Indiana 4-H Program Statement of Policy: The Indiana 4-H Youth Development program serves the youth of Indiana by providing a strong educational youth development program. This program delivers educational experiences in a variety of settings. Caring, capable and contributing adults assist in the 4-H program as role models for youth. The rich heritage of the 4-H Program is one to be valued and passed along to future generations.

4-H Mission: The Indian 4-H Youth Development mission is to provide real-life educational opportunities that develop young people who positively impact their community and world.

4-H Vision: Indiana 4-H Youth Development strives to be the premier, community-based program empowering young people to reach their full potential.

4-H Pledge: I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service and my health to better living, for my Club, my Community, my Country, my World.

4-H Emblem: A green four-leaf clover with a white letter "H" on each cloverleaf. The four H's stand for Head, Heart, Hands and Health.

4-H Colors: Green & White are the 4-H colors. Green in the clover represents life, springtime and youth, White represents purity.

4-H Slogan: The slogan "Learn by Doing" is a constant incentive to motivate 4-H'ers to strive toward acquiring new skills and knowledge.

4-H Motto: "To Make the Best Better" gives motivation not to be content with the present but always strive make things better.

4-H Program Year: The Indiana 4-H Youth Development program is October 1 to September 30 annually attained by completing individual 4-H enrollment at v2.4honline.com starting October 1st.

Kosciusko County 4-H Council Members

The purpose of the Kosciusko County 4-H Council is to help plan and implement a 4-H program that is consistent with the Mission of Purdue University Cooperative Extension Service. The program should offer a variety of high-quality 4-H youth educational opportunities, be adequately supported and be in line with the developmental need of young people. Rules and guidelines listed for the 4-H Program have been approved by the Kosciusko County 4-H Council. Any recommended change must be approved by the Kosciusko County 4-H Council.

Extension

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution. This material may be available in alternative formats.

Indiana 4-H Policies & Procedures

The Indiana 4-H Youth Policies and Procedures Handbook includes certain standards and guidelines to assure that 4-H is a positive youth development program. County 4-H policy is guided by the county 4-H policy making or governing board (i.e., 4-H Council) as provided by the County Extension Board. Legal authority for the 4-H Program rests with the Director of the Cooperative Extension Service at Purdue University. No county 4-H policy may conflict with state 4-H policy or with federal guidelines and requirements.

Deadlines for county and state participation should be carefully constructed so as to encourage rather than to discourage participation. Such deadlines should be well published. Members not complying with established and published dates and deadlines for exhibition may be denied the opportunity to exhibit.

It is the policy of 4-H to be an inclusive organization. No county policy or practice should be used to arbitrarily exclude youth from either membership or participation. Youth should participate in 4-H Youth Development opportunities at levels and times that best suit the youth's development and support family involvement.

4-H Club Membership

Youth may become 4-H members when they enter the third grade and may continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years.

Exceptions:

1. Youth who enroll in grade three and are advanced academically (thus graduating early) may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.
2. Those youth who are academically advanced and "skip" 3rd grade, may begin the program as a 4th grader and may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.
3. Those youth who enroll in grade three and are retained a grade in school may continue to progress through the 4-H Program by adding subsequent years of participation, but MAY NOT exceed 10 years of participation. For example, if a member is retained one year in school (public, private, or home), their final year of 4-H membership would conclude the summer following their junior year of high school.
4. Those youth who entered the program in 3rd grade and for one reason or another leave formal education prior to the completion of 12th grade may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.

NOTE: 10 years of membership in the 4-H Youth Development Program is an opportunity --- not an entitlement. Those youth who do not enroll as 3rd grade students or meet the exceptions above, conclude their involvement with the program during the summer immediately following the completion of their senior year in high school.

An individual's 4-H grade is determined by the school grade in which he or she is classified at the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he or she enrolls in 4-H for the subsequent year. Each member should enroll in the division of a project/subject that would best suit his/her interest and potential for personal growth and would enhance their family involvement.

Opportunities in the 4-H program are available to all Indiana youth as defined regardless of race, religion, color, sex, age, national origin, marital status, parental status, sexual orientation or disability. Married young men and women of 4-H age may participate in any of the 4-H projects and activities. However, married persons must participate by the same terms and conditions and/or guidelines as unmarried participants. Membership in 4-H is gained by annually enrolling through a Purdue University Cooperative Extension Service Office located in each of Indiana's 92 counties.

The Indiana 4-H Youth Development program year is October 1 to September 30 annually. Enrollment is an annual process attained by completing individual 4-H enrollment via the 4HOnline enrollment process. Statewide 4HOnline enrollment occurs annually October 1 through January 15.

Mini 4-H Non-Competitive Policy

Mini 4-H is a program designed to encourage positive development of children, Kindergarten through second grade. The goal of Mini 4-H is to help young children explore friendships outside the family; explore the way in which things work; practice both small and large muscle control; and think about the ways people work together on projects.

The NON-COMPETITIVE learning environment for Mini 4-H includes:

1. Planned learning activities in which children are invited to be active and explore materials and ideas without the pressure of completing a specific product or exhibit.
2. Low adult/leader to child ratio that allows time for adults/leaders to provide individual, positive encouragement and assistance.
3. Simple, interesting activities that are fun.

4. Encouragement of children to participate in a group activity by sharing and or displaying their activity projects.
5. Rewards that are identical and/or ribbons of the same color for everyone.

DO NOT JUDGE projects, but instead discuss them with the child. **NOTE** Purdue University and the Indiana 4-H Youth Development Program do not support, endorse, or encourage 4-H programming for children prior to Kindergarten. 4-H Youth Development Extension staff members and 4-H Volunteers may not offer, or encourage others to offer, programming for children prior to Kindergarten.

Residence

Indiana youth typically enroll in 4-H Youth Development programs in the county or state in which they reside. However, individuals living in one county may join 4-H in another county. There may be educational or social reasons for an individual joining 4-H in a different county than that of their primary residence. During a single program year, a 4-H member enrolled in a given project is expected to enroll and exhibit that project only in one county of enrollment.

In the event that a project is not offered in the county of primary 4-H enrollment, a 4-H member may enroll in that specific project in a different county. Approval of this special exception rests with the 4-H Extension Educator. Participation in 4-H related activities and events (i.e., judging, share-the-fun, auction) must be in the county of primary 4-H enrollment.

The above policy is not intended to provide an escape mechanism for 4-H members and families who are unwilling to follow the terms and/or conditions in their current county of 4-H membership. Decisions regarding 4-H membership in a non-resident county (a county you do not live in), rest with the 4-H Extension Educator in the receiving county.

Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program. **NOTE:** In a statement from our federal partner in Washington, D.C., the following statement appears: *"Anytime there are procedures for exclusion of individuals from events which use the 4-H name there are potential challenges to enforcement of the exclusions. The challenges have a substantial potential to prevail and they frequently result in negative publicity for the organization. Therefore, before choosing a policy of exclusion it is wise to evaluate the exclusion being considered, to be sure there is an overwhelming educationally based need for the exclusion"*.

Behavioral Criteria for 4-H Events and Activities

To 4-H members, volunteers, parents and the public: When attending, participating or acting on behalf of the 4-H program, all persons are expected to conduct themselves in accordance with accepted standards of social behavior, to respect rights of others, and to refrain from any conduct which may be injurious to the 4-H program. The following actions constitute misconduct for which persons may be subject to disciplinary penalties and/or dismissal from the program:

- (a) Dishonesty in connection with any 4-H activity by cheating or knowingly furnishing false information.
- (b) Alteration or unauthorized use of 4-H records.
- (c) Obstruction or disruption of any 4-H activity or aiding and encouraging other persons to engage in such conduct.
- (d) Failure to comply or aiding or encouraging other persons not to comply with specific terms and conditions of a given project, contest, or activity.
- (e) Failure to comply with directions of 4-H officials acting in the proper performance of their duties.
- (f) Inhumane treatment of 4-H animal projects.

There are many opportunities for 4-H members, volunteers, parents and the public to participate in 4-H events and activities. When involved in such experiences, members, volunteers, parents and the public are expected to follow all rules and regulations as outlined by those responsible for the specific program or activity. In all such 4-H activities, the following constitute a violation of behavioral expectations:

1. Possession or use of fire crackers, gun powder, firearms, chemicals or other materials that can be used to create an explosive mixture.
2. Misuse of fire equipment or sounding a false fire alarm.
3. Having a guest of the opposite gender in your sleeping quarters.
4. Physical or verbal abuse of any person or conduct which threatens or endangers the health or safety of any person.
5. Theft of or malicious damage to property.
6. Possession, use, or distribution of alcohol, illegal drugs, tobacco and tobacco-like products, or other dangerous substances.
7. Inappropriate displays of affection towards another person(s).
8. Inappropriate clothing or lack of clothing during the event or activity.
9. Lewd, indecent, or obscene conduct.
10. Unauthorized entry, use or occupancy of any facility.
11. Any conduct which threatens or interferes with maintenance of appropriate order and discipline or invades the rights of others.

When violations occur at out-of-county, district, area, state and/or national 4-H events, the following procedures will be followed.

- (a) The parents/legal guardians will be contacted to arrange transportation home for the violator(s) and
- (b) The local extension educator will be notified.

Exhibition

Exhibition of 4-H projects/subjects in local, county, or state exhibits/fairs is voluntary on the part of the exhibitor. The exhibition of 4-H projects/subjects provides 4-H members an opportunity to display their 4-H projects/subjects, enter into competition, and participate in an educational/social environment with peers. With exhibition also comes the responsibility for abiding by all the terms and conditions pertaining to the respective 4-H project.

Completion

The completion of a 4-H experience may include a variety of options and must not be misinterpreted solely as exhibition of a project at a local, county, or state fair. There are a number of ways that a young person may participate in the 4-H Youth Development Program in addition to the club-based option. Participating in these 4-H opportunities enable the youth to build skills that will serve them well throughout their adult lives.

Some of these participation options do not include the preparation of a specific exhibit by an individual that would be on display at a fair or similar event. In some cases, the youths' actual participation may be the final product that results in their completion of a year of 4-H. Some examples of this participation include working as a team to develop a robot for a workshop or challenge; completing a Spark Club experience; participating in State 4-H Band or Chorus; taking part in a science training or experiment; participating in an after school 4-H experience; etc.

4-H members are considered complete in their 4-H educational experience for the year when they have

- (1) completed the 4-H member enrollment process prior to the established and published date for enrolling; and (2) had an officially recognized 4-H volunteer/Extension Educator verify the existence of the completed project/subject or the member's participation in a 4-H educational experience. Additionally, 4-H members who participate in a club- or fair-based 4-H project/subject will submit a completed 4-H record sheet based on printed or web-based educational materials (used by Indiana 4-H Youth Development) prior to the established and published date.

Though exhibiting in local, county, and state exhibits/fairs is not required for project completion, as it does not necessarily relate directly to content and skills learned in the development of the 4-H project, project exhibition is encouraged as a continuation of the educational experience. Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program.

Grievance/Appeal Guidelines for County 4-H Program Issues: (Activities, Programs, Projects)

The grievance procedures outlined in this document are utilized as part of an internal process of the Indiana 4-H Youth Development program when grievances of 4-H members, their parents/guardians, or 4-H volunteers cannot be resolved via reasonable conversation. This policy affords the opportunity in those unique situations to allow voice or opinion to be heard when there is a dispute regarding 4-H participation, activities or programs. **This is not a mechanism for complaints against individual 4-H members (or their families), 4-H volunteers, judging officials for competitive events, or Purdue Extension staff.** All resulting decisions will be made in accordance with the Indiana 4-H Program's stated mission to be an inclusive organization designed to encourage and maximize youth participation. The rights of the individual filing the grievance are limited to those provided by Indiana 4-H Program policy.

Purdue University, as the Land Grant University in Indiana, is charged (by the United States Department of Agriculture) with implementing the 4-H Program in communities across the State of Indiana.

Purdue Extension Educators in each Indiana county represent the university in local communities and have the responsibility of assuring all 4-H volunteers meet basic university criteria as they serve as representatives of the university. Purdue Extension Educators additionally provide oversight to 4-H volunteers including the assurance that Indiana 4-H Policies and Procedures are appropriately implemented in 4-H Program delivery.

Individual county 4-H policies and procedures should be created and reviewed to assure they do not contradict established statewide 4-H policies and procedures. If a contradiction is discovered during the grievance process, Indiana 4-H Program policy shall be followed in determining the grievance outcome.

1. Grievances are made by completing the Indiana 4-H Grievance/Appeal form with the burden of proof being the responsibility of the individual filing the grievance. The completed grievance/appeal form and supporting

documentation shall be presented to the president of the 4-H policy-making body (e.g., 4-H Council) or the Purdue Extension Educator who works with the 4-H Program. (NOTE: concerns regarding staff, volunteers, members, or other individuals are not issues for which a grievance may be filed. 4-H volunteers are assigned by the 4-H Extension Educator. Concerns regarding 4-H volunteers, members, or other individuals should be addressed directly with the Purdue 4-H Extension Educator.)

2. Grievances pertaining to 4-H activities, programs or projects shall be filed within 14 days of an incident or Grievances pertaining to county fair related issues are often time-sensitive and must be filed within 24 hours of the incident.
3. The grievance process occurs in the county where the issue or concern arises and offers two opportunities for a concern to be heard and reviewed.
 - a. The grievance is initially heard by an unbiased, representative grievance sub-committee of approved 4-H Volunteers. It is the Purdue Extension Educator assigned to 4-H Programming who shall annually work with the chair of the county 4-H Council to determine this committee's membership to include a combination of 3-6 of the following individuals: one representative of the 4-H Council; two 4-H volunteers serving as a 4-H club organizational leader; one member of the County Extension Board; one 4-H volunteer knowledgeable in the subject matter (project) of concern (this individual will vary dependent on the issue raised with the grievance); one youth representative; and up to three community leaders. The Purdue Extension Educator assigned to 4-H shall convene the group.
 - b. The person filing a grievance may appeal a decision of the 4-H Grievance Committee to the State 4-H Program Leader or The Program Leader or designee will review the facts in evidence and render a decision. This is the second and **final level** in the appeal process.

** The intent of a two-level process is to assure different individuals have the opportunity to hear and act on the grievance. ALL individuals involved at any level of the grievance procedure are reminded of the importance of keeping discussions regarding grievances confidential.

To maintain the confidentiality of the parties involved, the grievance hearings at each level will be closed to the public. Only the individuals who have filed the grievance, the members of the grievance committee, and the Purdue Extension Educators will be present during each level of the grievance process.

***The grievance process is internal to the Indiana 4-H Youth Development Program and meetings of the grievance committees are not subject to Indiana's Open-Door Policy.

The Purdue Extension Educator assigned to work with the 4-H Program has the obligation to inform all parties that there is a grievance procedure if there are disagreements with policies.

The practice of charging fees from those filing grievances shall be eliminated and all counties will utilize the Indiana 4-H Grievance/Appeal Form as part of the grievance process.

5. 4-H members can only exhibit the project or projects in which they are properly enrolled. 4-H members must login to their online enrollment account by May 15th to drop or add 4-H projects.
6. Animal & General Projects must be identified in the FairEntry system by June 15. FairEntry system will be open May 20 – June15 for families to enter show classes. There are new consequences in regards to not enrolling your Animal and/or General Project in FairEntry by the June 15th deadline. Please see highlighted items #1-3 on page 11.

7. Ribbons will be awarded on the basis of results of exhibit judging.
8. A "My Record of 4-H Achievement" form is to be turned in by the end of general project check-out in order for a 4-H member to receive achievement points. These may be turned in at the 4-H Office at the fairgrounds or the Extension Office.
 - a. Completion of activities in project books for general projects is highly recommended but not required. The exception to this is for projects that require activities in the manual for State Fair.
 - b. For animal projects, 2 activities in the project manuals must be completed and submitted with your Record of Achievement paperwork in order to complete the project if no animal is to be exhibited.
9. The Kosciusko County 4-H Council, Inc. and Purdue Cooperative Extension Service accepts no responsibility for damages to or loss of 4-H projects while projects are in their care, custody, or control.
10. Transportation of non-animal 4-H projects to and from the Indiana State Fair may be provided by Purdue Extension 4-H staff or volunteers. Items must be turned into the Extension Office by the advertised deadline and packed for shipping. A 4-H member has the right to transport his/her project(s) to and from the Indiana State Fair or to elect not to exhibit at the State Fair.
11. Before the 4-H Council implements a rule change, the committee(s) with responsibility for the project area(s) affected by the rule must be notified and consulted before any change is made.

Fraud and Deception

Fraud and/or deception will not be allowed relative to any 4-H exhibit. Fraud and/or deception being defined to include, but not limited to the following:

1. Tampering (altering) and/or misrepresentation of a 4-H member's non-livestock exhibit project.
2. Tampering (altering) and/or misrepresentation relative to an animal's breeding, age, ownership and/or method of preparation or completion; (this includes coloring that alters or misrepresents breed characteristics, pumping and filling).
3. Unethical fitting of 4-H animal exhibits considered as consisting of administration of any substance (drugs, steroids, etc.) or performance of any surgical procedure, altering the animals' configuration and/or rendering its tissues unfit for human consumption at the time of exhibition or subsequent slaughter. Exceptions include hoof trimming, dehorning, removal of hair, manipulation of normally attached hair and treatments or surgical procedures applied to relieve pain and suffering of a sick or injured animal, providing such treatments do not render the animal tissues unfit for human consumption.

Determination of Fraud and Deception

The respective 4-H committee or superintendent, in consultation with the 4-H Youth Development Extension Educator, will determine if fraud and/or deception has occurred. If it is determined that fraud or deception has occurred, the result will be immediate disqualification.

Fraud and Deception Penalties

Upon determination that fraud and/or deception have occurred, any one or more of the following penalties may be imposed:

1. The exhibit in question will be immediately disqualified.
2. An exhibit will not be allowed to be sold in the 4-H auction. (In the case of an exhibit already sold at the 4-H auction, the exhibitor will be required to return all sale money in excess of market value to the 4-H sale committee. The money may be returned to the buyer or donated to the Kosciusko County 4-H Scholarship Fund). Note: Placings of other exhibits will not be adjusted as a result of the imposition of this penalty.
3. Any and all premiums, trophies, and awards connected to the exhibit in question will be withdrawn and required to be returned.
4. The 4-H member will be barred from competition at the Kosciusko County Community Fair in the project where the disqualification occurred for up to three years.

Project Divisions and Levels: 4-H Project levels equal the following grade levels:

Project with 2 Levels:

Junior/Beginner=Grades 3-8
Senior/Advanced=Grades 9-12

Project with 3 Levels:

Level 1 or A or Beginner=Grades 3-5
Level 2 or B or Intermediate=Grades 6-8
Level 3 or C or Advanced=Grades 9-12

Projects with 4 Levels:

Level 1 or A=Grades 3-4
Level 2 or B=Grades 5-6
Level 3 or C=Grades 7-9
Level 4 or D=Grades 10-12

Projects with 5 Levels:

Level 1 or A=Grade 3
Level 2 or B=Grade 4
Level 3 or C=Grade 5
Level 4 or D=Grade 6
Level 5 or E=Grades 7-12

General Project Rules

1. All general projects exhibits will be judged in advance of the Kosciusko County Community Fair. Each 4-H member should try to be present when his/her exhibit is judged.
2. All exhibits will be required to be in place at the time designated. Exhibits will be lowered one placing if not in place when the project judging begins. Participation ribbons shall be awarded when projects are entered for judging after the project judge has left the judging site.
3. All entries must have been made following the 2023 fair or not exhibited before.
4. General project check-out will be on Sunday, July 14th from 2:00PM to 5:00PM and Monday, July 15th from 9:00AM to Noon. Exhibits may not be taken prior to release except through special written permission from the General Projects Committee Superintendent.
5. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed. If a reference listing is not with a project when it is checked in, it will not be eligible for Grand Champion or State Fair Exhibit.
6. For personal safety concerns, notebooks exhibited should only contain name, county, grade, level and club, and no personally identifiable information such as mailing address or phone number.
7. Contact the Extension Office for additional resources and activities that are available for many projects. Indiana 4-H Project Manuals are not required to be completed however may be an informative resource for many projects and may be purchased at the Extension Office. Additional resources and videos may also be available for some projects at <https://extension.purdue.edu/4h/Pages/projects.aspx>.

Additional Poster Exhibit Requirements

Failure to follow these guidelines may result in a lower exhibit grade.

1. Poster board – All posters must be 22" x 28" unless otherwise specified. Posters do not have to be white.
2. Labels – 3 x 5.5" labels for posters will be supplied **by the 4-H office** at project check-in to identify 4-H member, project, and level. This label will be attached to **the lower right-hand corner of the poster**. Please adjust your display accordingly.
3. Stiff backing – Any material that will keep the poster from bending forward will work. Some examples are: foam core board, very stiff cardboard, plywood (this can make a poster very heavy); and Masonite (1/8" thick found to work well and could be used year after year.) If you can find foam core board in the correct size it can take the place of poster and backing.
4. Plastic covering –Clear heavy plastic sleeves are available from the Extension Office for \$.25 each. Do not use kitchen wrap.
5. Citations are required for all posters as stated above.
6. All poster projects must have the 4-H member's name and club printed on the back of the poster.
7. Your poster should be oriented horizontally, like a dollar bill (see below).

General Notebook Requirements and Tips

- We recommend a three-ring binder for your notebook
- Include your name, grade, club and project title on cover of binder
- The notebook should be neat and legible with dividers between years and the most current year on top
- Creative covers are not required, but do enhance the overall appearance of the notebook, however, judging will be based on the contents of the notebook
- Notebooks always look best when they are printed. If the member doesn't have access to a computer and has to hand write their notebook, it looks best to write in pen and on plain paper
 - Appointments can be made to use the laptop and printer in the Extension Office
- While the Internet is a great tool for information, the information should be summarized.
- Citations are required for all notebooks as stated under General Projects rules

Mini 4-H Project Exhibit Options

Choose activities and exhibits that are appropriate to your child's ability. Large, expensive or complex project exhibits that require parents to complete are not appropriate. Use Mini 4-H as an opportunity to spend time with your child sharing your talents.

Mini 4-H Poster Requirements

- All mini posters must be displayed horizontally and must be exactly 22" high x 28" wide.
- All posters may be covered with a plastic sleeve available from the Extension office that will protect the poster.
- A 3" x 4" label with member information (name, etc.) will be provided at check-in.

Exhibit Tag

A 3"x4" Project Exhibit Tag for each project they have signed up for will be provided at project check in and will be affixed to the lower right corner of the project.

Show Barn
Kosciusko County Fairgrounds

Purpose To pair a child with different abilities to a 4-H Mentor/Family to learn about livestock.

Eligibility Any child in grades Kindergarten thru 12th with different abilities.

- Mini 4-H grades Kindergarten thru 2nd
- Regular 4-H grades 3 thru 12.

Requirements Members must meet a minimum of 3 times (preferably more) with their Mentor/Family.

In these meeting, members will learn how to feed/water, groom, and walk/show the animal. The more members meet with their Mentor/Family and animal, the more they can learn and feel comfortable with the animal.

Poss-ABILITIES Members are responsible to set-up the meeting times and dates with their Mentor/Family. Meeting dates should be shared with the Poss-ABILITIES Superintendent (Amy Seewald), so that she can arrange for a 4-H volunteer to be at the meetings.

You may choose from the following animals: Alpaca, Beef, Dairy, Dairy Calf Feed Steers, Goat, Horse, Llama, Poultry, Rabbit, Sheep, Swine

Enrollment in 4-H is required in order to participate in the Poss-ABILITIES program. Enrollment fees are \$5 per Mini 4-H'er and \$15 per Regular 4-H'er. Scholarships are available, if needed. Contact Amy Seewald.

Applications available in the Purdue Extension Office.

Parental Support/Involvement

Thank you for enrolling your youth in the nation's largest youth development organization! 4-H is a very rewarding program for your whole family and is what is referred to as a family affair organization. This means the youth and the adults learn from each other by trying new things, meeting new friends, and having fun together. The greater the parent/guardian involvement, the greater and stronger the 4-H program will be. Parental support is needed in the following ways:

- Attend club meetings and events with your child.
- Keep track of important 4-H dates on the family calendar.
- Get 4-H members to and from 4-H meetings/activities on time.
- Help your child stay organized.
- Reinforce the importance of following directions.
- Model the behavior you want your child to exhibit in public settings.
- Assist youth in completing 4-H exhibits. Do NOT do it for them, but do provide guidance and assistance.
- Encourage your child to participate in county and state 4-H activities such as project workshops, trips, conferences, demonstrations and other events they may be eligible.
- Encourage your 4-H Senior to apply for available college/post-secondary scholarships.
- Office assistance to local 4-H clubs by providing transportation, serving as a project leader or assisting the club leaders with an event or fundraiser.
- Volunteer time during the 4-H Fair helping with exhibit check in, check out, project security and much more.

“Ready to Fly” or E2X rockets are not permitted. Rockets may be exhibited with a base, but launch pads are not permitted. All rockets must weigh less than 3.3 pounds and considered an amateur rocket according to FAA regulations. Remote control aircraft or drones may be constructed from a kit or purchased ready-to-fly. The power source (rocket engine, battery pack, etc.) is to be removed before being placed in public exhibition.

