EXHIBIT REQUIREMENTS

All Policies and Procedures for Exhibition can be found by visiting <https://bit.ly/PoliciesIntroduction>. Jackson County will follow all guidelines listed by the State 4-H Office unless otherwise noted in the Jackson County Guidelines.

The following requirements must be met for exhibition at the Jackson County Fair. The recordsheet completes the project.

Safety Policy For Mini 4-H Members [Section 9: Risk Management](#)

Policy Regarding Overnight Stay At Fairgrounds can be found in [Section 9: Risk Management](#)

Miscellaneous:

1. More specific instructions for exhibits may be found in project books. PLEASE LOOK THERE FIRST.
2. DIVISIONS NOT AVAILABLE – Where divisions are not available, the 4-H member may develop his or her program and exhibit with the help of the adult leader.
3. If a problem arises at the fair concerning 4-H events and projects, the 4-H Council Committee, consisting of three or more people, or an Extension Educator and two 4-H Council members will make the final decision as to what is to be done.
4. No alcohol is permitted on or near the fairgrounds. Any 4-H'er who is found using alcohol will be asked to leave the fairgrounds and remove all 4-H projects.
5. ALL EXHIBITS will be released between 3:00 p.m. and 5:00 p.m. on Sunday.
6. Projects that are not picked up by October will be donated. 4-H members are responsible for their own projects.
7. The Jackson County Fair and Jackson County 4-H do not assume any liability for loss or damage to any article, but the volunteers will use all precaution possible to avoid any loss or damage.
8. Action demonstrations can be done at the fair to complete project and receive a participation ribbon.

Paperwork:

1. All record books must be turned in by Wednesday prior to fair week, completely filled out. (This also includes records of projects which are entered on Saturday and also livestock records.) CURRENT PROJECT RECORDS SHOULD BE IN THE FRONT OF THE GREEN FOLDER WITH THE RECORD OF ACHIEVEMENT (white cardstock sheet) DIVIDING CURRENT RECORDS FROM PREVIOUS YEARS. Both sides of the Record of Achievement should be filled out completely and specifically since these are transferred to the member's permanent record card following the fair. Selection of county awards and trip recipients are based on these records.
2. ALL PROJECTS require a completed record sheet to be included in the green folder.

Judging:

1. RIBBONS will be awarded according to the Danish group system of merit in all 4-H classes except Horse & Pony. The proportion of each color of ribbons awarded in each class will depend on the quality of the exhibits. Green ribbons are used only when minimum standards have not been met and do NOT denote incompleteness. Champion and Reserve Champion ribbons will be awarded in all lower or grade divisions, and in some cases upper divisions where there are 3 or more entries and/or the exhibit merits the distinction (as determined by the judge). Where there are not usually a sizeable number of exhibits and/where there upper divisions are together, Division V and up will be judged together and only one Champion and one Reserve Champion will be named if there are exhibits that so merit. Projects selected for State Fair are usually the Division Champion. Remember, not all projects and/or divisions are eligible to be shown at the State Fair (this is determined by the State Fair).
2. COMMUNITY STYLE OR OPEN JUDGING allows the 4-H'ers to be present during judging to receive information and answer questions from the judges. Attendance is helpful but not mandatory.
3. 4-H'ers may skip ONE division by completing the division to be skipped, showing the finished item to their 4-H Leaders and contacting the Extension Office to update enrollment forms. The 4-H'er may then advance to the next division and only exhibit the higher division at the fair.
4. Any project arriving during judging on the date stated, but past the deadline time, will be judged, but will not be considered for any placing higher than a blue ribbon. Exhibits arriving after judging is completed will **not** be judged and will receive a participation ribbon.
5. It is at the judge's discretion if a Champion or Reserve Champion is given based on exhibits meeting requirements.

LIVESTOCK /
ANIMAL PROJECT
MANUAL

4-H GENERAL ANIMAL GUIDELINES

See livestock mailing in June for more information related to the fair.

All Policies and Procedures for Exhibition can be found by visiting <https://bit.ly/PoliciesIntroduction>. Jackson County will follow all guidelines listed by the State 4-H Office unless otherwise noted in the Jackson County Guidelines.

