has a known history of aggression or biting is NOT appropriate for involvement in the 4-H program. On occasion, the 4-H member may have difficulty managing their dog within the 4-H program. The following guidance has been provided for the Indiana

4-H Dog Program as the owner/exhibitor of the dog is responsible for the dog's actions. In the subsequent policy, the term "4-H Dog Personnel" will include County 4-H Volunteers, County Extension Educator, State 4-H Staff, and County and State Fair Directors. Refer to the State Policy for more details.

### **Instruction/Training:**

1. In order for the 4-H member and their dog to receive the proper amount of instruction necessary to complete the series of exercises and to discern that the dogs are not a safety risk to others, it is recommended that the 4-H member and dog attend a number of classes.
2. Division 1A through 3A should attend a minimum of six classes.
3. Divisions 3B and above should attend a minimum of four classes. Veteran dogs should attend a minimum of two classes provided they have completed at least two years in 4-H dog classes in Harrison County.
4. The 4-H member AND dog MUST pass inspection by the 4-H dog superintendent and at least one assistant by attending regularly scheduled training sessions to determine the temperament of the dog and the knowledge of the 4-H member.
5. If it is determined that the 4-H member cannot safely handle the dog during the training sessions, then the dog will not be allowed to compete in the Harrison County 4-H Dog show for the safety of the other members, their dogs, and the attendees. This will be determined by the 4-H Dog superintendent and either the 4-H Educator or at least a 4-H Council officer.
6. The 4-H member will still be credited with project completion, providing they have met all other requirements of meeting general enrollment and form deadlines, completed one manual activity and form [4-H 390-W](#) and turned in their general record sheet packet at project check-in.

### **Suggested Attire**

1. Button down shirt or polo shirt, tucked in
2. Pants or shorts without any rips or tears
3. Sturdy, closed-toed shoes- No smooth soled shoes, high heels, slip-ons or floppy sandals
4. Arm band with exhibitor number must be worn on the left arm at all time when in the ring
5. No hats of any kind

### **Identification Guidelines – State Policy**

1. Dogs must wear a properly fitted slip, buckle, quick release, or martingale collar made of leather, fabric, or chain in order to participate in dog events. Prong, pinch, or Gentle Leader(c) collars are not allowed during any Dog class or show.
2. Flea and tick collars should not be worn during the Dog Show.
3. Collar tags are NOT allowed in the show. 4-H dogs being raised for service dog programs are exempt from this policy.

### **Classes and Class Descriptions**

1. Dog Obedience Show classes are not necessarily consecutive on an annual basis. Members and their dogs may move to a higher class when they have mastered skills in the present class and cannot move to a lower class than the one they entered in previous years with the same dog.
2. Leashes may be of fabric or leather. In the 1A & 1B classes the leash shall be 6 feet in length. In 2A & 2B classes, the leash should be of sufficient length to provide adequate slack in the Heel on Leash exercise
3. If a dog fouls in the obedience ring, there will be a 10-point deduction in the obedience score. If a dog fouls in the ring during the walk through for agility, 10 points will be deducted from the agility score. If a dog fouls in the ring during the scored agility run, the dog will be immediately disqualified.
4. No schedule changes will be made after judging begins.

5. Decisions of the judges are final. Video cameras may be used for personal use, but will NOT be used to dispute a judge's decision or score.
6. Judges will not wait on the exhibitor. If a 4-H member is not present when their arm band number is called to go into the ring, their number will be placed on the bottom of the list. Once final score sheets for that class have been turned in to auditing, no further exhibitors will be allowed to show for placing in that class.
7. Obedience and agility regulations not covered by these terms and conditions will be based on the regulations of the American Kennel Club, Inc.

## **Dog Obedience**

1. Tie scores in obedience classes will be broken as follows:
2. Scores will be compared for each area of the obedience competition, beginning with the first exercise on the score sheet and proceeding down the sheet through the successive exercises.
3. If the scores tie in each exercise, the first exercise on the score sheet will be repeated in its entirety in order to determine a winner.
4. The high jump will be set at the same height as the dog measures at the withers, rounded to the nearest multiple of two inches. Minimum height is four inches and the maximum height is 36 inches. All dogs less than 7.5 inches must jump the four-inch minimum. Dogs who are 7 years old or older or have a veterinarian note, may request a two-inch reduction in high jump. The broad jump distance will be twice the high jump height. See the 4-H Obedience Guide for specific breeds that jump at reduced height and distance.

