

Extension Homemakers

Who we are:

The mission of the Indiana Extension Homemakers is to strengthen families through continuing education, leadership development, and volunteer community support. We believe in the present and its opportunities, in the future and its promises, in everything that makes life large and lovely, in the divine joy of living and helping others, and so we endeavor to pass on to others that which has benefited us, striving to go onward and upward, reaching the pinnacle of economic perfection, in improving, enlarging and endearing the greatest institution in the world – The Home.

Pocket Hearts

Pocket Hearts are meant to scatter kindness everywhere! It's a simple gesture of kindness that can be placed anywhere and everywhere or even sent in the mail. How about making a basketful of hearts and dropping them off at your dentist office to be placed for patients to pick up, or tape one to a vending machine! The idea is that they will reach people that are outside of our norm of who we currently do outreach to! But wait...there's more! Remember I said it would bring awareness to IEHA? That's where the #IEHA Way comes into play. Attached to these Pocket Hearts will be a tag. On the front it will explain what a Pocket Heart is and on the backside it will tell them who it is from – US!!! It will ask them to post a picture of their Pocket Heart and where they got it and to tag #IEHA on the post.

Holiday Workshop

The Harrison County IEHA had their Holiday Workshop at the Extension Office and what a great event it was! It was nice to have such a great turnout with 56 in total. Each club did a creative 15 minute demonstration on how to make a specific food or craft. The various clubs also brought wonderfully prepared items for lunch, and supported one another through purchases so that each club can better carry out the mission of the Extension Homemakers. Harrison County is participating in the statewide IEHA Scatter Kindness campaign and everyone got take-home kits to make IEHA Pocket Hearts. Everyone had such a fun time getting together and we are already thinking about next year!

Extension Homemakers

Annual Cherry Pie Contest

The Harrison County Extension Homemakers host an annual Pie Contest and Auction during the Fair. Anyone can bring their homemade pie to be judged. After judging, the pies will be auctioned with the proceeds going to the Harrison County Extension Homemakers. Most of the auction funds are given as scholarships in the spring. We sincerely appreciate everyone's support and participation toward this annual endeavor.