Rockets will not be launched and remote-control aircraft or drones will not be flown at state fair. Launching rockets and flying aircraft or drones at the county level is optional based on adult supervision experience.

Beginner Level Grades 3-5 Construct a rocket of your choice designed for a new model rocket enthusiast with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine D or above are not permitted in this level.

Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional. Other topics could include how a quadcopter operates, controls used to fly a quadcopter, UAV regulations administered by Federal Aviation Administration, commercial and emergency uses of UAVs, and more.

Intermediate Level Grades 6-8 Construct a rocket of your choice designed for a model rocket enthusiast with some experience and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine E or above are not permitted in this level.

Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional. Other topics could include interviewing a certified UAV pilot who works in law enforcement, EMS, fire, Purdue Extension, commercial or other application. Other options could include creating a flight plan or interfacing with other computer software.

Advanced Level Grades 9-12 Construct a rocket of your choice designed for an experienced model rocket enthusiast and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine G or above are not permitted in this level.

Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional. Other topics could include using “stitching” software to produce an orthomosaic map for a research purpose, identifying Department of Transportation Aeronautical Chart features and explain how these are important to a drone pilot, how to obtain a drone pilot license, or more. If 16 years of age or older the member could obtain a license by completing and passing the official FAA Part 107 UAV licensing test.

Owning or showing an animal is not required. Members enrolled in any 4-H animal or livestock project can exhibit in this project and are to contact their county 4-H educator to learn if they are to also be enrolled in animal education.

Beginner Level Grades 3-5 Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

Intermediate Level Grades 6-8 Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

Youth may exhibit any art or craft that does not meet exhibit requirements in Fine Arts, Needle Craft, Model Craft or Construction and Architectural Replica

Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

All arts and craft exhibits must include a 4-H Craft Information Card, 4-H 618A. This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

Beginner Level Grades 3-5 Create and exhibit one age/grade appropriate artwork.

Intermediate Level Grades 6-8 Create and exhibit one age/grade appropriate artwork.

Advanced Level Grades 9-12 Create and exhibit one age/grade appropriate artwork.

This project will help youth learn beekeeping, the types of bees, the honey and wax they produce, the plants that attract bees, and the equipment a beekeeper needs.

Special Notes

- There are no age/grade specifications for beekeeping exhibits. No bee hives may be brought to the State Fair.
- Honey water content will be measured.
- Fill level: the honey should be filled to the jar shoulder, not over, nor under

- Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs).
- Be careful to distinguish "chunk honey"(comb in jar) from "cut comb" (comb only in box). Honey (including chunk, cut comb and comb) must be collected since the previous county fair.

Educational Poster or Display Grades 3-12 Create an educational poster, notebook or display about any manual activity or on any beekeeping topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

Single Honey Product Grades 3-12 Exhibit one of the following

1. Extracted honey - 2 one-pound jars, shown in glass or clear plastic, screw-top jars holding 1 pound of honey each.
2. Chunk honey (comb in jar)- 2 one-pound jars (wide-mouth glass or clear plastic).
3. Cut-comb honey - 2 one- pound boxes (These are usually 4 1/2" x 4 1/2" in size).

Two Honey Products Grades 3-12 Exhibit two of the four kinds of honey listed below.

1. Extracted Honey - 2 one-pound jars (glass or clear plastic).
2. Chunk Honey (comb in jar) - 2 one-pound jars (wide-mouth - glass or clear plastic).
3. Cut-comb Honey - 2 one-pound boxes. Boxes are usually 4 1/2" x 4 1/2"
4. Comb Honey - 2 sections (honey built by bees in frames of wood commonly called "sections." Boxes are usually 4 1/2" x 4 1/2" in size).

The cake decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills. Anyone wanting to learn baking skills should refer to the 4-H foods project.

The cake decorating project provides skills-based educational experiences that provide an opportunity for mastery before building on that experience to develop more advanced skills. This subject area is divided into three levels: Beginner (Grades 3-5), Intermediate (Grades 6-8), and Advanced (Grades 9-12). While the defined grades are intended to be a guide, older youth enrolled in this subject for the first time may start in a lower grade skill level with permission by the county extension educator, followed by an appropriate level the following year.

Skills and techniques demonstrated should be age/grade appropriate. While it is not to say a beginner level member cannot master an advanced level skill, it would be rare and unique. Therefore, exhibited cakes must demonstrate the minimum five techniques from their given level outlined in Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A, but may also include higher/lower-level techniques that have been mastered. Any higher/lower-level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality. All exhibited cakes must be created using a Styrofoam, foam, or other solid dummy. Unless otherwise stated, cakes are to be iced using royal icing or buttercream. Buttercream icing will not withstand environmental conditions and may become soft, melt, not withhold its shape, and colors may bleed when being displayed an extended period of time. When displaying a cut-up cake or tiered cake, the exhibitor must include a diagram and description indicating how the cake was assembled. This diagram and description can be attached to or written on the skills sheet. All exhibits must include a completed Cake Decorating Skills Sheet (4-H 710) and must accompany the cake for the judge's reference during judging. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Beginner Level Grades 3-5 A minimum of five beginner level skills are to be demonstrated. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 8" in diameter, then the cake board must be 10-12" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the beginner level are to be a single tier/layer, no more than 5" tall, and may be round, square, or rectangular and the cake board is to be no more 12"x12".

Intermediate Level Grades 6-8 A minimum of five intermediate level skills are to be demonstrated and the cake may include additional skills from the beginner level. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 9"x13" rectangular, then the cake board must be 11"x15" to 13"x17" rectangular. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the intermediate level are to be a single or double tier/layer, no more than 12" tall and may be any shape. Youth may choose to decorate an inverted (upside down) character pan or create a 3-dimensional cake. It is also permissible to cut-up pieces of Styrofoam, foam, or other solid material to create a new shape, like a butterfly or castle for example. The cake board is to be no more than 24"x24".

Advanced Level Grades 9-12 A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately 1/2" thick) and 4" larger than the base cake. For example, if the cake is 26" in diameter, then the cake board must be 30" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the advanced level may be multiple layers and/or tiered and may include multiple cakes, like a wedding cake. Youth may choose to create a character or 3-dimensional cake by cutting-up pieces of Styrofoam, foam, or other solid material to create a new shape. Dowel rods, plates, etc. should be used to support multiple layers and tiers. Fondant icing, gum, and sugar paste is permissible. Cakes may be any shape, no more than 36" tall and the cake board is to be no more than 36"x36". A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet.

Youth will learn about developmental stages of infants, toddlers and young children.

Activities may be designed to be displayed on the floor, but please be considerate of space availability. Each item is to be labeled with the 4-H member's name, county and club so fair staff can keep all components together if it needs to be moved after judging is complete.

Notebooks are to include the following

- Identifications on the front showing 4-H member's name, county, club, grade and year in project.
- Title page naming the activity.
- Pages explaining how activity was developed and is to be used.
- Photographs showing how the activity was used along with assembly.
- Explanation of skills learned and any additional information to share with the reader.

Level A Grades 3-4 Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

Level B Grades 5-6 Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

Level C Grades 7-9 Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

Level D Grades 10-12 Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

The communications project teaches verbal and non-verbal communication and presentation skills.

Effective communications drive all aspects of day-to-day life. Youth are to learn about the process of communication, to learn about different modes of communication and to strengthen their own communication skills. As you explore the world of communication and the manuals, you will enjoy learning more about yourself and others. Youth completing this project are expected to participate in a variety of experiences allowing them to develop communication skills rather than create an exhibit to be displayed at the county or state fair.

A series of 4-H manuals is available with activities designed to develop communication skills at a specific grade level. Module 1 is for Beginner Level youth in grades 3-5. Module 2 is for Intermediate Level youth in grades 6-8. Module 3 is for Advanced Level youth in grades 9-12. Suggested activities to develop communication skills include:

- Complete an activity from the grade appropriate manual.
- Give a demonstration or presentation at a club meeting.
- Participate in a verbal communication event. See verbal communication section below.
- Submit a news release to local news media about a 4-H event or topic.
- Participate in a radio interview.
- Present information about 4-H to a civic organization or similar group.
- Participate in the Indiana 4-H Spread the News workshop (Grades 9-12).
- Participate as an actor in a community theater.
- Other activities that demonstrate communication skill development.

Verbal Communication Events

The following verbal communication events and activities are offered to 4-H members as a way to teach presentation and public speaking skill development. They are often used in 4-H meetings, and a county 4-H youth development program may choose to offer these as competitive events. The demonstration, informative presentation, professional persuasive presentation and public speaking are competitive events at Indiana State Fair.

The following apply to all state fair communication events:

- Members may use a PowerPoint, Prezi, or other digital presentation, signs, and other props that will enhance their presentation when giving their how-to demonstration to the audience from a stage or stage-like setting.
- If digital media will be used to enhance the presentation, contestants are encouraged to provide their own laptop computer. If the laptop is not equipped with a standard HDMI external video connection, the contestant will need to supply an appropriate adapter. While a standard PC laptop will be available, the quality and compatibility of the digital media cannot be guaranteed as PowerPoint will be the only digital media available at state fair.
- Live animals are not permitted at state fair.
- There is no interaction with the audience.
- Questions may be asked of the contestants by the judges following the presentation.
- Events that have a team category, it is for two (2) people and will be determined by the highest grade level of any member of that team.
- The top three senior individuals, top junior individual, top senior team, and top junior team will be recognized in Indiana State Fair Celebration of Champions.

Refer to the Indiana State Fair 4-H handbook for the date, time, and location of each event. Check with your county extension educator for information about entering these events.

Demonstration

- All 4-H members are encouraged to present a demonstration at their club or county level.
- This contest allows the 4-H member to show the audience step-by-step procedures how-to-do something related to any 4-H project.
- Examples of a demonstration include how to take a prize-winning photograph, how to give an intramuscular antibiotic injection or shot, how to design a mini-barn blueprint, how to construct a garment, how to develop a wildlife rehabilitation plan, how to treat a cat for fleas, etc.
- Junior members (grades 3-8) have 5-7 minutes to present their demonstration, while senior members (grades 9-12) will present their demonstration in 5-10 minutes.
- Categories will be Junior Individual, Senior Individual, Junior Team, and Senior Team.

Informative 4-H Presentation

- This contest allows the 4-H member to present a topic of their choice related to a 4-H event, project, or activity to the audience.
- Examples of an informative 4-H presentation include the benefits of attending 4-H Round-Up, State 4-H Junior Leader Conference, 4-H Academy, or Citizenship Washington Focus; the impact of a community service project on the 4-H members involved and their community; why a family should enroll their children in 4-H; how 4-H prepares a young person for the workforce or college, etc.
- Junior members (grades 3-8) have 5-7 minutes to present their informative presentation, while senior members (grades 9-12) will present their informative presentation in 5-10 minutes.
- Categories will be Junior Individual and Senior Individual.

Professional Persuasive Presentation

- Contestants will be required to research a public issue in their community, collect data showing how this issue is or could affect their community, formulate a plan to address this issue, and present it in a professional manner using electronic digital media such as PowerPoint, Prezi, etc.
- Contestants are to submit two (2) sets of accompanying handouts at registration. These handouts will be provided to the judges.
- It is suggested that youth practice by presenting their professional presentation to service clubs, 4-H council or fair board, government officials, or other boards.
- Examples of public issues could be the lack of accessibility to trails or public parks, congested traffic locations, public health issues, impoverished neighborhoods, school dropout rates, the size of farm machinery outgrowing the size of roads, etc.
- Junior members (grades 3-8) will present in 5-7 minutes and senior members (grades 9-12) will present their professional presentation in 5-10 minutes.
- Categories will be Junior Individual, Senior Individual, Junior Team and Senior Team.

Public Speaking

- This contest allows the 4-H member to give their prepared speech to an audience from a stage or stage-like setting.
- Props, signs, and PowerPoint presentations are not permitted.
- The topic can be of the 4-H member's choice.
- Junior members (grades 3-8) have 3-5 minutes to give their speech while senior members (grades 9-12) will give their speech in 5-7 minutes.

Creative Writing

- This exhibit allows youth to express creativity while developing writing skills. Examples include a story, autobiography, biography, essay, journal entry, poetry, children's story, and more. Writing must be authored by the 4-H member and can be fiction or non-fiction.
- Exhibits are to be displayed in a notebook or binder appropriately labeled on the front with the title, 4-H member's name, grade in school, club and county. The notebook or binder is to include a title page and authored work. A bibliography giving credit to sources is to be included with any research article.
- Work can be handwritten or typewritten.
- Illustrations or photos may be included to enhance the writing.
- Writing should not include excessive blood, gore, violence or sexual themes and must be appropriate for all ages to read.

Creative Writing Exhibit Class Guidelines

Beginner Level Grades 3-5 Create and exhibit one age/grade appropriate item. While length or word count is not required, one-page or 250 words is appropriate for most beginners.

Intermediate Level Grades 6-8 Create and exhibit one age/grade appropriate item. While length or word count is not required, two-page or 500 words is appropriate for most intermediate members.

Advanced Level Grades 9-12 Create and exhibit one age/grade appropriate item. While length or word count is not required, more than three pages or more than 750 words is appropriate for most advanced members.

The 4-H computer science project is designed for youth to engage in an interactive project to learn all levels of familiarity with computers.

There are three exhibit grade level divisions; Beginner Level, Grades 3-5; Intermediate Level, Grades 6-8; and Advanced Level, Grades 9-12. Exhibits are to be skill appropriate for the member's grade level.

Youth enrolled in the computer project will select one of the below subject categories to study, regardless of grade. Youth may choose to create an exhibit demonstrating skills learned during the year. Check with your county Purdue Extension Office to determine if a computer will be available during judging and if there will be an opportunity to explain your exhibit to the judge. Exhibits qualifying for state fair are to be submitted on a thumb drive securely attached to a notebook/portfolio describing accomplishments, skills learned, design ideas, budget, a summary of what was done, screenshots showing the development and final project, etc. as the exhibitor will not be able to discuss their work with a judge. Poster and display board exhibits are permissible. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff. Youth may continue in the same subject category in subsequent years expand on the previous year's topic, or choose a new topic. Subject categories are:

- Block Based Programming
- Text Based Programming
- Web Design and Computer Entrepreneurship
- Computer Forensics
- Hardware and Networking Design/Install/Repair
- Graphic Design and Computer Art
- Robotics

Software submitted to be reviewed by a judge must be compatible on both PC and Mac platform. If additional software other than Microsoft Office Suite is required to view the member's work, that software must be provided by the member and comply with all manufacturer copyright laws. Apps can be Android or IOS compatible.

All notebooks/portfolios must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be the last page of a notebook or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

Blocked Based Programming

Beginner Level Grades 3-5 Create a block-based program using Scratch, Code Studio, Alice, or another graphic programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are:

- Sequence
- Iteration
- Conditionals
- Variables
- Loops
- User input
- Any other similar skill

Intermediate Level Grades 6-8 Create a block-based program using Scratch, Code Studio, Alice, or another graphic programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are:

- More robust demonstration of beginner skills
- Modularization
- Lists
- Any other similar skill

Advanced Level Grades 9-12 Create a block-based program using Scratch, Code Studio, Alice, or another graphic programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are:

- More robust demonstration of Intermediate Skills
- Parameters
- Recursion
- Any other similar skill

Text Based Programming

Beginner Level Grades 3-5 This option is not available.

Intermediate Level Grades 6-8 Create a text-based program of your choosing using any text-based language you are comfortable in. The code should demonstrate an understanding of at least 4 of these skills:

- Commenting
- Correct syntax
- Variables
- Loops
- Conditionals
- User Input
- Lists
- Functions
- Algorithms
- Any other similar skill

Advanced Level Grades 9-12 Create a text-based program of your choosing using any text-based language you are comfortable in. The code should demonstrate an understanding of at least 8 of these skills:

- A more robust understanding of the intermediate skills
- Interact with databases
- Classes
- Objects
- Methods
- Inheritance
- Integrate multiple languages into one program
- Any other similar skill

Web Design and Computer Entrepreneurship

Beginner Web Design and Computer Entrepreneurship Grades 3-5 Build a website demonstrating a knowledge of:

- Use a website builder to create your website
- Insert non-stock image into your site
- Use a template to achieve a unified look
- Explain CSS in your documentation, what CSS is and why it's important
- Must have at least two pages and include all items listed above

Intermediate Web Design and Computer Entrepreneurship Grades 6-8 Build a website demonstrating a knowledge of:

- Create your own site or use a website builder
- Modify existing HTML
- Use HTML5
- Modify existing CSS
- Have a unified theme throughout
- Use a photo editing software to create custom images
- Must have at least five pages and include all items listed above

Advanced Web Design and Computer Entrepreneurship Grades 9-12 Build a website demonstrating a knowledge of:

- Create a custom site using appropriate industry tools
- Have a responsive website
- Add useful and appropriate plugins

- Test for and eliminate bugs
- Include links for social media
- Include custom audio/video
- Must have at least ten pages and include all items listed above

Computer Forensics (ID theft, online bullying, ethical use of technology, responsible social media use)

Beginner Computer Forensics Grades 3-5 Research and create a 3–5-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Media Balance and Well Being
- Privacy and Security
- Digital Footprint and Identity
- Relationships and Communication
- Cyberbullying, Digital Drama and Hate Speech
- News and Media Literacy
- Any other similar topic

Intermediate Computer Forensics Grades 6-8 Research and create a 6–8-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship:
 - Media Balance and Well Being
 - Privacy and Security
 - Digital Footprint and Identity
 - Relationships and Communication
 - Cyberbullying, Digital Drama and Hate Speech
 - News and Media Literacy
- Cyber Security
 - Ethics and Society
 - Security Principles
 - Classic Cryptography
 - Malicious Software
 - Physical Security
 - Web Security
- Any other similar topic

Advanced Computer Forensics Grades 9-12 Research and create a 10–12-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship:
 - Media Balance and Well Being
 - Privacy and Security
 - Digital Footprint and Identity
 - Relationships and Communication
 - Cyberbullying, Digital Drama and Hate Speech
 - News and Media Literacy
- Cyber Security
 - Ethics and Society
 - Security Principles
 - Classic Cryptography
 - Malicious Software
 - Physical Security
 - Web Security
- Any other similar topic

Hardware and Networking Design/Install/Repair

Beginner Level Grades 3-5 Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

- Deconstruct and reconstruct a computer
- Learn and report how binary works and how computers use numbers
- Troubleshoot hardware problems
- Explore operating systems
- Investigate open-source resources
- Install/upgrade operating systems
- Design a dream machine (give reasons)
- Any other similar design/install/repair

Intermediate Level Grades 6-8 Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

- Identify network hardware
- Design a computer network
- Explain Internet Protocol
- Explain different types of servers
- Use different protocols to communicate
- Add peripherals to a network
- Secure a networked computer
- Share applications simultaneously
- Setup a Raspberry Pi or other micro-controller
- Any other similar design/install/repair

Advanced Level Grades 9-12 Choose one or two items from the list and create a report/presentation (including images) of what you did.

- Design and implement a computer network
- Secure your network
- Understand technology needs in your community.
- Help to solve these needs by organizing a committee or team to work on identified issues.
- Teach a computer science class to younger 4-H'ers.
- Build your dream computer
- Network multiple micro-controllers
- Research careers in technology
- Any other similar design/install/repair

Graphic Design and Computer Art

There are three divisions; Beginner Level Grades 3-5, Intermediate Level Grades 6-8 and Advanced Level Grades 9-12. Youth are to use a software program to create or design an item that requires graphic design or artistry. The name of the software and version is to be included with the exhibit. Exhibits are to be age/grade appropriate. Ideas include, but are not limited to, the following:

- Logo design
- T-shirt or apparel screen printing design
- Promotional brochure
- Marketing materials
- Computer generated art
- Computer altered photographs/images – Photographs taken by the 4-H member and altered by the 4-H member using a computer are to be entered in the Photography project as a creative/experimental exhibit. Youth must obtain permission from the owner before altering someone else's photograph/image and include a copy of that permission with the exhibit to insure there is no copyright violation.

Robotics

Suggested exhibits include, but are not limited to, a notebook including a printout of code with requirements marked, a flowchart showing how the robot works, images of the robot being build and the final robot in action, a video, a live demonstration, or other applicable exhibits.

Beginner Level Grades 3-5

- Create a flowchart
- Build a robot
 - Use block-based program to operate
 - Sequential programs
 - Events at beginning
 - Use at least one basic sensor

Intermediate Level Grades 6-8

- Create a flowchart with sub-routines
- Include at least two sensors in robot
- Use at least three events in code
- Create 2 loops in code
- Operation of robot should be smooth

Advanced Level Grades 9-12 Above guidelines plus:

- Use text-based language
- Use advanced logic including
 - Multiple (three or more) events
 - Multiple (three or more) loops
 - At least three sub routines
 - Special consideration if robot is not a kit

Allows youth to learn life skills and grow in project knowledge while expressing creativity when designing replicas.

Exhibits can include farm scenes, town models, building replicas, or similar items and can be constructed from building blocks (Lego), erector sets, or other materials. The product should be constructed to scale as much as possible. Consider adding a clear cover to protect the exhibit while being displayed to the public. This exhibit will most likely be displayed on an 8' long table top with two or three exhibits per table.

Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

All arts and craft exhibits must include a 4-H Craft Information Card, 4-H 618A. This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If an exhibitor is concerned about their creation being damaged while on display, they should consider constructing a clear plastic cover to encase the exhibit.

Beginner Level Grades 3-5 Create and exhibit one age/grade appropriate artistic scene or replica.

Intermediate Level Grades 6-8 Create and exhibit one age/grade appropriate artistic scene or replica.

Advanced Level Grades 9-12 Create and exhibit one age/grade appropriate artistic scene or replica.

This project is designed to teach clothing selection, wardrobe planning, care of clothing and personal grooming.

Beginner Level Grades 3-5 Complete one activity from each group in the manual and share your results or answers in a notebook, labeling each activity. With help from a parent or mentor, purchase an item of clothing that you'll wear with other clothes in your wardrobe. Examples might be slacks, blouse, jeans, shirt, sweater, or sweatshirt. Choose an accessory to go with your purchase. Accessories could be shoes, sweatband, belt, jewelry, socks or similar item.

Intermediate Level Grades 6-8 Complete one activity from each group in the manual and share your results or answers in a notebook, labeling each activity. Purchase and accessorize a casual or school outfit. Accessories may be purchased or selected from what you currently have.

Advanced Level Grades 9-12 Complete one activity from each group in the manual, or similar activity of choice and share your results or answers in a notebook, labeling each activity. If completing an activity not included in the manual, be sure to include in your notebook an explanation describing how the activity was developed and intended objectives. Purchase and accessorize an outfit of your choice. Accessories may be purchased or selected from what you currently have.

Special note regarding Indiana State Fair In addition to the advanced consumer clothing state fair entry submitting their notebook for evaluation, the exhibitor will also be invited to model their purchased outfit in fashion revue. The notebook and modeling will be judged independently and one will not have any consideration for the other at state fair.

The 4-H electricity and electronics program provides youth with educational information about electricity and how it can be used to benefit the human race.

Youth are encouraged to complete the activities as instructed in the manual or found on the 4-H electric web page, <https://extension.purdue.edu/4-H/projects/4-h-project-electric.html>.

Electric Level 1 (1st year in Electric) Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions

- Circuit board – 6” by 6” of Series/Parallel Circuit
- Electromagnet
- Galvanometer
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 1 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

Electric Level 2 (2nd year in Electric) Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions

- Magnetic Powered Shake Flashlight – with display
- Circuit board – 6” by 6” of Series/Parallel Circuit (with modifications if exhibited in Level 1)
- Electromagnet
- Galvanometer
- Electric Motor
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 2 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

Electric Level 3 (3rd year in Electric) Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions

- Wiring Project – (i.e., extension cord, trouble light, wire sizes and uses, plug configurations, test equipment, replace cord/cord end on a tool or piece of equipment, etc.)
- Electrical tool and supply kit
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 3 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

Electric Level 4 (4th year in Electric) Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions

- Wiring – Wire a lamp. The lamp can be a re-wired lamp or one that is built new.
- Electrical tool and supply kit
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 4 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

Electric Level 5 (5th year or more in Electric) Exhibit one article of choice, displaying proper wiring techniques, made during the current 4-H program year that demonstrates a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions

- Equipment Wiring – including but not limited to: parts identification, appliance repair, lamps and other lighting, equipment wiring, control system, security system, topic that covers safety, motors/generators, electric heating, heat pumps, AC, water heaters, and other electric equipment.
- Home Wiring – included by not limited to any circuits found in the wiring of a house or "barn", service entrance, switching, receptacles, generator transfer circuit, safety, electrical math, and others.
- Electronic Equipment – Any project or kit containing transistors or integrated circuits or vacuum tubes such as radio, TV, computer, robot, cell phone, and others.
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Entering Electronics, Purdue Extension website Level 5 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.
- Video Presentation Create a video showing the work accomplished and skills learned. This video should include the same type of information as required in written notebook listed above. This video is to be no more than ten minutes in length and formatted as MP4 and submitted on a thumb drive. This video can also be uploaded to a YouTube account with the video being made public and the link submitted for evaluation.

