

# Small Engine

## State Fair Entry

3 per county; one per level

## Project Check In

One (1) Hour Prior to Judging

Home & Family Arts Building  
Kosciusko County Fairgrounds

## Judging

Tuesday, June 25, 2024  
1:00PM

Home & Family Arts Building  
Kosciusko County Fairgrounds

The 4-H Small Engine project creates the education and hands-on opportunity for youth to learn all about engines.

The actual small engine may be displayed if mounted on a stable base. For safety reasons, all fluids (fuel and oil) must be removed before taking the exhibit inside a building. A notebook is to accompany the engine display and include details and pictures of what was done to the engine.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

**Beginner Grades 3-5** Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

**Intermediate Grades 6-8** Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

**Advanced Grades 9-12** Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine. Youth can also design and complete an independent study activity.
