Miami County Extension Newsletter

August-November 2024

From the Educator's Desk

Courtney Schmidt, ANR HHS schmi163@purdue.edu

The USDA released the data from the latest US Census of Agriculture. While several areas of Indiana are showing a loss in farm land acres, Miami County increased theirs by 4% since the 2017 census. The number of farms did decrease by 3%, showing that our current farms are getting bigger. Ninety percent of our farms are still family-owned operations.

I think the most significant statistic coming out of Miami County's ag data has been the increase in livestock production, especially hogs. From 2012 NASS data, Miami County had 110,251 hogs ranked 10th in the state. Then to the latest data from the US Census of Ag 2022, there were 228,750 head increasing our state rank to 7th. The county benefits from having most parts of the pork industry supply chain within its borders and neighboring counties. We have the strategic advantage of being located in the center of the northern Indiana agriculture and food corridor with US 24 and US 31 making distribution easy and accessible.

We are thankful for our Miami County farmers and all that they bring to our community. As always, I hope for a very safe and successful harvest this year.

If you would like to receive the Newsletter digitally please email Amy at alexa244@purdue.edu

4-H Extension Educator

Heather Smith
4-H Youth Development Educator
heathersmith856@purdue.edu

Thank you Miami County for another successful Fair! It takes many volunteers to organize, plan, and implement a community event like the 4-H Fair. I would like to thank Parents, Superintendents, Club Leaders, Fairboard, 4-H Council, Extension Homemakers, Master Gardeners, Extension Board, Junior Leaders, Extension Staff, Patio Volunteers, and most importantly the 4-Her's for all of their efforts this year.

One vision I have is to grow and develop the youth community in a positive meaningful way through 4-H projects and programing. This year Miami County 4-H had 396 approved 4-H members. In 2023 there were 370 approved 4-H members. This year the project building increased by 207 building projects and the animals barns were fuller than ever. Several of the judges complimented me for the quality of work from our 4-H members!

On July 29th I will be checking in the State Fair building projects so if you have not brought them into the office please do that today so we can get them all packed up and ready to go. If you have the opportunity to visit the Indiana State Fair it will be open from Aug 2nd – Aug 18th but CLOSED ON MONDAYS.

If you have any county project suggestions, or rule changes please email me at heathersmith856@purdue.edu before August 12th so I can get those recommendations to the committee. I am always looking for positive changes that will "Make the Best Better" here in Miami County.

It is hard to believe school will be in full swing shortly and I am looking forward to visiting classrooms, leading programs, and spreading the word about 4-H and Purdue Extension in our county school systems. If you are interested in serving as a 4-H volunteer, we are in need of superintendents. Please consider serving the 4-H youth.

Alice Jordan - jordana@pfw.edu

This work is supported by the USDA National Institute of Food and Agriculture.

EXT-001

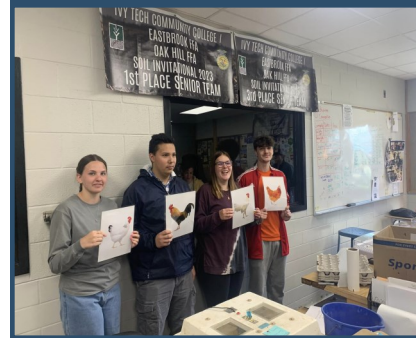

4-H Youth Development

Are you in 4-H and want to learn how to participate in 4-H events throughout the year? Interested in Livestock, Entomology, Forestry, Kitchen Skills, or Crops?

4-H offers Career Development Events (CDE's) throughout the year. Reach out to Heather at heathersmith856@purdue.edu or (765)472-1921 if you would like more information about when the contests take place and how to get a team together. It doesn't matter what school you go to, or even if you are homeschooled as long as you are in 4-H you can participate.

Junior Leaders we will be having a call out soon! Be on the lookout for a text in Remind. To Join the Remind group for communication updates, send a text to 81010 with this message: c7cbc2b.

Enrollment for 2025 Opens on October 1st. Visit www.v2.4-honline.com to register

Indiana State Fair

August 2-18

Closed on Mondays

For a full list of State Fair events stop in the Extension Office for a Brochure

We are in need of Project Superintendents for the following projects

If you would like to become a Project Superintendent contact Heather Smith at heathersmith856@purdue.edu
Aquatic Science, ATV Safety, Bicycle, Forestry, Geology, Soil & Water, Weather & Climate, and Wildlife

Send us your Fair photos to miamices@Purdue.edu

Extension Homemakers International Night Recipe

Dutch Apple Bread

Apple Bread Batter

- 1/2 cup softened butter
- 1 cup granulated sugar
- 2 eggs
- 1/2 cup milk
- 1tsp vanilla extract
- 2 cups all-purpose flour
- 1/2 tsp salt
- 1tsp baking powder
- 1 1/2 cups green apple diced & peeled
- 1/2 cup walnuts or pecans chopped