This project will help you study insects and their relationship with people. You can also learn how to collect, preserve, and identify insects.

Collections are to include the following

- Title as Insect Collection, year in Entomology
- Order – refer to ID-401, page 57.
- Display – mounted insects are to have been legally and personally collected in the United States and displayed in an 18"x24" collection box displayed horizontally. Collections including multiple boxes are to be numbered 1 of 3, etc. ID 401 A-F cards (for grades 3-8) and 401-I cards (for grades 9 - 12) are to be placed inside the display box in an attractive manner.
- Identification – Collection display boxes are expected to contain the specified number of insects, families, and orders specified (see chart below). All insects must be in the adult stage and be properly mounted on insect pins or be contained in vials as directed.
- Pin Labels - Each pin or vial must contain two labels:

- a. Top label is to include collection date, location, and collector name.
- b. Bottom label is to include common name and other optional identification data.
- Box Labels – Box labels (computer generated or neatly printed) are used for orders and families as required (see chart below) and are to be placed flat against the bottom of the box. Insects must be properly grouped directly under the correct order and family label. For example, all insects belonging to a particular order must be placed under that order label. Orders to be used are listed in the reference book ID- 401. If family level identification is required, the insects should be further grouped together under the correct family label.
- Educational Box – One additional box (educational), based on the specific theme (see chart below), is required for grades 9-12, in addition to the insect collection boxes. This box can be created in any manner chosen (without the mounting, pinning or identifying restrictions specified above).

Beginner Level 1st-3rd Year in Entomology Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
1 st year	10 insects, identified and pinned on cards (ID 401A)	1
2 nd year	20 insects, mounted (pins or vials). Identify all insects by common name and identify five (5) to order. Include card ID 401B.	1
3 rd year	30 insects, mounted (pins or vials). Identify all insects by common name and identify 15 to order. Include ID 401C.	1

Intermediate Level 4th-6th Year in Entomology Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
4 th year	40 insects, exhibit a minimum of 6 orders, mounted (pins or vials). Identify all insects by common name and order. Include ID 401D.	2
5 th year	50 insects, exhibit a minimum of 8 orders, mounted (pins or vials). Identify all insects by common name and order. Identify ten (10) to family. Include card ID 401E.	2
6 th year	60 insects, exhibit a minimum of 10 orders, mounted (pins or vials). Identify all insects by common name and order. Identify 30 to family. Include card ID 401F.	2

Advanced Level 7th-10th Year in Entomology Create a collection based on the year in Entomology or an educational exhibit. Advanced level insect collections are to also include an education box, for a total of four boxes. Advance level youth may instead create an independent study topic of choice.

Year in Entomology	Collection Information	Total Boxes
7 th year	70 insects, exhibit a minimum of 12 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect behavior. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only.	3
8 th year	80 insects, exhibit a minimum of 14 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect pest management. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only.	3
9 th year	90 insects, exhibit a minimum of 16 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insects in the environment. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only.	3
10 th year	100 insects, exhibit a minimum of 18 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: benefits of insects. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only.	3

Note State Fair Fashion Revue Grand Champion will be selected from the six (6) senior sewing category champions modeling their sewn garment or outfit plus the advance consumer clothing champion modeling their purchased outfit.

This project teaches youth skills to present themselves in a professional manner by providing an opportunity for youth to model the outfit constructed in the 4-H sewing project.

All garments and outfits modeled in Fashion Revue, except consumer clothing entries, must have been constructed by the 4-H member modeling that same garment or outfit. Youth qualifying to exhibit the same garment or outfit in Indiana State Fair Sewing and Fashion Revue must choose which project they wish to participate as one cannot exhibit the same garment or outfit in both projects at state fair.

DEFINITION OF AN OUTFIT An outfit is a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

Junior Grades 3-7: Model the garment or outfit constructed for the sewing project. Accessories may be purchased or selected from what you currently have.

Senior Categories Grades 8-12

Informal or Casual Wear: A complete outfit of 1 or 2 pieces suitable for school, weekend, or casual, informal activities. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

Dress Up This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend, or casual, informal activities.

Free Choice A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

Suit or Coat The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket as in "dress up wear". The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

Separates Consists of three garments that must be worn as a coordinated complete outfit. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

Formal Wear This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

Youth will learn basic information and skills needed to grow healthy plants and flowers as well as floral design techniques.

Floral arrangements can be constructed using fresh flowers and greenery grown yourself or purchased, flowers and greenery dried yourself or purchased, or artificial flowers or greenery.

Level A Grades 3-4

Floral Option Create a simple bud vase (1-3 stems of main flower plus appropriate filler and/or greenery) or simple round arrangement (small, compact round cluster of flowers plus appropriate filler and/or greenery).

Educational Display Option Create a poster, notebook or display about one of the following:

1. Chronicle your work in your flower garden (planning, planting, care, harvest, arrangement made with your flowers)
2. Describe how you planned or designed your garden, including how you chose the kinds of flowers.
3. Explain how you harvested your flowers, cared for them, and used them in an arrangement.
4. Explore and explain: pollination - what it is, why important, different ways it occurs or transplanting - what, how, things to watch out for; or role of insects with flowers (good, bad or both).
5. Explore and explain seed germination.
6. Explore and explain how to care for a 'sick' plant.
7. Report on interview with a floriculture professional (what do they do, types of jobs, type of training, hours worked, etc.)
8. Describe an experiment you did and the results.
9. Describe a community service project you did related to your flowers project.
10. Another similar activity.

Level B Grades 5-6

Floral Option Create a mixed planter that includes 3 or more kinds of plants, make an item from dried plants, or display a house plant (flowering or non-flowering) you've grown.

Educational Display Option Create a poster, notebook or display about one of the following:

1. Report how you harvested your flowers and/or herbs, cared for them, dried them, and used them.
2. Explore and explain: insects and your flowers and/or herbs.
3. Explore and explain: starting seeds indoors -- the process and pros and cons.
4. Explore and explain: perennials -- what are they, how are they used, benefits or drawbacks.
5. Investigate and describe a butterfly garden -- what types of plants, benefits to insects and butterflies, etc.
6. Describe how you planned or designed your garden, including how you chose the kinds of plants, any problems, successes.
7. Describe your houseplant - how you cared for, transplanted to larger pot, any problems, or successes.
8. Explore and explain: plant biology -- form and function, growth, photosynthesis, etc.
9. Explore and explain: how to grow plants indoors -- things to consider, common problems and solutions.
10. Explore and explain: environmental effects related to plants (such as light, water, soil, or temperature).
11. Describe an experiment you did and the results.
12. Explore and explain topics from "Imagine That" -- plants around the world, information about different cultural uses of plants, different ways you used your plants/herbs/flowers.
13. Another similar activity.

Level C Grades 7-9

Floral Option Create a terrarium, combination or European planter (3 or more kinds of plants), corsage, boutonniere, or specialty arrangement in a container (using dried flowers, roses, or lilies as the primary content).

Educational Display Option Create a poster, notebook or display about one of the following:

1. Explore and explain: vegetative propagation -- how to, different types, problems and solutions, different uses of.
2. Explore and explain: plant nutrients -- what are they, why does the plant need them, what happens if the plant has too much or too little, planters or containers vs. garden.
3. Investigate the design of multiple plant containers -- how to, things to consider, selecting plant materials, uses of.
4. Describe how you created your corsage or boutonnieres; or dried arrangement. Be sure to include appropriate information on design principles and how they are used to create your arrangement.
5. Explore and explain: floral tools and materials (how to use, what they are, care of tools, different uses of a tool or material).
6. Explore and explain: preserving cut flowers -- how, problems, uses of and/or diseases related to cut flowers.
7. Illustrate, explore and explain how to dry flowers or other plant materials and/or describe different methods and/or how, why use them.
8. Explore and explain: medicinal uses and toxicity of fresh and dried flowers and plants.
9. Describe an experiment you did and the results.
10. Describe a career exploration activity you did, such as job shadow, interview with a professional.
11. Describe a community service activity you did related to your flowers project -- what you did, why, results, etc.
12. Another similar activity.

Level D Grades 10-12

Floral Option Create a seasonal arrangement, modern or contemporary arrangement, bridal bouquet, special occasion centerpiece, or plant you have propagated and grown yourself.

Educational Display Option Create a poster, notebook or display about one of the following:

1. Describe how you created your arrangement, include information on the design principles utilized.
2. Explore and explain how you utilize different flowers to make a similar style arrangement for different seasons (tulips in spring, mums in fall, etc.) or how to utilize similar flowers to make different styles of arrangements.
3. Explore and explain: the cost of arrangement and/or a cost comparison with flowers (different types flowers, different time year, etc.).
4. Explore and explain: forcing flowers (bulbs, branches, etc.).
5. Explore and explain: marketing in the floral industry (large or small business) and/ or a market survey and results, and how they can benefit the floral industry.
6. Explore and explain: how to start a business related to the floral industry and may include a business plan.
7. Explore and explain the origins of flowers and/or the floriculture industry around the world.
8. Explore and explain: tissue culture, biotechnology, or traditional breeding of new flower types -- what are they, how are they used, pros and cons.

9. Explore and explain: be a plant detective -- what kinds of problems might you have in growing and caring for flowers, and how to solve.
10. Describe an experiment you did and the results.
11. Describe a community service activity you did related to your flowers project: how, why, results.
12. Another similar activity.

Purdue Extension Food Safety Policy (revised 10/2020):

For Food Competitions: Fillings, frostings, glazes, and meringues are not permitted to contain cream cheese, sour cream, heavy cream, or whipped cream if they are not fully cooked/baked. These items are allowed as ingredients in food products IF the final product is cooked/baked. Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted. Egg/egg whites that have been cooked to 160 F (i.e., pasteurized **or** included as part of a batter and baked) are acceptable. No home-canned fruits, vegetables, or meats are permitted as ingredients in food products.

Fresh-cut, uncooked, fruits and/or vegetables are not permitted to be used in food products or used as garnishes for the product. Foods should be transported to the competition in a way that minimizes contamination and maintains the quality of the food (i.e., foods that are judged as frozen should remain frozen at all times).

Recipes must be provided that identifies all ingredients that were used in each part of the product. Any ingredient that could be a potential allergen must be clearly identified. Potential food allergens include, but are not limited to, milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, soy and sesame. Each food product must be labeled with the following information:

- Name
- Address (4-H member information can be taken from enrollment if needed)
- Contact information (phone and/or email address; 4-H member information can be taken from enrollment if needed)
- Date the food product was made

Contestants should carefully wash their hands and make sure that their hands do not have any open cuts before preparing foods. If cuts are present, the wound should be bandaged and a single use food service glove worn on the hand during all stages of food production. Contestants should not be preparing food exhibits for competition within 48 hours of recovering from any illness. People experiencing symptoms of vomiting, diarrhea, fever, and/or jaundice should not be allowed to prepare food.

Judges and individuals who will consume products from county and/or state competitions should be informed that they are at risk for foodborne illness since the established policy cannot guarantee that an entry has been properly prepared or handled before, during or following the competition. The food products for competitions are home produced and processed and the production area is not inspected by the Indiana State Department of Health. Tasting of a food product is solely at the discretion of the judge and consumers. Judges are **NOT** to taste any home preserved foods such as low-acid or acidified foods like green beans, tomatoes or tomato products, jams/jellies/fruit preserves or fermented products produced in the home.

Foods-Baked

This includes the following projects that were "County Only" last year: Create-With-A Mix & Dairy Foods

State Fair Entry	Project Check In	Judging
2 each per county; Level A & Level B 3 each per county: Level C & Level D	One (1) Hour Prior to Judging Home & Family Arts Building Kosciusko County Fairgrounds	Tuesday, June 25, 2024 1:00PM Home & Family Arts Building Kosciusko County Fairgrounds

The foods project teaches basic baking, preservation and nutrition education skills.

Baked food products may be from a boxed mix following the instructions, a boxed mix with added ingredients, or ingredients combined from scratch. Youth are to place their name, county and club on the bottom side of their plate, pan or other container and the official entry tag provided will be placed with the exhibit.

A completed recipe card is to be submitted with each exhibit. Recipe cards are for judging purposes only and will not be returned to the exhibitor. Laminating, wrapping the recipe card in plastic, or placing it in a clear plastic bag is optional. Since it is illegal in the State of Indiana for youth under the age of 21 to purchase or consume alcoholic beverages, 4-H members are to use recipes that do not include an alcoholic beverage as an ingredient. A suitable non-alcoholic or imitation product may be substituted.

Baked food products should be covered during transport and displayed on a paper or foam plate, or another type of disposable container. Pies, casseroles and other similar items are to be baked in a disposable pan. Cakes and sticky items may be displayed on a cardboard strong enough to support the item and covered in foil, plastic, wax paper, or similar substance.

Level A Grades 3-4 Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- Three uniced snack sized cookies.
- Three standard sized unlined muffins.
- Three standard sized unlined muffins containing an ingredient that is a source of Vitamin A or C.
- Three snack sized granola bars.
- Three snack sized brownies or blondies.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

Level B Grades 5-6 Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- A single layer cake without frosting.
- A single layer reduced-fat cake without frosting. Reduce the amount of fat in the recipe by using a fruit puree or baby food fruit product that does not contain yogurt.
- A standard loaf-sized quick bread.
- A standard loaf-sized quick bread containing an ingredient that is a source of Vitamin A or C.
- A coffee-cake.
- A coffee-cake containing an ingredient that is a source of Vitamin A or C.
- Three biscuits or scones that are plain, sweet or savory.
- Three biscuits or scones that are plain, sweet or savory using a whole grain flour mixture.
- Three biscuits or scones that are plain, sweet or savory containing an ingredient that is a source of Vitamin A or C.
- Three no-yeast, any shape pretzels (shaped, stick or nugget).
- Three no-yeast, any shape pretzel with a whole grain flour mixture (shaped, stick or nugget).
- Three no-yeast bread sticks.
- Three no-yeast cinnamon rolls or another flavored roll without icing or glaze.
- A no-yeast sweet bread without icing or glaze.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

Level C Grades 7-9 Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- Three yeast bread sticks or yeast rolls (any shape, medium size – not a sweet roll)
- Three (3) yeast bread sticks or yeast rolls (any shape, medium size - not a sweet roll), using a whole grain flour mixture. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home bread maker.
- A yeast bread loaf or braid. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home breadmaker.
- A yeast bread (can be loaf, braid) using a whole grain flour mixture such as whole wheat, rye, oat bran, etc. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home breadmaker.
- Homemade pizza using a yeast dough. Judges are not expecting this item to be presented hot out of the oven.
- One package of an, invented healthy snack (such as a granola bar, popcornsnack, trail mix, etc.). Your snack must

include at least 2 food groups from MyPlate. Exhibit must include your snack product and a separate folder containing a marketing plan with product name, recipe, how it will be packaged, a package design, where it will be sold and suggested selling price. Style your snack for a photo shoot and include the picture in your marketing plan. Label should include product name, date, quantity, and serving size.

- Prepare an entrée casserole that meets three MyPlate requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any similar baked item.

Level D Grades 10-12 Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- A single or double crust baked fruit pie (no graham cracker crust). (Note: Custards, cream, cream cheese frosting and fillings, and raw egg white frosting are not acceptable in an exhibit because they are highly perishable when left at room temperatures).
- A baked food product for a catered meal or special event in which organizers have requested low fat and/or reduced sugar items. Exhibit will include your food product and a notebook outlining how this product is to be used at the event, menu, supplies to buy, preparation schedule, equipment, table layout, etc. A table display is optional.
- Select a condition in which people have to specifically modify their eating habits (diabetes, heart disease, Celiac disease, food allergies, etc.) Prepare a baked food product appropriate for someone with this condition. Exhibit will include your food product and a notebook summarizing the condition or allergy, nutrition considerations involved with the condition, a description of your baked item, and an explanation of how it fits within the nutrition considerations. Make sure to note any ingredients that could cause an allergic reaction.
- Prepare an entrée casserole that meets four MyPlate requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An international or ethnic food of choice. This may be a cold or hot product. Use care when transporting to prevent spoilage. Judges are not expecting this product to be presented hot out of the oven.
- A specialty pastry.
- Create a baking mix and provide a sample of the baked product. Include an index card with instructions, wet ingredients needed, and baking instructions.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

This project teaches youth natural resources and forestry related skills.

Beginner Level Grades 3-5 Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Intermediate Level Grades 6-8 Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Advanced Level Grades 9-12 Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate, prepare a herbarium collection that contains at least 25 native Indiana forest leaves, or prepare a herbarium collection that contains at least 25 native Indiana forest shrubs. Youth can also design and complete an independent study activity.

Herbarium Collections Collect 25 terminal twigs and at least two leaves, if space allows (only one compound leaf is required), from native forest trees. Mount the specimens on 11 ½" x 16 ½" paper. One leaf on the twig must be mounted to show the back side of the leaf. Label each sheet with the following: common name, scientific name, where collected, county where collected, date collected, name of collector, and specimen number. Cover each specimen. There are no specific references given for these exhibits. Youth are encouraged to use Extension publications, the Internet, books, and forest specialists when collecting and identifying specimens. The herbarium collection must be accessible to the judges. Do not cover it under the plastic that covers your poster. Youth may want to attach a folder or other holder over your poster to hold the mounted, covered specimens.

State Fair Entry Unlimited number of county entries, except educational exhibit

Youth will learn about plant growth, soil nutrition, and management of insects and diseases related to fresh vegetable and herb production.

Refer to Suggested 4-H Garden Exhibits, 4-H 970-w, to learn about size, weight, and other suggested specifications.

Level A Grades 3-4 Choose one or more options outlined below. All vegetable and herb exhibits must include common name and variety. Vegetable exhibits entered at state fair will be donated to local food banks and homeless shelters after being judged and not displayed.

Level B Grades 5-6 Choose one or more options outlined below. All vegetable and herb exhibits must include common name and variety. Vegetable exhibits entered at state fair will be donated to local food banks and homeless shelters after being judged and not displayed.

Level C Grades 7-9 Choose one or more options outlined below. All vegetable and herb exhibits must include common name and variety. Vegetable exhibits entered at state fair will be donated to local food banks and homeless shelters after being judged and not displayed.

Level D Grades 10-12 Choose one or more options outlined below. All vegetable and herb exhibits must include common name and variety. Vegetable exhibits entered at state fair will be donated to local food banks and homeless shelters after being judged and not displayed.

Garden Collection Option Create a 3-plate, 4-plate, or 5-plate collection display of vegetables you have grown and cared for from the single vegetable list. Display each vegetable on a disposable plate. Inclusion of flowers is optional.

This project helps young people know where their ancestors resided, traveled, and developed some family tradition.

Forms for this project are found on the Indiana 4-H Web site www.extension.purdue.edu/4h click on “projects” and then on Genealogy to reach downloadable forms. This project is organized into divisions and not grades for a youth cannot start in Division 3 without first completing Division 1 and Division 2. This is a project that builds on the previous division information in order to be successful in building your family tree. If you are using a genealogical commercial software program, you may need to type in or hand write in information required by the Indiana 4-H genealogy project. See 4-H forms on the 4-H website listed above.

The exhibit will consist of no more than four (4) notebooks for Division 1-4- and first-year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.) Those notebooks are:

- Book #1- Appropriate size notebook or binder, contains introduction sheet, pedigree charts and family group sheets
- Books #2- Appropriate size notebook or binder, contains additional information worksheets and diary of work
- Book #3- Appropriate size notebook or binder, contains supporting documents, pictures, etc.
- Book #4- Appropriate size notebook or binder, contains Advanced Division options only (Begin using this notebook in first year of the advanced division or the fifth year of project enrollment.)
- Another notebook should be maintained and kept in a secure place at home to keep original personal and legal documents as well as previously exhibited work.

Note – Youth may consolidate information in order to have fewer notebooks. In this case indicate on the cover the notebook numbers included and use dividers to separate information by notebook number as well as contents as indicated below.

Notebooks should be tabbed and in the following order:

- Book #1- Introductory Page; Pedigree Charts; Family Group Sheets
- Book #2- Additional Information Worksheets; Diary of Your Work
- Book #3- Any Other Documents (label with ancestor numbers on tab)
- Books #4- Advanced Division Options (label each tab separately with the specific option); Diary of Your Work (this will be a second diary describing work done for each advanced division option)

Pedigree Charts, Family Group Sheets, Additional Information Worksheets, and Diary Sheets are to be placed in the notebook back-to-back in sheet protectors to save space, reduce the information being damaged, and reduce the number of sheet protectors required.

So, the notebook exhibit can be displayed to the public and to minimize the potential of identity theft, original legal documents are **NOT** to be included in the exhibit notebook. Instead, a photocopy of any legal document is to be included in the notebook and all identifiable information (like social security numbers) except for names is to be completely marked out. Original legal documents are to be kept in a secure location by the 4-H member and his/her family.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. Reference notations are to be made in the “source” column of the Family Group Sheet and on each document.

If information on a family member is unknown, an additional information worksheet for each required ancestor is still required. Write "unknown" or "NIA" (no information available) in PENCIL for each sheet of unknown ancestors or list several ancestors on a page and inset page in proper numerical order.

After exhibiting the 1st year of the ADVANCED Division, only the Advanced Division notebook (Book #4) with ALL OPTIONS (no pedigree charts, no family group sheets, no additional information sheets, no documents from Divisions 1-5) needs to be exhibited each year the genealogy project continues.

Suggested Genealogy Supply List

- Four 3" D-ring notebooks (Book #1, #3, #4 will be exhibited and the fourth 3" D-ring notebook to maintain documents at home and NOT exhibited.)
- One 2" D-ring notebook (Book #2)
- Computer or legible printing/handwriting (be consistent with method used)
- #2 lead pencil with soft eraser
- Black ink pen
- Yellow highlighter
- Notebook tabs AND acid free dividers (several tabs will be needed, be consistent with style used, should not appear past edge of notebook)
- Fine point permanent black marker
- Acid free and non-glare sheet protectors
- Acid free paper
- Acid free glue stick
- Acid free satin Scotch tape
- Scissors
- Correction tape

Lots of creativity to make the exhibit your own while still following the exhibit guidelines. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Division 1 (1st year in project) Exhibit notebook that includes the following:

- Book #1
 - An Introduction page with a recent photograph of yourself
 - Completed three-generation pedigree chart. This includes you, your parents, and your grandparents, ancestors #1 through #7. Put all surnames in capital letters and all dates in military form (12 July 1974). Give each person a number, as described in the "Recording the Information" section of the Indiana 4-H Genealogy Resource Guide 4-H 748. **You must use the pedigree charts listed at the www.extension.purdue.edu/4h, 4-H 748Pc-W or 4-H 748Pb-W** or the commercial software forms, but not the old "packet" pedigree charts.
 - A Family Group Sheet for your parents and each pair of grandparents. Sources of information MUST be filled in on family group sheets (see section "Recording the Information")
- Book #2 (Ancestors 1-7 information)
 - Four (4) "Additional Information Worksheets":
 - One (1) for you, the 4-H member
 - One (1) for your parents
 - One (1) for each set of grandparents (total= two worksheets)
 - A diary of your work
- Book #3 (Ancestors 1-7 information)
 - Any documents or pictures pertaining to these three generations. Documents must be labeled with ancestor name and ancestor number. Pictures need to be labeled with ancestor name, plus names of all known people, place and date picture was taken, as well as ancestor numbers.

Division 2 (2nd year in project) Exhibit notebook that includes the following:

- Book #1
 - Four-generation pedigree chart. This would include you, your parents, grandparents, and great-grandparents, and ancestors #1-#15. **You must use the pedigree charts listed at the www.extension.purdue.edu/4h, 4-H 748Pc-W or 4-H 748Pb-W** or the commercial software forms, but not the old "packet" pedigree charts.
 - A Family Group Sheet for each pair of great-grandparents. Sources of information filled in on family group sheets (see section "Recording the Information" section of the Indiana 4-H Genealogy Resource Guide 4-H 748)

- Book #2 (Ancestors 8-15 information)
 - An additional information worksheet for each set of great grandparents
 - A diary of your work
- Book #3 (Ancestors 8-15 information)
 - Any photographs taken of tombstones of your ancestor and their children. Please document location of tombstone(s) and label with ancestor name, ancestor number, and date photo was taken. Rubbings are acceptable in lieu of photographs.
 - Any other documents or pictures pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 2 ancestors 8-15 and related information.

Division 3 (3rd year in project) Exhibit notebook that includes the following:

- Book #1
 - Five-generation pedigree chart, ancestors #1 through #31. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. If an ancestor is UNKNOWN, please indicate as UNKNOWN. **You must use the pedigree charts listed at the www.extension.purdue.edu/4h, 4-H 748Pc-W or 4-H 748Pb-W** or the commercial software forms, but not the old “packet” pedigree charts.
 - Additional Family Group Sheets for generation five (5). Sources of information must be filled in on family group sheets (see section “Recording the Information” section of the Indiana 4-H Genealogy Resource Guide 4-H 748).
- Book #2 (Ancestors 16-31 information)
 - Additional information worksheets
 - A diary of your work
- Book #3 (Ancestors 16-31 information)
 - Write an autobiography, the story of your life. Include pictures, relevant dates, and important events. OR, write an essay about what your hopes and dreams are for the future, or about life goals you hope to attain.
 - Any documents or pictures pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 3 ancestors 16-31 and related information.

