Dear 4-H Member,

Enclosed please find information regarding the **2023 Area 7 4-H Camp & 4-H Teen Camp, May 31-June 2** at Camp Higher Ground in West Harrison, IN. This event provides a wonderful opportunity for you to make new friends, experience the world away from home, and learn about lots of new things. This year we will discover and investigate what it means to become a **"4-H Detective"** while solving the camp mystery!

Area 7 4-H Camp is divided into two sections- youth camp and teen camp. 4-H youth camp is for members in Grades 3-5, and includes a variety of fun, hands-on activities, involving STEM, leadership, healthy living, art, hiking, swimming, and more.

Teen camp is geared specifically toward youth in Grades 6-8, and provides a wonderful opportunity for youth to grow as leaders. Youth in teen camp may go zip-lining, swimming, and participate in team building and many other fun, leadership-building activities. *IMPORTANT NOTE:* We are limited in the number of campers that we can accept for teen camp, so we are utilizing an application process in order to make sure we have enough room at camp.

If you are interested in attending, fill out the attached paper registration form enclosed and return it to the Extension Office by **Friday, May 5th**. This deadline is important because we need to know t-shirt sizes and final numbers in order to plan accordingly! A special shout-out to the Henry County 4-H Association for sponsoring half of the 4-H/Teen Camp fees, the adjusted price is reflected on the registration form. Thank you for helping send our 4-H members to camp this summer!

We hope that you decide to take part in 4-H Camp, it will be a trip that you will never forget!

Sincerely,

Kelsey Meyers & Danielle Hunt
