Welcome Summer Staff!

Alyssa Swanson

We want to extend a warm welcome to our 2024 Kosciusko County 4-H Summer Staffer. Alyssa graduated from Warsaw Community High School in 2023 and was a 10 year 4-H member here in Kosciusko County. During her 4-H career, she participated in a variety of projects like Rabbits, Dairy, Misc. Crafts, Photography, Royalty, and 4-H Camp. Her favorite thing about 4-H is being able to teach young members the value of hard work. She is currently studying Elementary Education at Coastal Carolina University in Conway, SC. After graduation she plans to pursue a career in either education or 4-H extension. Be sure to say Hello when you see her around the fairgrounds or 4-H fair office. You can reach Alyssa at swanso88@purdue.edu.

Please Do Not Skip This Part

June 15th - Proof of Completed Youth for the Quality Care of Animals (YQCA) or Indiana 4-H Quality Livestock Care Certificates (QLC) due. Any member not showing proof of completion by June 15 will NOT BE ALLOWED to show at the 4-H County and/or State Fair.

June 15th - FairEntry due for General Projects and Animal Projects. On the livestock end, failure to enter your animal(s) in FairEntry by the deadline will result in showing in an Exhibition Class. On the general projects end, failure to enter your project(s) in Fair Entry by the deadline will result in not placing higher than a Blue Ribbon which also means you cannot advance your project to the Indiana State Fair.

If you have any questions regarding these deadlines, feel free to contact the Extension Office at 574.372.2340. Don't let any confusion about the deadline implications stop you from showcasing your animal or presenting your project at the 4-H Fair.

FairEntry

Open May 22, 2024 thru June 15, 2024!

FairEntry is a platform utilized to prepare for the yearly county fair by registering your projects in their respective classes/divisions. This data is used for creating livestock show programs, exhibitor name cards, fair results, and other relevant information. The deadline for submitting your General Projects Exhibits and Livestock in FairEntry is June 15.

Mini 4-H Families are encouraged to try FairEntry this year, especially 2nd graders, as it will become mandatory once the 4-H Member enters 3rd grade.

Remember, it's essential to double-check all entries for accuracy before the deadline to ensure a smooth experience at the fair. If you encounter any issues or have questions, our support team is available to assist you. Participating in the county fair is a wonderful opportunity to showcase your hard work and dedication. Good luck, and we look forward to seeing your amazing projects and livestock at the fair!

To access FairEntry, visit: <https://faireentry.com/Fair/Signin/20502>

Detailed instructions for completing FairEntry can be found here:

Auction Committee News Blast

The May 15th deadline has come and gone, we sure hope you made it! We are just over a month out from the greatest yet busiest week of the year for most of us! Please be on the lookout for the Google form what will be coming from the Auction Committee to the email on file in 4HOnline. Please be sure to complete this form in its entirety-including uploading a photo of the 4-H'er for us to display during the live Auction!

YQCA Program

We have 155 enrolled 4-H members that HAVE NOT completed YQCA for the 2024 4-H program year. YQCA is a requirement for all youth (except Mini 4-H) planning to exhibit Swine, Beef Cattle, Dairy Cattle, Dairy Steer, Dairy Feeder Steer, Sheep, Goats, Rabbit or Poultry. YQCA must be completed by June 15th in order to exhibit and sell in the auction. You still have time to complete YQCA by enrolling in an online training session at yqcaprogam.org. Once you have completed your online training session, please forward a copy of your YQCA Completion Certificate to Tami at graff8@purdue.edu.

4-H Poster Exhibit Requirements

Failure to adhere to these instructions could lead to a lower exhibit grade:

- Poster board: Posters must measure 22" x 28" unless specified otherwise, and they are not required to be white.
- Labels: 3 x 5.5" labels for posters will be provided by the 4-H office during project check-in to indicate the 4-H member, project, and level. Attach this label to the lower right-hand corner of the poster and adjust your display accordingly.
- Stiff backing: Use materials like foam core board, very stiff cardboard, plywood, or Masonite (1/8" thick) to prevent the poster from bending forward.
- Plastic covering: Clear heavy plastic sleeves are available from the Extension Office for \$.25 each. Avoid using kitchen wrap.
- Citations: Ensure all posters include necessary citations.
- Club Information: Include the 4-H member's name and club printed on the back of the poster.
- Orientation: Display your poster horizontally, similar to a dollar bill.