Division 4 (4th year in project) Exhibit a notebook(s) that includes the following:

- Book #1
 - Six-generation pedigree charts, ancestors #1 through #63. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. **You must use the pedigree charts listed at the www.extension.purdue.edu/4h, 4-H 748Pc-W or 4-H 748Pb-W** or the commercial software forms, but not the old “packet” pedigree charts.
 - Additional Family Group Sheets for generation six (6). Sources of information must be filled in on family group sheets (see section “Recording the Information”).
- Book #2 (Ancestors 32-63 information)
 - Additional information worksheets
 - A diary of your work
- Book #3 (Ancestors 32-63 information)
 - A copy of a photograph or a story of a sixth-generation ancestor. Include information about the date when the photograph was taken, how or where you found it and what’s happening in it or why it was taken. If this is unavailable, write a story about the historical period during which your sixth-generation ancestor was living
 - Any documents or picture pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 4 ancestors 32-63 and related information.

Advanced (5th year and above in project) Exhibit notebook that includes the following:

- Book #1

- Seventh and eighth-generation pedigree charts, ancestors #64 through #255. If ancestry is unknown, please indicate as Unknown. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors.
 - Sources of information filled in on family group sheets (see section “Recording the Information” section of the Indiana 4-H Genealogy Resource Guide 4-H 748).
- Book #2 (Ancestors 64-255 information)
- Additional information worksheets
 - Diary of your work
- Book #3 (Ancestors 64-255 information)
- Any documents or pictures pertaining to these generations; correctly labeled.
- Book #4
- One new advanced level option (see below). Advanced division exhibitors must include ALL options submitted in prior years, with each option labeled with the year completed.

Pedigree charts are available on the Indiana 4-H website for your additional genealogy research. EACH YEAR FOLLOWING, continue to add ancestors to your pedigree charts. In addition, choose one of the following options that has not been completed previously. Please identify, by letter, the option that you are completing (for example: Advanced Division, Year 1, Option A; Advanced Division, Year 2, Option C; etc.)

Advanced Division Year 2 and beyond – Exhibit Book #4 that contains advanced divisions options and a second diary of work. If additional ancestry information was found in the seventh and eighth generation, exhibit Book 1 noting ancestors completed this year along with Books 2 and 3 demonstrating this year’s work.

EXPLAIN the information received as to how it relates to you and your ancestors. Copies of documents obtained in previous divisions are acceptable and should be utilized in the option chosen if needed.

1. A migration map of your eight-generation ancestors. You should have at least one map per family line with charts or explanations of the migrations.
2. A timeline historical report of a family line. Show how this family fits into history. Document your report as well as possible with dates, records, places or maps, pictures, etc. Be sure to include proper labels and sources.
3. A census history of a family line. Census abstract forms can be found on several websites. Download forms to abstract the census. Your notebook should contain copies of the census and the completed abstract form for each census.
4. A history of your family’s religious background for any family line or lines. Include a brief history of the denomination. Include baptism, confirmation or profession of faith and membership records. Also include information or history of the congregations involved. Be sure to include proper labels and sources.
5. A history of your family’s military service for a family line. Include supporting documents when possible. These documents could include military records, (muster rolls, discharge papers, etc.), pension records, and bounty land records, as well as maps and pictures. Be sure to include proper labels and sources.
6. A research paper on a famous ancestor. Prove your relationship to this person with documentation. Try to include pictures and anecdote to enhance your paper.
7. Complete a family line or lines back as many generations as possible beyond eight generations (ancestors 256 and beyond). Include pictures, maps, and documents. Be sure to include proper labels and sources.
8. A timeline historical report of another family line not previously completed. Document as well as possible as in Option B. You need to state at the beginning that this is a second family historical report on such ancestor.
9. A history of your family’s military service for a family line not previously completed. Include supporting documents as in Option E. You need to state at the beginning that this is a second family military history report on such ancestor.
10. Family DNA history. (This can be a very expensive option) Please include charts and explanations. i.e. use pie charts, ethnicity, approximate percentage regionally, number of countries searched, genetic percentage, family tree, graphs, etc.
11. Any other genealogy related activity choice.

Geology involves studying the earth's crust, its layers, and their history. Youth learn to identify Indiana rocks, minerals, and fossils.

Specimens may also be displayed in a 24" x 18" x 3" collection box, displayed horizontally.

You may purchase your specimens and may display rocks, fossils, and minerals. If you purchase a specimen, indicate when and where you purchased it and the location where you would expect to find the specimen. If you collect a specimen, indicate the county and township where you found it.

Posters and display boxes will be exhibited "standing up" at the Indiana State Fair. Therefore, you need to mount your specimens securely. Subject matter experts suggest the following methods: soaking ½ cotton ball in Elmer's glue, hot glue, or clear tub sealant. Place the cotton ball in your box and put your rock (or fossil or mineral) on the cotton ball and let sit. It will take 1-2 weeks for Elmer's glue to fully harden. Specimens mounted with Elmer's glue can be removed by soaking the cotton ball in water. Glue remaining on the rock may be brushed off with an old, damp toothbrush.

When exhibiting rocks show a fresh surface (recently cracked or broken surface) to help judges identify the rock.

Labels Include the specific geographical location where you would expect to find any specimens as well as where you actually acquired it (found, purchased, etc.).

Do not identify your specimens any further than phylum and class. There is one exception to this for fossils which are identified to phylum OR class. Class should only be used for fossils of mollusks, backboned animals, and arthropods.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Beginner Grades 3-5 Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate.

Intermediate Grade 6-8 Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 8-16 minerals and/or fossils.

Advanced Grades 9-12 Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 15-25 minerals and/or fossils and/or jewel stones. Youth can also design and complete an independent study activity.

The 4-H Health project is designed for youth interested in basic first aid and healthy well-being, as well as those interested in pursuing a medical profession career.

Beginner Grades 3-5 Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a family first aid kit, emergency kit, an emergency kit to take on a hiking, biking, skiing or similar trip, or another similar kit.

Intermediate Grades 6-8 Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a personal nutrition kit to use when doing physical activity like chores, working out at the gym, hiking, biking, skiing, or another similar kit.

Advanced Grades 9-12 Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create an activity or guide to help yourself or others become more aware of financial wellness, mental health, disease prevention, or other similar topic that promotes healthy habits. Youth can also design and complete an independent study activity.

Youth will apply principles of design to home design and decoration as well as learn about care of home furnishings.

Beginner Grades 3-5 Choose one of the following options:

- Furniture Item and Notebook- create a wall hanging, storage organizer, a set of 3-5 accessory items or something familiar for the home or similar activity.
- Design Board and Notebook- color a line drawing from your manual and create three color schemes, color a line drawing from your manual and demonstrate dominant and supportive color, or display a line drawing showing where furniture would be placed in the room or similar activity.
- Portfolio- Collect different color schemes, magazines showing different furniture designs, or magazines/photographs of formal vs informal balance, dominant and supportive colors, etc. or similar activity.

Intermediate Grades 6-8 Choose one of the following options:

- Furniture Item and Notebook- refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook- create a line drawing for a room in your home showing furniture layout, accessory items and fixtures or similar activity.
- Portfolio- display a sample of three different types of wall treatment with explanation of each, three different floor treatments with explanation of each, an energy plan for your home, or similar activity.

Advanced Grades 9-12 Choose one of the following options:

- Furniture Item and Notebook- refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook- display a floor plan for any room of your house or the whole house or apartment, or similar activity.
- Portfolio- display a sample of three different lighting or window treatments with an explanation of each, interview an interior designer and prepare a report, a home energy saving proposal plan, or similar activity.

Exhibit Categories

Furniture Item and Notebook An actual piece of furniture accompanied by a standard notebook (3-ring binder) explaining the who, what, when, where, why, and how of the chosen project. We suggest including pictures showing where the item will be used. Also, we encourage 4-H members to include pictures of themselves doing the project, but this is not required. Always place your identification information in the notebook and on the furniture.

Design Board and Notebook Standard 22"x28" poster, displayed horizontally with a firm backing. Design boards must be covered with plastic to protect and help hold items in place. An identification name tag must be attached in the lower right corner. The notebook is to help explain the who, what, when, where, why, and how of the chosen design. This can be a "before and after project" or "plan in the future" project.

Portfolio Standard notebook (3-ring binder). If 4-H members choose to do this option more than one year, we suggest that they keep the previous year's materials in the notebook. Place materials for the current year in the front, with the previous year's materials clearly marked or labeled at the back. Always place your identification information in the notebook.

The Junior Leader project allows 4-H members in grades 7-12 the opportunity to provide their Adult 4-H Volunteers with additional assistance in their 4-H Clubs and related activities while serving as mentors and role models to the younger 4-H members by sharing their experiences with them. Many counties offer county-wide opportunities for Jr. Leaders to meet and serve the community.

Junior leaders develop skills in the areas of civic engagement, leadership, entrepreneurship and more through a variety of hands-on experiences throughout the year. Contact the 4-H Youth Development Educator to learn more.

State Fair Entry: 3 junior and 3 senior driving contestants will qualify at the county level to compete at the area level contest; 3 junior and 3 senior driving contestants will qualify at the area level to compete at the state contest.

The 4-H lawn and garden tractor and equipment program develops principles of engine operation, hydraulic systems, electrical systems, safe operation skills.

Youth may exhibit in the operator skills option, educational exhibit option or both. Youth choosing to exhibit in the lawn and garden tractor, tractor, or zero-turn mower operator skills driving option must select one, but may be enrolled in all three projects.

Level A Grades 3-4 Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level B Grades 5-6 Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level C Grades 7-9 Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level D Grades 10-12 Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

Operator Skills Option

Junior Grades 3-7 Youth will demonstrate their operation skills by driving a lawn and garden tractor through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

Senior Grades 8-12 Youth will demonstrate their operation skills by driving a lawn and garden tractor through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests

Allows youth to learn life skills and grow in project knowledge while expressing creativity when building a model.

All arts and craft exhibits must include a 4-H Craft Information Card, 4-H 618A. This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

Exhibits must be a small-scale replica made of injected styrene plastics with approximately 25% of the surface painted. Wood, paper, clay die-cast, or snap together models are not permitted. Screws and pre-painted or pre-decaled factory models are not permitted. Exhibits made from building blocks (Lego) are not permitted.

If the model is being built from a kit, include a copy of the instructions with the information card. Original instructions should be kept by the exhibitor in a safe location at home.

Beginner Grades 3-5 Create and exhibit one age/grade appropriate model.

Intermediate Grades 6-8 Create and exhibit one age/grade appropriate model.

Advanced Grades 9-12 Create and exhibit one age/grade appropriate model.

This project teaches youth how to take quality photographs with a camera or digital device.

All images are to be original images taken by the 4-H member during the current program year. Captions are not recommended.

Print board exhibits are to include 10 photos mounted on a poster as described above, each no larger than 5"x7". Number each print 1-10. Prints may be a mix of digital and/or standard development. Create a title of choice for the print board exhibit. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Salon prints are to be no longer than 11"x14", mounted on a standard 16"x20" salon mount, and displayed vertically. Salon prints are to be placed in a clear plastic sleeve and captions are not recommended. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Images may be taken with a film camera, digital camera, cell phone, or other electronic device. Altering of images by any other means besides the device it was taken with is to be entered in the **creative/experimental** category. Creative/experimental exhibits must include original photo on the back side of the board, a description of how the image was altered, and equipment/software used to alter the image.

Sepia tone photographs (mono chromatic) are to be entered as black and white photos.

Beginner Grades 3-5 (Level 1) Choose one or more of the following:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

Intermediate Grades 6-8 (Level 2) Choose one or more of the following:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

Advanced Grades 9-12 (Level 3) Choose one or more of the following:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print

The sewing project teaches fabric selection, pattern selection and sewing machine use to construct items used around the home or other purposes.

Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower-level grade level to develop fundamental skills.

Provide a completed sewing skills card, 4-H 925c-W, with the exhibit. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Grade 3 Create one non-wearable sewn item demonstrating at least 2 skills from Sewing Skills and Techniques.

Grade 4 Create one non-wearable sewn item, or set of items, demonstrating at least 2 skills from Sewing Skills and Techniques, in addition to those learned in the prior grade.

Grade 5 Create one non-wearable sewn item, or set of items, demonstrating at least 3 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

Grade 6 Create one non-wearable sewn item, or set of items, demonstrating at least 4 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

Grade 7 Create one non-wearable sewn item, or set of items, demonstrating at least 5 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

Grades 8, 9, 10, 11, and 12 Create one non-wearable sewn item, or set of items, demonstrating at least 6 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

The sewing project teaches fabric selection, pattern selection and sewing machine use to construct garments and outfits to be worn by the 4-H member or another person.

Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower-level grade level to develop fundamental skills.

Provide a completed sewing skills card, 4-H 925c-W, with the exhibit. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Grade 3 Create one clothing article to be worn by the 4-H member or another person demonstrating at least 2 skills from Sewing Skills and Techniques.

Grade 4 Create one clothing article to be worn by the 4-H member or another person demonstrating at least 2 skills from Sewing Skills and Techniques, in addition to those learned in the prior grade.

Grade 5 Create one clothing article or a simple two-piece outfit to be worn by the 4-H member or another person demonstrating at least 3 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

Grade 6 Create two garments that can be worn together to be worn by the 4-H member or another person demonstrating at least 4 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

Grade 7 Create an outfit that be worn by the 4-H member or another person demonstrating at least 5 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

Senior Exhibit Category Class Guidelines Grades 8-12 Youth may enter an exhibit in one or more categories. Create an outfit from one of the categories defined below that can be worn by the exhibitor or another person demonstrating at least 6 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

All senior sewing outfits exhibited in Fashion Revue must be made and worn by the exhibitor.

DEFINITION OF AN OUTFIT An outfit is a garment or garments that when put together make a complete look- such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

Informal or Casual Wear A complete outfit of 1 or 2 pieces suitable for school, weekend, or casual, informal activities. A complete outfit is defined as a garment or garments that when put together make a complete look- such as one- or two-piece dress, one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

Dress Up This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend, or casual, informal activities.

Free Choice A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look- such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

Suit or Coat The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket as in “dress up wear”. The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

Separates Consists of three garments that must be worn as a coordinated complete outfit. A complete outfit is defined as a garment or garments that when put together make a complete look- such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

Formal Wear This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

Indiana 4–H Sewing Skills and Techniques

Youth and their mentor/volunteer leader/instructor should use this chart as a guide when deciding appropriate skills to incorporate in a sewing wearable or non-wearable article, garment or outfit for exhibit. While this list is a guide, it is not meant to be an all-inclusive list and youth should demonstrate skills they are most comfortable mastering. For example, some youth in a 4th grader might feel comfortable attempting 6th grade level skills, but it is unlikely a 4th grade level exhibitor will be able to successfully master the 10th grade level skills. Exhibited items must demonstrate the minimum skill techniques from their given grade level but may also include higher/lower-level techniques that have been mastered. Any higher/lower-level techniques will not be counted as part of the minimum skills, but nevertheless will be evaluated for quality. Youth are encouraged to utilize a number of resources such as a website, print material, social media, and television shows when learning sewing skills and techniques. Skills learned from these types of resources may be demonstrated provided they are age/grade appropriate.

Grade 3 Demonstrate at least 2 of the following skills:

- Insert elastic or drawstring
- Sew and trim a crotch curve
- Machine topstitch hems
- Use a simple seam finish
- Stitch in the ditch

Grade 4 Demonstrate at least 2 of the following skills:

- Use interfacing
- Staystitch and under stitch
- Apply a facing or binding
- Stich curved seams
- Trim and grade seams
- Work with fiberfill
- Machine topstitch hems

Seam finishes are recommended on all exposed seams.

Grade 5 Demonstrate at least 3 of the following skills:

- Match fabric design
- Insert zipper
- Hand-stitch a hem
- Apply purchased trim or ribbons
- Use a simple lining
- Apply machine topstitching
- Gather fabric
- Use a drawstring
- Sew a simple sleeve
- Sew patch or inseam pockets
- Do a machine blind hem
- Do a machine topstitched hem

- Sew with knit
- Apply facings
- Apply binding
- Insert elastic
- Sew buttons
- Use batting

Seam finishes are recommended on all exposed hems (except knits). Interfacing, understitching and trimming should be used when appropriate.

Grade 6 Demonstrate at least 4 of the following skills:

- Make darts
- Insert a lapped zipper
- Make buttonholes
- Sew ruffles
- Apply trim
- Sew patch pockets
- Do a machine topstitched hem
- Apply ribbings
- Do a machine blind hem
- Match fabric design
- Apply machine appliqué
- Apply machine topstitching
- Sew inseam pockets
- Set in sleeves
- Hand-stitch a hem
- Sew tucks or pleats
- Hand sewn buttons
- Sew a simple lining
- Apply bindings
- Sew facings
- Sew a simple collar
- Sew with knit
- Use fiberfill
- Insert piping
- Construct with a serger

Seam finishes are recommended on all exposed seams (except knits). Interfacing, understitching and trimming should be used when appropriate.

Grade 7 Demonstrate at least 5 of the following skills:

- Make darts
- Apply ribbing
- Use doll joints
- Match fabric design
- Apply machine topstitching
- Insert a fly front zipper
- Do a machine blind hem
- Sew lining
- Make buttonholes
- Use a twin needle
- Apply machine embroidery
- Set in sleeves
- Apply a collar
- Apply inseam pockets
- Apply trims
- Insert a lapped zipper
- Do machine quilting
- Attach cuffs
- Apply ruffles
- Use fiberfill
- Apply tucks/pleats
- Sew facing
- Sew on buttons
- Apply front hip pockets
- Apply machine or hand appliqué
- Insert a separating zipper
- Do a hand-stitched hem
- Apply binding
- Insert piping
- Apply patch pockets
- Construct with a serger

Seam finishes are recommended on all exposed seams (except knits). Interfacing, understitching and trimming should be used when appropriate.

Grades 8, 9, 10, 11 and 12 Demonstrate at least 6 of the following skills:

- Make darts
- Add facings
- Make sleeves
- Apply ribbing
- Use fiberfill and/or batting
- Add front hip pockets
- Apply machine embroidery
- Make pleats
- Apply a collar
- Add vents
- Add ruffles
- Do hand beading
- Use twin needle
- Make a reversible item
- Apply machine topstitching
- Insert a fly front zipper
- Do a machine topstitched hem
- Make self-covered buttons
- Make tucks
- Add plackets
- Add gathers
- Add a drawstring
- Add a waistband
- Match fabric design
- Coordination of fabric for quilted item
- Insert elastic
- Insert piping
- Sew buttons
- Sew with knit
- Add inseam pockets
- Create bound edges
- Do machine or hand quilting
- Insert an invisible zipper
- Insert a lapped zipper
- Do a machine blind hem
- Use specialty threads
- Add lining
- Add lapels
- Apply trim
- Use shaped seams
- Add patch pockets
- Make shoulder pads
- Attach cuffs
- Add boning
- Make a neckband
- Add underlining
- Make button loops
- Add welt pockets
- Hand/machine beading
- Apply machine or hand appliqué
- Insert a separating zipper
- Insert a hand-picked zipper
- Do a hand-stitched hem
- Make self-enclosed seams

- Sew with difficult fabric
- Make bound buttonholes
- Construct with a serger
- Piece quilted item
- Make machine buttonholes
- Other skills not listed above

Seam finishes are recommended on all exposed seams (except knits). Interfacing, understitching and trimming should be used when appropriate.

The 4-H shooting sports project teaches safe operation of firearms and archery equipment.

Live ammunition is not allowed to be exhibited (no powder or primer). Firearms or ready to shoot bows are not allowed to be exhibited. Unstrung bows are permissible.

An arrow with its arrowhead attached must be displayed in a secure case. An arrowhead without the arrow attached must be displayed in a secure case. An arrow may be displayed unsecured if its arrowhead is removed. Modern broadhead arrows are not allowed to be exhibited.

Displays involving firearms or bows may be exhibited as a photographic display on a poster or in a notebook following grade level guidelines. Handmade items must include information explaining how the item was made and its intended use. Photos are encouraged.

Some county 4-H programs offer in-person shooting instruction, depending of facilities. Disciplines include archery, rifle, shotgun, muzzleloader and pistol. In-person instruction in any of these disciplines must be led by a 4-H certified instructor. While some counties provide an option to exhibit at the county level, there is no state fair exhibit in these specific disciplines. Contact your county 4-H educator to learn about discipline opportunities in your county.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Beginner Grades 3-5 Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate.

Intermediate Grades 6-8 Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing shooting sports skills.

Advanced Grades 9-12 Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing shoot sports skills. Youth can also design and complete an independent study activity.

The 4-H Small Engine project creates the education and hands-on opportunity for youth to learn all about engines.

The actual small engine may be displayed if mounted on a stable base. For safety reasons, all fluids (fuel and oil) must be removed before taking the exhibit inside a building. A notebook is to accompany the engine display and include details and pictures of what was done to the engine.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Beginner Grades 3-5 Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

The 4-H woodworking project provides youth with educational information about wood and how it can be used to construct items.

Level 1 Grades 3-4 Exhibit one article of choice made during the current 4-H program year demonstrating a minimum of five (5) techniques outlined in the Indiana 4-H Woodworking Tools, Techniques and Skills Chart. Exhibits may also include higher level techniques that have been mastered. Any higher-level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality. A woodworking skills sheet is to be submitted with the exhibit for judging. Skills sheets are for judging purposes only and will not be returned to the exhibitor. Youth may also choose to create an educational poster, notebook or display about any manual activity or on any woodworking topic of choice that is age/grade appropriate.

Level 2 Grades 5-6 Exhibit one article of choice made during the current 4-H program year demonstrating a minimum of five (5) techniques outlined in the Indiana 4-H Woodworking Tools, Techniques and Skills Chart. Exhibits may also include lower and/or higher-level techniques that have been mastered. Any lower/higher level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality. Indiana 4-H Woodworking Tools, Skills and Techniques

Indiana 4-H Woodworking Tools, Skills and Techniques Youth and their mentor/volunteer leader/instructor should use this chart as a guide when deciding appropriate tools and skills to use and incorporate in a woodworking exhibit. While this list is a guide, it is not meant to be an all-inclusive list and youth should demonstrate skills they are most comfortable mastering with tools used. For example, some youth in level 2 might feel comfortable attempting level 3 tools/skills, but it is unlikely that a level 1 exhibitor will be able to successfully master the level 4 tools/skills. Youth are encouraged to utilize a number of resources such as web sites, print material, social media, and television shows when learning woodworking skills. Skills learned from these types of resources may be demonstrated provided they are age/grade appropriate.

The "X" indicates suggested level to learn respective skill. Exhibits must include a minimum of 5 techniques from their level indicated in the chart below but may include additional techniques from other levels as deemed appropriate, but nevertheless will be evaluated for quality. For example, Level 3 exhibitors may use any techniques found in Level 1 or Level 2 but the exhibit must include a minimum of 5 Level 3 techniques. Level 4 may use any techniques found in the lower three levels but must have a minimum of 5 Level 4 techniques.

Antique Display
Kosciusko County Fairgrounds

Purpose To encourage the interest of young people in learning about and preserving the history of our American Heritage

Goals This 4-H project will allow youth to:

1. Identify antique items and their use.
2. Research any unique history of item in project.
3. Learn how to restore antiques.
4. Interact with the "older" generations to research uses and to secure help in identification
5. Interact with others with a similar interest and to share with others what they have learned.

Project Categories

1. Household – furniture, kitchen, pottery, glass, etc.
2. Hand tools
3. Horse drawn and related items
4. Farm tractors
5. Implements and other farm machinery
6. Lawn tractors
7. Stationary engines
8. Miscellaneous

Project Divisions

Junior Division: Grades 3-8

Senior Division: Grades 9-12

Project Classes

1. Original – In its current state of condition. Items may be cleaned up for exhibit
 - Senior division will have a Champion and Reserve Champion ribbon awarded in each category.
 - Junior Division will have a Champion and Reserve Champion ribbon awarded in each category.
2. Restored – Item should be refinished, painted, rewired, etc. To be in like new condition
 - Senior division will have a Champion and Reserve Champion ribbon awarded in each category.
 - Junior Division will have a Champion and Reserve Champion ribbon awarded in each category.

Project Judging

1. Projects must be accompanied with a complete description of the project and exhibit (for both originals and restored) in a notebook. The notebook must contain information about your American Heritage project, pictures and all research, your MY AMERICAN HERITAGE PROJECT form and an itemized list of all expenses. Pictures should have captions that show and explain how you were involved in your project and the work that was completed. Before and after pictures are highly encouraged.
2. On your MY AMERICAN HERITAGE PROJECT form tell your story about your project, where your item came from, history you have learned about, and all of the research you have done. You should also tell how you plan to share your knowledge of your project with others and how your appreciation of history has changed.
3. Projects will be judged on the notebook, research/history, workmanship (if restored) and the judge's interview about the 4-H member's knowledge of his/her project.
4. Any work performed on restoration and repair of project that is not completed by the 4-H member must be noted in the notebook.
5. The 4-H member must be present for the judge's interview to be eligible for Champion.
6. Exhibits on display at the county fair will be on display at the 4-H member's own risk. Valuable items can be taken home after judging, but the notebook must be left for display.

