# CLOVERPRINT

## Happy New Year from 4-H!

Welcome to 2022! This is going to be a fantastic and successful 4-H year! There may be challenges ahead, but your 4-H leadership is ready to face them and make sure that 4-H activities are safe and exciting.

Please look at the list of upcoming activities and camps found on the back of this page. January and February are full of opportunities! Local activities have hybrid or virtual backup plans just in case things change. We're ready to be flexible! At this time all camps, state activities, and workshops will be happening in person. Roundup and Purdue 4-H Academy information are included inside this issue.

If you have any questions about how to register or participate in these events, please feel free to reach out with questions.

**It is not too late to enroll in 4-H-** January 15 was a target deadline, but not a final deadline. For details how to renew or create a profile, go to [www.JoinIndiana4H.org](http://www.JoinIndiana4H.org). If you do not enroll by January 15th, however, you will not receive important communications. This includes volunteers, so enroll soon!

## TEENS AS TEACHERS

February 25-27, 2022 Brookston, IN

Teens as Teachers is an opportunity for teams of 3-5 youth and one adult mentor to learn how to be teachers and subject matter experts of a topic of their choice, and are empowered to deliver programming to their community. This training is for youth in grades 8-11. In addition to studying the subject matter of their choice, youth will learn fundamentals of hands-on learning, ages and stages of youth development, public speaking, and lesson planning. Read more at [purdue.ag/teensasteachers](https://purdue.ag/teensasteachers)

## 4-H ACADEMY

4-H Academy @ Purdue is a program held at Purdue University specifically designed to offer hands-on, exciting opportunities to learn about a diverse selection of subjects and careers. During this conference previously known as 4-H Science Workshops, participants will meet and learn from professors, graduate students and other experts in their respective fields and participate in interactive activities and experiential learning. Participants stay in a Purdue University Residence Hall for two nights while exploring the Purdue University campus and meeting 4-H members from across Indiana. 4-H Academy @ Purdue is open to all youth grades 9-12. For more information, please go to [extension.purdue.edu/4-H/get-involved/state-programs/academy.html](https://extension.purdue.edu/4-H/get-involved/state-programs/academy.html)

## INDIANA 4-H ROUNDUP

4-H Round-Up is an exciting opportunity offered to youth who have completed grades 7, 8, and 9. Attendees have an opportunity to explore a variety of careers by attending classes created just for Round-Up attendees at Purdue University. Participants will get a taste of college life and will live in a Purdue Residence Hall for two nights. Youth have an opportunity to meet others from across the state and further develop their leadership skills. Recreation events are planned in the evenings and blocks of free time allow attendees the opportunity to build friendships on their own. # REQUIRED FOR LIVESTOCK EXHIBITORS YQCA CERTIFICATIONS

**Attention  
Livestock  
Exhibitors!**

## WHAT IS YQCA?

To exhibit livestock (beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry, including eggs, and/or rabbits), 4-H members must be certified through the **Youth for the Quality Care of Animals (YQCA)** program. This is an ANNUAL program that can be completed via online modules or in-person trainings. More information about YQCA is available at <http://yqca.org>.

## TRAINING DATES

Harrison County Purdue Extension Office

January 25, 6:00 PM

February 22, 6:30 PM

April 26, 6:00 PM

## COUPON CODES & HOW TO REGISTER

In person certification costs \$3.00, however the Harrison County 4-H Council sponsors these certifications through coupons that may be picked up at the Extension Office. One coupon per 4-H member who is showing livestock or eggs.

To sign up, go to [YQCA.org](http://YQCA.org) and use your 4-H Online credentials to log in, and choose your training level. Enter your coupon code to avoid paying the \$3 in person certification fee.

## PREMISE ID & SCRAPIE PROGRAM WORKSHOP

Tuesday, January 11, 2022 at 6:30 PM EST

Dr. Cheryl Miller from the Indiana Board of Animal Health (BOAH) will provide information on the Premise ID and Scrapie programs for Indiana 4-H families and breeders. Please RSVP by contacting the Montgomery County Extension Office at 765-364-6363 or use the following link: [bit.ly/22BOAH](https://bit.ly/22BOAH)

## WHAT IS A PREMISE ID?

The Board of Animal Health (BOAH) requires premises registration of all sites associated with the sale, purchase, and/or exhibition of the following species: cattle, swine, sheep, goats, and cervids. Premise identification identifies a specific piece of property, not a specific animal. Try to imagine the animal's ear tag or tattoo being like the animal's "name tag", whereas the premise ID number is like the animal's "address".

### Does every 4-H member need their own Premise ID?

Not each 4-H member will need their own number. Premise ID numbers are assigned to a specific piece of property where animals are located. If multiple 4-H members keep animals on one premise, then the premise number will be the same for each of the 4-H members with animals residing at that location. Individuals who owns the property should register the premise; however, the person who owns or is responsible for the livestock should be listed as the primary contact for the premise.

### Where Do I get a Premise ID?

You may complete the premise registration form online at [in.gov/boah/2700.htm](https://in.gov/boah/2700.htm) or download the form at [in.gov/boah/2328.htm](https://in.gov/boah/2328.htm).

### I have a Premise ID but I don't remember it

Send an email to [animalid@boah.in.gov](mailto:animalid@boah.in.gov) and include your name and physical address in the email or call 317-544-2400.

### Where can I find more information?

Go to [in.gov/boah/traceability-and-premise-id/](https://in.gov/boah/traceability-and-premise-id/)

## Senior Year Scholarship

Available to 4-H members in their senior year of high school

## Club Scholarship

Available to 4-H members entering Purdue University majoring in the College of Agriculture or select majors in the College of Health and Human Sciences

## Purdue Horticulture & Landscape Architecture Scholarship

Available to a 4-H member majoring in horticulture or landscape architecture at Purdue University and studied plant science in 4-H.

## Accomplishment Scholarship

Available to 4-H members in grades 10-12 of high school and the year immediately following high school graduation. The purpose of the 4-H Accomplishment Scholarship is to recognize youth who have excelled in life skills development through their 4-H activities and involvement.

**Categories:** Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food and Nutrition Science; Leadership Development; and Plant and Environmental Science. Three additional categories are reserved for applicants demonstrating life skills development in more than one of the previously listed categories. Those are Premier Achievement, Premier Citizenship, and Premier Leadership.

**Eligibility:** Applicants must be in grade 10, 11, 12, or their first year immediately following 4-H enrollment eligibility at the time applications are due. While an applicant does not have to be a current 4-H member, they must demonstrate multiple years of involvement in Indiana's 4-H Youth Development Program.

Youth who have previously been awarded a \$1,000 accomplishment scholarship are only eligible to compete in the Premier Achievement, Premier Citizenship, and Premier Leadership categories. Youth who have previously been awarded a \$2,000 scholarship are no longer eligible to compete in any category.

**Awards:** A minimum of thirty \$1,000 scholarships will be awarded to youth based on their demonstration of life skills development in these eight categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food, and Nutrition Science; Leadership Development; and Plant and Environmental Science.

A minimum of one \$2,000 scholarship, and a silver tray, will be awarded in each of these categories: Premier Achievement; Premier Citizenship; and Premier Leadership.

Additional scholarships may be awarded depending on sponsorship availability. The number of scholarships awarded in each category may be adjusted to meet special criteria of a particular sponsor.

Visit [bit.ly/4hscholarship](https://bit.ly/4hscholarship) to download applications.

Applications due to County 4-H Educator January 25.
