

Sunny Sinnamon Memorial Scholarship

Scholarship Background

Sunny Sinnamon lived for agriculture, 4-H, and the entire fair season. He was a supporter of youth livestock programs and 4-H serving as a club and project leader for many years. Easy to find at several county fairs with a smile on his face, cowboy hat on his head, and prepared to have a lengthy chat with any friend within a yelling distance. He served eight years on the Indiana State Fair Board, two of which were president over the fair. Sunny supported the Indiana Junior Swine, Sheep, and Beef Cattle Associations, and was a recipient of the Sagamore of the Wabash. He was a huge ambassador for the 4-H program through the relationships he cultivated over the course of 80 years of life. Sunny left a legacy of a deep love for 4-H through his friends and loved ones and the county fair season will miss him in the years to come.