4-H members will learn the skills needed to make practical and decorative items.

Terms & Conditions

1. Each division will have a Champion and Reserve Champion for each of the required and free choice projects.
2. Each member must complete divisions in order before advancing to the next division. Members are allowed to advance to higher divisions by demonstrating proficiency to an instructor.
3. Members may stay in each division no more than 2 years.
4. Each member will complete a 4-H blacksmithing record sheet that will be included in the green folder. A separate sheet including information on your project, its cost, your plans to use it, etc. will be included with your exhibit.
5. Division 1-4 projects are mandatory. All other projects are the 4-H member's choice, but must have a submitted drawing approved by an instructor prior to beginning project.
6. Division 1-4 required project materials will be provided. Any extra project materials will need to be furnished by 4-H member. Division 5 & above project materials are to be furnished by the 4-H member.
7. 4-H member's projects should show an increased level of complexity as you advance through divisions.

Division 1

Skills: draw a point, twist, 90° bend, scroll, slitting, drifting, punching, and upsetting.

*Note: All projects must be completed before advancing to next level.

Required projects:

- 1 J-hook, 1 Heart hook to be mounted on a 1" x 4" x 12" board. Then you will make a key holder

Extra projects are a towel rack or counter top paper towel holder

All projects will be exhibited at the Fair.

Division 2

Skills: continue level 1 skill building, including hammer control.

Required project:

- 1 leaf hook and 1 coat rack

Extra projects are:

- Candle sconce
- Towel bar
- Toilet paper holder
- Spoon or fork

All projects will be exhibited at the Fair.

Division 3

Skills: mortise & tenon and collar.

Required project:

- plant hanger or shelf brackets

Additional projects can be found in Blacksmithing books provided by instructors or from a proposed idea.

All projects will be exhibited at the Fair.

Division 4

Required project:

- table/plant stand

All projects will be exhibited at the Fair.

Division 5

Design and create a project including:

- mortise & tenon joint(s)
- twist(s)
- scroll(s)
- rivet of collar joint(s)

Project must be approved by instructors. Must prepare a materials list and complete drawn plan to accompany projects for approval and judging. Any bladed or edged project to be exhibited MUST be in a locked, secured, or sealed case.

Division 6 and above

Continuation of division 5; member's choice with approval of instructors. Must prepare a materials list and complete drawn plan to accompany projects for approval and judging. Any bladed or edged project to be exhibited MUST be in a locked, secured, or sealed case.

Notebook Requirements Notebooks should contain a story, pictures and your collect record. Pictures should have captions that list important information for your collection, include name or description of article, date of purchase or find, approximate cost or value and location of purchase or find. Each notebook will need a cover sheet. When creating your notebook, place the most recent year on top.

Exhibit Requirements Exhibits in each division may contain ONLY three (3) pieces of your collection and your notebook. If your collection is valuable, pieces can be takes home after judging, but the notebook must be left for display. Exhibit may be on a poster (22" x 28") following general poster requirements or in a box (not to exceed 18" x24") and securely covered with a clear glass or rigid plastic.

Level A Grades 3-4 Exhibit at least 3 pieces of your collection along with your completed notebook. Pieces should be different each year. Add to your notebook each year so you will be able to show the growth of your collection.

Level B Grades 5-6 Exhibit at least 3 pieces of your collection along with your completed notebook. Pieces should be different each year. Your story should be more detailed and informative than the Level A story. Add to your notebook each year so you will be able to show the growth of your collection.

Level C Grades 7-9 Exhibit at least 3 pieces of your collection along with your completed notebook. Pieces should be different each year. Your story should be more detailed and informative than the Level B story. Add to your notebook each year so you will be able to show the growth of your collection.

Level D Grades 10-12 Exhibit at least 3 pieces of your collection along with your completed notebook. Pieces should be different each year. Your story should be more detailed and informative than the Level C story. Add to your notebook each year so you will be able to show the growth of your collection.

Note: Leaves, insects, weeds, and rocks are NOT to be exhibited in collections. 4-H members must enroll and compete in forestry, entomology, weeds, and geology projects to exhibit these items. Exhibits at the county fair will be on display at the 4-H member's own risk. Valuable items may be taken home after judging, but the notebook must be left for display. Exhibit may be on a poster (22" x 28", displayed horizontally, covered with clear plastic) or in a display box (not to exceed 18" x 24"). It is recommended that the display be covered with clear glass or rigid plastic for protection.

In the Consumer Meats project, you will learn to prepare the meat item for a meal.

You may choose 1 (one) meat product or all of them, which includes Beef, Lamb, Pork, and Poultry to exhibit. You will exhibit only 1 (one) serving of each recipe prepared, in a microwave safe dish, along with a recipe card with the recipe listed on it.

Level A

Grade 3

- Exhibit a poster with a picture or sketch of a standing steer, lamb or hog, with the major wholesale cuts of beef, lamb, or pork identified.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Grade 4

- Exhibit a poster with a picture or sketch of a standing steer, lamb, or hog with the wholesale cuts identified. The use photos of a prepared dish from each of the major whole sale cuts plus a dish prepared from ground meat.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Level B

Grade 5

- Exhibit a poster showing each of the major wholesale cuts, plus ground meat, describing the versatility of each cut
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Grade 6

- Exhibit a poster showing the positive and negative points of an advertisement for beef, lamb, or pork. Include the words, phrases, and slogans that were used to make people want to buy those particular meat products.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Level C

Grade 7

- Exhibit a poster showing what you as a consumer need to look for when purchasing a wholesale cut of beef, lamb, or pork. (i.e., amount needed for your recipe, excess fat, freshness, color, texture of the meat, cut, etc.).
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Grade 8

- Exhibit a poster showing the use of beef, lamb, or pork in outdoor cooking, including the name of the cut, method of cooking, cooking time and comments from people the meat was served to. Also include the thought behind your decisions on the amount and type/cut of meat to purchase and prepare.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Grade 9

- Exhibit a poster showing what the hides from a steer, lamb or hog are used for
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Level D

Grade 10

- Exhibit a poster showing the steps of preparing beef, lamb, or pork for the freezer, and the freezer time for the meat.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Grade 11

- Exhibit a poster explaining the different career opportunities available in the beef, lamb, or pork industry.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

Grade 12

- Exhibit a poster showing an advertisement that you would use to get consumers to purchase the cut of meat you are selling at your retail store. Include a picture of the meat cut, price, weight, etc.
- Use your own recipe for a meal using Beef, Lamb, Pork or Poultry

- Intermediate Grades 6-8
- Advanced Grades 9-12

Exhibit Requirements

- All members may show grain and/or plants

Grain

- All grain exhibits are to be from grain produced the previous year.
- Exhibit one (1) quart of clean corn grain in a clear glass jar with the variety identified on the label.

Plants

- Exhibit two (2) stalks of corn in separate containers with dirt covering all roots except the “brace” or “collar” roots. An attached tag on each stalk should show the planting date and variety.

Hay

Levels

- Beginner Grades 3-5
- Intermediate Grades 6-8
- Advanced Grades 9-12

Exhibit Requirements

- Exhibit should be contained in a box, bag, tote, etc. Exhibit one section of new hay; mixed or pure that falls into the following categories:
 - Alfalfa Hay
 - Grass Hay
 - Mixed Hay

Small Grains

Levels

- Beginner Grades 3-5
- Intermediate Grades 6-8
- Advanced Grades 9-12

Exhibit Requirements

- All members may show grain and/or plants

Grain

- All grain exhibits are to be from grain produced the previous year.
- Exhibit one (1) quart of clean grain in a clear glass jar with the variety identified on the label.

Plants

- Exhibit an 8-inch bundle of stalks with washed roots with an attached tag showing the planting date and variety.

Soybeans

- All members may show grain and/or plants

Grain

- All grain exhibits are to be from grain produced the previous year.
- Exhibit one (1) quart of clean soybeans in a clear glass jar with the variety identified on the label.

Plants

- Exhibit five (5) soybean plants with bare roots bungled together with an attached tag showing the planting date and variety.

Strawberries

The Strawberry project teaches all about growing your own delicious strawberries.

What can I learn?

You will learn the different ways to grow strawberries, how to plant them, what varieties are available, what kind of care do they need and when to harvest.

Level Division I ALL

Project Completion Recommendations

1. Plant a small number of plants the first year--25 to 100.
2. Go on a tour of strawberry patches that belong to other 4-H members or local farms. Take the tour during mid-June to mid-July so the plants will have had a chance to grow.
3. Complete as much of your strawberry record as you can.

Exhibit

- First year plants.

Level Division II

Project Completion Recommendations

1. Go on a tour of strawberry patches that belong to other 4-H members or local farms.
2. Complete your strawberry record.

Exhibit

- Berries that you harvest from your own plants. Your fruiting strawberry plants--judged at harvest time.

Level Division III and above

Project Completion Recommendations

1. Continue with your renovated strawberry patches, keeping accurate production records.
2. Develop a variety, spacing or fertility trial comparison plot, keeping accurate records. Go on a tour of the experimental plots of other 4-H members or local farms.

Exhibit

- First year of trials: Berries you harvest from your renovated berry patch and/or your experimental plots or renovated planting.
- Second year of trials: Berries from each of your plots. Plantings in your experiment.

Purpose To give 4-H members a hands-on opportunity to explore their interest in fire safety, fire science, and first responder aid.

Goals This 4-H project will allow youth to:

1. Interact and network with local firefighters and first responders.
2. Research topics of their interest related to fire safety, fire science, and first responder aid.
3. Learn life-saving rescue skills and other life skills such as concern for others, conflict resolution, service learning, critical thinking, decision making, personal safety, and team work.
4. Interact with others who have a similar interest and to share with others what they have learned.
5. Explore potential volunteer, internship, and career options.

Level 1 Grade 3

1. Visit a local fire station and create a poster or scrapbook detailing your visit. The exhibit should:
 - a. Feature pictures taken by the 4-H member of the station with captions.
 - b. Include a summary of your visit.
 - i. What did you learn?
 - ii. Who did you meet?
 - iii. Would you consider firefighting as a career option? Why?
 - iv. What was your favorite part of visiting the station?
2. Fire hazards – Speak to a firefighter or do your own research about different types of fire hazards. Go throughout your home and identify any potential hazards. Create a poster based off of what you learned.
 - a. What are common fire hazards?
 - b. Did any of the hazards you learned about surprise you?
 - c. Did you find any hazards in your home?
 - d. What should you do if there is a fire in your home?

Level 2 Grades 4-5

Choose one of the following options per year:

1. Design an escape route for your home for you and your family. Be specific about where you plan to meet and how you will know if everyone has made it out safely. Practice the fire drill with your family.
 - a. Create a poster or notebook including your escape plan OR pictures of your practice drill (or a combination of both).
2. Learn basic first aid – Ask a firefighter, EMT, or paramedic to teach you what to do before help arrives in the event someone gets hurt. What if someone falls and breaks their arm? What if your friend gets cut while playing outside? Practice on a friend or family member and make a poster or how-to book on what you learned. Be sure to take pictures!
3. Types of trucks – Visit a fire station and learn about the different trucks they have. Create a poster to tell about the different types of trucks that you learned about.
 - a. What is the purpose of each truck?
 - b. What makes it the best truck for the job?
 - c. What situation would the truck be used in?

Level 3 Grades 6-8

Choose one of the following options per year:

1. Life Safety – Learn about the different ways that firefighters stay safe. Interview a firefighter about how they stay safe on the job and write a story, report, or poster on what you learned.
2. Types of tools – Firefighters use many different tools depending on the type of emergency and also depending on the size of the incident. Visit a fire station and learn about some of the different tools. Create a poster explaining the uses of 5-10 different tools including pictures of the tools and if possible, pictures of the tools in use. Make sure to include a little bit about the care and maintenance of these tools.

3. Search and rescue - Create a poster describing how firefighters do search and rescue. What obstacles are there and how do they get around those obstacles?
 - a. You can also do your own pretend search and rescue in your home or another building and have someone take pictures. Explain what you are doing in the pictures and why.
4. Make a poster about the types of jobs firefighters do. For example, search and rescue, ladder company, incident command, etc. Include pictures of the tools or trucks that each job may require. Which of these jobs sounds the most interesting to you? What sounds the most challenging?

Level 4 Grades 9-10

Choose one of the following options per year:

1. Public education- Firefighters go into schools and hold special events to teach kids about fire safety. Create a program of your own explaining what you would do to teach kids about fire safety. Be creative in your program and include examples. If possible, put your program to the test by showing it to some younger friends or family members. Create a notebook or poster detailing your program, what you would teach, how you would teach it, etc. Be sure to include pictures of your demonstration as well as the kid's reaction to the program. Specific topics that you could choose to base your program off of include but are not limited to: fire hazards, what to do if there is a fire, and basic first aid.
2. Explore the types of employment available in the fire service and/or first responder field (volunteer departments, full-time positions, part-time positions, paramedics, etc.) Create a resume and cover letter and take part in a mock job interview for the job of your choosing (Contact the project leaders no later than June 1 to schedule your mock interview). Create a notebook or poster which includes your resume and cover letter, interview tips, or a reflection of your interview.
3. First responder tactics – Firefighters are often called to emergencies where they have to know how to deal with trauma, bleeding, and other medical emergencies. Speak to a firefighter about what they do in these situations and create a poster which shows what you should do in one of the situations they discuss.
4. Fire Science – Create a poster, with visuals, explaining a fire triangle or tetrahedron, and how fire flows. How is this information useful when trying to put out a fire?

Level 5 Grades 11-12

1. Choose one of the following options per year. Contact the project leaders for information about local CPR and Fire I course or how to volunteer at your local fire department.
2. Enroll in a CPR/AED course or training to receive your certification. Create a poster or do a five-minute demonstration about CPR and/or using an AED.
 - a. What did you have to do to receive your certification?
 - b. What are the steps to CPR?
 - c. What are the steps of using an AED?
 - d. How do you know when to do CPR?
3. Hazmat – Learn about local Hazmat teams and what they do, how they are called out, and when they are called out. Make a poster that details what you learned.
4. Fill out an application to volunteer for 10 hours at a local fire department. Keep a log describing in detail what you did to volunteer. Have an over-seeing officer sign your log. Create a poster describing what you did during your time and be sure to include any pictures you may have taken as well as the log you kept.
5. (Must be 18 years old) Enroll in a Fire I course at your local fire department. Make a poster about the topics covered in the course.

Independent study (all grades)

Are you interested in a topic related to fire education, fire science, or first responder aid that is not covered in the project requirements? You can fill out an application to suggest your own fire education independent study project. Contact the project leaders for more information.

Grade 11 Exhibit a poster, notebook, or model that shows what you have learned about the reproduction of horses, the birthing process and how characteristics are passed through chromosomes.

Grade 12 Exhibit a poster, notebook, or model that discusses possible careers in the equine industry as well as the education necessary to participate in these careers.

The goal of the Homemade Ice Cream project is for youth to learn about how to follow a recipe, mix ingredients, and make different types of ice cream using different types of ice cream making devices/tools/and methods. This project has 3 levels; beginner, intermediate and advanced. Each level has different guidelines. Taste, quality and texture are the key this project looks for.

This project will be judged in three divisions

Level 1 – Grades 3-4-5

Level 2 – Grades 6-7-8

Level 3 – Grades 9-10-11-12

The goal of the Homemade Ice Cream project is for youth to learn to use safe food handling methods, follow a recipe, and exercise creativity in making different types of homemade ice cream or similar frozen desserts.

Raw milk, raw milk products or uncooked eggs/egg whites are not permitted. No home canned fruits may be used.

Exhibit Guidelines

Level 1 Grade 3-5

Learn how to make a vanilla and/or chocolate ice cream. Practice at least 3 different times at home. Take pictures of your experience. Create a poster that will include one (1) recipe that you made at home and pictures of your experience. Your poster will be displayed and judged during general project judging.

Level 2 Grades 6-8

Learn how to make several different flavors of ice cream. Practice 4-5 times at home making at least 3 different flavors of ice cream. Take pictures of your experience. Create a poster that will include two (2) recipes that you made at home and pictures of your experience. Your poster will be displayed and judged during general project judging.

Level 3 Grades 9-12

Learn how to make several different flavors of ice cream including at least 2 that uses real fruit and/or nuts or other added ingredient such as candy. Practice 5-7 times at home making at least 4 different flavors of ice cream. Take pictures of your experience. Create a poster that will include two (2) recipes that you made at home and pictures of your experience. Your poster will be displayed and judged during general project judging.

General Requirements

- Scrapbooks are to be standard sizes from 8x8 to 12x12.
- A digital scrapbook can be a printed album or individually printed photo pages placed in a traditional scrapbook album.
- Each scrapbook is to be created in digital format and printed. (Shutterfly, Persnickety Prints, Scrapping Simply are few examples of websites you can use along with home computer programs.)
- Each scrapbook album will be a bound scrapbook and have a front and back cover with pages firmly attached. If printing individual scrapbook pages, the pages must be placed in page protectors and have a front and back album cover.
- Photographs are required in your scrapbook album and should be the main focus.
- Pages should be in chronological order.
- Journaling should be included on each page with photos and tell who /what, when, where, and why. The purpose of scrapbooking is to preserve memories for the future so please tell your stories! Please spell words correctly!
- All materials used should be acid/lignin free.
- Pages to be judged should be clearly marked. If pages are not marked, judge will begin with page 1.

General Requirements

- Each scrapbook album will have a front and back cover with pages firmly attached between the covers. Page protectors are highly recommended but not required. Be sure both front and back covers are acid/lignin free.
- Photographs are required in your scrapbook album and should be the main focus.
- Memorabilia is optional but highly recommended as it will add significantly to the interest of the album. Memorabilia adds meaning, texture, and variety to your scrapbook. These are items that tell an important part of the story and will significantly contribute to the rest of the page. Memorabilia includes items such as: newspaper clippings, ticket stubs, ribbons, programs, certificates, and other small items. You may use memorabilia throughout the album and have two (2) pages dedicated to it entirely.
- Neatness counts! Exhibit clean pages with clear writing.
- Your handwriting is part of your heritage – please use it often! NO COMPUTER CREATED WRITING IS ALLOWED. You may use stickers to title your page, but ALL JOURNALING MUST BE DONE IN YOUR OWN HANDWRITING.
- Journaling – You can either use a journaling box to tell the story OR caption each photo on the page OR both would be allowed. A caption can be one word if it describes the photo or adds to the story.
- You should use acid/lignin free, buffered pages for your scrapbook.
 - Acid free = pH balanced chemistry, so your pages will not accelerate the natural deterioration of your photos.
 - Lignin free pages will maintain their durability and whiteness (non-yellowing).
 - Buffering has a neutralizing effect to protect photos against pollutants from the environment, acidic greeting cards, etc.
- Album pages that you want judged need to be labeled. The judge will automatically judge the first 6, 8, or 10 pages in your scrapbook, unless that you indicate which 6, 8, or 10 pages you want judged.
- Have fun preserving your memories!

Level 1 6 completed pages for judging, 8 ½ x 11 or 12 x 12 scrapbooks

- **Layout** Simple – no more than 2 -3 colors of paper (solid or patterned) per page. Stickers and die cuts can be used, but are not mandatory
- **Photographs** 4 of the 6 pages should include at least 1 photo. All pages can include photos.
- **Cropping** Straight cutting of photos using regular scissors or paper cutter, you may also use circle, oval or other shaped templates if you desire. Decorative scissors can be used on colored paper. Corner rounder can be used on photos if desired.
- **Journaling** Label each photo supplying the basic information (who, what, when, where, and why) and/or journal box appropriate for the page. Remember to use your own print/handwriting.
- Keep in mind that the main focus is preservation and not how many stickers or fancy papers you use on your page. Let your pictures and memorabilia be the main focus.

Level 2 8 completed pages for judging, 8 ½ x 11 or 12 x 12 scrapbooks

- **Layout** More creative layout, i.e., coordinating papers, stickers, etc. Creative borders and lettering can be used.
- **Photographs** 6 of the 8 pages should include at least 1 photo. All pages can include photos.
- **Cropping** Silhouette cropping can be used in addition to techniques you have learned in the previous division.
- **Journaling** Create captions for each photo by putting basic information (who, what, when, where, and why) into sentences and/or journal box appropriate for the page. Remember to use your own print/handwriting.
- Using a variety of cropping techniques and page layouts will add interest and creativity to your album. Not everything needs to be “artsy”. Use a nice balance.

Level 3 10 completed pages for judging, 12 x 12 scrapbook

- **Layout** May include a pop-up page, pocket page, or quilt type layout, but not every page has to be these types. Use techniques you have learned in previous divisions. Include a variety of layouts.
- **Photographs** 8 of the 10 pages should include at least 1 photo. All pages can include photos.

- **Cropping** Expand on previous learned techniques to increase the creativity of your album.
- **Journaling** Create captions for each photo by putting basic information (who, what, when, where, and why) into sentences and/or journal box appropriate for the page. Remember to use your own print/handwriting.

Welding

<p>State Fair Entry</p> <p>Not eligible for State Fair</p>	<p>Project Check In</p> <p>One (1) Hour Prior to Judging</p> <p>Home & Family Arts Building Kosciusko County Fairgrounds</p>	<p>Judging</p> <p>Tuesday, June 25, 2024 1:00PM</p> <p>Home & Family Arts Building Kosciusko County Fairgrounds</p>
---	---	--

Objectives

- To learn about different methods of welding and what materials are best suited for each type of welding.
- To acquire a working knowledge of the machines and equipment used in the building trade.
- To know the safety procedures and practices involving the equipment used.
- To understand the proper care and maintenance of welding equipment and accessories.
- To obtain a working knowledge of equipment and accessories in a modern workshop.
- To acquire knowledge of the techniques involved in arc and gas welding and oxygen cutting.
- To be familiar with the terms and definitions of welding.

Exhibits

- Each division will have a champion and reserve champion. One overall grand and reserve grand champion will be chosen.
- At their initial workshop, members will complete a combined safety/skills test to determine their starting level. After being placed in a division, you will remain in that division for a maximum of four years before advancing to the next division. Annual reevaluation of skills and comfort level may be conducted to make advancement recommendations.
- Those members not able to attend workshops must start as division 1 and may remain in that division for a maximum of four years before advancing to division 2.
- All metal must have burrs removed and a protective finish to prevent rust: oil or paint.

Techniques to be taught

- Safe practices; safety in welding, clothing, gloves, shoes, helmet, jacket.
- Basic skills: striking an arc, running a bead, setting heat range, learning electrodes and current flow, etc.
- Use of measurement and cutting tools, other fabrication techniques.
- Joint preparation (using a grinder).
- Out-of-position welding.
- Multiple fillet welds.
- Flame cutting and learning the parts, safety, igniting and stopping a cutting torch.

Division I Beginner Exhibit one of following

- A poster illustrating a butt weld, lap weld and a tee-weld in the flat position
- One of the following projects from the Arcs and Sparks publication
 - Boot scraper
 - Post Driver
 - Hammer/jig

DIVISION II Intermediate Exhibit one of following

- Exhibit a poster illustrating the four welding positions (flat, horizontal, overhead and vertical)
- One of the following projects from the Arcs and Sparks publication
 - Christmas Tree Stand
 - Shelf with bracket
 - Electrode Holder

DIVISION III Advanced Exhibit one of the following

- A poster illustrating a detailed welding blueprint
- One of the following from the Arcs and Sparks publication
 - Welding Table
 - Pedestal
- One or more items of your own creation, which include a welding blue print.