All tricks must be in good taste and may not be harmful to the dog. There are no judging criteria for Trick Class. Judging is at the discretion of the judge</p>

## **Agility**

1. Dogs showing in agility are required to have shown in obedience. Dogs that are disqualified in their obedience class are NOT eligible for exhibition in agility. In situations where the dog completes in agility before they compete in obedience; the agility score sheet will be pulled for that exhibitor.
2. Dogs enrolled in agility are required to be at least 15 months old on day of show.
3. Agility section classes will be entered as Beginning, Intermediate, Advanced, and Excellent. Awards will be granted by these classifications regardless of the dog’s size division.
4. Each class will offer five jump height divisions based on the dog’s height at the withers. Dogs may be measured at the show to verify accuracy of reported height/division.
5. Dogs 7 years and over may jump one jump height lower than their actual height division. Make sure to indicate if your dog is in Veteran class.
6. The level of competition will be determined by the handler and their county leader based on the dog’s ability and training.
7. Beginner Level A Class must use a 6 foot lead. All other levels /classes will be lead off.
8. It is highly recommended that agility participants wear tennis shoes for competition.
9. Once all paws have touched contact equipment, the dog must either complete the obstacle or move to the next one. No additional attempts will be allowed.
10. Handlers who need the aid of the supporting devices (crutches, wheelchairs, etc.) may request extra time for completion of the course. This request must be made to the agility coach before classes begin the day of the show and the amount of time allowed will be determined by the judge.
11. In agility, dogs with qualifying scores will be placed ahead of dogs with non-qualifying scores. Dogs must successfully complete each obstacle on the course to receive a qualifying score.
12. Scoring will be based on UKC rules starting with 200 points and subtracting performance faults based on a set course time. Time faults for course times exceeding the set time, will be deducted by the amount of seconds over the set time. Division 1 dogs will have five seconds added to the set course time. Giant breed, refer to UKC list, will have ten seconds added.

### **Top Dog**

1. 4-H dogs that compete in Obedience, Agility, and Showmanship will have their scores from each event added together for a total score. The 4-H dog with the highest total score wins the 4-H Top Dog Award. There are 200 points possible in each event for a possible total of 600 for the combined three events. A dog with a non-qualifying score in any event is not eligible to win the 4-H Top Dog Award.
  2. If a member competes with two dogs in obedience and then competes with only one dog in agility and the other dog in showmanship, neither dog is eligible for TOP Dog. The SAME dog MUST compete in all three events to be eligible.
  3. In the event of a tie, the dog with the highest obedience score will win. If the obedience score is tied, the tie will be broken as follows:
    1. Scores will be compared for each area of the obedience competition, beginning with the first exercise on the score sheet and proceeding down the sheet through the successive exercises.
    2. If the scores tie in each exercise, the first exercise on the score sheet will be repeated in its entirety in order to determine a winner.

<b>Annette Stansbury</b>	<b>812-705-4645</b>	
<b>Assistants: Dennis Flock (812-972-2126), Katy Casper (502-592-1221)</b>		

## Entry Descriptions

1. Please see general descriptions for all entry details - [extension.purdue.edu/4-H](http://extension.purdue.edu/4-H).
2. **All youth (including Mini Members) wishing to complete a project with their horse must be enrolled in 4-H Online at [v2.4HOnline.com](http://v2.4HOnline.com) under the Horse Project.**
3. We will be measuring every horse and pony at the vaccination clinic or first workshop attended.
4. Please be sure to enter with plenty of time to work with the Extension Office and your Superintendent, should you need assistance. **Deadlines are firm and the same as county fair entry deadlines.**
5. Print a copy or screenshot of all enrollment, vaccine, and fair entries information.
6. All H&P members must complete one chapter in the H&P Manual in order to compete in the 4-H completion show. If not showing, complete one chapter in the H&P Manual and a saddle log to be turned in with the General Record Sheet at 4-H Project Check-In. However, if the 4-H member is planning to show, but something happens that prevents them from showing, then the Saddle Log should be turned in before or during the 4-H Horse and Pony Fair Show with no exceptions. Leaders are to initial the H&P Manual pages and sign your General Record Sheet. The completed General Record Sheet must be submitted at 4-H Project Check-In.