Mini 4-H Members:

Mini 4-H members are not to show in competitive livestock competitions of any kind. Mini Livestock members exhibit a poster in the 4-H Building, due the Wednesday before the fair. See Safety Policy for mini 4-H Members in [Section 9](#): Risk Management

Animal Ownership Policies can be found in [Section 6](#): 4-H Awards and Competitions Guidelines

General Animal Fair Information:

- 4-H Livestock members may exhibit no more than three (3) market animals per area - beef, dairy beef, goat, sheep, and swine. Swine members may exhibit no more than three (3) breeding animals (gilts).
- No animal can show in the Jackson County Fair unless entered at ID Day (if required by breed/species) and in 4-H Online.
- Animals that die after the designated ID Day or 4-H Online enrollment deadline will not be permitted to be replaced and shown at the Jackson County Fair.
- All electronic devices used in the barns must be a UL listed item. This includes, but is not limited to, fans and radios. All extension cords must be UL listed and contain a three prong plug.
- Sale signs are not allowed for 4-H projects during fair week.
- Any exhibitor who, with disrespectful language or unprofessional and/or public manner, takes exceptions to the judgment of any awarding committee, official, or judge, shall be prohibited by the Fair Committee from competing for further premiums/awards and will be required to take the exhibit from the grounds of the association. Said exhibitor will also forfeit entry fee and any premiums/awards awarded prior to the incident. Nor shall any exhibitor or person representing the exhibitor interfere with or show disrespect to any judge or show official.
- Indiana 4-H Quality Livestock Care Certification is required for all Indiana 4-H members showing livestock: **pigs, beef cattle, dairy cattle, sheep, goats, market rabbits, and poultry.**

Born & Raised:

Beef Steers & Heifers, Dairy Beef Steers, Sheep Market & Breeding, Boer Goat

- Beginning 2012 the Born & Raised class is defined as “a class for 4-H animals which were born on the 4-Her’s **family** farm and raised by the same 4-H’er on the same **family** farm.” The **family** farm is defined as being owned by father, mother, stepfather, stepmother, legal guardian, brother, sister, half-brother, half-sister, stepbrother, stepsister, grandfather, grandmother, step grandfather, step grandmother, aunt or uncle.
- Enrollment into the 4-H Born & Raised class will be done at time of online identification for livestock. Appropriate entry must be made at the time of online identification. No entries will be accepted after this deadline.

Care, Fitting & Grooming of Animals:

- At the Jackson County Fair the 4-H animal exhibitor may receive CLIPPING AND GROOMING ASSISTANCE only from their immediate family which is defined as a father, mother, stepfather, stepmother, sibling, grandfather, grandmother, step grandfather, stepgrandmother, aunt or uncle or from another current Jackson County 4-H exhibitor. PLEASE NOTE, THIS IS DIFFERENT THAN STATE FAIR POLICY
- False switches will not be allowed. (Except for horses.) Only hair that is growing naturally on the specific animal in that specific location is acceptable. If an animal is altered, the animal in question shall be disqualified and all awards for that animal shall be forfeited.
- The direct application of ice, ice water, alcohol, Freon or any other refrigerant to the hide is strictly prohibited. This deceptive, fraudulent practice will cause the animal(s) to be disqualified immediately.
- Application of cold towels is permitted.
- UNETHICAL FITTING OF ANIMAL EXHIBITS is defined as the administration of any substance (to include, but not limited to drugs, blood, oils, steroids, air, chemical substances) or performance of any surgical or non-surgical procedure altering the animal's configuration or natural conformation of any part of the animal's body, or rendering its tissues unfit for human consumption and is prohibited. Exceptions that are allowed include hoof trimming, dehorning, removal of hair, castration, branding, tattooing, ear notching, docking of tails on sheep and swine, and coloring or manipulation of normally attached hair that does not alter or misrepresent breed characteristics or the animal's configuration or natural conformation.
- Show animals must meet all requirements for proper withdrawal date on all medications.
- If anyone is caught giving alcoholic beverages to 4-H livestock, the 4-H member will be disqualified from showing that animal in a 4-H Show and will be required to remove the animals in question from the fairgrounds.
- 4-H MARKET ANIMALS SHALL NOT CONTAIN any foreign substance including: drugs, steroids, or chemicals, greater than those standards established by the United States Department of Agriculture (USDA) or the Food and Drug Administration (FDA) as permissible for sale for consumption as human food upon entry at the fair.
- 4-H animals shall be free of any foreign substance, including steroids, drugs, or chemicals affecting the central nervous system (for example, stimulants, depressants or painkillers), except for equine exhibitors which are subject to levels established by the United States Equestrian Federation.
- Drugs may not be administered to 4-H animal exhibits at the Fair except those administered by a veterinarian upon notification of a Jackson County 4-H Council Member.
- Veterinarians are permitted to treat animals for illness, but are not permitted to treat lameness and/or unsoundness cases related to an animal's movement.
- All treatments performed by veterinarians shall be reported to a 4-H Council Member at treatment time.
- TAMPERING, ALTERING, AND /OR MISREPRESENTATION relative to any exhibit is prohibited. This prohibited activity includes, but is not limited to, the breeding age, ownership, and/or method of preparation or completion. (For example, with animal exhibits, this includes, but is not limited to, coloring that alters or misrepresents breed characteristics, pumping, and filling).