Dutch Crumb Topping

- 5 tbsp cold butter
- 1/3 cup flour
- 2 tbsp granulated sugar
- 2 tbsp brown sugar
- 2 tsp ground cinnamon

Vanilla Glaze

- 1 tbsp melted butter
- 1/2 cup powdered sugar
- 1tbsp milk
- 1/4 tsp vanilla extract

Instructions

1. Preheat oven to 350 degrees F. Line a bread pan with parchment paper or spray with non-stick baking spray.
2. Chop apples into small square pieces, set aside.
3. In a large mixing bowl, cream the butter and sugar together. Add in eggs, milk and vanilla extract and stir well to incorporate.
4. Mix in the flour, salt, and baking powder. Fold in apples and nuts.
5. Transfer the mixture to the prepared baking pan.
6. To make the Dutch topping. Combine the cold butter, brown and white sugars, flour and cinnamon. Mix with a fork or pastry blender until crumbly. Then, sprinkle the topping mixture over the batter in the pan.
7. Bake for 55-60 minutes, until toothpick inserted in bread comes out clean. (internal temperature of bread will be 200 degrees F when fully cooked.) Let cool before adding the glaze.
8. Whisk together the melted butter, powdered sugar and milk until smooth. Remove the bread from the pan and drizzle the glaze over the top. Slice and serve. Enjoy!

Extension Homemakers

The **Miami County Extension Homemakers** are proud to make an impact in our homes, schools and communities. We work to positively improve the futures of our area children through the **First Book for Kids** program, the **Weekend Meal Deal**, the **Nurturing Parenting Program**, the **Sprout Club**, the **4-H Program** and by offering scholarships. We offer timely lessons for our members in our county clubs that will enhance our families and communities. We organize, participate, donate and volunteer in many area service areas such as the **Open Class 4-H Projects**, **Helping Hands of Peru**, **Birthrights of Peru**, **Salvation Army**, **Riley's Children's Hospital**, **Dukes Memorial Hospital**, **Women's Shelters**, **Ronald McDonald House**, **C. C.'s Closet**, and the **Purdue Cancer Endowment Fund**. We promote Leadership skills with our International Programs that strive to create better connection and cooperation with other countries. We also support and train people to pass on information and knowledge to keep us looking and planning for a bright future.

If our organization interests you at all, and you want to join our group, we invite you to contact the Miami County Extension Office at 765-472-1921 and they will put you in touch someone who will share more information with you about us. We would love to have you join us.

We recently elected a Presidential Team of three ladies for the next year of leading the Miami County Extension Homemakers. Barb Hodge, Bonnie Burns and Terry Finster will be working together to plan the next year. We will be sharing the state theme of "Discover the magic of IEHA". Our **Achievement Night has been scheduled for Tuesday, September 17, 2024**. We will open up the evening to our spouses, guests and any prospective new members of our Extension Homemakers. We will be having a delicious Buffet Dinner **RESERVATIONS ARE REQUIRED and need to be made by September 10th**.

Join the Miami County **SPROUT CLUB**

- ✓ **FRESH FRUITS & VEGETABLES**
- ✓ **SPROUT BUCKS FOR KIDS**
- ✓ **FARMERS MARKET FUN**

The Sprout Club helps kids make healthy choices as they learn about buying fresh fruits and vegetables. Each Saturday June 8-September 28, 2024, kids ages 4 - 12 can visit our booth at the market in Peru to get Sprout Bucks worth \$3 to spend at farmers market vendors on fruits, veggies and edible plants.

A new project has recently started in Miami County called **The Sprout Club**. It is a training and teaching program that is geared to area children age 4 through 12 to teach them the importance of getting more fruits and vegetables into our diets through simple fun activities and games.

The MCEH in conjunction with Melinda Duckett, our Community Wellness Coordinator and a few other area organizations are sponsoring a booth at the Peru Farmers Market each Saturday until the end of September.

We invite you to come out and see us.

2024 INVASIVE SPECIES PROGRAM

August 23, 2024

Kokomo-Howard County Public Library Main Branch

220 N. Union St.
Kokomo, IN 46901
9 AM - 4 PM

Cost \$80

Grass to Garden Signature Program

Start a Community-based Garden With Purdue Extension

From improving access to fruits and vegetables to educating people on how food is grown, community gardens offer many benefits to the place you call home. Now, Purdue Extension can help you get one started in your own neighborhood with its Grass to Garden program!

Who can join?

- Non-profit employees
- Local officials
- Community volunteers
- Garden enthusiasts

What will I learn?

Every garden project is unique, and Grass to Garden will help you learn more than just how to grow plants — helping your program thrive by:

- Strengthening agricultural and community development efforts
- Improving access to local, nutritious foods
- Creating healthier communities, and more!

Sign up today!

Details for your Grass to Garden program — and how to register — are below:

County Name: **Purdue Extension Area 8**

Dates: **11am-1pm, Tuesdays - Oct 8, 15, 22, & 29**

Location: **Virtual**
