Congratulations to all of our Jasper County Exhibitors!

## **Interested in Being a junior leader?**

Jr. Leaders is a group of motivated 4-H members from all over Jasper County who serve their 4-H program and community all year long. Jr. Leaders are involved in multiple 4-H activities, participate in community service activities, serve in leadership roles within their clubs, and oftentimes become mentors for younger members. Any 4-H member in grades 7-12 may become a Jr. Leader. To become a Jr. Leader, you must enroll in the Jr. Leader project when you enroll in 4-H later on this year. If you would like to visit a couple of meetings before you enroll, you are more than welcome to join us! Our first meeting this year will be on Monday, September 19th at 6:30 PM CST in the Community Building at the Fairgrounds. Here are the meeting dates scheduled for the 2022/2023 year:

## **Recruiting Adult 4-H Project Volunteers**

Jasper County 4-H program has a lot to offer the youth of this county and currently, we have over 60 different projects offered to our members. Sometimes, although a 4-H member is interested in a project, he or she might not have someone that is knowledgeable in that project to help them along the way. This is where our adult 4-H Project Volunteers come into play! Our 4-H project volunteers are there to help answer any questions a 4-H member has or give them some guidance on their project. Some of our project leaders offer classes or workshops to give demonstrations on techniques, share general knowledge of a project, or do some hands-on activities. The possibilities are endless! If you are interested in becoming an adult volunteer below are some project areas we are in need of some adult leadership:

If you are interested in becoming a 4-H Project Volunteer or have additional questions, please contact Peyton Newman at 219-866-9417 or [newman84@purdue.edu](mailto:newman84@purdue.edu)