4-H Animal Project General Rules

STEP 1 Animal Identification

1. *****NEW FOR 2024*** Animal Projects not enrolled/ identified in 4HOnline (or postmarked by or submitted to the Purdue Extension Office in the case of poultry, dog and cat) by May 15th ARE NOT ELIBIGLE to be exhibited at the County or State Fair.**
2. *****NEW FOR 2024*** Animal Projects not enrolled in FairEntry by June 15th will be eligible for exhibition only. However, you are still eligible to participate in Showmanship and exhibit these projects at the Indiana State Fair (per State Fair rules). Eligibility to sell in the Auction will be handled by the 4- H Council on a case-by-case basis.**
3. Lease forms should be submitted by the published species deadline.
4. Animals only need enrolled once per family. Every attempt should be made to match livestock with their intended exhibitor, but siblings may make changes at fair time with no penalty.
5. Your signature on your 4-H poultry, cat, dog or pocket caged critter enrollment form, or electronic submission for all other species, means that your animals are under your care as a 4-H project. The animal is still expected to be in the care of the 4-H member from the animal ID deadline to the end of the county/ state fair.
6. Premise registration is required by the State of Indiana for each person that buys, sells, or exhibits livestock. These individuals must obtain a premise identification number for each of their Indiana premises. The following species are exempt from this requirement (but may still register voluntarily): Equine (horses, asses, and donkeys), Camelidae (camels, llamas, and alpacas), and Ostriches, rhea and emus. **Premise ID numbers are required.** If you do not have a premise ID number, you can apply for one at the State Board of Animal Health Website: <https://secure.in.gov/boah/2642.htm>
7. Any animal that loses a Kosciusko County 4-H ID and/or RFID tag after tag-in, must have the tag replaced by the species superintendent prior to check-in at the county fair. The 4-H member must report the loss of the tag to the superintendent as soon as possible. The 4-H member must have the animal available to be re-tagged at a time determined by the superintendent. If a picture of the tag and the animal's ripped ear (or at least a ripped ear if the tag is lost) is provided, the animal does not have to be re-tagged to avoid the ear becoming more injured (for county exhibition only).
8. Each 4-H member shall own his/her 4-H exhibit. Ownership, personal possession, and regular care of the animal must be in effect on or before the county and state enrollment deadlines and continuously until after the 4-H show at the county and/or state fair.
9. Lease programs are only for 4-H members who do not own their own animals of that species. Leasing an animal will be considered the equivalent of ownership. The 4-H member should be regularly involved in the care of the animal, regardless of where the animal is kept, and the 4-H member should have exclusive show rights to the animal during the 4-H lease periods from the animal ID deadline until the 4-H show at the Kosciusko County/Indiana State Fair.
10. For 4-H breeding animals: family corporations and/or partnerships of 4-H members with one or more parents, siblings, grandparents, aunts, uncles, or legal guardians are acceptable. 4-H breeding beef, Boer goats, dairy goats, sheep and swine must be registered in one of the following ownership methods:
 - a) in the 4-H member's name
 - b) John Smith and Sons
 - c) John Smith, Sons and Daughters\John Smith and Family (family includes sons, daughters, and legal guardian youth only
 - d) Mark Smith (brother) and Mary Smith (sister)
 - e) Family corporations where the 4-H members' name appears as a holder of stock in the corporation, and proof of same must be supplied on or before the ID deadline
 - f) Family partnership where the 4-H member's father, mother, brother, sister, aunt, uncle, grandparent, and/or legal guardian is also in the family partnership and the 4-H member's name appears on the legal, notarized partnership. A copy of the written document must be on file with the Extension Office before the ID deadline.
11. For 4-H dairy cattle: family corporations and/or partnerships of the 4-H member with unrelated persons or dairy operations are also acceptable.
12. 4-H animals purchased, sold or offered for sale after the ID deadline and prior to the Indiana State Fair (including animals that have gone through a "Premium Only Auction"), shall not be eligible to show in the 4-H show at the Indiana State Fair. Sale of products of animals (beef product, milk, cheese, wool, etc.) in lieu of the animal, are considered equivalent to a "Premium Only Auction."

STEP 2 Mandatory Education

1. For animal projects where no animal is to be exhibited, 2 activities in the project manuals must be completed and submitted with your Record of Achievement paperwork in order to complete the project.

2. In order to exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits, 4-H members must be certified through the Indiana 4-H Quality Livestock Care or YQCA by June 15. This is an annual program that can be completed via in-person trainings.
 - A. **If YQCA/QLC is not completed by the June 15th deadline, your eligibility to exhibit at the County and State Level is forfeited. If you do the online YQCA version, you must send a copy of your completed certificate to the Kosciusko Extension Office by June 15th.**

STEP 3 Fair Entry

1. Animals intended for exhibit at the county fair should be entered into the FairEntry System by June 15th (www.fairentry.com). Changes may be made at time of check-in as long as animals have been originally identified in 4HOnline or through paper identification form by the posted species deadlines. Exhibitors should attempt to enter an accurate count of the total number of animals to be exhibited. There is no need to dual enroll animals for family members. Accurate accounting for these animals prior to fair helps for barn set up and ease of check-in.
2. State Fair entries must be postmarked by posted deadlines. 4-H member must submit a separate state entry through the Indiana State Fair website with a fee to the State Fair Entry Department.

STEP 4 Animal Check-In

1. Each 4-H animal species shall comply with the Health Regulations which are designated by the State Veterinarian found at the end of the 4-H Livestock and Animal Project Rules Appendix A
2. All registration or proof of registration for breeding stock will be required and checked at time of entry. Only original registration papers issued by the Association will be acceptable (Papers faxed directly from the breed association are acceptable, NO PHOTO COPIES).

STEP 5 Care/Handling During Fair

1. It is the responsibility of the exhibitor to keep his/her animal exhibits neat and keep clean and attractive aisles. Pens and stalls must be cleaned daily. All animals must be fed, watered and have fresh clean bedding by 9:00 AM each morning and by 9:00 PM each evening during fair week. Failure to do daily chores or report in will be considered neglect of animals and offences will be penalized as follows:
 - a. First Offense: 4-H'er/Parent will be given a verbal warning with an explanation of violation.
 - b. Second Offense: 4-H'er/Parent will be verbally informed and participation in the livestock auction for related species will be forfeited.
 - c. Third Offense: 4-H'er/Parent will be verbally informed and the right to exhibit the related species the following 4-H year will be forfeited.
2. No animal should be fed or watered unless permission has been given by 4-H'er or Family. Please contact a committee member before doing so.
3. No grooming chutes will be allowed in any buildings during the fair, unless deemed necessary by the species committee.
4. No drugs and/or medications may be given to a 4-H animal exhibit at the county fair except those administered by a veterinarian after approval by the superintendent or his/her designee, and it must be recorded with a signature and a date.
5. No one should damage the barns by screwing anything into the wood paneling or siding without permission from a committee member.

STEP 6 Exhibition/Completion Expectations

1. Show classes and order will be determined by the committee and communicated prior to exhibition at the fair.
2. Each 4-H member must care for, show, and sell (if applicable) his/her own exhibit. Exceptions may be made for a family/medical emergency or circumstances deemed unavoidable by the 4-H Council. If the 4-H'er and parent/legal guardian request that they have a substitute showman. For 4-H auction substitutions the 4-H member and guardian must submit this request via personal interview with the council no later than the July council meeting. Failure to be excused from a job and/or participation in a sporting event, youth camp, or sports practice does not qualify as an unavoidable circumstance. In cases where the 4-H'er has more than one animal in a class (with the exception of the 4-H Cat, Dog and Horse and Pony projects), he or she must notify the respective 4-H animal species superintendent of the conflict 1 hour prior to the beginning of the show.
3. 4-H members can obtain clipping and grooming assistance help from anyone.
4. All members are expected to follow the dress code prescribed by the species committee (including close-toed shoes, and any applicable safety equipment). Members dressed inappropriately may not be permitted to enter the show arena.
5. All animals will be judged and ribbons awarded according to the American System of Judging. First through fifth place.
6. If a Kosciusko County 4-H member is punished at or banned from exhibiting at the Indiana State Fair, then the same consequences and/or actions will be enforced against the 4-H member at the county fair the following year.

7. No animals will be released without the superintendent's approval prior to the posted release time. Anyone checking in late or leaving before the posted release time (without notification and approval by the species committee) shall forfeit all points from the current year's fair and may be allowed to show only as a participant for the next year's fair.
8. The use of small personal and motorized vehicles shall be restricted to the 4-H Youth Development Extension Educator, Fair Board directors and officers ONLY. All vehicles shall be identified with an official sticker. Any misuse or abuse of this policy shall result in immediate revoking of that individual's privileges. This policy does not pertain to any of the antique tractors or motorized vehicles used to pull the fair corporation shuttles or that participate in the daily parades through the fairgrounds.
9. 4-H members will not be allowed to stay overnight in the barns or exhibit buildings. A curfew for each barn has been established and will be enforced. Each committee will provide at least 2 approved adult volunteers in the barn each night that animals are present from midnight until 5:00 AM. No one, other than assigned personnel, is to be in the barns between midnight and 5:00 AM during the county fair.
10. If problems arise that are not covered by the 4-H rules in this guide book, decisions will be made by the 4-H committee responsible for the project area.
11. Decisions on special problems that committees are unable to resolve and requires a decision to be made before the fair will be decided by the 4-H Council Executive Committee and the 4-H leader of the member in the situation involved.

STEP 7 Fair Clean-Up/ Wrap-Up

1. Manure removal from the county fairgrounds will be the responsibility of the 4-H members and committees that utilize the barns, tents, arenas, and grounds for the county fair 4-H exhibits and shows.
2. No power washers will be allowed.
3. My Record of 4-H Achievement forms are to be turned in to either the Shrine Building or the 4-H Fair Office by the end of general project pick-up.

 - i. **Swine**
 - i. Market Barrows
 - ii. Barrows weighing less than 220 pounds are auction eligible
4. If the 4-H'er does not have an auction eligible animal or eligibility for a figurative auction 'basket', the 4-H'er is not eligible for auction participation and will not receive a monetary reward of any kind.

General 4-H Livestock Premium Only Auction Rules

1. Premium Only Auction: A dollar amount is donated to each 4-H'er as a reward for their livestock project completion, their accomplishments, and work ethic
 - a. The Premium Only Auction will begin at 9 am on Friday
 - b. Premium Only Auction: Each 4-H'er goes through the ring once.
2. Buyer Groups are for the Sale of Champions or 10th and/or Last Year members only.
3. Add Ons can be done for any 4-H member using the online platform.
4. A flat commission will be taken from each 4-H'er participating in the Premium Only Auction. These fees are used to pay for Software, Online Platform Fees, Auction Buyer Meals, Chair Rental, Programs, Insurance, Sale of Champion Banners, and Miscellaneous Office Expenses. Commission is 2% minimum and subject to change at the discretion of the Auction Committee for the purpose of paying auction expenses.
5. Auction checks will be mailed as soon as sufficient money is collected to cover the 4-H'ers' checks.
6. **Sale Order**: The Auction begins with the Sale of Champions and will end with the 10-Year 4-H'ers. Poultry and Rabbits are first species in the Auction, and will alternate annually. All other species follow and maintain a rotating schedule.
 - a. 2024 Sale Order: Sale of Champions, 10-Year 4-H'ers, Rabbit, Poultry, Sheep, Beef, Dairy Beef, DCFS, Dairy, Swine, and Goats

4-H Livestock Member's Expectations

1. 4-H members must be present in order to sell in the 4-H Livestock Auction. If 4-H'er requests: 1.) An in-person auction substitution or 2.) An exception to personal representation, the 4-H'er and their parent or guardian must submit a written request and participate in a personal 4-H Auction Committee interview no later than JULY 1st. The 4-H Auction Committee will take each request into consideration and report their ruling to the 4-H Council. The deadline will only be waived in the case of an emergency.
2. 4-H'ers participating in the auction need to be in line with their species at the time of the auction. If the 4-H'er is not present at the designated time, they will be placed at the end of the species they are selling. If they do not appear before that species is auctioned, they will not be allowed to sell.
3. Participation in the 4-H Auction is a privilege, not a right. If a 4-H'er breaks the 4-H Code of Conduct Agreement or violates barn rules, they may be removed from the auction.
4. Proper show attire shall be worn during the Livestock Auction. Clean jeans, below the knee skirts, shirts (4-H t-shirt or appropriate show shirt), and clean footwear should be worn. No shorts, cut off shorts, tank tops, halter tops, or hats. Midriff is to be covered. Tuck shirts in, if needed.

4-H Animal Related Rules

1. If a veterinarian disqualifies your animal for any reason, the 4-H'er is not eligible to participate in the auction. Specie Committees will determine if the animal will be exhibited.
2. If a feeder steer is sold through the auction, it is no longer eligible for the two-year program in Kosciusko County.
3. Animals' ineligible for exhibition at the Indiana State Fair 4-H Livestock shows include: 1.) 4-H animals IDENTIFIED WITH THE 4-H'er THROUGH A 'PREMIUM ONLY AUCTION' and 2.) 4-H animals purchased, sold, or offered for sale after the enrollment deadline (prior to the Indiana State Fair).
4. AUCTION CHANGES: If the 4-H'er removes their 'animal' from the auction, changes the selected species, and/or changes the animal ID, that information must be communicated to the Extension Office staff by 9 am, Thursday, prior to the Friday auction.

Specie Superintendent Expectations

1. Verify all 4-H Livestock Auction eligibility requirements at Check-in (using the provided form)
2. Report the following to the Auction Committee Superintendent:
 - a. **At Check-In:** 4-H'ers that have not met Auction Eligibility Requirements
 - b. 4-H'ers interested in donating all or part of their 4-H Livestock Project to the 'Heart of 4-H'
 - c. **By 5 pm THURSDAY** Any known 4-H'ers that choose to withdraw from the livestock auction
3. Notify 4-H'ers of their eligibility to participate in the Sale of Champions
 - a. Provide Sale of Champion packets to appropriate 4-H'ers
4. Assist with 4-H Auction line-up and review proper auction attire
5. Each species will designate 5 individuals to assist with: Auction Clean-up, Set-Up and Tear Down. **Clean-up** and **Set-up** will follow Thursday's Supreme Showmanship Contest. **Tear Down** will immediately follow the conclusion of Friday's auction

SALE OF CHAMPIONS

1. Each 4-H'er will receive a Sale of Champion packet with information about the sale.
2. The Sale of Champions will follow the same rotation as the regular auction and will include the sale of the 4-H King and 4-H Queen kisses.
3. Participation in the Sale of Champions constitutes the 4-H'ers one sale ring appearance.
4. Each 4-H'er that is eligible to participate in the SOC must complete a sale card to designate intentions to SELL or NO SALE. The card needs to be turned in to the Auction Committee within ONE HOUR AFTER YOUR SPECIES SHOW IS FINISHED. Any changes must be made by 9 am, Thursday, prior to the Friday auction.
5. Sale of Champion animals cannot be substituted with any other animal
6. **Livestock species included in the Sale of Champions are represented as follows:**
 - a. Beef:
 - i. Grand and Reserve Grand Champion Beef Steers
 - b. Dairy Beef:
 - i. Grand and Reserve Grand Champion Dairy Beef Steers

Species Representative Selection Process

1. Each species representative will be the winner of the Senior Showmanship Class in 2024, unless that species has a Master Showman Class.
 - a. If there is a Master Class, the Master Showman, in 2024, will be the representative in the Supreme Showman Contest.
 - b. An alternate or reserve champion will be selected in each species in the event the person winning senior or master elects not to participate.
2. If the Master Showman of a species declines to participate, the opportunity will first pass to the alternate in ranked order. This ranking must be determined by the judge during the showmanship contest for that species.
3. If no Master Showman remains, the opportunity will be passed to the Champion Senior Showman provided this individual did not compete in the Master contest.
4. The final opportunity will pass to the Reserve Champion Senior Showman.
5. If a representative cannot be selected from the above criteria, the opportunity will then be open to any 10 year 4-H member that has participated in Senior Showmanship and selected by a draw if more than one is interested.
6. If there is still no one to represent the species the opportunity will then be closed for that species. That species will continue to have livestock representation in the contest but no substitute showman will be accepted.
7. If a member is eligible to participate in the Supreme Showman Contest in more than one species, he/she must choose in which species he/she will participate within 1 hour of winning the second contest for subsequent planning purposes.
 - a. The 4-H'er **must** inform the 4-H Youth Educator or the Supreme Showman Chairman who will then inform BOTH species Superintendents of the decision, at that time, so the alternate has sufficient time to prepare.
8. Contestants can pick up the educational binder and draw showmanship contestant numbers between 5-6pm on Wednesday of the fair in the 4-H office. Contestants will be provided with the animal fact cards associated with the number they drew. Contestants are encouraged to review the cards and connect with animal owners to learn as much as possible about the animals they will be exhibiting. Animals owned by contestants will not be permitted to be used in the competition.
9. After winning Supreme Showmanship, members can continue to compete in any/all species showmanship contests but may not participate in the Supreme Showmanship. If selected as the Master Showman winner for any species, the next highest placing will represent that species in the Supreme Showmanship contest.

Species Committee Responsibilities

1. Each species committee will provide a check or gift card for the appropriate amount for their judge to the 4-H Educator

- at the May Superintendent's Meeting.
2. Each species committee will assign a member as the designee to support to the Supreme Showman Contest. This person is responsible for:
 - a. Identifying a judge to judge the portion of the contest that involves their species. Ideally, the judge will be from outside of Kosciusko County or have limited involvement with Kosciusko County 4-H currently and have been out of 4-H for **10 years**.
 - b. Ensuring a species contestant representative and an alternate is selected as described in the Participation Selection Process.
 - c. Choosing the appropriate animals for participation in the contest ensuring safety as the utmost importance.
 - d. Supplying a fact card, completed by the owner of the animal being exhibited, for use in the contest to the Supreme Committee Chairman by Tuesday morning at 9AM. These cards will be numbered and provided to contestants after drawing the contestant number in the 4-H office upon being selected for participation in the contest. All animals used in the contest must have been properly entered and exhibited in the current year's Kosciusko County Fair.
 - e. Delivering the selected animals to the show arena for use by the contestants and returning them to the barn. Animals used in this contest may not be owned by the showman, his/her immediate family, or have been housed on the same premises as other animals exhibited by the showman.
 3. Assigning a committee member to serve as the ring man along with the previous year's Supreme Showmanship Winner.

Day of the Contest Overview

Prior to the contest

1. All contestants will meet in the show arena at 1:30PM on the day of the show. Contestants will complete an all-species quiz. No cellular devices can be used and each contestant will be assigned a location in the show arena.
2. Contestants will complete a questionnaire at this time to be shared with the spectators during the show.
3. Contestants will be provided with a shirt, which will be worn during the show. Contestants will wear their exhibitor number during the show. The Supreme Committee will provide an alternate number if necessary.

Show Order

1. Afternoon Session: 3:00pm; Poultry & Rabbit, Goat, Dairy Feeder Steer, and Dairy
2. Dinner Break: Approximately 5:30pm
3. Evening Session: 6:30pm; Horse & Pony, Swine, Beef and Sheep

Rules & Scoring

1. Each contestant will show all species. This includes that specie that you are representing. It will remain anonymous as to which specie you represent until the end of the contest.
2. The animal that the contestants drew will be waiting for them near the show arena, with the species committee designee, enter the show arena and exhibit that animal.
 - a. All species judges have approximately 25 minutes to judge the class. Rabbits and Poultry will take approximately 45-50 minutes. Fitting of the animal will not be judged against the contestant.
 - b. The Specie Committee designee and the previous year's Supreme Showman winner are expected to be the ring man while contestants are exhibiting. Those are the only people allowed in the show area during the show.
3. The Supreme Showman will be selected on the basis of total points scored. Each contestant will be placed by the species judge. Example: 1st place will receive 10 points, 2nd place 9 points, 3rd place 8 points, 4th place 7 points, 5th place 6 points, 6th place 5 points, 7th place 4 points, 8th place 3 points and 9th place 2 points. Highest points earned will be the winner.
4. The winner will receive a banner, belt buckle, chair, plaque and their name on a traveling trophy. Reserve Champion will receive a banner.
5. In case of a tie, the score from the all-species quiz taken prior to the contest will be the first tie breaker. The second tie breaker would be the contestant that received the most 1st places during the contest.
6. Contestants will be able to obtain the scoring Friday Morning at the 4-H office upon return of the educational binder.

Species Showmanship

Standard for every species —can show in one class per year, with the exception of Senior winner competing for Master. Once you win a division, you will compete in the next age division the following year, regardless of age. Members must exhibit an animal identified for show under their name at fair check-in. If a member's only animal dies at, or prior to, the county fair, they should consult the species committee for a substitute animal for showmanship. The judge will select a ranking five placings deep. A master showmanship runner-up will be selected and announced.

4-H members will show in showmanship classes at the county fair based on their grade in school during the 2023-2024 school year.

Rookie/Green hand: any 3rd grade showman in that species (optional)

Junior: 3-5 Intermediate: 6-8 Senior: 9-12 Master: previous Senior winners

For Goat – Beginner, Junior, and Senior showmanship will be divided between specialty and dairy

Alpaca

State Fair Entry	Animal Check In	Show Day
Yes	Friday, July 5, 2024 6:00PM Sheep Barn Kosciusko County Fairgrounds	Sunday, July 7, 2024 9:00AM Show Arena Kosciusko County Fairgrounds

1. Alpacas do not have to be registered to be able to show at the Kosciusko County Fair.
2. No intact Alpaca male 24 months of age or older will be permitted in the 4-H Classes.
3. Alpaca lease fees will be decided upon annually by the owner of the alpaca (leaser) and are due in full to the leaser by May 15th.
4. A lease agreement and a code of conduct will be signed by all 4-H participants AND their parents. The lease agreement will cover items concerning lease arrangements between the 4-H'er and owner (leaser) of the alpaca. The code of conduct will be a written statement on how 4-H'ers and parents will conduct themselves at the weekly farm meetings and at the county fair.
5. 4-H'ers who own their own alpaca will be responsible for bringing it to the farm for workshops. If it is determined that the 4-H'er or their alpaca is acting in an unsafe manner which puts other 4-H members or committee at risk, then the superintendent will ask the parent to take their alpaca home and not to bring it back to the farm until it has been trained properly and can act in a safe manner around the other 4-H members and committee members.
6. All alpacas must wear a halter at all times and have a lead rope available if needed at the county fair.

Requirements & Expectations

Level 1 Grades 3-5

1. Attend at least 2 alpaca workshops at Milford Animal Clinic; see code of conduct for requirements.
2. Learn basic health, nutrition and conformation and complete your project notebook that covers these topics. Leaders will check your notebook.
3. At workshops each week under the superintendent and committee member's instructions and supervision, you will train your alpaca in all types of classes, learn grooming techniques, learn all aspects about alpacas and have a time to work in the alpaca barn at the farm.
4. Attend your county 4-H fair and do the following:
 - a. Show in the showmanship and obstacle class. Royalty and Costume classes are optional, but highly recommended.
 - b. Attend to all of your alpaca's basic needs during the entire week at the county fair.

Level 2 Grades 6-8

1. Attend at least 2 alpaca workshops at Milford Animal Clinic; see code of conduct for requirements.
2. Expand your knowledge on health, nutrition and conformation and complete the notebook section related to your year in the project. Leaders will check your notebook.
3. At workshops each week under the superintendent and committee member's supervision, you will train your alpaca in all types of classes, learn grooming techniques, learn all aspects about alpacas and have a time to work in the alpaca barn at the farm.
4. Attend your county 4-H fair and do the following:
 - a. Show in the showmanship, obstacle course and royalty classes. Costume class is optional, but highly recommended.
 - b. Attend to all of your alpaca's basic needs during the entire week at the county fair.

Level 3 Grades 9-12

1. Attend at least 2 alpaca workshops at Milford Animal Clinic; see code of conduct for requirements.
2. Continue to expand your knowledge on health, nutrition and conformation and learn about breeding, birthing, lactation and rebreeding.
3. At workshops each week under the superintendent and committee member's supervision, you will train your alpaca in all types of classes, learn grooming techniques, learn all aspects about alpacas and have a time to work in the alpaca barn at the farms.
4. Attend your county 4-H fair and do the following:
 - a. Show in the showmanship, obstacle course and royalty classes. Costume class is optional, but highly recommended.
 - b. Attend to all of your alpaca's basic needs during the entire week at the county fair.

Classes

- Showmanship-In showmanship class, the 4-H member is being judged on how well they are able to show their alpaca to its best ability to the judge. The conformation of the alpaca is not being judged in this class. The alpaca needs to be groomed and prepared for showmanship class. The 4-H member should have safe and neat attire on. **(All 4-H alpaca project members are required to participate in this class.)**
- Obstacle Course-The purpose of Obstacle is to test the alpaca's obedience and willingness to complete the activities requested by the 4-H member. The obstacles used for this class vary greatly but must include a bridge or ramp, jumps, flexibility or maneuvering (weaving), change of pace and backing. **(All 4-H alpaca project members are required to participate in this class.)**
- Royalty-The 4-H member will be tested on their knowledge of the information they have learned in their alpaca manuals, and also information that may have been obtained at a workshop.
- Costume-The 4-H member decides on a theme and dresses him/herself and the alpaca to illustrate the chosen theme. The 4-H member and the alpaca are being judged on the alpaca's acceptance of the costume and the amount of coverage on the alpaca. A short-written script is required to describe the theme of the 4-H member and his/her alpaca. (Music can be used during this presentation, but is not required.)

Show Day

Monday, July 8, 2024
9:00AM

Show Arena
Kosciusko County Fairgrounds

1. One 4-H member may have 6 steers and 6 commercial heifers identified for the county, but can show a maximum of 6 steers, 6 breeding heifers, and 2 commercial heifers with no more than 2 breeding heifers per class.
2. Horned steers will not be allowed to exhibit.

3. All 4-H Beef cattle which are not to be sold will be released Wednesday after 9:00 PM or Thursday 6:00 AM-8:00 AM. Cow/Calf Pair can be released immediately following the show.
4. No unnatural hair may be added (Example: tail fins, switches, etc.).
5. The Grand Champion Steer and the Reserve Grand Champion can sell in the Sale of Champions. Breed champions and reserve breed champions will sell first followed by the remainder to be determined by drawing.
6. Each 4-H family is allowed to have 1 fan for each 3 head of cattle. The fan must be 24" or less in diameter and be hung above the animals pointing to the east. If electrical outages become a problem, the beef committee may require all exhibitor fans to be turned off.
7. Clean pen awards will be chosen based on the condition of the 4-H member's stalls during the entire fair week. Awards will be presented during the Livestock Auction.
8. No electric misters will be allowed in the beef barn.
9. Breed changes at the fair must be made before leaving the scales during weigh-in on Saturday morning. After cattle have been checked in, no breed changes can be made. If cattle are enrolled as a pure bred, they can only be switched to cross bred. Cattle may not be switched from one pure breed to another.
10. Tie out pens may be assigned based on space availability at the discretion of the 4-H beef committee. Requests should be made to the committee by July 1, 2024. Cow/calf pairs will be given priority over market animals or breeding heifers. Exhibitors must provide their own gates and remove them prior to beef barn clean out.
11. There will be **no** Dairy Steers stalled inside the beef barn.
12. Any non-State Fair recognized breed will be shown as a crossbreed.
13. Tie outs are only allowed to take place in the Beef Barn or the tie outs located by fairgrounds track. No tie outs in trailers.

