HANDBOOK UPDATES

We have made a few changes to the handbook specially sewing. Make sure you are using the correct sewing skills form. It can be found on the state website under Exhibit Guidelines.

LIVESTOCK GROOMING CLARIFICATION

Livestock members, parents, and volunteers, there will not be a grooming assistance program this year. This has lead to some confusion on the grooming rules for 2025. So I have broken it down for you:

Who can groom at the LaPorte Count Fair: The 4-H member may obtain clipping and grooming assistance, if needed, by family members (defined as father, mother, step-parents, brother, sister, aunt, uncle, grandparents, legal guardian), any 4-H livestock committee members (current year approved volunteers), current LaPorte County 4-H members, any LaPorte County 4-H parent.

Those attending State Fair this is your verbiage: Exhibitors shall be responsible for the continuous care, grooming, and preparation of their own animals entered into the Indiana State Fair. An exhibitor may receive assistance in the care, grooming, and preparation of the livestock entered in the Indiana State Fair, provided that the assistance shall be limited to explanation or demonstration and that the exhibitor is involved in the preparation.

What does this mean? This means that professional fitters may explain or demonstrate during the county and state fair, but they cannot physically groom or fit the animal. This is how the rule reads below. Please note, the only thing that has changes is there there will not be a grooming assistance list this year and the added verbiage of the State Fair Grooming Policy.
