May 15th - Animal Identification is due in 4HOnline by May 15th. Any animals not entered in 4HOnline by this date are NOT ALLOWED to show at the 4-H County or State Fair. Our suggestion is to enter ALL of your animals, just in case.

June 15th - Proof of Completed Youth for the Quality Care of Animals (YQCA) or Indiana 4-H Quality

Livestock Care Certificates (QLC) due. Any member not showing proof of completion by June 15 will NOT BE ALLOWED to show at the 4-H County or State Fair.

June 15th - FairEntry due for General Projects and Animal Projects. On the livestock end, failure to enter your animal(s) in FairEntry by the deadline will result in showing in an Exhibition Class. On the general projects end, failure to enter your project(s) in Fair Entry by the deadline will result in not placing higher than a Blue Ribbon which also means you cannot advance your project to the Indiana State Fair.

If you have any questions regarding these deadlines, feel free to contact the Extension Office at 574.372.2340. Don't let any confusion about the deadline implications stop you from showcasing your animal or presenting your project at the 4-H Fair.

FairEntry

Open May 22, 2024 thru June 15, 2024!

The 2024 Kosciusko County 4-H Fair is quickly approaching! This year, both Kosciusko County and the State of Indiana will be implementing an online enrollment system, called FairEntry, for all 4-H Members to register their exhibits for the upcoming fair. Here are some key details to note:

- FairEntry, an internet-based platform integrated with 4HOnline, is mandatory for all exhibits, including both livestock and non-livestock entries.
- The FairEntry program will be accessible from May 22, 2024, to June 15, 2024, allowing participants to select their livestock classes and specify the animals for exhibition based on their 4HOnline profiles.
- For non-livestock entries (general projects), participants will provide details such as Black & White Salon Print, Sewing Wearing, Foods, Baked goods, and more.
- FairEntry is also used to register non-livestock exhibits for the Indiana State Fair, generate reports for local media, and maintain records of rankings and accolades.
- To access FairEntry, visit: <https://fairentry.com/Fair/SignIn/20502>
- Detailed instructions for completing FairEntry can be found here: <https://extension.purdue.edu/county/kosciusko/4-h.html>
- Mini 4-H Families are encouraged to try FairEntry this year, especially 2nd graders, as it will become mandatory once the 4-H Member enters 3rd grade.
- For any inquiries, please contact the Extension Office at 574.372.2340.

Fish & Chicken Fry Fun!

Fun was had by all at the 4-H Council's Annual Fish & Chicken Fry. We loved seeing all the people come out and enjoy a good meal while supporting a great cause, the youth of Kosciusko County.

Laughter filled the air as families and friends gathered around picnic tables, sharing stories and enjoying the delicious food. The event was a true testament to the sense of community in Kosciusko County, with neighbors coming together to celebrate and support the young members of the 4-H Council.

As the evening drew to a close, the organizers expressed their gratitude to everyone who had contributed to making the event a success. The event had not only raised funds for a worthy cause but had also created lasting bonds and cherished moments that would be remembered for years to come.

<https://extension.purdue.edu/county/kosciusko/4-h.html>

Remember to mark your calendar with these key dates:

- June 3rd, the deadline for submitting your application;
- June 17th, the day of the interviews at 6pm in the Extension Office;
- June 27th, the grand Coronation event at the Public Fashion Revue.

Indiana 4-H QLC Program

All 4-H youth enrolled in a Livestock Project (Beef, Dairy, DCFS/Dairy Beer, Goat, Poultry Rabbit, Sheep and Swine) must be certified in the Indiana 4-H Quality Livestock Care Program or have a YQCA online completion certificate.

If you choose to complete the YQCA option, you will register for the online course at: <https://yqcaprogram.org>. The cost of the online YQCA course is \$12. After completing the course, you must email the 4-H Educator (adferrel@purdue.edu) your certificate to receive credit.

If you prefer to take the in-person, instructor-led Indiana 4-H Quality Livestock Care Program, the cost is \$3 per member (exact change, please) and will be located at the Purdue Extension Office-Kosciusko County at 202 W Main St, Warsaw, Indiana.

