

Where to find projects in FairEntry

Montgomery County 4-H FairEntry works in cooperation with 4-H Online, so you will use the same username and password as 4-H Online. Families will use FairEntry to pre-register projects for the fair. This program will be used to create project labels, check in sheets, judging sheets, media reports, ribbon placings, award placings and more.

For the Montgomery County 4-H Fair, please enter all building and livestock projects by June 26. For projects by grade level you will use the grade you were enrolled in as of January 1. The 4-H projects will be listed under a specific Department. The following is a guide to help you find projects in FairEntry.

Department	Division
Beef Cattle & Dairy Beef	Animal Education
