- **Noble County 4-H Legacy Award-** Past or Present 4-H Volunteer or Couple who has made a lasting impact on the Noble County 4-H program. This person lives the 4-H code of conduct and inspires others to do live the 4-H pledge.
- These will be public digital vote only, one vote per person with valid email.

### PREPARING FOR FAIR

June is a busy month as 4-H members work on projects, livestock, and club activities. If a 4-H member finds that they need help working on a project, manual, or even navigating sign-up; please call the extension office at 260-636-2111. The 4-H program has many experts in various aspects that are willing to help offer guidance and education to the youth.

#### To the youth in the 4-H program:

The fair is a great opportunity for loads of fun through competition. As we strive to meet our goals and create success, take time to meet new friends. Have fun and make memories.

#### To the parents & volunteers of the 4-H program

The Indiana 4-H Youth Development mission is to provide real-life educational opportunities that develop young people who positively impact their community and world. Keep in mind that the county fair is supposed to be an educational activity. Please remember that you are setting an example for children in the community. Actions speak louder than words and your actions may have an impact for a lifetime.

We look forward to seeing you all!

*-Matt Dice, 4-H Educator and Noble County CED*

Development

## **2024 Noble County 4-H Fair Entry Instructions**

A blue arrow-shaped button with the text "Fair Entry" inside, pointing to the right.

A few notes to help you avoid common problems before you start:

- Once you hit submit, you will not be able to enter any more projects until those first ones have been approved by the Extension Office. Many people click “submit” after their first child only to find out that they can’t add anything for the second child until the Extension Office approves the first child’s entries. Please read step 9 below carefully to avoid this problem.
- If Fair Entry won’t let you click “Submit” at the end, it usually means you’ve forgotten to fill something out (ex: did you select a club? Did you select an animal for your livestock project?)
- Make sure to continue through the end of the process. You are not done with Fair Entry until you click “Submit”. You will receive a confirmation email to let you know it went through.

- 
1. Go to <https://bit.ly/2024Noblecountyfaireentry> or go to [Faireentry.com](http://Faireentry.com) and find your fair.
  2. Click the green box that says “Sign in with 4-H Online”
  3. Sign in using your 4-HOnline email and password. DO NOT CREATE A NEW ACCOUNT. We can help you if you have forgotten your email and or password, just call 260-636-2111.
  4. Click “Create Invoice” or “Begin Work on a New Invoice” (depending on if it is your first time creating an invoice this year)
  5. Next to the member’s name you’re putting entries in for, click “Create Entry”
- \* If you do not see a member's name, stop and call the Extension Office.
6. Select the correct department, division and class for the entry
  7. Select the 4-H Club associated with this entry
  8. If it is a livestock project, select your animal by choosing “Add Animal”
- Most will now select “choose an existing animal record” EXCEPT for poultry entries. When entering poultry, select “Enter a New Animal Record”
  - Add the animal you wish to exhibit in the appropriate class for that animal
9. In the next screen you will have three choices:
    - “Add another Entry” - click this if you need to add more entries for this same member
    - “Register Another Exhibitor” - click this if you have entries to add for a different member
    - “Continue to Payment” - click this only if you have no other entries to add for any family members
  10. After clicking “Continue to Payment” you will see a total cost of \$0. Click Continue
  11. You will see “no payment method is necessary” since the cost is \$0. Click Continue
  12. Click Submit
  13. You will get an email verification that your entries have been submitted and another email verification once your entries have been approved by the Extension Office.

---

Once you’ve completed the Fair Entry process, you may discover that you’ve entered something incorrectly, or that changes need to be made. Please contact the Extension Office BEFORE July 3rd, to make any changes. This will help the check-in process to run smoothly. Must be registered in Fair Entry or you will show as exhibition only and not eligible for State Fair.

By June 18th  
(Deadline Extended)

This year at the Noble County 4-H Fair we will be participating in Farm Credit, Mid-America, "Fight Hunger, Stock the Trailer" competition. The goal is to see which county raises the most food and household products for local food pantries. The top 5 winning counties will receive cash prizes ranging from \$500-\$5000! Items from the Construction competition will also be included in Noble County's total.

If you want to donate money to the event the Junior Leaders will be happy to accept donation that can be used to purchase food and household items towards the event! Make checks to Noble County 4-H Junior Leaders.

Big thanks to Jennifer Streich and Hosler Realty Inc. for loaning us the trailer to fill up at fair!

106 S Main Street Kendallville, IN  
(260) 347.1158

Each Noble County 4-H barn species is invited to participate in the Noble County Farm Bureau 4-H Species on Display Competition. This competition was developed by the Noble County Farm Bureau, in coordination with a Noble County 4-H, to utilize the expertise of the 4-H members and volunteers to educate the public on their represented specie.

This year's theme is, "Origin & Purpose." We are looking for simple displays that are easy for the public to understand. Your display should thoroughly explain where your specie originated from and the purpose of that said specie. When designing your display, please take into consideration that the public has no idea about your species. Please gear your display to people of all ages. Remember to include visuals to make your display more interactive!

Each species that creates an informational display will receive \$150.00 from Noble County Farm Bureau. The displays will be judged, and the winning display will receive the remainder of the budgeted amount. We ask that a representative of the winning species be present at the Round Robin competition to receive the check and get a picture. The money can be used to benefit that specific barn/species project, as determined by that barn superintendent and associated species committee.

If you have any questions and to RSVP, please contact Richard Rogers (260-349-5017), Noble County Farm Bureau.
