

MINI 4-H MEMBER CORNER
(GRADES K-2 AS OF JANUARY 1, 2025)

Morgan County Fair Dates JULY 5 –JULY 12, 2025

Several Pre-Fair events

Parents, it is important that you contact the specific 4-H Superintendent to make arrangements in advance by

May 15, 2025. This allows the mini member to attend workshops.

The 4-H member (Gr K-2 as of January 1, 2025) will be paired with another 4-H member's animal to participate in the mini animal class unless otherwise stated by the superintendent. Please attend a workshop as scheduled by the species superintendent to gain skills for showmanship. (There are no ribbons or premium money involved in these activities, but it is very enjoyable for the participants, their families, and fairgoers). All class events are at the Morgan County Fairgrounds unless otherwise stated. See the Mini Handbook for the specific rules and guidelines.

Mini Horse is a “project” and the enrollment is done at <https://in.4honline.com/>