## **Exhibition Terms and Condition**

1. Exhibitors must enter class online in FairEntry (<https://faireentry.com>) to be eligible to show. Classes may be dropped after the fair entry deadline but no classes will be added. **Bring a copy/screenshot of the fair entry information to show you have enrolled in your classes.**
2. Any horse entered in the wrong class in FairEntry may change to the correct class.
3. Drops and Corrections should be 3 classes prior to the class.
4. Exhibitor may drop/correct classes on Friday, July 19<sup>th</sup> at 4:00 PM.
5. Any exhibitor who does not enter by the deadline will have the opportunity to show as an exhibition rider without being judged or placed. No back number will be assigned. No time in contesting classes will be collected.
6. Exhibitors who need accommodations/assistance to participate in the Horse & Pony show should contact an Extension Educator at the Harrison County Purdue Extension Office at 812-738-4236 or a Superintendent to possibly add a class.
7. Horses do not have to be registered to be shown at the 4-H Completion Show. Grade animals are allowed.
8. Each horse may only be shown by one youth exhibitor except in the case of siblings. However, horses may be enrolled by more than one child in the family on 4-H Online.
9. Any animal exhibited must be shown and owned by the youth exhibitor, owned in partnership with a legal guardian or immediate family member, or leased by the youth exhibitor (Animal Lease Agreement [4-H-869-W](#))
10. Members may enroll up to four horses/ponies and show up to three horses/ponies. Only two horses are allowed to be shown in halter classes. They must be shown by a 4-H member.
11. Junior horses (5 years and younger) must show proof of age from registration papers or a veterinarian certificate.
12. All exhibitors must be current 4-H members.
13. Animals may not be substituted or traded for the originally enrolled animal after May 15, except in the case of the animal's death or injury.
  - a. In this case, **an animal MAY be substituted at the county level for EDUCATIONAL EXHIBITION ONLY.** A letter from a veterinarian stating the animal is unable to show (or is dead) is required AND the substitution MUST be approved by the 4-H Council. **Substituted animals are NOT eligible for State Fair.**
14. All horse and pony animals must be safe, sound, healthy, humanely treated and have a Body Condition Score (BCS) of 3.0, while the preferred BCS between 4.0 and 7.0. Animals are subject to inspection by the judge or a licensed veterinarian.
15. It is strongly recommended each family have a copy of the [2020 Indiana 4-H Horse and Pony Handbook ADA Compliant \(purdue.edu\)](#) for reference.
16. All 4-H members are required to clean up after their horse and MUST remove all waste from the fairgrounds at all times.
17. The vaccination form ([2024 Certificate of Completion of Indiana 4-H Requirements for Exhibition of 4-H Horse and Pony \(Vaccination Form\)](#)) must be filled out completely prior to any horse participating in workshops, ride nights or the completion show. Forms available online or in the Extension Office. This includes Mini 4-H members.

Required Vaccines/Procedures	Recommended Vaccinations/ Procedures
Eastern Western Equine Encephalomyelitis	Potomac Horse Fever
Rhinopneumonitis/EHV type 1 & 4	Strangles
Equine Influenza	Botulism
Tetanus	Rotavirus
Rabies	Oral Exam
West Nile Virus	Negative Fecal Egg Count
Coggins Test	
<b>*NEW* Measurement ID Card</b>	