Substitute Showman Policy information can be found in [Section 6: State Fair Terms and Conditions](#)

Showmanship:

All 4-H members must show their OWN animals for showmanship. There shall be three showmanship divisions (Junior, Senior and Master) in the Dairy and Dairy Beef shows and four in the Beef, Goat, Sheep and Swine shows (fourth being Rookie). The Junior Division shall consist of those 4-H members who are 7th grade or younger. A 4-H'er once winning the Junior Division, regardless of grade, must thereafter show in the Senior Division. Senior Division winners must thereafter show in the Master Division. Master Class includes all who have previously won the Senior Division. Rookie Class includes first year members of the project. A 4-H member may participate in the Master Class as long as he/she is enrolled in the 4-H program.

Master Showmanship:

The Master Showmanship winners from Beef, Boer Goat, Dairy, Dairy Beef, Dairy Goat, Sheep and Swine will compete for the title of Supreme Showman.

Supreme Showmanship:

- **Supreme Showmanship:** Winners of Master Showmanship from Beef, Boer Goat, Dairy, Dairy Beef, Dairy Goat, Sheep, and Swine will have the opportunity to participate in the Supreme Showmanship contest. If the winner has won Master Showmanship in multiple species, they will still represent all of the species that they won. If the Master Showman forfeits their right to show or cannot attend the contest, that specie will not have a representative to vie for Supreme Showman. No Reserve Master Showmanship winners will take the place of the winner from the delegated specie.
- **Details of the Supreme Showmanship contest:** Representatives from the Master Showmanship contests will show livestock from the above species. Order of show will be determined the day of the show. Livestock selected for the contest will be determined by the barn superintendent. All show supplies for that species will be provided by the barn superintendent and given to the showman upon receiving the animal for show. Each participant will take a general livestock quiz prepared by the event coordinator and will only be used in case of a tie. Participants may be asked to speak on the microphone.
Answers to questions will be left to the discretion of the judge and only the answer to the question will be considered part of the contest and not the quality as to which it was presented.
- **Junior Supreme Showmanship:** Winners of Junior Showmanship from Beef, Boer Goat, Dairy, Dairy Beef, Dairy Goat, Sheep, and Swine will have the opportunity to participate in the Junior Supreme Showmanship contest. If the winner has won Junior Showmanship in multiple species, they will still represent all of the species that they won. If the Junior Showman forfeits their right to show or cannot attend the contest, that specie will not have a representative to vie for Junior Supreme Showman. No Reserve Junior Showmanship winners will take the place of the winner from the delegated specie.
- **Details of the Junior Supreme Showmanship contest:** Representatives from the Junior Showmanship contests will show livestock from the above species. Order of show will be determined the day of the show. Livestock selected for the contest will be determined by the barn superintendent. All show supplies for that species will be provided by the barn superintendent and given to the showman upon receiving the

animal for show. Each participant will take a general livestock quiz prepared by the event coordinator and will only be used in case of a tie. Participants may be asked to speak on microphone. Answers to questions will be left to the discretion of the judge and only the answer to the question will be considered part of the contest and not the quality as to which it was presented. Judges for the event will be any previous Jackson County 4-H Supreme Showmanship participant who would like to volunteer to judge. In the event that a judge is related to a showmanship participant, both the judge and participant will continue in the event. The judge must not be a current 4-H member.

Grand Parade of Livestock:

Any 4-H livestock member may participate in the Grand Parade of Livestock. All participants must sign up. Sign up information will be available from the 4-H Building.

Pen Reservations:

Reservations are due to the Extension Office by the date according to the pen reservation mailing. (Open Class fees are **payable** upon entry of livestock at the **Fair Board Office**). There are no fees for 4-H'ers showing only 4-H animals. Please only reserve pens for animals (no single hog pens, no tack pens). No animal will be given 4-H pen space if there is no designated 4-H area in which that animal may show.

