

# NOVEMBER

## CHALLENGE KITS

### DIY BEADED FLINT CORN

November Challenge Kits consisted of the items needed to make your own DIY Beaded Flint Corn.

Open to ALL Harrison County community members! First three to complete the challenge get a prize! Limited quantities available, so stop by the Extension Office Monday-Friday from 8am-4:30pm to pick yours up!

# EXTENSION CHALLENGE KITS

**WHAT:** What is an Extension Challenge Kit? Our monthly challenge kits provide instructions and most materials to do a DIY educational project or two on your own. The kits are geared towards ALL Harrison County community members, and focus on Extension education areas such as Agriculture and Natural Resources or Health and Human Sciences. Our kits are FREE, but come in limited quantities so be sure to check in with us at the first of each month.

**WHEN:** We release our challenge kits at the beginning of each month in the Extension Office. You can come in Monday-Friday 8:00am-4:30pm to pick yours up in person. Check our Facebook for information at the first of each month regarding challenge details, and feel free to call the office to see if kits are still available (limited quantities).

**WHY:** Our kits are a way for us to provide outreach and engage with Harrison County community members, by supplying a hands-on, project-based learning opportunity to be explored on your own. Many of our challenge kits can also be turned into projects to be submitted at the fair. Each month we have a prize for the first three completed challenges submitted. We'd love to see your completed projects in-person at the office, or you can submit your photos or videos via email to [camm@purdue.edu](mailto:camm@purdue.edu) or [tdbeckma@purdue.edu](mailto:tdbeckma@purdue.edu) or on our Facebook page by commenting on the pinned Challenge Kit post at the top of the page.

# EXTENSION CHALLENGE KITS

**IDEAS:** Do you have ideas for future Challenges-- maybe an area of interest you'd like to explore? Our challenge kits have been evolving over the past year and we would love to hear your wonderful ideas and input. Please reach out to our office via contact info below if you have a great idea for a future challenge kit. Kits we have done in the past include topics such as: Sewing, Apple Culinary, Pumpkin STEM, Salt Dough Ornament, Snowflake Crystals, Heart Health Model, Wildlife Birdfeeders, Egg Rockets, Planting Seeds of Hope, Butterfly Life Cycle, Produce Puffy Paint, Let's Go Fishing, Literacy Bingo, Pumpkin Slime and Volcano.

**SPONSORSHIP:** Would you like to support our Extension Challenge Kits by helping us provide supplies to make these challenges possible? We are looking for sponsors as we work to grow and expand our reach and efforts. Each month we currently provide 20 kits, with an estimated cost of supplies at \$2.00 per kit. We would love to further extend the challenge to the Harrison County community with your help. Please let us know if you would like to be a sponsor by contacting us via the information below.