18. If home vaccination is completed for the required vaccination, the receipt of purchase AND the label from the vial(s) must be attached to the vaccination form. **This information must be attached to 4-H Online.** Indiana law requires that rabies vaccinations be administered by a licensed and accredited veterinarian.
19. Horses & Ponies must have the following forms completed and signed to participate in the Horse & Pony Project.
  - a. Vaccination Form
  - b. **(Required For 2024)** Measurement ID Card
  - c. **(Required For 2024)** Negative Coggins for ALL horses within 12 months of the date of exhibition.
    - i. Combine the Horse and Pony Measurement ID and the Coggins Form into one document then upload it to 4-H Online under either the Horse Vaccination Form PDF or Horse Vaccination Form IMAGE.
  - d. Health Certificate if the horse has traveled from outside the state within 30 days of a 4-H event.
  - e. **Extended Equine Certificate of Veterinary Inspection (EECVI)**
    - i. The EECVI provided by Global Vet Link is accepted in Indiana. This electronic certificate is valid for up to 6 months and may be used for interstate movements of equine going to multiple destinations, such as shows and trail rides. The EECVI is NOT approved for racetrack movements. Learn more: [www.globalvetlink.com/eecvi](http://www.globalvetlink.com/eecvi)
  - f. Horse Vaccination form, Measurement ID Card, COGGINS/EAI form and when necessary, CVI/EECVI Health Certificate must be carried by member to every practice, event, and/or show.
20. Parking for Trailers is in the infield of the Harness Racing Track during shows and ride nights.
21. All scratches are final.
22. Juniors and Intermediates must have a parent signature to scratch any class.
23. **Any entered horse may be scratched from a class and another enrolled horse of the 4-H member may be substituted for all enrolled classes.**
24. Stallions are not eligible to show except during the calendar year foaled.
25. Harrison County offers different classes than state fair.
26. **A Rider/ Horse may be removed from a class if there are safety concerns or abuse of animal.**
27. No horse will be admitted to the arena once the class has begun. Exhibitor will be scratched.

## **Horse and Pony Helmet Policy- State Policy**

1. All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified equestrian helmet on his/her head whenever mounted or driving at a 4-H Horse and Pony event, show, or activity. **The 4-H member is responsible to see that this specified headgear is properly fitted with the approved harness fastened in place. Original tags must be present in all approved helmets.**
2. Refer to the state helmet policy for all horse & pony exhibitors on Page 4 of the Indiana 4-H Horse and Pony Handbook. Approved headgear is required while mounted on grounds at any time.
3. The helmet policy, along with other 4-H policies, are in effect during shows that have been organized, sponsored, and/or led by a 4-H entity (4-H Club, 4-H Committee, 4-H Council, 4-H Fair Board, etc.) – these include open Horse & Pony Shows that invite youth and adults to participate from within the county and beyond the county border.
4. Adults riding horses are also at risk of head injury; therefore, adults are also strongly encouraged to wear properly fitted, certified helmets when they are riding at any 4-H sponsored activity/event so that they will serve as role models of safe behavior, as well as protect themselves.
5. This policy was placed in effect during the 2003 4-H program year and applies to all county, area, and state 4-H horse and pony events, shows, and activities.

## **Arena Rules**

1. Riders must follow 4-H Horse & Pony Policies & Procedures.
2. 4-H members may only ride during designated times AND only when **TWO** approved volunteers are present.
3. Only 4-H members and approved volunteers may ride, lunge, or drive exhibited horses at ride nights/workshops. One volunteer must be unmounted.
4. If a child or horse is exhibiting disruptive or dangerous behavior, they will be removed. If necessary, help on an individual basis will be given.
5. Workshops are for 4-H members and their horses ONLY. Extra people and horses can be a danger to youth exhibitors with little experience.
6. Horses will be led to and from the arena, not ridden, except for shows. There will be no more than 20 horses working in the arena at any one time.
7. Proper equipment MUST be used at all times. This includes rider attire and equipment as well as horse equipment and tack. [2020 Indiana 4-H Horse and Pony Handbook ADA Compliant \(purdue.edu\)](#).
8. Members should have their horse prepared and worked down before the workshop.
9. All equipment must be properly stored in the trailer or announcer's stand after every practice.
10. Cross the track and enter the infield at the designated times. Respect harness horses and walkers when crossing the track. They have the right-of-way.
11. Trucks, trailers, and horses are to stay in the south end of the infield.
12. Do not tie horses to fences or trees.
13. Do not climb or sit on fences.
14. Turn off water and electricity when finished.

