Family Enrollment of Animals

Animals are automatically co-enrolled within the same family (Siblings and step-siblings). The animals may be identified under a single 4-H member in 4-H Online and be exhibited by a different sibling listed in the same family profile. **With this capability in 4-H Online, animals do not need to be entered under each 4-H member in the family.** The exhibit management program will allow a member to select to exhibit any animal identified by the family in 4-H Online. It is suggested that at least 1 animal be identified by each member enrolled in the project.
