CLOVERPRINT

Making the Best Better

Welcome to 2023! We're excited about the programs we have in store for this year and we hope that you are too. Please remember that the 4-H Council continues to embody the 4-H essential element of generosity by sponsoring the state program fee for all Harrison County youth that join this program year. Please invite your friends and family to join us as we play in the snow, wait for warmer weather and longer days, and watch for the first signs of spring.

Don't forget to enroll in 4-H- January 15 is a target deadline, but not a final deadline. Communication lists reset on this date. If you do not enroll by January 15th, you will not receive important communications. This includes volunteers, so enroll soon!

Enjoy this issue of the Clover Print!

PAST WORKSHOPS & PROGRAMS

After School Enrichment Program

Each child measured a length of ribbon that was the same as their height and encapsulated it in a glass ornament. Each ornament included a special poem capturing the child's height at this moment in time in a unique way.

PAST WORKSHOPS & PROGRAMS CONTINUED

Wizards World of 4-H

November 8th, 3rd-8th graders arrived to Cloverwarts to learn many skills of becoming a wizard. The day started off with sorting their houses by either Cloverdore, Cloverclaw, Cloverin, and Cloverpuff. We proceeded with the day participating in Electric Wand-Making, Herbology, Code-Breaking, and making unicorn toothpaste! It was a very fun-filled day in discovering the magic of science in the world of Harry Potter! Thank you to all of the volunteers that helped the kids throughout the day and helped cook and prepare lunch.

Mandrake Updates:

Harrison County Dog Show

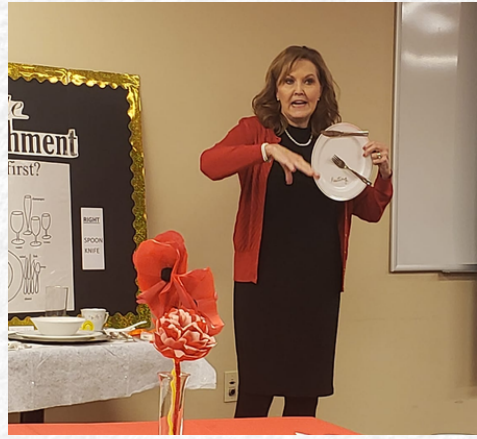

Our Harrison County 4-H Dog Show took place November 13th! Congratulations to all our handlers. You've worked hard and it showed! (Obedience came down to a half point tie breaker!) Paper Quilling Workshop

Paper quilling is the art of cutting paper into long thin strips, rolling and pinching the pieces into different shapes, and then gluing the shapes together to form decorative art. Paper quilling projects can be used to decorate cards, boxes, gift bags, picture frames, or even be made into 3D stand-alone art pieces. The Paper Quilling Workshop took place on December 10th and resulted in some beautiful Christmas Tree paper quilling artwork and of course, a lot of fun!

Thank you to Katy Casper for putting this workshop together!

Equine Conformation and Fault Workshop

Despite the cold, everyone had a great afternoon at the Equine Conformation and Fault workshop on December 17th. Students gathered to learn how to evaluate horse structure and how it relates to soundness. Good conformation is the foundation for good performance in both the horse and rider. Big thank you to Arami Acres for their hospitality!

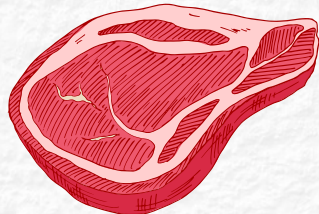

Harrison Hoosiers Club

Saturday with Santa

What better way to spend a blustery December morning than to make Christmas decorations and have a visit with Santa! On December 3rd, twenty-four Mini 4-H'ers had fun creating different ornaments/decorations including a mini Christmas tree, a snowman magnet, a tissue paper ornament suncatcher, and several more. The showstopper, of course, was their visit from St. Nick, lovingly portrayed by 4-H adult volunteer, Kevin Albers. Mrs. Claus (Dee Albers) kept Santa's Naughty or Nice list as each child spoke with the jolly old elf. The program ended with special mini Christmas cupcakes and a reading of "The Night Before Christmas". A big thank you to Amanda Uhl and Jane Lasher for instructing two of the classes and helping to make this program happen.

Mini 4-H Stone Soup

Mini 4-H-ers who attended our Stone Soup Cooking Experience this November, learned about food prep, the importance of clean hands and work stations, and worked together to set their own tables. Each child contributed and prepared an ingredient for a communal meal of Stone Soup (veggie soup), homemade cornbread, and homemade butter shaken by each child. They also recorded their own written or illustrated step-by-step instructions for creating Stone Soup. To conclude, Miss Mary read the Stone Soup story reinforcing sharing and teamwork.
