Mission Statement

The mission of the Indiana Extension Homemakers Association is to Strengthen families through continuing education, leadership development and volunteer community support.

WHAT IS AN EXTENSION HOMEMAKERS CLUB?

It is a group of people who meet regularly to receive up-to-date information. Members meet for the purpose of sharing experiences, as well as providing educational programs. We are a community service organization.

MEMBERSHIP

A willingness to learn is the only requirement for membership (and dues). Many types of people are members— working, retired, young, old, men and women. It is a non-discriminatory organization.

We also have mailbox members that can't leave home or just can't make regular meetings. Pay county dues and you receive the county newsletter and you can attend any of our programs.

DOES AN EXTENSION HOME- MAKER CLUB DIFFER FROM OTHER ORGANIZATIONS?

Yes, Extension Homemakers Clubs are educational in nature. By providing informal educational opportunities, the organization broadens members' horizons and provides in-depth information in specific interest areas.

HOW OFTEN DO CLUBS MEET?

Most Clubs meet once a month in a members home or in a place chosen by the club. There are morning, afternoon or evening Clubs. Each Club decides on the lesson of interest to them and plans special meetings to include various luncheons, crafts, and etc.

If you are interested in joining an existing club or starting a new one please contact Membership Chairman, Sheila Puckett 765-318-3333.

EXTENSION HOMEMAKERS CLUB CREED

We believe in the present and its opportunities, in the future and its promises, in everything that makes life large and lovely; in the divine joy of living and helping others; and so we endeavor to pass on to others that which has benefitted us, striving to go onward and upward, reaching the pinnacle of economic perfections, in improving, enlarging, and endearing the greatest institution in the world-
