## THE MAY 15<sup>TH</sup> MELTDOWN:

### An Indiana 4-H Story

It happens each spring—we all know the drill,  
Yet every year finds us scrambling still.  
Indiana 4-H, our beloved routine,  
Turns chaotic again by **May Fifteen**.

You tagged the cattle, checked tattooed ears,  
Swine ear notches? You faced your fears!  
Pony photos posed just right,  
But wait—did we get that goat tag right?

Sheep tags recorded at county tag-In,  
Then promptly lost (where have they been?).  
Horses entered from last year's shows—  
Yet something's wrong, and nobody knows.

The online login, you swear it changed,  
Passwords reset—you're feeling deranged.  
"Add an Animal," click with care,  
Entered wrong digits? Oh, utter despair!

The clock ticks loudly, anxiety's brewing,  
Dairy calf RFIDs—double reviewing.  
It's late, you're weary, your records astray,  
You mutter, "WHY did I wait until middle of May?"

But here's the secret (no need to be shy)—  
Extension folks know that look in your eye.  
Club leaders nod—they've been here too,  
"Forgot the ear notch? Oh yes, nothing new!"

Procrastination—our collective flaw,  
Still rushing IDs right down to the draw.  
Yet May 15th comes just once a year—  
"Please don't delay!" your educators cheer.

Log on today, while you're clear of mind,  
Triple-check numbers from the records you find.  
Avoid the drama, midnight regret,  
Enter them now—your best chance yet.

Then breathe easy, smile with pride,  
The deadline's met, your nerves subside.  
Animals ready, entered online,  
May 15th conquered—until next time!

# Mini 4-H

## What is Mini 4-H?

Mini 4-H is a noncompetitive 4-H program for youth in grades K-2. Mini 4-H is designed to introduce you and your child to the 4-H program and is an excellent way for children to learn by doing and to exhibit projects at the Fair. Mini 4-H members also have the opportunity to attend club meetings, workshops, and a summer day camp just for Mini 4-H'ers. There is no limit to the number of projects youth can sign up for, however, try not to overwhelm a child with too many projects.

## Mini 4-H Projects

- Bicycle
- Crafts
- Collections
- Creative Writing
- Cupcake
- Dinosaurs
- Entomology
- Farm Animals
- Foods
- Forestry
- Gardening
- Genealogy
- Horse and Pony
- Horseless Horse and Pony
- Models
- My Pet & Me
- Photography
- Plants and Flowers
- Sewing
- Space
- Trees
- Whales and Dolphins
- Wildlife
- Woodcraft

The noncompetitive learning environment for Mini 4-H includes:

- Planned learning activities in which children are invited to be active and explore materials and ideas without the pressure of completing a specific product or exhibit.
- Low adult/leader-to-child ratio that allows time for adults/leaders to provide individual positive encouragement and assistance.
- Simple, interesting activities that are fun.
- Encouragement of children to participate in a group activity by sharing and or displaying their activity projects.
- Rewards are identical ribbons of the same color for everyone.

# Volunteer Corner

## What is a 4-H Volunteer?

There are many ways to be involved in 4-H as a volunteer! We rely heavily on adults who care about the development of youth across the state in order to deliver positive youth development experiences for our youth.

All volunteers must complete a volunteer application and screening process and participate in training provided by the 4-H Educator. Individuals annually reaffirm their commitment to serving as 4-H Volunteers.

## Adult Behavioral Expectations

If you enrolled on 4-H Online as a 4-H adult volunteer, part of the enrollment process has you sign the Adult Behavioral Expectations. When you sign this, you are making a collective statement that youth in the 4-H Development Program are being treated with respect, dignity, and attention to individual needs.

You agree that in your role as a 4-H volunteer, you will:

- Be a positive Role Model
- Respect Others
- Be Responsible and Accountable
- Promote Safety
- Uphold Confidentiality
- Avoid Conflicts of Interest
- Maintain Professional Boundaries

## Policies and Procedures

Review the Indiana 4-H Policies and Procedures by going to [bit.ly/4ikSSde](https://bit.ly/4ikSSde) or scan the QR code:

You can view the behavioral expectations in full here at [extension.purdue.edu/4-H/docs/about/english-adult-4-h-785-behavioral-expectations.pdf](https://extension.purdue.edu/4-H/docs/about/english-adult-4-h-785-behavioral-expectations.pdf)

## How can Parents Help?

As a parent, you are encouraged to share your different talents, means, and available time with the 4-H program. Not all people do the same thing well. It takes some analysis to find who can and will do certain tasks. For example, the parent who will never appear in a public meeting may be willing to build a booth or a float, etc.

