What's New in 2022: Indiana State Fair Livestock

4-H Animal Affidavit & Animal Husbandry Form:

4-H Exhibitors in the Beef, Dairy, Swine, Sheep, Dairy Goats, Boer Goats, and Meat Goats are required to complete the new 4-H Animal Affidavit & Animal Husbandry Form.

Helpful tips:

- The Animal Husbandry Form must be maintained from the 4-H Animal Ownership Deadline (May 16, 2022) through check in at the Indiana State Fair.
- One form is required for each State Fair Animal.
- All medications, vaccinations, injections, medical treatments, and any foreign substances administered in any form or manner must be documented.
- Disclosing drugs and/or alterations on the Animal Affidavit and Animal Husbandry Form does not affect the imposition of penalties should there be a violation of the Code of Ethics or drug testing/examination principles outlined in the Entry Book. Attaching accompanying veterinary documentation to support any Animal Affidavit claims is recommended.
- You can find the 4-H Animal Affidavit & Animal Husbandry Form on our website at <https://extension.purdue.edu/county/kosciusko/>
- Go to "Kosciusko County 4-H", then click on "Exhibitor's Corner."

Purdue Extension Kosciusko County News

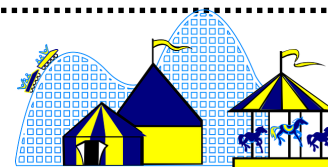

Effective June 1st, Emily Luc will transition into the full-time Agriculture and Natural Resources Educator for Kosciusko County. Emily came to our office about 8 months ago as the Assistant ANR Educator under Kelly Heckaman's mentorship. Kelly has worked with Emily and provided her with the tools necessary to make this transition successful. You can reach Emily at eluc@purdue.edu with your ANR questions. Kelly will be transferring to Allen County as an ANR Educator for their office. More detailed information will be coming from Kelly soon. All of us at the Extension Office want to wish Kelly continued success. We will certainly miss her around the office. You will see Kelly around the fair grounds as she is actively involved in the Dairy Project. Be sure to wish her well when you see her.

Indiana State Fair July 29-August 21, 2022

Welcome

We would like to welcome Caroline Arnett to our Purdue Extension Office as our Community Wellness Coordinators (CWCs). CWCs help make the healthy choice the easy choice, by providing support services to community-driven public health efforts. With an eye toward long-term change, CWCs collaborate with community partners to impact policies, systems, and environments.

Caroline has worked with Purdue Extension in La Porte County for the last six years as their CWC. She has worked in community gardens, opened pantries, coordinated with partners to bring in mobile pantries, has furthered food access during Covid, among many other projects. She loves working with community partners who have a heart for the community and is looking forward to her time in Kosciusko County.

FairEntry is used in preparation for the annual county fair by entering your exhibits for each project into their specific classes/divisions. We use this information to make livestock show programs, exhibitor name cards, fair results, and more.

Deadline for identifying your General Projects Exhibits and Livestock in FairEntry is **June 22**. To enter your exhibits you need to go to: <https://faireentry.com/Fair/Signin/16897>

You can find instructions on how to enter your exhibits and animals on our webpage at: <https://extension.purdue.edu/county/kosciusko/>

Record of Achievement forms are required as part of your project completion and are available in the Extension Office or online at <https://extension.purdue.edu/county/kosciusko/>

Your Record of Achievement form can be turned in anytime during Fair Week at the 4-H Fair Office at the Fairgrounds. In order for a 4-H member to receive achievement points, you must have your Record of Achievement form turned in no later than 4:30pm on Monday, July 18th at the Extension Office.
