Amend last months,

1. Denise reports that Megan Bush would like to bring back the test, to possible replace the poster, the test would take place during the demonstrations. Discussed and decided, to create a committee next month, to do the test on a volunteer basis this year, with a candy bar for the participants. The committee would then plan for next year.

2. Talked about having a poster workshop during a meeting and have food to draw participants, form a committee next month.

Kristen Donaldson motioned to approved both amendments and to add to last months minutes and Christi Long seconded.

Christi Long motioned to accept secretary's reports with amendments, Kristen Donaldson approved.

Demo: to book school 3/8 or 3/15

### **New Business:**

Testing: Discussion make it fun and option activity this year during demonstration, with candy bar for participants. See what the response is to discuss and plan for next year. The committee should have volunteers from different clubs, and have a resource list for studying. Chair to present plan during Feb Meeting to discuss for this year.

Communication project: Lin would like to do the communication project the same day as the H&P demonstration. Discussion, the communication project would like to increase participation and since H&P has a demo already only a few changes and they could actually do 4 different parts of the communication project. Possibility county committee paying for part of the rental \$305. If the H&P demo would not be interrupted, and the communication project would be willing to start a couple of hours later, should not interfere, H&P starts at 8 AM. Kristina will reach out to communication and see if they would like to do the project the same day as H&P demo. Christi Long motioned and Kristen Donaldson approved.
