Remember, you are required to complete a Confirmation to Sell Form confirming the animal and ID of the animal you will be entering in the auction. The form will be available at the check-in table, along with the affidavits and show numbers. The confirmation to sell form and affidavit must be filled out and **signed by the parent, who must be present at the check-in table**. These two forms must be completed to receive your show number.

For those 4-H members who receive Grand Champion or Reserve Grand Champion and wish to sell that animal instead of the one previously signed up to sell, they will be allowed to switch animals up to one hour after their show (come to the Purdue Extension Fair Office to do this).

As always, members may only sell one livestock entry in the auction. (Example: one pig or one market beef, one rabbit or one pen of two roaster chickens, etc.)

All livestock workshop forms/record sheets must be turned in/shown to the species superintendent the day of check-in and turned in at the check-in table in the Gazebo.