Auction:

- Families will fill out Auction Consignment questions and Pen Reservation Questions in Fair Entry. Auction Consignment Information must be turned in NO LATER THAN JULY 5th! There will be absolutely no late auction consignments accepted. The \$20 Auction Consignment Fee will come out of the check written to the 4-H'er from the proceeds from the sale of their auction animal.
- Information pertaining to the 4-H Livestock Auction will be sent out in a letter to all Livestock members. Each 4-H member may sell no more than one beef, dairy beef, sheep, goat, swine, rabbits or poultry.
- Each 4-H member must have a picture with his/her animal(s) that will be selling in the 4-H Auction. This picture will be given to the buyer of that animal during the auction
- All sales are final.
- Animals must be exhibited in the County 4-H show to be eligible for sale.
- Only market animals shown in a market class can sell at the auction.
- 4-H members are expected to sell their own animal in the auction.
- Auction species must be determined by a date in early July set annually by the 4-H Council. If a 4-H livestock exhibitor experiences the loss, or impairment of their auction animal prior to the auction, they may substitute an alternate animal regardless of species with approval of the Jackson County 4-H Livestock/Auction committee. In the event that a 4-H member substitutes an alternative animal, that animal must belong to the 4-H member and be exhibited by the 4-H member in a market class during fair week. During check-in of the 4-H member's livestock at the Jackson County Fair, the 4-H member needs to declare to the respective barn superintendent, the decision to switch species. If the animal dies or is impaired between check in and the auction, the 4-H member must notify their committee chairperson immediately, for approval to switch species.
- Poultry and Rabbits may be sold in the auction as long as there is a market buyer confirmed each year.

State Fair:

4-H members interested in showing at the State Fair will need to enter their animal(s) by the designated State Fair Deadline. Information about State Fair can be found at:
www.indianastatefair.com

Animal Affidavits must be obtained from the Extension Office or online and completed prior to arriving at the Indiana State Fairgrounds.

Beef

Read official health terms and conditions, general terms and conditions and official ownership terms and conditions in the 4-H General Animal Guidelines Section. Pay particular attention to terms on tampering, misrepresentation, conduct, drugs, etc. All 4-H beef animals must be identified in the online system by the assigned date listed below. Information on how to enroll will be included in the 4-H Newsletter. 4-H members should completely fill out all information on the 4-H Online system.

Exception will be for registered heifers. No beginning weight date and beginning weight will be needed for registered heifers.

- All market beef animals must have milk teeth at fair weigh in. The 4-H Livestock Committee reserves the right to randomly inspect all animals for milk teeth.
- Purebred heifers must have registration papers from their breed association and be identified by a readable tattoo and registration number or dam registration number and birth date at time of enrollment.
- The 4-H Beef Committee may require 4-H'ers to have heifer birthdays and steer weights printed on back numbers.
- A steer or heifer enrolled in a particular breed may be changed to the crossbred section before final entries are made.
- Registration certificates must be presented on Wednesday (for heifers) and at fair weigh in or ID weigh in, stating that the exhibitor owns the animal as per ownership terms on or before the enrollment deadline and continuously until show date. No exceptions will be allowed. Only registration papers issued by the breed association will be accepted – no photo copies or carbon copies and no FAX except a FAX directly from the national breedassociation to the Jackson County Extension Office.
- Steers and market heifers will be shown by breed and weight classes depending on the weight of the animal within a breed. Market animals should weigh at least 800 pounds to be sold through the auction. Market animals must have milk teeth in place to show and sell.

- Feeder calves will be shown by WEIGHT ONLY, not breed. Weight limit at fair time is 700 lbs. Feeder calves weighing more than 700 lbs. will be judged in a separate class and receive a red ribbon. Feeder calves will NOT be sold in the Auction. Feeder calves may be brought back the next year.

DAIRY BEEF

All 4-H dairy beef animals (registered and non-registered) must be enrolled online by date listed below. Information on how to enroll will be included in the 4-H Newsletter. 4-H members should completely fill out all information in 4-H Online.

Dairy Beef Steers must

- Attend ID Day (Check newsletter for date)
- Be identified in 4-H Online by May 15th.

Dairy Beef Feeder Steers must

- Attend ID Day (Check newsletter for date)
- Be identified in 4-H Online by May 15th.

4-H Dairy Beef Steers and Dairy Feeder Steers will consist of Holstein, Brown Swiss steers. Cost records should cover entire feeding period for not less than ID Day. Steers must be born January 1, 2023 or later and must have milk teeth to show and sell. Dairy Feeder Steers must be born January 1, 2024 or later. There will be a weight limit of 300 lbs. plus 3 lbs. per day from April 1 until ID Day.

