Important Rider Option Notes:

The ATV Safety Program is designed to teach participants about safe and responsible, riding techniques, practices, and ownership, this should be reinforced outside of 4-H.

4-H members are required to attend one Safety meeting, before the 4-Her can participate in riding sessions. This attendance is mandatory each year. All riding participants must be at the mandatory Safety Meeting and have all the paperwork filled out prior to the first scheduled ride. It is strongly encouraged that youth interested in riding during the County Fair Demonstration attend two-thirds (2/3) of the classroom and ride trainings before Fair.

The 4-Her must provide their own ATV (defined as a 4 wheeled vehicle that is operated by straddling the seat and has handle bars to steer). This machine must fit the 4-Her based on the following guidelines:

- Clearance between ATV seat and inseam while standing up on foot pegs should be no less than 3 inches.
- Must be able to reach the handle bars, throttle, and brakes while sitting on the seat at full reach during a turn left and right.
- Upper legs from knee to hip should be horizontal to the ground/ foot pegs/ floor board.
- 4-Her's foot should be able to reach the foot brake and gear shift. While seated normally without strain.

The 4-Her must have the following safety gear when participating in meetings that require the operation of the ATV:

- DOT Certified Helmet
- Long Pants
- Long Sleeved Shirt
- Boots (above the ankle)
- Gloves and Eye protection/Goggles (Optional but highly recommended)

Riders must have the following completed and turned in before they can ride on the fairgrounds:

- 4-H Enrollment with State Program Fee Paid
- ATV Inspection Form
- State of Indiana Registration
- Proof of insurance on the ATV

Participants both riders and non-riders, may exhibit a poster or notebook/journal during the fair on what they have learned through the ATV Safety program.