The most successful 4-H members have the interest and support of their parents or another caring adult. Often parents are willing to help, but are not sure how, when, or where they may get involved. Here are some suggestions for how you as a parent can support 4-H members at home and beyond!

- Learn about 4-H, what it stands for, how it operates, how it's funded.
- Advise your child in selecting 4-H projects. Help your child understand how many projects will be reasonable to complete in a given year.
- Show your interest in and enthusiasm for the projects selected. Find out what's suggested for the members to do and learn.
- Encourage your 4-H member when they succeed and even more when they fail. Help them see the progress achieved and knowledge gained; not just the end result.
- Be an example! Help your 4-H member be a good sport and appreciate the success of others.
- Keep informed about 4-H through information that comes to members of your family. Be a 4-H booster in your community.
- Make a 4-H club work FAMILY work. But, let the youth do their work and carry their own jobs to completion. Be their guide only.

## 4-H County Performing Arts Contest

The 4-H County Performing Arts Contest was a wonderful evening filled with talent, creativity, and entertainment. Our 4-H members put on an incredible show, and we appreciate all the support from volunteers, club leaders, family, friends, and fellow 4-H members.

Congratulations to our winners:

- First Place: Golden Clovers 4-H Club - "4-H, the Good Ol' Days"
- Second Place: Four the King - Baton and Dancing Act
- Third Place: Cadence English - Guitar and Singing Performance

Each performance showcased the dedication and hard work of our 4-H youth. Thank you to all who participated and helped make the event a success.

## 4-H Cat Workshop

Our 4-H Cat Workshop was a fun and educational evening! Youth enjoyed a game of Cat Bingo, planted catnip to take home, and reviewed 4-H cat show rules and health and vaccination requirements.

## Lanesville 4-H Felting Craft Workshop

4-H Youth gathered at the Lanesville Heritage Grounds for Woolly Wonders: a Felting Workshop, where they learned the basics of needle felting, and created a unique needle felting project of their own!

## "She has really started to blossom"

A 4-H Parent shares how her child gained confidence and growth through her 4-H Club

*"Last night during our 4-H meeting Everly presented a mini 4H project she had finished, to give others ideas for a fair project.*

*I was so proud of her! She read step by step of how to do a pinch pot in front of everyone. She offered suggestions, and took notes. She even walked around and let everyone see her clay pot.*

*This is a huge milestone for her, and she has really started to blossom."*

## 4-H Hippology Team at Purdue

Congratulations to the Harrison County 4-H Hippology team who competed at the Indiana State 4-H Hippology Career Development Event at Purdue University! Our individual junior, Hattie Turner, won 6th place. Our individual intermediate, Bristol Binkley, won 9th place. Our intermediate team with Bristol Binkley, Paige Schmelz, Reagan Crain, and Emily Stansbury won 5th place. Great job to all of our hippology team members, and thank you to our coach Lora Tucker!

# Success Stories:

## Sewing Spark Club

The 4-H Sewing Spark Club met on Saturdays throughout February, giving youth the opportunity to learn and practice sewing skills. 4-H'ers learned how to use a sewing machine and basic skills. Throughout the sessions, youth gained confidence as they personalized their projects. It was exciting to see their creativity and skills grow each week. Thank you to the 4-H members who participated and 4-H volunteers Katy Casper and Cheryl Lone who helped make the 4-H Sewing Spark Club a success!

## April QLC Training

On April 16, 4-H members received their QLC certification in order to show their animals at the fair. The Quality Livestock Care training teaches participants about responsibility, ethics, and safety of raising and caring for livestock animals. To exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry, or rabbits at the county fair or Indiana State Fair, 4-H members must complete the Indiana 4-H Livestock Quality Care training or the online Youth for the Quality Care of Animals (YQCA) program. This certification is required annually to promote responsible livestock care and food safety.

## Lucky Horseshoes Fun Show

What a perfect weekend for our Lucky Horseshoes 4-H Club Fun Show! Thank you to all of our volunteers and families who came out to support our riders on Saturday. From helping set up, to cheering them on, your time and energy made this event a success. We're so proud of our 4-H members and grateful to be part of such a wonderful community!

## Hiking Spark Club

Our 4-H Hiking Spark Club had a beautiful Saturday morning for a hike! 4-H members, parents, 4-H Educators Gail Peitzmeier and Anna Denny, and trail dog, Gus, adventured out at O'Bannon Woods State Park! We got some miles in, enjoyed nature and shared stories, and even got to encounter some wildlife!