## **Tack**

1. Please refer to the [2020 Indiana 4-H Horse and Pony Handbook ADA Compliant \(purdue.edu\)](#) for appropriate tack.
2. When a curb chain is used, it must be of the flat curb style and be at least one-half inch (½") wide.
3. Chain may be run under the chin (preferred), or over the nose (accepted). The chain may not be run through the mouth or under the lip of the horse.
4. Draw reins are never allowed in any class.
5. Martingales are allowed for jumping classes only.
6. Tie downs are allowed for contesting classes only.

## Suggested Attire

1. Members must wear appropriate attire, including footwear and headgear for each class according to State 4-H rules.
2. Members must wear their assigned number on their back or both sides of the saddle blanket, or back of the cart. Any obstruction to the exhibitor number, including hair, may be penalized.
3. Spurs are **NOT** allowed in halter and showmanship.
4. Saddleseat tack and attire: See page 26 of the 2020 Indiana 4-H Horse and Pony handbook ADA Compliant (Purdue.edu)
5. Western tack and attire: See pages 32-35 of the 2020 Indiana 4-H Horse and Pony handbook ADA Compliant (Purdue.edu)
6. Hunter tack and attire: See pages 14-15 of the 2020 Indiana 4-H Horse and Pony handbook ADA Compliant (Purdue.edu)
7. Contesting exhibitors: Look under each contesting class's tack and attire section. Pages 61,62,64,65,67 of the 2020 Indiana 4-H Horse and Pony handbook ADA Compliant (Purdue.edu)

## Classes and Class Descriptions

1. Harrison County rules take precedence over State rules.
2. **Mini Horse & Pony Classes and 4-H Liability Release Form in the Appendix is required before attending the workshops.**
3. **The Saddleseat Equitation (class 9), Saddleseat Pleasure (class 13), Western Walk-Jog Horsemanship (class 9), or Hunt Seat Equitation (class 9), participants may participate in all Contesting, Trail, and Cross Rail classes at a walk and trot/equivalent breed gait only.**
4. If Saddle Seat Pleasure and Gaited English Pleasure classes are offered at the same show, horses trotting in gaited classes, or showing at the alternate gait in Saddle Seat Pleasure, should be judged as not performing one of the required class gaits.
5. If Western Pleasure and Gaited Western Pleasure classes are offered at the same show, horses trotting in gaited classes or showing at the alternate gait in Western Pleasure should be judged as not performing one of the required class gaits.
6. Exhibitors **MUST** designate the type of classes they intend to compete in with each horse entry. One exhibitor cannot compete in both Western and Saddleseat/Gaited show with the same horse.
7. All horses must be shown in their appropriate gait classes. If unable to do the gaits required for the class, the horse may not show in that specific class.
8. **All horse tack changes must be brought to the attention of the show office staff if there are less than 4 classes between the participants' classes.** Tack changes will be allowed 10 minutes before the gate is opened for that class. Contestants must enter the arena within 2 minutes of class being called to the arena.
9. No horses will be admitted to the arena if judging has begun. Exhibitors will be scratched automatically.
10. Senior exhibitors will be grades 9 through 12.
11. Intermediate exhibitors will be grades 6- 8.
12. Junior exhibitors will be grades 3 through 5.
13. High Point awards are calculated by the following, no matter how many exhibitors are entered in each class:
  - a) 1st place= 6 points
  - b) 2nd place=5 points
  - c) 3rd place=4 points
  - d) 4th place=3 points
  - e) 5th place=2 points
  - f) 6th place=1 point
14. **Saddleseat classes, unless stated otherwise, must wear Saddleseat attire.**

15. **Gaited classes should wear attire appropriate to the discipline, either Saddleseat or Western.**
16. Western classes must wear Western attire.
17. Pleasure Driving should wear appropriate attire for the discipline.
18. Master Showman class is for the Premier Showmanship winners in Saddleseat, Western and Hunter Showmanship classes.
  - a) If the premier showman is already a Master Showman, THEY MAY NOT participate in MASTER SHOWMANSHIP CLASSES.
  - b) The second-place winner will participate in Master Showmanship, or the 3rd place winner if the others are previous Master Showman winners.
  - c) The Master Showmanship Pattern will be handed out before the master class to all 3 participants (Saddleseat/Gaited, Western, Hunter). Judge may determine an appropriate time to review the pattern.
  - d) Judge must place everyone in each of the Premier Showmanship classes.
19. Master Showmanship winners are allowed to participate in showmanship classes, except Master Showmanship.