- Read official health terms and conditions, general terms and conditions and official ownership terms and conditions in the 4-H General Animal Guidelines section. Pay particular attention to terms on tampering, misrepresentation, conduct, drugs, etc.
- Dairy Beef are weighed **once** at I.D. Day and **once** at the fair.
- All steers must have milk teeth at fair weigh in. The 4-H Livestock Committee reserves the right to randomly inspect all animals for milk teeth.
- All Dairy Beef must be 100% Dairy, Holstein or Brown Swiss or Holstein/Brown Swiss Cross, but do not have to be registered animals.
- No crossbred steers will be permitted. A breed classification committee will evaluate all steers and feeder steers for 100% dairy breed characteristics. The decision made by this committee will be final. This will take place at ID/Weigh In Days and at Weigh In at the Jackson County Fair. If determined steer or feeder steer is not 100% dairy the animal will be ineligible to be shown.
- All Dairy Steers and Dairy Feeder Steers must be properly dehorned and castrated prior to the Jackson County Fair. Freshly dehorned and castrated steers will not be allowed to show in this project.

Poster Exhibit Requirements: Posters are due the Wednesday before the Fair.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

Level 1 (Grades 3-5), Level 2 (Grades 6-8), Level 3 (Grades 9-12)

1. Turn in your green folder with record sheet on Wednesday prior to the Fair.
2. Exhibits (do a minimum of one)
 - A. Exhibit your animal(s) at the Jackson County Fair.

DOG

- 4-H members may exhibit two dogs at the 4-H Dog Show.
- All 4-H dogs must be owned and cared for by the 4-H'er by May 15.
- Outside of the show ring, all 4-H dogs must be on a leash or in their crate. No training is allowed in the building.
- All 4-H dogs must have a completed certificate of vaccination signed by a licensed and accredited veterinarian indicating that the dog has been vaccinated for rabies, distemper, hepatitis, parvovirus, leptospirosis and kennel cough to present at the Dog Show. Dates must be included for each vaccine. All information must be completed on the vaccination certificate or the animal will be sent home. Animals that are vaccinated at home must provide an original receipt for the vaccine and attach the receipt and the label for the vaccine on the vet form; in addition to putting the date of vaccination on the form. All youth enrolled in the project will receive a vaccination form with their project manuals.
- A dog displaying signs of aggression will not be allowed to show in the interest of safety to others associated with the show. Dogs that bite any official (including judges) will be disqualified from all further activities and will be sent home from the show.
- 4-H members are responsible for the actions of their dogs.
- Female dogs who are "in season" will not be allowed to compete in the dog show. These dogs should be left at home, so they do not distract other dogs and prevent the exhibitors from being able to demonstrate their true abilities.
- Excessive and/or inhumane treatment of a 4-H dog by a handler and/or family member will be grounds for disqualification of the 4-H exhibitor.
- 4-H dogs must wear a well fitted slip, buckle, or martindale collar made of leather, fabric or chain in order to be exhibited in dog show classes. The leash must be made of fabric or leather and must be six (6) feet in length. Collar tags will not be allowed in the 4-H show. Head halters are useful training tools, and are acceptable in the 4-H training program. However, the head halter is not acceptable show equipment.
- A dog being shown in the dog project must belong to the exhibitor or to a member of the immediate family or household. Dogs may only be shown by the 4-H member. This term does not apply to siblings and parents.
- The 4-H showmanship and agility dog must be the same animal that was shown by the 4-H exhibitor in an obedience class. Dogs that have been disqualified in their obedience class are not eligible for exhibition in showmanship or agility.
- Commercial advertisement or insignia on 4-H exhibitors is prohibited during the dog show; however, the 4-H clover is permitted.
- All 4-H exhibitors are required to clean up after their dog.
- The 4-H arm band number should be exhibited on the handler's left arm at all times when competing in the ring.
- No bait allowed in the ring except for showmanship.

Fourth Year - Section B (Class 4-B): For 4-H'ers and dogs which have spent a year in 4-A, but are not ready for fifth year work. May be repeated.

Fifth Year - Section A (Class 5-A): For 4-H'ers and dogs which have completed fourth year work.

Fifth Year - Section B (Class 5-B): For 4-H'ers and dogs which have spent a year in 5-A, but are not ready for sixth year work. May be repeated.

Sixth Year - Section A (Class 6-A): For 4-H'ers and dogs who have completed fifth year work.

Sixth Year - Section B (Class 6-B): For 4-H'ers and dogs which have spent a year in 6-A and may repeat.

Veterans Class: For dogs 7 years old and above, or who have physical impairments which prohibit them from participating in other classes. The dog must have completed at least class 2-B in previous years. Dogs which are physically challenged must be accompanied by a letter from a veterinarian stating that the dog is unable to perform jumping and/or retrieving

exercises. A dog may not show in any other obedience class, once they have competed in the Veteran's Class. May be repeated.