This is your last chance to complete the in-person Indiana 4-H Quality Livestock Care Program training sessions for 2024:

- Thursday, May 16 @ 6pm
 - Please note May 16 is a different date than previously advertised
 - NEW: Location will be Leesburg Methodist Church

Remember, in order to exhibit your Livestock Project at the 2024 Kosciusko County 4-H Fair, you must complete the Indiana 4-H Quality Livestock Care Program Workshop (or YQCA online). Deadline for completing this is June 15th. If QLC/YQCA is not completed by this date, you will not be eligible for county fair exhibition.

If you have any questions regarding the Indiana 4-H Quality Livestock Care Program, please reach out to Andrew at the Extension Office or email adferrel@purdue.edu.

DNA Sample Envelopes

DNA Sample Envelopes are ready and available at the Extension Office. Stop by to get yours soon. DNA is required for State-Bound Swine, Beef or Dairy Beef Cattle, Sheep, Meat Goats & Dairy Cattle. Deadline to turn in DNA Envelopes is May 15, 2024.

Premise IDs are REQUIRED

To engage in buying, selling, or showcasing livestock, individuals must possess a Premise ID. This unique number identifies the physical location where animals are kept, safeguarding animal agriculture and the livestock sector. In times of urgency, swift communication about disease transmission can occur between animal health officials and producers. It is mandatory for all 4-H participants to be aware of their property's Premise ID and to register this number in 4HOnline when enrolling animals for exhibition at the 4-H fair and Indiana State Fair.

If you do not currently have a Premise ID number, you may apply for one through the Indiana State Board of Animal Health at <http://www.in.gov/boah/forms/indiana-premises-identification-registration>

You must have a premise ID to show at the Kosciusko County 4-H Fair and the Indiana State Fair for cattle, swine, goats and sheep.

Record of Completion

The 4-H program has a long-standing tradition of highlighting the importance of record-keeping as a vital life skill in our daily lives. Completing a 4-H Record of Completion involves documenting

project and club activities in a standardized format.

The main goal of the 4-H Record of Completion is to educate youth on the significance of maintaining records as a valuable life skill that extends beyond a single year.

Objectives of 4-H Record Keeping:

- Develop goal-setting, action planning, and self-assessment skills.
- Acquire record-keeping and organizational skills for present and future applications.
- Improve communication and summarization abilities.
- Foster responsibility through task completion.
- Evaluate information that can showcase personal skills on future resumes and applications.

To obtain a Record of Completion form, visit the Extension Office or access it on our website. Before submitting the form, ensure it is fully completed by the 4-H Member, including signatures from a parent and club leader. Forms can be submitted at the Fair Office on the fairgrounds during the fair week, with a deadline of Monday, July 15th.

2024 Seniors

Please ensure to complete the Senior Spotlight by filling out the form found here.

<https://extension.purdue.edu/county/kosciusko/20244hstorage/senior-spotlight-fillable1.pdf>

You also have the chance to nominate the Most Influential 4-H Volunteer, someone who has played a significant role in shaping you into the person you are today. This person will be acknowledged at our Annual Public Fashion Revue Night, where you will have the opportunity to publicly express your gratitude. Rest assured, you won't need to speak as we will handle that part. Your role will be to present a token of appreciation to your chosen volunteer. Kindly complete the Most Influential Volunteer Form and return it to the Extension Office.

<https://extension.purdue.edu/county/kosciusko/20234hstorage/most-influential-volunteer-fillable.pdf>

Applications for the Royalty Contest will be available starting on Monday, April 8th at the Extension Office and on our website. This contest is open to 8, 9, and 10-year-old 4-H Members. As a member of the Royalty Court, you will be expected to attend various 4-H Events, support the Battle of the Barns, present awards, partake in a radio interview, and more.

Lastly, as a 10-year 4-H Senior Member, you will have the opportunity to select your 10-year member gift. The 4-H Council members are excited to present you with a token of appreciation for your decade-long participation in our program. Congratulations on this milestone, and be proud of your achievement!

4-H Poster Exhibit Requirements

Failure to adhere to these instructions could lead to a lower exhibit grade:

- Poster board: Posters must measure 22" x 28" unless specified otherwise, and they are not required to be white.
- Labels: 3 x 5.5" labels for posters will be provided by the 4-H office during project check-in to indicate the 4-H member, project, and level. Attach this label to the lower right-hand corner of the poster and adjust your display accordingly.
- Stiff backing: Use materials like foam core board, very stiff cardboard, plywood, or Masonite (1/8" thick) to prevent the poster from bending forward.