## **Mini/Exploring 4-H Liability Release Form (Mini Horse & Pony)**

The safety and well-being of our 4-H youth is of the utmost importance. Although kindergarten is specified as the time when a child may begin participation in some 4-H events and activities, parents are encouraged to take into consideration their child's physical and mental development before agreeing to let the child begin to show, work with, or care for animals. Each child matures at a different rate, and children in grades K-2 may still be too young to begin showing, working with, or caring for animals. The Indiana 4-H Youth Program at Purdue University has agreed to allow Mini/ Exploring 4-H members in grades K-2, to participate in NON-COMPETITIVE animal projects subject to certain conditions. These conditions are specified below. "Mini/Exploring 4-H members, in grades K through 2, will be allowed to show, work with, or care for animal projects after their parent or legal guardian has signed a liability release. Mini/Exploring 4-H members may independently show, work with, or care for animals that weigh 300 pounds or less. Mini/Exploring 4-H members may only show, work with, or care for animals over 300 pounds when they are assisted by a parent, legal guardian, or another adult designated in writing by parent or legal guardian." (The word assisted means that the adult has control of the animal at all times.) Mini/Exploring 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted. I understand that participating in 4-H activities can involve certain risks to my child. On behalf of my child I accept those risks. I hereby release and discharge Purdue University, The Trustees of Purdue University, the Harrison County Commissioners, the Harrison County Cooperative Extension Service, and each of their trustees, officers, appointees, agents, employees, and volunteers ("Released Parties") from all claims which my child or I might have for any injury or harm to my child, including death, arising out of my child's participation in a Mini/Exploring 4-H animal activity(ies), even if such injury or harm is caused by any of the Released Parties.

## **WHY SHOULD I TURN IN A POINT SCHEDULE FORM? WHAT CAN I EARN?**

### **4-H ABOVE AND BEYOND AWARD**

The Above and Beyond Award recognizes members who are very active in the Harrison County 4-H program in a given year. Youth earning at least 500 points during a single 4-H year will receive an award at the annual Awards Banquet in the fall.

### **4-H TRIPS**

Each year the 4-H Council rewards 4-H members who have worked hard and participated often in various 4-H programs with trips to Purdue Workshops or Round-Up. The awards are based on the total points a member has earned. Points are earned by completing 4-H projects performing community service, holding a club office, participating in Jr. Leaders, participating in Career Development Events (CDE), and many other activities as listed on the 4-H Points Schedule form.

### **GOLDEN CLOVER**

The Golden Clover Award is designed to recognize 4-H members who are very active in the Harrison County 4-H program for several years. In order to receive the Golden Clover Award, 4-H members must have completed at least six (6) consecutive years of 4-H and accumulated at least 1000 during those years.

### **PLATINUM CLOVER**

The Platinum Clover Award is designed to recognize members who have shown outstanding achievement throughout their 4-H career. 4-H members receiving the Platinum Clover Award must have completed their last year in 4-H and accumulated at least 2000 points over their 4-H career.

### **OUTSTANDING 4-H MEMBER HIGH POINTS AWARD**

This award is based solely on the current year's points and can be won only once per Division. The Junior Division is for members in grades 3-5. The Intermediate Division is for members in grades 6-8. The Senior Division is for members in grades 9-12. You must turn in your Point Schedule form by the September 1st deadline to be eligible. The awards committee reviews the points and names the recipients of this award.

### **4-H OUTSTANDING CLUB**

Recognition is given to those 4-H clubs that have exceptional programming and participation. While youth point totals are not specifically used toward Club recognition, youth keeping track of points is helpful to club leaders when completing their annual report.

