Chalk about it.
11-4(Monday) 5:30 pm Lake County Government Center (outside)
Elections are just around the corner, and every election season we like to write
encouraging messages in chalk in front of the Government Center
People seem to really enjoy it, so we're doing it again this year.
Weather Permitting.

6:21

We recognize a donation of 1000 dollars earned from the County Committee Food Drive Stock the Trailer. It is a Contest amongst all counties in Indiana to see who brings the most non-perishables for use in food banks. Lake County got 2nd place in the whole state. Received the generous award money from the donations as a gesture from the contest.

6:30

A discussion was brought up by Annalise Neal about possibly supporting those affected by Hurricane Helene in Tennessee, specifically in Greene County.

An effort to start a drive for gift cards and food to help the families affected by Hurricane Helene was initiated. We were asked to help out with gift cards, and kind words to help support the 4-H Community of Greene county, as well as the surrounding affected area.

Decided to donate 1000\$
