This Harrison-Crawford Counties Indiana
Plat Book contains:

Landowner maps that concentrate on rural landownership with detailed acreage information, parcel boundaries and section lines. Each map includes highways, roads, waterways, railways and municipal boundaries.

Specialty maps include Harrison County Road Map, Watersheds Map & Soils Map - Crawford County Road Map, Watersheds Map & Soils Map.

3D LiDAR Aerial Maps facing the landowner map pages. The aerial maps are enhanced using elevation data from the USGS's National Elevation Dataset (NED), creating a 3D effect showing the actual topography of the land.

Road Index showing all roads in Harrison-Crawford Counties.

Landowner Index that allows for easy identification of rural landowners in Harrison-Crawford Counties Indiana.

Full color printing, spiral-bound, 8 1/2 x 11, 132 pages.