NOTE: CLASS CHANGES AT THE LEADERS DISCRETION ONLY!

Poster Exhibit Requirements:

Indiana 4-H Aggressive Dog Policy

The safety and well-being of 4-H members and volunteers is a primary concern with all Indiana 4-H Program opportunities. Families should err on the side of caution in selecting a dog for the 4-H member to exhibit. A dog that has a known history of aggression or biting is not appropriate for involvement in the 4-H Program. On occasion, the 4-H member may have difficulty managing their dog within the 4-H Program. The following guidance has been provided for the Indiana 4-H Dog Program as the owner/exhibitor of the dog bears responsibility for the dog's actions. In the subsequent policy, the term "4-H Dog Personnel" will include County 4-H Volunteers, County Extension Educators, State 4-H Staff and appropriate County and State Fair Directors.

A dog that bites a human or another dog at any 4-H Dog Event must be immediately removed from that event by the 4-H member and will subsequently be excused from the 4-H Program. The member should be directed by 4-H Dog Personnel on-site to remove the dog if the member does not willingly. If a determination is made by the 4-H Dog Personnel that a dog bit in self-defense, it may be allowed to remain at the 4-H Dog Event.

Dogs that display other signs of aggression, including but not limited to barking and standing ground, growling, lunging and snapping will be given one verbal warning. They will be removed from the event after the second violation at the same event. To be removed from a 4-H Dog Event, there must be two violations at the same event.

Any dog that is removed from a 4-H Dog Event due to aggressive behavior will be placed on probation for 2 weeks. Written notification of the probation will be given to the 4-H member. The 2-week period will start upon written notification to the 4-H member. While on probation, the 4-H Dog Personnel and the 4-H member and parents will work together to determine the best course of action for the dog. This may include (but is not limited to) working individually with the dog and 4-H member, asking the 4-H member to use a different dog or having the 4-H member attend events without their dog. At the end of the designated probation period, 4-H Dog Personnel will decide regarding the dog's return to 4-H Dog Events.

Dogs that are removed from a 4-H Dog Event twice will be immediately excused from the 4-H program and will not be allowed to re-enter. Excusing a dog from the 4-H Program is rare but could be necessary for the safety of 4-H members, volunteers, and other participating dogs. Should a dog be excused from the program, it must be remembered that the action is against dog and not the 4-H member. 4-H Dog Personnel should look at many solutions and encourage the 4-H member to attend classes without their dog while training it at home or potentially bringing another dog to 4-H events. 4-H members will always be welcome in every other part of the dog project.

In the event that a dog is removed from a 4-H Dog Event or excused from the 4-H program, 4-H Dog Personnel should report such to the State 4-H Office so that the information is available at all county 4-H dog programs and the Indiana State Fair.

Goat

Boer, Dairy, Myotonic

All 4-H goats must be owned and enrolled online by May 15th. Information on how to enroll will be included in the 4-H Newsletter. 4-H members should completely fill out all information on the online system. Exception would be if your animal was not weighed at ID Day, do not include Beginning Weight Date or Beginning Weight.

All Boer, Dairy and Myotonic Goats will be identified using State 4-H guidelines.

- Any Registered Boer, Dairy or Myotonic Goat needs a tattoo for identification purposes.
- Any one animal may not be enrolled by more than one 4-H member, except brothers and sisters. Animals would need to be entered under each siblings online identification.
- Registered Boer Goat Does and Dairy Goat Does must be identified by either their own registration number or their dam's registration number. This number must be typed in the 4-H Online animal enrollment system by May 15th and must match the animal's registration paper. The system will not accept "Papers Applied For." The animal's birth date, breed, and tattoo number must be listed and these numbers must match the animal's registration paper. At check-in at the fair, original registration papers must be presented and tattoos must match the registration papers and the original animal enrollment papers. "Recorded Grade" is a registered class for Dairy Goats.
- Meat goat wethers and non-registered meat goat does Commercial Does, Market Does must be ear tagged at the JacksonCounty ID Day. If you have a Lamancha wether, you must contact the Extension Office to receive a County Tag number and the animal must be tattooed prior to ID day. All goat's five digit tag number or tattoo must be recorded in the online enrollment system along with its birth date.
- 4-H exhibitors must have been enrolled in a goat project in Jackson County before May 15th.
- A Born & Raised class for Boer Goat wethers will be offered at the Jackson County Fair. Please see **Born & Raised information at the beginning of the animal section** for more details.

