

Community Unity: Giving Life, Giving Hope

FOR DONATION

Come be a part of something bigger than yourself!

Join us for a community blood drive hosted by the Lake County 4-H Junior Leaders in collaboration with Alpha Kappa Alpha Sorority, Inc.®, *Sigma Phi Omega Chapter*.

Your donation can make a difference in someone's life. Every pint of blood has the power to save up to three lives! In addition to donating blood, you can also gather valuable information on the importance of blood donation and how it impacts our community.

- Walk-ins Welcome
- Snacks Provided