We will recognize all State Fair 4-H breed standards and offerings of market animals and breeding heifers for the current year.

Heifer Classes

- Junior Calf-Dropped between January 1 and April 30, 2024
 - Senior Calf-Dropped between September 1 and December 31, 2023
 - Summer Yearling-Dropped between May 1 and August 31, 2023
 - Junior Yearling-Dropped between January 1 and April 30, 2023
 - Senior Yearling-Dropped between September 1 and December 31, 2022
 - Two-Year-Old Cow-Cow that was shown as a heifer in the previous year. She must have a calf at her side. Note: If her calf is steered, weighed, and tagged at the feeder calf weigh-in, it may be shown as a beef feeder calf also.
1. Heifers must be registered, have breed association issued papers, and have a legible tattoo that matches the registration papers present upon check-in at the beef barn.
 2. All registered heifers and crossbred heifers must be enrolled in 4HOnline by May 15th.
 3. Commercial heifers will be shown by weight. All other heifers must have breed association registration papers.

Steer Classes Steer classes will be broken equally according to weight. All steers will show in their breed classes and will be required to have registration papers. If no registration paperwork is available, they will be shown as a crossbred. All steers will be shown by their weight.

Order of Show (Official Order will be posted by Sunday of the Fair). Both heifers and steer breeds will be shown alphabetically with commercial heifers and crossbred steers shown last.

Champion and Reserve Champion County Bred and Born Heifer

Rate of Gain Contest
Beef Feeder Calves

Steers
Grand and Reserve Grand Champion Steer
Champion and Reserve Champion County Bred and Born Steer

The Beef Show judge will award places for the Top 5 Heifers and Top 5 Steers during the Grand Drive. They will be chosen from the breed Champions and Reserve Champions. Breed Champions selected will be replaced in the grand drive by their respective breed Reserve Champions, which are also eligible for a Top 5 selection.

Rate of Gain Contest

1. Open to any 4-H Beef member.
2. Steer must be properly enrolled and weighed on the designated day in February.
3. Steer must be shown at the county fair.
4. Calculations will be made on weight at time of weigh-in at fair.
5. First five places will be shown and winners announced for beef.

Beef Feeder Calves

1. All calves must be born between January 1st and March 31st of the current fair year. Calves must be weighed and ear tagged, with Dairy Calf Feeder Steers, with an RFID tag by or at tag-in. This date is April 16, 2022 and will be the east end of the beef barn at the fairgrounds. If unable to attend weigh-in, contact the Beef Superintendent before May 10th to get your calves their required RFID and County tags. Beef Feeder Calves may be purebred beef calves or beef crosses.
2. Beef Feeder Calves may be either steers or heifers.
3. All calves must be weaned from the cow or on milk replacer before coming to the county fair.
4. Calves must weigh a minimum of 225 lbs. to be eligible to compete and sell.
5. Dehorning and castration wounds must be completely healed before coming to the county fair check-in.
6. Calves will be shown by weight and show together regardless of sex.
7. A Beef Feeder Calf can only be shown once in the Beef Show (i.e., cannot also be shown as a beef steer or a breeding heifer, but it can be part of a cow/calf pair).
8. Beef Feeder Calves **must** be vaccinated, weaned, castrated and dehorned prior to the fair.

Dairy Skill-a-thon:
 Tuesday, July 9, 2024 7:00PM Show Arena

All Dairy Heifers must be stalled:
 Friday, July 5, 2024 9:00 AM-12:00 PM

All Milk Cows* must be checked in:
 Saturday, July 6, 2024 by 8:00 AM

*All Milk Cows must be on the grounds and stalled by 8:00 AM Saturday July 6, 2024

1. All dairy cows and heifers must be registered in the 4-H member's name unless it is a leased animal and the registration papers in the possession of the exhibitor by May 15th.
2. The members' 4-H Online account for registered animals only must include 840 RFID tag number plus registration number, tattoo or ear tag number and birthdate in order for the animal to be eligible to show as a registered female to show at the county and State Fair. County fair only grade (non-registered) heifers must have a tag, tattoo or 840 RFID number and birthdate to be exhibited at the county fair only. A 4-H member may show more than 1 breed, but may not show more than 1 animal in each breed class.
3. Registration papers of a registered animal's sires and dams must be the same breed.
4. All grade animals will show by breed characteristics determined by the majority of the dairy committee and will show in the same classes as registered animals.
5. All dairy animals must remain stalled until the completion of the entire dairy show and must be removed no later than one hour before the auction starts. Exception of the Sale of Champion animals.
6. A senior champion of the breed must be represented for a Grand Champion to be selected. Grand Champion animals will be selected from junior and/or senior champion animals. The junior champion animals will be brought back for Grand Champion at the Judge's discretion.
7. Nothing should be attached to the walls or center divider (nails, bolts, tape, glue, etc.) without first having barn committee approval.
8. Only dairy and dairy calf feeder steer committee members may adjust or turn fans on or off. Fans generally affect more than one person's animals. Please ask for assistance from a committee member.
9. No automatic water devices will be allowed in the Dairy barn.
10. Since the Dairy Barn no longer has a milking facility or any portable milking equipment, all 4-H members will be responsible for finding their own portable milkers and will be responsible for the disposal of their milk away from the fairgrounds. No milk can be disposed of anywhere on the fairgrounds. If a dairy member is unable to locate any portable milkers, he or she will need to contact the Dairy Superintendent as soon as possible, before the fair begins.

Non-Ownership General Rules

1. The purpose of the 4-H Non-Ownership Dairy Project is to provide an opportunity for 4-H youth who do not live on a dairy farm to care for and show a dairy animal without the animal being transferred into the youth's name. This is an annual project, so a new lease agreement must be completed and submitted each year.
2. The Dairy lease program is only for 4-H members who do not own their own dairy cows and/or heifers. 4-H members may not enroll both leased and owned dairy animals. Only dairy heifers that will be less than two (2) years-of-age at the time of the Indiana State Fair 4-H dairy show, may be leased. Leasing a dairy heifer will be considered the equivalent of ownership. The 4-H member should be regularly involved in the care of the heifer regardless of where the heifer is kept, and the 4-H member should have exclusive show rights to the heifer during the 4-H lease period from May 15 through the 4-H dairy show at the Indiana State Fair. Leased 4-H dairy heifers must be registered (although it is not necessary to have the registration paper transferred to the 4-H member's name) by May 15 with their registration number listed on the 4-H member's 4HOnline profile. At check-in during the Indiana State Fair, the 4-H member with a leased dairy heifer must provide the heifer's registration paper and a lease agreement signed by them and the person they are leasing the heifer from. **KOSCIUSKO COUNTY 4-H'ERS MAY LEASE GRADE DAIRY HEIFERS FOR OUR COUNTY FAIR. KOSCIUSKO COUNTY 4-H MEMBERS MAY SHOW LEASED COWS IF THEY HAVE BEEN ENROLLED AND SHOWED AS A HEIFER PRIOR TO THE CURRENT 4-H YEAR BY THE SAME 4-H MEMBER.**
3. The agreement between the 4-H member and a dairy producer should include such terms as may best fit their partnership conditions.
4. The lease agreement is to be completed and turned in to the Extension Office on or before May 15th, 2023. All leases will be reviewed by the Dairy Committee. Those turning in Lease Agreement Forms after the deadline or incomplete will forfeit in **NO POINTS, NO AUCTION, AND NO STATE FAIR.**
5. The animals and 4-H members must meet and comply with all other rules of the shows they enter.

Dairy Calf Feeder Steers

1. If feeder steer/dairy steer is determined a cross, an exhibition class(es) will be created but not eligible for any awards. They will be eligible for auction.
2. Calves must be weighed, ear tagged with RFID and County tag, dehorned, castrated, and vaccinated by or at the tag-in on April 13, 2024. This will take place from 9:00 AM-11:00 AM in the east end of the beef barn at the fairgrounds.
3. Off-premise housing forms (if applicable), enrollment worksheets (these are to assist you only in entering information into 4HOnline and do not serve as official enrollment documents), and \$5.00 per calf fee and \$10.00 per 4-H'er pen are due at spring tag-in.
4. All dairy feeder calves must be weighed and tagged with RFID and County tags to be eligible for vet services that will be provided only on the day of spring tag-in.
5. It is strongly recommended that calves be born after January 1, 2023. Any calf weighing over 300 pounds at the April tag-in will show in an overweight/exhibition class and will not be eligible for any awards at the county fair in July. They will be eligible for auction.
6. Calves must weigh at least 225 lbs at July Fair check-in.
7. All calves must be weaned before the county fair.
8. A member may tag in six (6) and show two (2) calves, but may only sell one (1) calf.
9. A 4-H member will be eligible to sell one (1) dairy calf feeder steer in the auction.
10. If a feeder steer is going to be shown at the next year's county fair, the 4-H member must enroll in the dairy steer project, properly enroll the steer in 4HOnline and follow the dairy steer rules.
11. Grooming: Body clipping is optional, grooming oils are permitted, but no professional grooming is allowed.
12. Classes will be determined by weight. This will be done at the discretion of the Dairy Calf Feeder Steer Committee.
13. Calves will be grown for a feeder calf (NOT VEAL) finishing operation.
14. The following 1-time vaccinations are required for dairy calf feeder steers to be eligible for sale in the 4-H auction. If there are any questions, please contact your veterinarian or a dairy calf feeder steer committee member. The vaccinations should be given by or obtained at spring tag-in on April 13, 2024.
 - IBR-BVD-PI3
 - CLOSTRIDAL OR TYPES C & D TOXOID
 - De-wormer
 - Optional: Implant
15. Show sticks are optional.
16. Barn rules
 - No moving of fans, only committee member(s) can adjust the fans.
 - No automatic water devices are allowed in the dairy barn or buckets of any size are allowed to be left in the pen.
 - No attaching of tape, nails, bolts, glue, etc. to painted walls. Committee member(s) must grant permission if these items are needed.
 - Alleyways are to be kept clean and free of show boxes and feed.
 - No straw is allowed for bedding. Please use sawdust or shavings.
 - 4-H members are responsible for cleaning out their stalls after the sale, but they need to wait to clean out their stalls until their animals have been sold and loaded onto the trailer.
 - No metal feed pans are to be used.
17. Beginning at 8:00 AM Saturday, all Dairy Feeder Calves must be checked by superintendent/committee member before unloading.
18. All Dairy Calf Feeder Steers which are not eligible to be sold will be released after 9:00 PM on Wednesday or Thursday from 6:00 AM to 8:00 AM. Any other arrangements must be cleared with committee.

19. All feeder steers have to be a purebred dairy breed: Holstein, Guernsey, Jersey, Ayrshire, Brown Swiss or Milking Shorthorn. The DCFS committee has a crossbred information sheet with examples of pictures and characteristics of crossbreds available to all members. If a calf is in question that it is a crossbred, the committee will make their determination of crossbred status by majority vote within one month of the April weigh-in. Any dispute of their ruling must be brought before the 4-H Council within one month of the April weigh-in.

Dairy Steers In addition to these rules, also please refer to the following rule #'s under the Feeder Steer section: Rules #1, 11, 13.

1. One 4-H member may check-in up to 6 dairy steers. Can only show a maximum of 2 dairy steers.
2. Horned steers will not be allowed to exhibit.
3. No glues or adhesives may be used.
4. All Dairy Steers have to be a purebred dairy breed (Holstein, Guernsey, Jersey, Ayrshire, Brown Swiss or Milking Shorthorn), crosses of dairy breeds and/or beef breeds will not be allowed! The DCFS Committee has a crossbred information sheet with examples of pictures and characteristics of crossbreds available to all members. The ONLY Dairy Steers that need to come to April tag in are those Dairy Beef Steers that don't already have both the Kosciusko County 4-H 5-digit tag and an 840 RFID tag. Dairy Steers MUST be halter broke. If a steer is in question that it is a crossbred at the April weigh in, the committee will make their determination of crossbred status by majority vote. Any dispute of their ruling must be brought before the 4-H Council within one month of the April weigh-in.
5. Dairy Steers must weigh a minimum of 1,000lbs. at July Fair Check-in to be eligible to show & sell. If weight requirement is not met, the steer must be taken home immediately.
6. Dairy Steers must be double-tied with rope neckties while stalled in the dairy barn. NO CHAINS ALLOWED!
7. Show sticks are optional.
8. Barn rules:
 - No moving of fans, only committee member(s) can adjust the fans.
 - No automatic water devices are allowed in the dairy barn or buckets of any size are allowed to be left in the pen.
 - No attaching of tape, nails, bolts, glue, etc. to painted walls. Committee member(s) must grant permission if these items are needed.
 - Alleyways are to be kept clean and free of show boxes and feed.
 - No straw is allowed for bedding. Please use sawdust or shavings.
 - 4-H members are responsible for cleaning out their stalls after the sale, but they need to wait to clean out their stalls until their animals has been sold and loaded onto the trailer.
 - No metal feed pans are to be used.
9. Beginning at 9:00am on Saturday, All Dairy Steers must be checked by superintendent/committee member before unloading.
10. All Dairy Steers which are not eligible to be sold will be released after 9:00pm on Wednesday or Thursday from 6:00am to 8:00am. Any other arrangements must be cleared with committee.

Steer Classes Steer classes will be broken equally according to weight.

Dog Training

---	---	--

1. A dog must be at least 6 months of age at the time of the Indiana State Fair dog show to be able to exhibit in Obedience, Showmanship, and/or Rally Obedience.
2. The certificate of vaccination form (4-H 671) must be turned in before the 4-H member is allowed to bring their dog to training. The form must be signed by a veterinarian. All vaccinations must be up to date at training times. Prior year vaccination forms may be used for training; however, the current year form must be submitted prior to the county fair.
3. Any dog not fit for competition, a threat to the safety of others, or a self-risk will not be allowed to participate in the dog project. The leaders reserve the right to dismiss any dog for any reason.

4. 4-H members may show multiple dogs in the county fair dog show. Requirements for showing multiple dogs within a class (obedience, agility, and rally obedience) are detailed within each individual class requirements. Each dog may compete with only one 4-H member. Additional showing of the dog would be for exhibition only.
 5. All dogs must show in 4-H Obedience (except Mini 4-H and Dog Care 4-H members).
 6. Female dogs in season shall be kept at home. Credit for the year will be given if a dog is in season on show day.
 7. Professionally trained dogs will not be permitted to show. (Dogs which are trained personally by a private trainer.)
 8. Champion and Reserve Champion awards will not be awarded in all classes unless a score of 125 points has been achieved. Placement ribbons will be awarded to scoring participants. Ribbons will be awarded to all participants.
 9. Trophies/plaques will not be awarded in all classes unless a score of 125 total points has been achieved. Placement ribbons will be awarded to scoring participants. Ribbons will be awarded to all participants.
 10. 4-H members not participating in Mini or Dog Care must attend at least five training sessions to complete the Dog Project and participate in the county fair dog show or complete an approved dog volunteer activity if attendance at the show is not possible.
 11. 4-H dogs must wear a well fitted slip, buckle, quick release, or martingale collar made of leather, fabric, or chain in order to be exhibited in dog show classes. The leash must be made of fabric or leather and must be six feet in length. Collar tags and flea/tick collars will not be allowed for showing. 4-H dogs being raised for the service dog programs are exempt from the collar tags requirements. Head halters and harnesses may be used for training (note: when used for show, halters and harnesses are considered improper equipment and will be subject to a deduction). Pinch collars and electronic collars are not permitted during any Dog Training project event.
 12. 4-H members with at least five years in the dog project or at an obedience level 3B are required to assist with dog training to complete the Dog Training Project. 4-H members at an obedience level of 4A or higher are required to teach a workshop or training session to complete the Dog Project.
 13. Any 4-H member may voluntarily move up in level beyond the specific class requirements, but may not move down in level.
- Failure to comply with any of the above rules and guidelines may result in disqualification, or point deductions at the county fair dog show.
 - Special cases and rule exceptions may be determined by the Dog Project Superintendent.

Classes

Dog Care Requirements

1. This is a class intended for those enrolled in the 4-H Dog Training Project that are unable to meet the training needs of 4-H but would like to participate. Members will be required to meet the requirements of the 4-H Dog Training project and will undergo the Examination portion of Showmanship at the time of the county show. Dog Care class participants will be judged on the grooming of their dog and their knowledge of dog care (e.g. dog parts, diseases, care needs). Professionally groomed dogs will not be allowed to be shown in the Dog Care class.
2. Harnesses or head collars are permitted.
3. All participants are invited to attend workshops related to dog care
4. All participants will present their dog for judging at the County Fair during the Showmanship event. Each dog will be judged on general appearance, health, and proper canine maintenance. Breed standards and guidelines will not be considered in this judging. During judging, each participant will be questioned about dog care and maintenance based on their current showing level.
5. Only one dog may be shown.

Obedience Requirements

1. Harnesses or head collars may be used for judging at the Obedience 1A and 1B level, but will incur a 10-point deduction.
2. Multiple dogs may be shown if the 4-H member is showing one dog at a 3A or veterans' level or higher, including veterans.
3. 4-H members that earn a qualifying score (at least 185 points and at least 50% in every category) will be required to move up to the next number level the following year.

Levels See the Indiana State Fair Dog Show guidelines for related scoresheets

- 1A: for 4-H members with no previous formal dog training experience with a dog which has received no obedience training prior to November 1 of the current year.
- 1B: for 4-H members and dogs that have completed 1A, 4-H members with previous dog training experience returning with a new dog, or 4-H members with no experience whose dog has had training which disqualifies them for 1A.
- 2A: for 4-H members and dogs that have completed 1A or 1B
- 2B: for 4-H members and dogs that have completed 2A (repeatable).

- 3A: for 4-H members and dogs that have completed 2A or 2B.
- 3B: for 4-H members and dogs that have completed 3A (repeatable).
- 4A: for 4-H members and dogs that have completed 3A or 3B.
- 4B: for 4-H members and dogs that have completed 4A (repeatable).
- 5A: for 4-H members and dogs that have completed 4A or 4B
- 5B: for 4-H members and dogs that have completed 5A (repeatable).
- 6A: for 4-H members and dogs who have completed 5A or 5B
- 6B: for 4-H members and dogs who have completed 6A (repeatable).

Veterans For 4-H members whose dogs are at least seven years old by the date of the Indiana State Fair or are physically challenged. The dog must have completed at least class 2B in previous years. Dogs who are physically challenged must be accompanied by a letter from a veterinarian stating that the dog is unable to perform jumping and/or retrieving exercises. A dog may be shown in any other obedience class once they have completed the Veterans class.

Showmanship Requirements:

1. All guidelines and procedures for showmanship enumerated for the Indiana State Fair shall be followed.
2. Proper showmanship lead shall be required.
3. Proper show attire shall be required.
4. Any 4-H member that achieves champion at his/her level will be required to move up to the next level.
5. Only one dog may be shown in showmanship.

Levels

- Junior: Any 4-H member in grades 3-5 on January 1st of current year
- Intermediate: Any 4-H member in grades 6-8 on January 1st of current year.
- Senior: Any 4-H member in grades 9-12 on January 1st of current year.

Agility Requirements

1. Dogs must be 15 months of age at the time of the Indiana State dog show, unless they are showing at the Novice level.
2. Multiple dogs may be shown if the 4-H member is showing a dog at the intermediate A level or higher.
3. Only flat buckle, quick-release, or rolled leather collars are permitted. Harnesses or head collars may be permitted at the Novice Level.
4. 4-H members in a B level that earn a qualifying score with at least 185 points will be required to move up to the next level the following year.
5. Agility requirements and levels will be run as prescribed by the Indiana State Fair, with the exception of the Novice level, which is unique to the county.

Jump Height Divisions

1. 4 inches: for dogs 11 inches and under at the withers.
2. 8 inches: for dogs 14 inches and under at the withers.
3. 12 inches: for dogs 18 inches and under at the withers.

5. 20 inches: for dogs over 22 inches at the withers.

Veteran designation Dogs 7 years and older by the date of the Indiana State Fair may be entered as Agility Veterans and jump one height division lower than their actual height division (except Division 1). Once taken, the Agility Veteran designation remains with the dog for the rest of its 4-H show career. The Agility Veteran designation is independent of the Obedience Veterans class.

Classes

- **Novice** First year dogs without prior agility training or 4-H members showing a dog that does not meet the minimum age of 15 months by the date of Indiana State Fair. The course is run on leash and will consist of 6 to 9 obstacles. All dogs will jump a maximum of 8". Note: Members electing to show at the Novice level are not eligible to compete at the Indiana State Fair in agility and will not be eligible for Agility Grand or Reserve Grand Champion.
- **Beginning A** 4-H members and dogs that have not previously participated in agility other than the Novice level. The course is run on a 6-foot leash. This level is not repeatable.

- **Beginning B** 4-H members or dogs who have previously participated in agility at the Beginning A level or higher. The 4-H member may have participated with another dog, or the dog with another 4-H member. The course is run off leash. The dog should repeat this level until it can perform Intermediate-level work.
- **Intermediate A** 4-H members and dogs who have not previously participated in Intermediate agility. The course is run off leash. This level is not repeatable.
- **Intermediate B** 4-H members and dogs who have participated in Intermediate agility. The dog should repeat this level until it can perform Advanced-level work.
- **Advanced A** 4-H members and dogs who have not previously participated in Advanced agility. The course is run off leash. This level is not repeatable.
- **Advanced B** 4-H members and dogs who have participated in Advanced agility. The dog should repeat this level until it can perform Excellent-level work.
- **Excellent** 4-H members and dogs exhibiting more advanced handling skills over the same obstacles in the Advanced level. The course is run off leash.

Rally Obedience Requirements

1. Rally obedience requirements and classes will be based on the rules published by the United Kennel Club.
2. Multiple dogs may be shown if the 4-H member is showing one dog at a Rally 2 level or higher.
3. 4-H members that earn a qualifying score (at least 190 points) and win their level will be required to move up to the next number level the following year.

Levels

- Rally 1** Teams in the 1A, 1B, and 2A Obedience classes. Course will be performed on leash and consist of 8-12 exercises from UKC RO1 level.
- Rally 2** Teams in the 2B Obedience class or higher. Course will be performed off leash and consist of 10-14 exercises from the UKC RO2 level.
- Rally 3** Teams that have earned a Qualifying score (190 points or higher) in Rally 2. Course will be performed off leash and consist of 12-16 exercises from the UKC RO3 level.

Top Dog Test

4-H members will be tested on dog project information across all classes, according to their grade level. Any 4-H member that achieves a qualifying score of at least 185 points shall be required to move up to the next level.

Levels

- Junior: Any 4-H member in grades 3-5 on January 1st of current year
- Intermediate: Any 4-H member in grades 6-8 on January 1st of current year.
- Senior: Any 4-H member in grades 9-12 on January 1st of current year.

ENROLLMENT

1. All goats at the fair, whether for show, nursing, or other, must have an acceptable form of ID. Goats entered to show must be identified with their breed registry tattoo number (does) or 5-digit county tag number or tattoo (wethers, wether dams, market does) by May 15. All goats must be LEGIBLY TATTOOED, tagged or chipped as indicated on the General Rules "Required Animal ID per Species" table. The tattoo, tag number, or chip number must be properly recorded in www.v2.4honline.com and www.fairentry.com. The Scrapies tag will be accepted for identification. However, the Scrapies number is not to be used as a tattoo according to the Indiana Board of Animal Health.
2. Yearling does should be designated as either Dry or Mature/Milking in Fair Entry.
3. County Bred and Born entries must be goats bred and born in Kosciusko County and listed in 4HOnline and FairEntry. For AI goats, both the AI and birth must have occurred in county to be eligible for County Bred and Born. Each class except showmanship, exhibition, and group classes will be eligible for the County Bred and Born awards.

WEIGH-IN

1. All goats that will show in a market class must attend weigh-in on May 11, 2024. Market goats will weigh and be tagged with the required 5-digit county ID tag. The tagging fee will be \$4 per goat. Breeding does do not go to weigh-in. The following are considered market goats:
 - Meat Goat Specialty wethers
 - Meat Goat Specialty wether dams
 - Dairy wethers
 - Dairy Market does-does the 4-H'er intends to show in a market class NOT in a breeding (age group) class
2. To clarify all breed challenges, the Goat Committee will screen all goats at weigh-in, at check-in, and by a screening committee on Saturday afternoon after check-in. All challenges must be resolved before the show(s).
3. All male goats must be wethered and dehorned by the mandatory weigh-in date except any goat under 4 weeks of age. Then the 4-H'er must contact the superintendent by May 31st to confirm that the goat in question is wethered and dehorned. Dehorned is defined as obvious signs of disbudding (burned, banded, etc.) with no more than 1/2" remaining. Horn growth on market goats after dehorning is confirmed will be acceptable.