4-H Goat Exhibition Terms and Conditions

- a. An exhibitor is limited to a maximum of two (2) entries per class.
- b. Dairy goats with horns are not permitted.
- c. No bucks are permitted.
- d. Every goat must have a collar and tie chain available if needed.
- e. It is recommended that a dairy goat exhibitor wear a white blouse/shirt and white/black pants or skirt/split skirt to show their dairy goats. The exhibitor's midriff should not be exposed when standing or bending over.

Exhibit requirements: One article that has been stained or glazed. Use techniques learned over the course of the project.

Collections

Description: Youth participating in the Collections Project will learn how to start and maintain a collection of similar items that are of interest to the exhibitor.

Exhibit Guidelines: 4-H member must fill out a record sheet to be turned in with the green record book.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.

Exhibit Options (can do one or both)

1. Your collection or samples from your collection. Remember to exhibit new items from your collection every year. Be creative in the display of your collection as long as it is not bigger than 2'x3'x3' (length,width, height). If your collection is bigger than that or very valuable, you can exhibit a poster (22"x28" displayed horizontally) or a notebook containing photographs of the items in your collections. No living plants or animals may be displayed as a collection. A 4-H Collection Inventory Sheet should be attached to the exhibit.

Exhibit Class Guidelines:

There are three divisions divided according to members' grades:

Beginner (Grades 3-5), Intermediate (Grades 6-8), Advanced (Grades 9-12)

Exhibit options are the same for all youth in grades 3-12

Corn

Description: Youth participating in the Corn Project will learn how to select seeds, grow and maintain their crops, and select and harvest the plants and/or grains for exhibit.

Exhibit Guidelines: 4-H member must fill out a record sheet to be turned in with the green record book.

Exhibit Options (can do one or both):

Peck of Shelled Corn

1. Exhibit one peck (8 quarts or 1/4 bushel) of corn in sack furnished by member.
2. One exhibit per member.

Full Grown Plants

1. Exhibit three full grown plants in buckets.
2. All plants must include a washed complete root system.
3. On one of the plants, using shipping tags or 3" x 5" cards, correctly identify and label five exterior plant parts.

Exhibit Class Guidelines:

There are three divisions divided according to members' grades:

Beginner (Grades 3-5), Intermediate (Grades 6-8), Advanced (Grades 9-12)

Exhibit options are the same for all youth in grades 3-12

Note: If the exhibit so warrants, there will be a champion in each division and one overall grand champion corn exhibit.

Geocaching

Description: Youth participating in the Geocaching Project will try to locate hidden containers called geocaches using GPS enabled devices and then share their experiences through their exhibit.

Exhibit Guidelines: 4-H member must fill out a record sheet to be turned in with the green record book.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.

Exhibit one of the following:

- 1) Create a poster or notebook on some aspect of Geocaching. Some topics might be:
 - Geocaching Safety Tips
 - Helpful Geocaching Tools
 - How to Prepare for a Geocache Outing
 - How to Read a Compass
 - How to use coordinates on a GPS device to find geocaches
 - Or some other interesting geocache topic, etc.
- 2) Create a Record Book/Notebook to keep track of all of your geocache adventures
 - Include log records, photos of your finds (such as trackables, geocoins, etc.)
- 3) Create a geocache that is ready to hide
 - Include official log finders to sign, cache explanation, tradable items, first to find reward, etc. Be sure to decorate it with camouflage paint or tape to blend with the intended hiding location.
- 4) Plan and conduct a geocaching outing and document the event with photos.

- 5) Plan a “Cache In Trash Out” Community Service project. Include finds and interesting details of the adventure.
- 6) Display a collection of your favorite geocache found items
 - Use your imagination and create your own project related to geocaching. Each year should show development and increase in scope and difficulty.
- 7) Create your own project
 - Your options are varied and it is up to you to be creative!

Exhibit Class Guidelines:

There are three divisions divided according to members' grades:

Beginner (Grades 3-5), Intermediate (Grades 6-8), Advanced (Grades 9-12)

Exhibit options are the same for all youth in grades 3-12

Gift Wrapping

Description: Youth participating in the Gift Wrapping Project will learn how to wrap various shaped containers using different wrapping techniques and their own creative themes.

Exhibit Guidelines:

1. 4-H member must fill out a record sheet to be turned in with the green record book.
2. Packages wrapped for exhibit should not contain an article.
3. Attach to project 4-H-618AW “4-H Craft Information Card” for description of work completed on the project.
4. If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed.
5. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon, will be judged but will not be displayed.

Exhibit Class Guidelines:

Beginner (grades 3-5)

Exhibit: Creatively wrap a square or rectangle box for exhibit

Intermediate (grades 6-8)

Exhibit: Creatively wrap a unique shaped box for exhibit (cylinder, box with lid, etc.)

