The annual budget will be presented to the board of directors for vote at the November meeting. The Finance Committee will also be responsible for scheduling annual audits (internal or external) of County Committee accounts.

With the approval of the board of directors, each committee may raise funds for the committee's use, elect a committee treasurer, and have a bank account using the County Committee's EIN. Minutes, including treasurer's reports, of all meetings of any sub-committee keeping its own treasury shall be submitted to the Extension Office within ten days of the meeting. Finances will be reported on the County Committee's annual IRS Form 990 Series return. All 4-H fundraising efforts must be approved by Extension Educators and must follow state and federal guidelines. Fundraising may not involve games of chance. Subsequent changes to the budget or additional disbursements of funds must be approved by the board of directors.

Upon request, treasurers will inform projects superintendents of available funds designated for that project. Superintendents may utilize funds up to that amount at their discretion for the following program-related expenses: workshop/fair supplies, educational materials for members' use, member awards, 4-H t-shirts or other apparel with approval of Extension Educators, and food at 4-H events. To access the funds,

superintendents may present an invoice to the treasurer to be paid, or they may make the purchase and present an original receipt for reimbursement. Any proposal of rule changes (other than Horse & Pony and Auction) shall be presented in writing to the Extension Office by September 1. Any individual may propose a rule change but the proposal must specify the exact wording of the new/revised rule as it would appear in the Handbook. Changes to general rules will be reviewed at the September meeting. Changes to Livestock and Non-Livestock projects/activities will be reviewed in alternate years. A committee consisting of Livestock or Non-Livestock project superintendents (depending on year) will meet after September 1 but prior to the election of incoming superintendents to review the proposals. Their recommendations will be presented by the October meeting of the Board of Directors for approval before adoption and publication in the 4-H Handbook. Rules may be revised further in order to comply with state 4-H policies. Furthermore, if the Board of Directors deems that a proposed project rule change is necessary for the 4-H program and that a one-year delay would cause undue hardship, they may choose to review the proposal regardless of which year it is.

- (b) The **Horse & Pony Committee** will consist of all Lake County Horse & Pony Club leaders, Horse & Pony Club assistant leaders, and Horse & Pony project leaders of clubs with a minimum of three members enrolled in the Horse & Pony project. A Horse & Pony Club is defined as a club with over 50% of its membership enrolled in the Horse & Pony project or a self-declared Horse & Pony Club of record. The chair will serve as the Horse & Pony project superintendent and will appoint such sub-committees as deemed necessary to carry out the 4-H Horse & Pony program. The Horse & Pony Committee will prepare updates to the Horse & Pony project requirements and policies and present these recommendations by the October meeting of the Board of Directors for approval before adoption and publication in the 4-H Handbook and/or Horse & Pony Rule Book.
