 10TH - 12TH GRADER IN THE
 2024-2025 SCHOOL YEAR
 MORE INFORMATION TO COME!

FUN FACT

A. B. Graham started a youth program in Clark County, Ohio, in 1902, which is considered the birth of 4-H in the United States. The first club was called "The Tomato Club" or the "Corn Growing Club". T.A.

Erickson of Douglas County, Minnesota, started local agricultural after-school clubs and fairs that same year.

Jessie Field Shambaugh developed the clover pin with an H on each leaf in 1910, and by 1912 they were called 4-H clubs.

The 4-H pledge was adopted in June 1927 at the first National 4-H Club Camp in Washington, D.C.

The pledge was written by Otis Hall, a 4-H leader from Kansas, and the wording remained the same until 1973, when the words "and my world" were added.

NEW THIS YEAR!

Starting in the November Newsletter, this image of ice cream will be "hidden" in each monthly Newsletter. Find the ice cream and be entered into a monthly drawing for a FREE Farm Bureau Ice Cream the week of the fair.

Just email an explanation of where you found the image to shanaway@purdue.edu and your name will be placed in the monthly drawing.

Winners will be contacted by email and announced in the next month's Newsletter

It's never too early to be thinking about scholarships and 4-H has several! The list is the same for 2025 and applications are available just visit bit.ly/4hscholarship to download applications. Applications due to County 4-H Educator January 25, 2025

2024

SCHOLARSHIP OPPORTUNITIES

Senior Year Scholarship

Available to 4-H members in their senior year of high school

Club Scholarship

Available to 4-H members entering Purdue University majoring in the College of Agriculture or select majors in the College of Health and Human Sciences

Purdue Horticulture & Landscape Architecture Scholarship

Available to a 4-H member majoring in horticulture or landscape architecture at Purdue University and studied plant science in 4-H.

Accomplishment Scholarship

Available to 4-H members in grades 10-12 of high school and the year immediately following high school graduation. The purpose of the 4-H Accomplishment Scholarship is to recognize youth who have excelled in life skills development through their 4-H activities and involvement.

Categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food and Nutrition Science; Leadership Development; and Plant and Environmental Science. Three additional categories are reserved for applicants demonstrating life skills development in more than one of the previously listed categories. Those are Premier Achievement, Premier Citizenship, and Premier Leadership.

Eligibility: Applicants must be in grade 10, 11, 12, or their first year immediately following 4-H enrollment eligibility at the time applications are due. While an applicant does not have to be a current 4-H member, they must demonstrate multiple years of involvement in Indiana's 4-H Youth Development Program.

Youth who have previously been awarded a \$1,000 accomplishment scholarship are only eligible to compete in the Premier Achievement, Premier Citizenship, and Premier Leadership categories. Youth who have previously been awarded a \$2,000 scholarship are no longer eligible to compete in any category.

Awards: A minimum of thirty \$1,000 scholarships will be awarded to youth based on their demonstration of life skills development in these eight categories: Animal Science—Meat and Milk Production; Animal Science—Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food, and Nutrition Science; Leadership Development; and Plant and Environmental Science.

A minimum of one \$2,000 scholarship will be awarded in each of these categories: Premier Achievement; Premier Citizenship; and Premier Leadership.
