Process for New Projects:

- Requests for new projects must be approved by the Master Gardener Coordinator for La Porte County to ensure they adhere to the Purdue Master Gardener Program guidelines. If you have an idea for a new Master Gardener project or a request from someone about creating a new project, please fill out this form and return it to:

Purdue Extension Office – La Porte County, 2857 W. State Road 2, Ste. A,
LaPorte, IN 46350 or email to dewitt8@purdue.edu

- Following approval by the Master Gardener Coordinator, the La Porte County Master Gardener Association Board will review the project to determine if the project will be promoted by the Association, if more volunteers than the project coordinator are needed.
