

# Painting and Pastries: Winter Gnomes

Our Extension Program Assistant, Jocelyn Faith, taught another successful Painting and Pastries class on November 15th. It went wonderful as youth learned to paint their own unique winter gnomes. As everyone had different experience levels in painting, everyone was able to follow along step-by-step as we all learned new painting skills together! Everyone's paintings turned out great!

Thank you to everyone that came and had a good time painting and enjoyed their apple turnover pastries. Thank you to the volunteers that helped the youth in the class as well!
