Beef ID Worksheet

PURDUE EXTENSION

LaPorte County

2857 W. State Road 2, Suite A, LaPorte, IN 46350

Office: 219-324-9407

Enclosed is a Beef ID Worksheet for your record keeping and assisting you while enrolling your animals in 4HOnline. This is **NOT** an animal enrollment form and does not count as enrolling your animal online. You must still ID your animals through 4-H Online. The worksheet is simply to assist you with inputting the information into the computer. You do not need to turn in the worksheet, nor do you need to bring it with you to the fairgrounds on ID Day unless you want to fill it out for your records.

Animal Enrollment Requirements (4-H Online): Deadline May 15th

- Any youth that plans on exhibiting livestock this year at the county and/or State Fair will need to enroll their animals in 4-H Online (<https://v2.4honline.com>) by **May 15th**. **This date is a deadline that cannot be missed.**
- Animals will need to be enrolled online by the 4-Her or family member. Extension Office Staff is happy to help but cannot enter animals for you, you can come into the office, and we can set up a computer for you, but we cannot ID the animals for you. We are happy to verify if the animals are active.
- Siblings may show each other's animals. All the possible animals that may be shared amongst siblings must be enrolled by a 4-H member of that family. Please do not enter all the animals under each child, the animal will automatically co-enroll.

Fair Entry: Deadline is June 12th by 4:00 PM

- Fair Entry is the second step in being able to exhibit animals at the LaPorte County Fair.
- Declare the breed that you plan to show as on fair entry, these will be final and not changed at weigh in. For those that have registered animals as dual breeds, selection must be made on fair entry by June 12th.
- If there are questions about breed guidelines visit the state fair website specific to your breed, which is what we will be using if there are any questions at the fair.
- You will use the same email and password that is used with your 4-H Online account when visiting <https://fairentry.com> to enter classes.

YQCA or Indiana 4-H Quality Livestock Care (I4HQLC) Requirements

Each 4-H member who participates in Beef or Dairy Feeder, Sheep, Goat, Swine, and Poultry projects will need to complete a quality assurance program.

- The Indiana 4-H Quality Livestock Care program. These trainings will all be held in-person for the upcoming year and dates, times, and locations can be found in the monthly Tidbit.
- YQCA certification (online only) will be accepted. Please visit yqcaprogram.org to take the online training. Once completed it is your responsibility to send a copy of your certificate to the Extension Office, so they have record of completion. Those certificates can be sent directly to
