

# WHAT'S HAPPENING WITH PURDUE EXTENSION - HENRY COUNTY AGRICULTURE AND NATURAL RESOURCES?

## A NOTE FROM ANR EDUCATOR

I hope planting and gardening season is off to a great start for everyone! Things are starting to ramp up for the 4-H Fair in our office. You may also notice a last name change for the local ANR educator. To say I have been a bit busy is an understatement! I am happy to get back in the swing of things this spring and summer. We are planning another Extension Master Gardener Basic Training Course this fall as well as two PARPs. We will also be having our annual DPAC field day in August. Women in AG events will continue to occur each quarter. We will host one event in Henry County in September so be on the lookout for that flyer being sent out soon! Goodluck with the planting and gardening season. Please give our office a call if we can assist you with anything!