THE FAIR

1. If tattoo ink is still wet at fair check-in, the goat will be sent home.
2. A pen fee of \$1 per goat will be collected at check-in. No goats are to be penned at the fair prior to being checked in by the goat committee.
3. Bucks are not allowed at the fair, unless the buck kid is younger than 8 weeks and still nursing the dam.
4. All goats must wear a collar and have a tie chain available.
5. By order of the Fire Marshall, tents, awnings, and other such obstructions are not allowed on the south side of the goat barn. This is a fire lane and must be kept clear. However, milking and grooming stands are allowed as long as they are stored parallel to the side of the barn.
6. The Master Showmanship class will be the final showmanship class during the Dairy Goat show on Monday. Both past and present winners of the Meat Goat Specialty Senior Showmanship and the Dairy Senior Showmanship, along with any past Master Showmanship winners may compete for the Master Title. Champions of the Master Title may continue to compete until he or she has won Supreme Showman.
7. 4-H'ers must use their own goat during the showmanship contest. All goats used for showmanship must be shown in a breeding (age group) or, exhibition, or market class.

8. Failure to follow general rules, display exhibitor cards by **NOON** Sunday, or clean pens, after a verbal and/or a written warning may result in a fine, exclusion from the show, and/or other action to be determined by the committee.
9. Goats are released after 9:00 pm on Thursday or earlier with the superintendent's permission.
10. All pens must be cleaned before leaving. 4-H'ers are responsible for removing their gates and tack, unless there are still goats in the pen. A superintendent pen check is required prior to leaving.

4-H Goat Royalty-All Breeds

1. The contest consists of a written test and a judging contest with 2 classes.
2. The contest divisions are Junior (grades 3-7) and Senior (grades 8-12).
3. Division winners can no longer participate in that division in the contest. The Junior Division winner will advance to the Senior Division the following year regardless of the exhibitor's grade.
4. 4-H Royalty banners will not be worn during classes.
5. The winners will be announced following showmanship on Sunday.

General Rules for Classes – All Breeds

1. All dairy goats must be slick shorn with all hair at a uniform length. Slick shorn is defined as hair length no more than ½'. Goat kids that will not show do not need clipped.
2. All Meat Goat Specialty market goats must be slick shorn with all hair at a uniform length between hock/knee and ears. Slick shorn is defined as hair length no more than 1/8' for meat goats. Meat Goat Specialty breeding and percentage does are not required to be clipped.
3. Order of Show: All dairy does will show by ADGA breed in alphabetical order. All Meat Goat Specialty does and Pygmy goats will show by age divisions. All market goats will show by weight divisions.
 - a. **Showmanship Classes:** Seniors, Juniors, Beginners, and Master on Monday.
 - b. **Doe Classes:** Dry Breeds, Dry Championship Drive, Mature/Milking Breeds, Mature/Milking Championship Drive, Best Doe of Show, Milk Production on Monday, and Group Classes.
 - c. **Market Classes:** Market Goats, Market Championship Drive, and Rate of Gain.
4. It is recommended that the **Dairy Exhibitor** wear a white blouse or shirt (required for showmanship) and white or light-colored pants or skirt to show. It is recommended that the **Meat Goat Specialty Exhibitor** wear a nice blouse or shirt and nice pants or skirt to show. 4-H tee shirts are permitted for all exhibitors except for showmanship. The exhibitor's midriff should not be exposed when standing or bending over. Shoes must be worn. Shorts, skorts, sandals, hats, and sunglasses are not permitted during the show. This is not an exclusive list. Show attire is not required for either the 4-H Goat Royalty Contest or the Milk Production Contest.
5. Meat Goat Specialty goats may be shown with either a goat show collar or a goat show halter. Dairy goats must be shown with a goat show collar.
6. Classes with more than 10 goats will be broken into smaller classes.
7. A Grand Champion, a Reserve Grand Champion, and a Grand Champion County Bred and Born will be selected for the Meat Goat Breeding Does, Meat Goat Percentage Does, Meat Goat Wether Dams, Meat Goat Wethers, Pygmy Does, Specialty Does, Dairy Dry Does, Dairy Milking Does, and the Dairy Market Goats.

General Rules for Market Classes

1. A 4-H member may show 6 market goats with a maximum of 2 Meat Goat Specialty wethers, 2 Meat Goat Specialty Wether Dams, and 2 in the Dairy market classes.
2. All market goats must be shown with their milk teeth in place.
3. All market goats will be weighed at check-in and will show by weight.
4. Market goats may be wethers or does born between December 1 and the May weigh-in of the current 4-H year.
5. Does tagged and entered as market does must be shown in market doe classes, but does entered as market goats in past years may be entered as breeding does in successive years.
6. Any doe shown as a meat goat specialty wether dam or dairy market does is ineligible to show in any breeding doe (age group) class or group classes the same year.
7. Market goats must weigh at least 45 lbs. to be eligible for Grand Champion, Reserve Grand Champion, and Grand Champion County Bred and Born. There is no maximum weight.
8. Market goats near the 45 lbs. minimum weight are allowed 1 re-weigh during check-in hours.

Rate of Grain

1. Market goats must be shown at the fair to be eligible.
2. Calculations are final weight (fair) minus starting weight (May weigh-in) divided by the days between both dates.
3. The first 5 places will be announced following the market classes.

General Rules for Breeding Classes

1. 4-H members may show 2 does in each breeding class but are limited to 2 total entries in each group class.
2. Individual doe classes will show by ADGA/ABGA breed and age.

3. All ages are calculated as of July 1 of the current year.
4. **DRY MILKER:** A dry milker is “a doe that has freshened and is no longer in milk.” Ref: ADGA handbook
5. **PRECOCIOUS MILKER:** A precocious milker is “a doe that has never freshened and is producing an amount of milk that requires her to be milked regularly.” Ref: ADGA handbook

Group Classes – All Breeds

1. Each exhibitor is limited to 2 entries per class. The focus should be upon herd development and not just a collection of goats to make up a group.
2. All goats must be shown in a breeding doe (age group) class by the exhibitor or a 4-H member of the immediate family before showing them in group classes.
3. Mother and Daughter: To consist of two does any age as long as one is the daughter of the other. Entry must be in the name of the owner of the mother.
4. Produce of Dam: To consist of two female offspring of the same dam regardless of age. Females of different sires are preferred. The entry exhibitor must be declared on Fair Entry.
5. Get of Sire: To consist of two female offspring of the same sire regardless of age. Females of different dams are preferred. The entry exhibitor must be declared on Fair Entry.

 - c. 3 and 4 yrs. – 36 mo. to under 60 mo.
 - d. 5 yrs. and older – 60 mo. and older
4. All milking does must be milked out between 6:00 am- 9:00 am, Monday morning. Failure to meet this deadline will result in the disqualification of the goat from the entire show.
5. All goats competing for championship honors that are in milk may be required by the judge to be milked out before final places are awarded.

Milk Production

1. 4-H'ers must sign up for the milk production contest by 7:00 pm Saturday. The doe's freshening date and tattoo, tag, or chip identification number must be provided.
2. Enrollment is limited to 2 does per 4-H member. Does must show in a Senior (Milking) Doe class if enrolled in milk production.
3. The order of milk out will be by random drawing and the order will remain the same at all milkings.
4. Milk out will begin at 8:00 pm, Saturday (to be discarded). The contest will be Sunday, 8:00 am and 8:00 pm.
5. Any 4-H member not with his or her goat at these times will be disqualified. The exception being, if the 4-H member is involved in another 4-H event, then prior arrangements must be made with the 4-H Goat Superintendent for another 4-H member to milk out.
6. Milk will be scored by adding both weights plus 0.01 point for each day of freshening. A minimum total of 3 pounds is required to be eligible for champion.
7. The first five places will be announced following all the doe classes.

"Horse Vaccination Form" (1 horse per form)	May 15
Stall Request	May 15

Fair Rules

1. All 4-H members must check-in with the superintendent or appointed designee by 5 pm upon arrival at the fair. The exception is for Mid-States Team members & family. They must check-in with the superintendent or appointed designee by 7pm, in the event the Mid-States Team tourney conflicts with the fair check-in date.
2. At the end of the fair all members must checkout with the superintendent or appointed person before leaving the fair. Failure to do so will fall under Rule #7, Step 6 of the Kosciusko County 4-H General rules.
3. All animals must be sound and healthy. It is required that all horses have current Eastern & Western Encephalomyelitis, Rhino pneumonitis, Influenza, Tetanus & Rabies, West Nile Virus vaccinations. It is highly recommended that all horses also be vaccinated for Potomac Fever & Strangles. Vaccinations must be given to animals & proof of vaccinations must be turned in by May 15, 2023. See Horse Vaccination Form for more information. Forms are to be submitted to a committee officer (Superintendent, Assistant Superintendent, or Secretary) or the horse drop box located at the Horse & Pony barn. Members who do not turn in the completed form, by the required date, will not be allowed to exhibit their horse at the fair.
4. Animals will be assigned stalls by the stall committee. No one is allowed to change stalls without the permission of the superintendent. You must have 1hr. of show cleanup time & 40 points minimum to be eligible for a box stall. Final year & Ten-year members must have 1hr. of show cleanup time & 20 points minimum to receive a box stall. You will need to submit your stall request form to a committee officer (Superintendent, Assistant Superintendent, or Secretary) or the horse drop box located at the Horse & Pony barn by May 15. If your form is not submitted or is late you will receive your stall last regardless of how many points you have.
5. The 4-H Horse and Pony show will be divided into divisions based on grade in school as of January 1.
6. Every project should be exhibited at the fair, and should be shown in halter, riding or driving classes. Any 4-H member unable to show must still submit all records and meet all completion requirements in order to complete the project.
7. No un-gelded colts may be shown after weaning age. Weaning age is up to one year on January 1st.
8. The exhibitor must wear proper attire for the class in which he/she is exhibiting. (See your 4-H Horse and Pony Handbook) Clothes must be neat and clean. Exhibitors must wear show numbers on their backs or on both sides of saddle pad in plain sight while in the show ring.
9. All classes over 20 may be split at judge's discretion.
10. Horses and ponies must stay in designated areas.
11. A 4-H member may show only one animal per class. No two 4-H members may show the same animal.
12. Only Kosciusko County 4-H Horse and Pony members, approved 4-H Volunteers or family members may ride, drive or handle 4-H animals during fair. (An exception is made for pleasure driving, Supreme Showmanship contestants or assisted equitation classes).
13. All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified helmet whenever mounted, or driving, at a 4-H horse and pony event. The 4-H member is responsible to see that this

specified headgear is properly fitted with the approved harness, and fastened in place whenever mounted. Original tags must be present in all approved helmets.

14. All 4-H animal exhibits must be free of performance enhancing drugs, steroids, and chemical or foreign substance residue. The submission of any 4-H entry into the county by an exhibitor expressly grants the 4-H council and/or horse and pony committee the right to conduct such tests for any foreign substance, to include, but not limited to performance enhancing drugs, steroids, or chemicals. Refusing such tests will result in disqualification and forfeiture of all awards. Test samples collected from a 4-H horse, pony, mule, or donkey shall be free of any foreign substance, including any steroids or any drug or chemical affecting the central nervous system (depressants).

Show Day

Tuesday, July 9, 2024
9:00AM-Llama Tent

Wednesday, July 10, 2024
9:00AM-Llama Tent

1. Llamas do not have to be registered to be able to show at the Kosciusko County Fair. HOWEVER, if you plan on showing your llama at the State Fair, it MUST have registration papers from the International Llama Registry (ILR).
2. Llamas must be at least 6 months old or older to be shown at the Kosciusko County Fair. Intact males can be under two years of age at fair time. No intact males will be allowed who are two years of age or older at fair time.
3. The required number of training sessions will be set in individual lease agreements. If the llama is owned, we suggest 12 training workshops.
4. Llama lease fees will be decided upon annually by the owner of the llama (lessor) and are due in full to the lessor by May 15th.
5. A lease agreement and a code of conduct will be signed by all 4-H participants and their parents. The lease agreement will cover items concerning lease arrangements between the 4-H'er and owner (lessor) of the llama. The code of conduct will be a written statement on how 4-H'ers and parents will conduct themselves at all llama functions.
6. If it is determined that the 4-H'er or their llama is acting in an unsafe manner which puts other 4-H members or committee at risk, then the superintendent will ask the parent to take their llama home and not to bring it back to the fairgrounds until it has been trained properly and can act in a safe manner around the other 4-H members and committee members.
7. It is preferred that each 4-H'er will have a llama (leased or owned) to show. If enrollment exceeds the number of llamas available to be leased and IF APPROVED BY THE SUPERINTENDENT, a given llama may be enrolled by more than one 4-H'er on separate forms which will be a "shared" llama at workshops and for exhibit at the county fair. "Sharing" a llama is only allowed at the county fair level.
8. All llamas must wear a halter at all times and have a lead rope available if needed at the county fair.
9. Each 4-H member is responsible for removing bedding and tack between 6:00 PM and 8:00 PM on Thursday of the fair and available on Saturday ending the fair at 9:00 AM to remove gates.

Non-Ownership General Rules

1. The purpose of the 4-H Non-Ownership Llama Project is to provide an opportunity for 4-H youth who do not live on a llama farm to care for and show an animal without the animal being transferred into the youth's name. This is an annual project, so a new lease agreement must be completed and submitted each year.
2. The lease program is only for 4-H members who do not own their own llamas. 4-H members may not enroll both leased and owned animals. Leasing a llama will be considered the equivalent of ownership. The 4-H member should be regularly involved in the care of the llama regardless of where the llama is kept, and the 4-H member should have exclusive show rights to the llama during the 4-H lease period from May 15 through the 4-H Llama show at the Indiana State Fair.
3. The agreement between the 4-H member and a llama owner should include such terms as may best fit their partnership conditions.
4. The lease agreement is to be completed and turned in to the Extension Office on or before May 15th of the current year. All leases will be reviewed by the Llama Committee.
5. The animals and 4-H members must meet and comply with all other rules of the shows they enter.

Requirements & Expectations

Level 1 Grades 3-5

1. Attend llama workshops. See code of conduct for requirements.
2. Learn basic health, nutrition and conformation and complete your project notebook that covers these topics. Leaders will check your notebook or speak with you at workshops.
3. At workshops each week under the superintendent and committee member's instructions and supervision, you will train your llama in all five types of classes, learn grooming techniques, and learn all aspects about llamas and have a time to work in the llama barn at the fairgrounds.
4. Attend your county 4-H fair and do the following:
 - a. Show in the showmanship class and at least one other class.
 - b. Attend to all of your llama's basic needs during the entire week at the county fair.

Level 2 Grades 6-8

1. Attend llama workshops. See code of conduct for requirements.
2. Expand your knowledge on health, nutrition and conformation and complete the notebook section related to your year in the project. Leaders will check your notebook or speak with you at workshops.
3. At workshops each week under the superintendent and committee member's supervision, you will train your llama in all five types of classes, learn grooming techniques, and learn all aspects about llamas and have a time to work in the llama barn at the fairgrounds.
4. Attend your county 4-H fair and do the following:
 - a. Show in the showmanship class and at least two other classes.
 - b. Attend to all of your llama's basic needs during the entire week at the county fair.

Level 3 Grades 9-12

1. Attend llama workshops. See code of conduct for requirements.
Continue to expand your knowledge on health, nutrition and conformation and learn about breeding, birthing, lactation and rebreeding. Leaders will check your notebook or speak with you at workshops.
2. At workshops each week under the superintendent and committee member's supervision, you will train your llama in all five types of classes, learn grooming techniques, and learn all aspects about llamas.
3. Attend your county 4-H fair and do the following:
 - a. Show in the showmanship class and at least three other classes.
 - b. Attend to all of your llama's basic needs during the entire week at the county fair.

Classes

- Showmanship-In showmanship class, the 4-H member is being judged on how well they are able to show their llama to its best ability to the judge. The conformation of the llama is not being judged in this class. The llama needs to be groomed and prepared for showmanship class. The 4-H member should have safe and neat attire on. **(All 4-H members are required to participate in this class.)**
- Obstacle Course-The purpose of Obstacle is to test the llama's obedience and willingness to complete the activities requested by the 4-H member. The obstacles used for this class vary greatly but must include a bridge or ramp, jumps, flexibility or maneuvering (weaving), change of pace and backing.
- Pack Class-Pack is designed to simulate conditions and obstacles one would encounter while hiking with llamas on the trail. Obstacles for this class include a bridge or ramp, stepping over a jump, manageability, and taking off the pack.
- Costume-The 4-H member decides on a theme and dresses him/herself and the llama to illustrate the chosen theme. The 4-H member and the llama are being judged on the llama's acceptance of the costume and the amount of coverage on the llama. A short-written script is required to describe the theme of the 4-H member and his/her llama. (Music can be used during this presentation, but is not required.)
- Public Relations (PR)-PR class demonstrates things a llama would encounter if it were to participate in community activities, school or hospital visits or parades. The required obstacles for this class are stairs or ramps, showing teeth or foot, loading in a vehicle, backing, and petting.

Kosciusko County Fairgrounds

Animal Identification All participants must submit their animal identification form with a color picture to the Extension Office by May 15th.

A limit of one animal per category per 4-H member may be shown. Animals can only be shown in one project (for example a rabbit shown as a pet in Pocked Caged Critters may not also be shown in the Rabbit Project). To complete the Pocket Caged Critters, project a 4-H member must complete 2 activities in the pet's manual. A Pet Report is required for each animal entered into show. Pet Reports and manual activity completion is due at Pocket Caged Critters Show.

Pet Report 4-H'ers need to complete one report for each exhibited animal. Points will be deducted for duplicated reports and/or information. A three-ring binder is recommended, but not mandatory. As a minimum requirement, reports must contain information on the following: habitat, healthcare, how acquired, estimated annual costs of animal care, and report as designated below for Level:

Level 1 Grades 3-5 A minimum one-page story of experiences with the pet.

Level 2 Grades 6-8 A minimum two-page report of experiences with your animal.

Level 3 Grades 9 & up A minimum three-page report on one or more topics concerning the animal.

Loss of pet If a registered animal is unavailable (runs away, death, etc.), the 4-H'er must bring the following three items to the Pocket Caged Critters Show to be eligible for competition: Cage or habitat, Photos of registered animal and the Pet Report for registered animal.

Show Divisions

Level 1 Junior Grades 3-5

Level 2 Intermediate Grades 6-8

Level 3 Senior Grades 9 and up

Show Categories

- **Arachnid & Insect** Madagascar hissing cockroaches, millipedes, praying mantis, tarantulas, scorpions and walking sticks
- **Aquatic & Amphibians** Crabs, fish, frogs, mudpuppies, newts and salamanders
- **Birds** All pet birds
- **Mammals** Ferrets, guinea pigs, hedgehogs, pet rabbits, prairie dogs, gerbils, hamsters, mice, rats and sugar gliders
- **Reptiles** Lizards (non-poisonous), snakes (non-poisonous), turtles, etc.

Exhibit Pets must be brought to the show in a secure, solid bottom carrier or cage. All participants must provide and use waterless antiseptic hand cleaner and/or change gloves when handling their pet. During the show, animals must remain in their carrier/cage at all times. The only time an animal is removed from the carrier/cage is at the request of the judge. No 4-H'er should handle the pets of other 4-H'ers during the show. Animals must be removed from the building immediately following conclusion of the show-*no exceptions*. Please note that any animal removed from the contest site prior to end of show without approval of committee member, judge, or extension educator will automatically be disqualified.

Judging Judging will be on the following areas: Personal interview conducted by judge on knowledge of pet, appearance, cage conditions and ease of handling, and Pet Report.

Veterinary Rules All pets should be free from disease and/or parasites and fleas. Any animal showing signs of ANY infectious disease, parasites, or fleas will not be allowed to show. The 4-H'er will be asked to remove the animal from the show building as quickly as possible.

Ferrets To exhibit a ferret, rabies vaccinations are required within one year of the date of exhibition as per Indiana State Law. A 4-H 902 *Certificate of vaccination* signed by a licensed, accredited veterinarian must be submitted at time of pre-registration. Tags will not be accepted for proof of vaccination.

Animal Health Requirements for Exhibition of Domestic Animals in Indiana

GENERAL REQUIREMENTS OFR ALL SPECIES

This document describes the Indiana State Board of Animal Health's (BOAH) requirements for all animal exhibitions in the state. HOWEVER, exhibition organizers may impose additional animal health requirements as a condition of entry. BOAH recommends contacting the exhibition organizer for specific information about requirements for each event.

Please call the Indiana State Board of Animal Health at 877-747-3038 with questions concerning animal health requirements.

A. LIMITATIONS ON EXHIBITION

This section describes limitations on exhibiting animals in Indiana. Other exhibition limitations may be described in the species-specific requirements that follow.

1. Failure to meet all animal health requirements will result in removal of animals from the exhibition premises.
2. The following animals are not eligible for exhibition in Indiana:
 - a. Animals that originate from a herd that is under quarantine.
 - b. An animal prohibited from exhibition under any law or order.
 - c. Any animal classified as a brucellosis "suspect".
 - d. Animals showing signs of any infectious or communicable disease or that are a health hazard to people or other animals.
 - e. Any animal that does not meet state animal health requirements.
3. Any animal that develops or shows signs of any infectious or communicable disease during exhibition must be removed from the premises, including the surrounding exhibition grounds. An owner who is disputing the exclusion of his/her animal(s) from exhibition may not exhibit the animal in question pending any appeal.

The State Veterinarian is authorized to make the final determination as to an animal's eligibility for exhibition. The State Veterinarian may order removal of any animal from the exhibition grounds.

Exhibition organizers may impose health requirements in addition to those prescribed by BOAH. Added requirements may not contradict requirements imposed by BOAH.

Exhibition organizers may have a licensed and accredited veterinarian review animals and animal health documentation during the exhibition.

B. CERTIFICATES OF VETERINARY INSPECTION

1. For animals that originate in Indiana, contact the exhibition organizer to determine the certificate of veterinary inspection (CVI) requirement, if any.
2. For animals that originate outside the state of Indiana, the exhibitor must have a properly completed official certificate of veterinary inspection (commonly known as "health papers") for the animal. This CVI requirement applies to all domestic animals (except for fish).
3. A certificate of veterinary inspection on any animal coming from outside Indiana for exhibition in Indiana is valid for 30 days from the date it is issued by a veterinarian.
4. Certificates of veterinary inspection accompanying animals for exhibition must be completed by a licensed and accredited veterinarian who has personally inspected the animals. CVIs must clearly include a description of each animal including the age, sex, and breed of the animal, and the official, individual identification.
5. Out-of-state swine and cattle attending an Indiana exhibition must have a pre-entry permit number noted on the certificate of veterinary inspection. Permits are available online at: <http://www.in.gov/boah/2661.htm>. a. Certificates of veterinary inspection for all out-of-state swine and cattle going to the Indiana State Fair must have the import permit number for the 2019 Indiana State Fair, "INSF18", written on the certificate.
6. Out-of-state poultry and hatching eggs attending an Indiana exhibition must be accompanied by one of the following documents.
 - a. An official certificate of veterinary inspection completed by a licensed and accredited veterinarian within 30 days immediately prior to the animals entering Indiana.

b. If the poultry or hatching eggs are from a flock participating in the National Poultry Improvement Plan (NPIP), they may move with the appropriate NPIP inspection/testing/participation certificate or records.

7. Out-of-state cervides (reindeer, fallow deer and CWD non-susceptible species) must have a permit approved by BOAH at least 5 business days before the movement. Contact BOAH cervid programs to obtain a pre-entry permit.

8. A copy of the official certificate of veterinary inspection for each animal exhibited must be on file at the State Veterinarian's office prior to the opening day of the exhibition.

C. IDENTIFICATION

All exhibition animals must be permanently and individually identified by an acceptable method. Official ear tags are tags approved by the USDA. Official ear tags must bear the US shield to be considered official identification (official ear tags placed before March 11, 2015 that do not have the US shield will be accepted.) Official identification acceptable for specific species of livestock exhibited in Indiana are as follows:

CATTLE

- 840 tags may or may not be RFID (radio frequency identification), 15 digits, beginning with 840
- NUES (brite) tags, steel or plastic
- Official USDA program tags, such as orange calf hood vaccination tags

SHEEP AND GOATS

- Scrapie program flock tags
- Electronic implant (goats only), for breed-registered animals only when noted on registration paperwork
- Tattoo, if accompanied by registration papers with tattoo noted
- Tattoo of the scrapie flock ID number along with an individual animal ID number
- Wethers younger than 18 months of age must bear a unique, permanent ID of any form (not necessarily an official/scrapie tag)

SWINE

- Official 840 ear tag (electric-RFID or visual tag)
- NUES tag, plastic or steel
- Official Premises ID Number ("PIN") tag **

**NOTE: Official PIN tags MUST include a premises number and unique animal ID imprinted by the manufacturer.

(Standard PIN tags usually do not include an individual ID number; therefore, owners need to specify when ordering.)

- Ear notch, if the ear notch has been recorded in the book of record of a purebred registry association
- Tattoo, if the tattoo is registered with a swine registry association

HORSES