**Mini/Exploring 4-H Liability Release Form**

The safety and well-being of our 4-H youth is of the utmost importance. Although kindergarten is specified as the time when a child may begin participation in some 4-H events and activities, parents are encouraged to take into consideration their child’s physical and mental development before agreeing to let the child begin to show, work with, or care for animals. Each child matures at a different rate, and children in grades K-2 may still be too young to begin showing, working with, or caring for animals. The Indiana 4-H Youth Program at Purdue University has agreed to allow Mini/ Exploring 4-H members in grades K-2, to participate in NON-COMPETITIVE animal projects subject to certain conditions. These conditions are specified below. “Mini/Exploring 4-H members, in grades K through 2, will be allowed to show, work with, or care for animal projects after their parent or legal guardian has signed a liability release. Mini/Exploring 4-H members may independently show, work with, or care for animals that weigh 300 pounds or less. Mini/Exploring 4-H members may only show, work with, or care for animals over 300 pounds when they are assisted by a parent, legal guardian, or another adult designated in writing by parent or legal guardian.” (The word assisted means that the adult has control of the animal at all times.) Mini/Exploring 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted. I understand that participating in 4-H activities can involve certain risks to my child. On behalf of my child I accept those risks. I hereby release and discharge Purdue University, The Trustees of Purdue University, the Harrison County Commissioners, the Harrison County Cooperative Extension Service, and each of their trustees, officers, appointees, agents, employees, and volunteers ("Released Parties") from all claims which my child or I might have for any injury or harm to my child, including death, arising out of my child’s participation in a Mini/Exploring 4-H animal activity(ies), even if such injury or harm is caused by any of the Released Parties.

### Indiana 4-H Animal Lease Agreement Form

Indiana 4-H allows the following animals to be leased under the Indiana 4-H Animal Lease Agreement Form:

Dairy cows (as long as the animal is being shown by the same 4-Her from 2020 and forward) and heifers, horses, ponies, alpacas and llamas may be leased subject to approval of both the county 4-H dairy, horse and pony, or llama committee and the respective County Extension Educator. 4-H animals (horse and pony, dairy, alpacas and llamas) are only eligible to be leased by an individual 4-H member in a 4-H program year.

We, the undersigned, do hereby agree to the terms of the lease involving  
Animal's Name \_\_\_\_\_ Breed \_\_\_\_\_ Sex \_\_\_\_\_ Reg. No. \_\_\_\_\_  
Description of markings/ characteristics \_\_\_\_\_.

This lease is to run from May 15, 20\_\_ to September 1, 20\_\_ and can be canceled at any time if the lessee fails to fulfill the conditions of the agreement as specified herein.

The lessee agrees to take full responsibility for the care of the animal at the lessee's expense. This will include all necessary health care, proper and adequate nutrition, water and shelter. It is understood that the lessee will take all reasonable precautions to protect this animal from illness, injury, or suffering. However, in the case of illness or injury, the lessee will notify the lessor and report treatment and progress at reasonable intervals. The lessor has full rights to visit the animal at any time. The lessor cannot dictate the use and availability of the animal to the lessee during the term of the lease.

The lessee will insure the animal with mortality insurance for the sum of \$\_\_\_\_\_. The wording of the insurance policy must protect the interest of both the lessee and the lessor. The lessee will keep up the payments on the said full mortality insurance policy at the lessee's expense for the duration of the lease. In the event of the death of this animal, the lessee will notify the lessor and the insurance carrier at once, and the lessee will order an immediate necropsy by a veterinarian mutually agreed upon. If the full mortality insurance policy clause is mutually agreed upon as unnecessary, indicate its waiver by signing below.

\_\_\_\_\_  
Lessor Signature and Date

\_\_\_\_\_  
Lessee Signature and Date

The lessee will be responsible in case of accidents, injuries, or suits arising from any action of this animal while in the lessee's care.

The leased animal must be examined by a veterinarian both at the beginning and ending of the lease as determined by a mutually agreed upon veterinarian.

If the leased animal is bred, the offspring is to remain with the female on the lessee's property until the mutually agreed upon weaning age. During the pre-weaning interval, the offspring is subject to the same lease specifications as the female. The lessee is not held responsible for an offspring that is stillborn or does not stand to nurse.

Conditions as to an extended lease, disposition of offspring, breeding arrangements, and/or any other stipulations pertinent to the lease agreement should be specified below.

---

---

The lessee agrees to pay the lessor the total sum of \$ \_\_\_\_\_. Payment shall be made on or before dates agreed upon by both parties.

I have read the foregoing conditions and agree to the conditions as specified.