Advanced (grades 9-12)

Exhibit: Creatively wrap any box or container of your choosing.

H.E.L.P

Description: Youth participating in the H.E.L.P. Project will learn how to become an active member in the community by taking a stand against hunger. By participating in this project youth will gain the knowledge, skills, and experience to make a difference not only in their own life, but in the lives of others.

This is a non-competitive leadership project, no fair awards will be awarded, but exhibits will be displayed.

Exhibit Guidelines: 4-H member must fill out a record sheet to be turned in with the green record book.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.

Complete one of the following exhibit options:

1. Volunteer at a local food pantry, community diner, or participate in a food drive. You can also host a food drive and donate the goods to a HELP food pantry, or any food pantry of your choice. Exhibit a poster focusing on one thing you learned from your project manual and your take-action project that will help fight hunger in your community.
2. Build an at-home garden full of fresh fruits and vegetables for your house or for someone you know in the community that doesn't have quick access to fruits or vegetables. Exhibit a poster with pictures of your garden, the steps required to shop for, build, plant, and take care of your garden.

3. A poster describing what a food desert is, what it means to live in one, how it can affect people and what we can do to help.
4. A pamphlet to be distributed with instructions on how to shop for, build, plant, and take care of a garden at home.
5. A poster on your research surrounding food insecurities in your area. Include what it means to be food insecure, resources that are available to those people, how to help, and possible solutions to end food insecurity.
6. A poster or model describing your take-action community service project (approved by the Purdue Extension Office) to help battle hunger near you.
7. Implement a composting system in the community or at your home. Poster describing your composting project (pictures, location, materials, why it is useful and how it helped with food waste or hunger)
8. A pamphlet that can be handed out or put in a local store/school that describes the pros and cons of composting, how to build a composting container, and what to do with your compost.
9. A composting model (12”x 12”x 12”) or poster that would educate the public.
10. A poster showcasing the prep, building, painting, and the placing of a H.E.L.P. Little Food Pantry.
11. A poster that presents any other project which receives approval from the Purdue Extension Office.

Exhibit Class Guidelines: Exhibit options are the same for all youth in grades 3-12

Leather Craft

Small Grains

Description: Youth participating in the Small Grains Project will learn how to select seeds, grow and maintain their crops, and select and harvest the plants and/or grains for exhibit.

Exhibit Guidelines: 4-H member must fill out a record sheet to be turned in with the green record book.

1. Exhibit one peck (8 quarts or $\frac{1}{4}$ bushel) of grain in an appropriate sized container furnished by member. (Wheat, Oats, Rye, Barley, Triticale)
2. One small grain exhibit per member.

Exhibit Class Guidelines:

There are three divisions divided according to members' grades:

Beginner (Grades 3-5), Intermediate (Grades 6-8), Advanced (Grades 9-12)

Exhibit options are the same for all youth in grades 3-12

Note: If the exhibit so warrants, there will be a champion in each division and one overall grand champion small grains exhibit.

Soybeans

Description: Youth participating in the Soybeans Project will learn how to select seeds, grow and maintain their crops, and select and harvest the plants and/or grains for exhibit.

Exhibit Guidelines: 4-H member must fill out a record sheet to be turned in with the green record book.

Exhibit Options (can do one or both):

Peck of Soybean Seeds

1. Exhibit one peck (8 quarts or 1/4 bushel) of corn in sack furnished by member.
2. One exhibit per member.

Full Grown Plants

1. Exhibit five full grown plants (including roots) tied together to hang upside down.
2. On one of the plants, using shipping tags or 3" x 5" cards, correctly identify and label five exterior plant parts.

Exhibit Class Guidelines:

There are three divisions divided according to members' grades:

Beginner (Grades 3-5), Intermediate (Grades 6-8), Advanced (Grades 9-12)

Exhibit options are the same for all youth in grades 3-12

Note: If the exhibit so warrants, there will be a champion in each division and one overall grand champion soybean exhibit.

Sports

Description: Youth participating in the Sports Project will educate others on a sport they actively participate in by relaying information such as rules, equipment, history of the game, and other related details.

Exhibit Guidelines:

4-H member must fill out a record sheet to be turned in with the green record book.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.

All Divisions will exhibit at fair time one display board, one scale model, one sports notebook or poster with a one page report on topics as stated. If doing a notebook, pictures should not be included on the report page but may be used to emphasize the report.

You may use pictures from printed publications, photographs, original art work, etc. to put in your notebook or on your poster. This would be in addition to the one page report. Be sure to label each illustration appropriately.

(Limit pictures to 4 pages fronts only. Do not add any extra pages.)
