At the end of their meeting, everyone enjoyed refreshments provided by the club leaders.

LUCKY HORSESHOES 4H CLUB

The Lucky Horseshoes 4-H Club had their February meeting at the Extension Office. The club went over Horse and Pony policies and procedures for the year and calendar updates. Emily Stansbury led a demonstration on how to make your own little gnome out of yarn! Paige Schmelz also led a demonstration about how to chain stitch in crochet! Looks like a blast! The Arena Clean up will be on March 10th at 1:00pm. Any help would be appreciated!

Don't forget that all Horse and Pony families are welcome to join their March 14th meeting where Dr. Peppin will be speaking to everyone about the necessary vaccines your horses require each year to be able to be shown in 4-H and to live a happy and healthy life. Dr. Pepin will be glad to answer any H&P Veterinary questions you might have.
